PREREQUISITES, CO-REQUISITES & ADVISORIES PROPOSAL FORM

COURSE NAME and NUMBER: _____

Prerequisite, Co-requisite, or Advisory Course:_____
(name and number)

Date:_____

Content review is required for all prerequisites, corequisites, and advisories prior to approval and implementation. In addition, certain types of course prerequisites, depending on the level of scrutiny identified by Title 5, are required to meet a higher level standard for an enforced prerequisite (Co-requisites and advisories require only content review).

If there is a prerequisite, corequisite, or advisory request, check the type proposed:
