Discussion Items:

1. Articulation Report (Jerry Castillo) [Ethnic Studies TMCs are being developed.](#)

2. New program proposal LMI, Regional Consortia, and Advisory Minutes should be attached to the new program proposals. All new degrees and certificates will need a new program proposal. Current certificates of specialization should be changed to certificates of achievement. Sunshine moved to approve; Cristina seconded; motion approved. **New program proposal approved.**
3. 5-Column Model
 1. 2020-21 completions. Course substitutions should be added.
 2. 2021-22 objectives. The format of the new five-column model reflects a streamlined process consisting of the intended objectives and the summary, which is like the Executive Summary as the Senate has adopted.
4. Credit for Prior Learning (CPL) OCC and CCC have workgroups. GWC should form a workgroup which includes many departments across the campus, such as Enrollment Services, and Counseling, and discipline faculty will need to collaborate to see how CPL will look and be enacted. Board policy was in place in December 2020, now we are working towards the Administrative Procedure and have a policy of what will be awarded credit or accept.
