

1. Title: **Criminal Justice--Corrections**

2. Summary of Goals—Learning Outcomes:

At the completion of courses for a Criminal Justice – Corrections major at Golden West College, the successful student will be able to:

Describe the roles of corrections professionals within the adult and juvenile justice systems.

Recognize the differences in staff and inmate hierarchies within the correctional environment.

Identify the components of an integrated and strategic supervision model for community corrections that reduces offender recidivism.

Describe the principles of evidence-based practice used by human service professionals to achieve effective interventions.

Explain the legal justifications required for conducting a search and an arrest, and the exceptions to these requirements.

Describe crimes by their names, elements, and classifications.

Develop effective reading, writing, speaking, listening, and nonverbal communication skills for a variety of audiences.

Evaluate legal arguments, and explain constitutional and statutory limits on the application of law.

Identify the foundational requirements for the admissibility and the exclusion of evidence in a criminal court proceeding.

Discuss the Six Pillars of Character as defined by the Josephson Institute of Ethics: trustworthiness, respect, fairness, responsibility, justice and fairness, caring, civic virtue and citizenship, and how they apply to personal and professional environments.
