Elaine Anne E. Araneta

Elaine grew up in the Philippines where she attended a small all-girls school. When she was fourteen, her parents excitedly announced that “We are moving to America.” Although she was nervous to be surrounded by a new environment, she achieved academic success in her new home. After receiving a full scholarship to attend prestigious internships in programs like the University of California, Irvine’s Summer Healthcare Experience, Research Program, and Camp Neuro, she entered Golden West College (GWC) as a sixteen-year-old pre-nursing major.

As she started a new chapter in her life, she started volunteering and offering her service at GWC. During Spring 2019, she was elected as Alpha Gamma Sigma’s (AGS) Activities Coordinator. She organized student volunteers to participate in events such as helping English as a Second Language students to have an English-speaking coach for their class. By being an officer, she helped people to be more involved in GWC. Elaine was also the Spring 2020 AGS Treasurer where she assisted various fundraisers for the AGS scholarships. She is also part of the

sustainability committee at GWC where she aims to promote sustainable choices to students.

After receiving a 4.0 GPA in her classes, her professors encouraged her to be a GWC Tutor and Embedded Tutor for English, Statistics, Biology, and Chemistry. As a tutor, she spent over 150 hours working with the students to achieve their educational goals. Elaine applied the skills she received from GWC tutoring when she was given an opportunity to go back to her old school in the Philippines. She taught science to her previous school to inspire the future women in science.

After volunteering at GWC, Elaine started volunteering at Fountain Valley Regional Hospital. As a patient care volunteer for over 200 hours, she was inspired by the patient’s stories of life and self-discovery. Last summer, Elaine was involved in organizing a volunteer opportunity at a welfare institution for abandoned youth located in the Philippines. While she was there, she noticed that most children suffering from a traumatic experience do not receive help from a psychologist. That moment made her certain that she wants to spread more awareness about mental disorders by offering the proper help to individuals.

In addition to being involved in GWC and the community, at the age of seventeen she graduated and achieved academic success by receiving Certification of IGETC, Certificate of Achievement in CSU Breadth, Certificate of Specialization in Pre-Health Science, Associate in Arts Degree (AA) in Liberal Arts, Emphasis in Science and AA in Liberal Arts, Emphasis in Social and Behavioral Sciences. Elaine received the Tom Jackson Scholarship which is the highest state AGS scholarship in California.

Elaine will be transferring to CSULB for Fall 2020 to pursue a Bachelor of Science in Nursing. In the future, she plans on promoting healthy mental awareness in the community by pursuing a Doctor of Nursing Practice specializing in Psychology. She aspires to be an individual who could help people in a period of sadness and encourage people to embrace their differences and achieve their dreams.

CALIFORNIA STATE ALPHA GAMMA SIGMA HONOR SOCIETY SCHOLARSHIP AWARDS 2020

The 2020 State Alpha Gamma Sigma Convention awarded scholarships to AGS members from all active AGS chapters statewide. Each AGS chapter may submit their top three members for scholarship consideration. This year we were fortunate to be able to submit four student candidates. Receiving a scholarship from Alpha Gamma Sigma is highly competitive and a true honor. Congratulations to the following California State AGS Scholarship/Award recipients:

Thomas Jackson Scholarship Award

Elaine Anne E. Araneta

Kathleen D. Loly Scholarship Award

Erica Hern

Charles Bell Scholarship Award

Alisha Gamble

ALPHA GAMMA SIGMA STATE HONOR ROLL 2019–2020

This state-wide award recognizes Alpha Gamma Sigma Permanent Members who have completed 60 or more college units with a 3.95 or better cumulative grade point average. Honor Roll recognition is recorded at the state level and recipients receive a state certificate. This honor is officially recorded on their college transcripts. Congratulations to the following AGS Honor Roll recipients:

Elaine Anne E. Araneta

Minh T. Hua

Matija M. Jancic

Luan T. Le

Michaela A. Maguin

Thu A. Ngo

In the 12th and 13th centuries, when universities were under the jurisdiction of the church, students wore habits, or cloaks with hoods, which were designed to provide warmth in unheated buildings. The more colorful modern academic costume, worn more for its symbolism than for any practical purpose, originated at Oxford and Cambridge universities in England in the 1300s, and has been continuously in use in the United States since colonial days.

The mortarboard cap represents no particular degree or school, except that the short, gold tassel is worn only by holders of the doctoral degree. The tassel may be worn on either side of the cap, or wherever the wind places it! The gown itself is usually black for all holders of baccalaureate or higher degrees. Bachelor's and master's degree styles differ little, but doctoral gowns are faced with velvet panels down the front and velvet bars on the bell-shaped sleeves. Only the hood itself shows by its length and colors the distinctions among degrees, academic majors, and colleges or universities which conferred the degrees. The higher the degree, the longer the hood and the wider the velvet facing which outlines the hood: bachelor's, master's, and doctor's hoods are three feet, three and one-half feet, and four feet long, respectively. In addition, the velvet trim is two, three, or five inches wide (narrowing only around the neck) in the same order of degrees. The color of the velvet facing denotes the academic area in which the degree was awarded, as listed below. The colors of the satin lining in the hood are the school colors of the institution where the degree was awarded (e.g., University of California colors are blue and gold, and the University of Southern California's, maroon and gold). Only the doctor's hood also includes panels with narrow satin piping.

Velvet "Field" colors, which symbolize academic areas of study, are as follows:

Arts, Letters and Humanities	White
Business	Drab
Economics	Copper
Education	Light Blue
Engineering	Orange
Fine Arts and Architecture	Brown
Journalism	Crimson
Law	Purple
Library Science	Lemon
Music	Pink
Nursing	Apricot
Philosophy	Dark Blue
Physical Education	Sage Green
Science	Golden Yellow
Speech	Silver Gray
Theology	Scarlet

Golden West College cap and gown colors represent:

- Green – AA Degree
- Gold – Certificate of Achievement
- White – Nursing

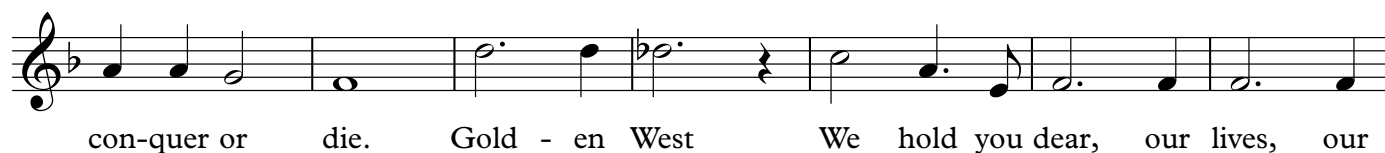

Members of the following groups are represented with special stoles:

- Alpha Gamma Sigma Honor Society
- EOPS Program
- Puente Program
- Student-Athletes
- United States Veteran
