B. Salary Advancement Credits

1. SAC Horizontal Movement – CBA Article XXI (p. 81)

Section 21.2.b. Upon completing the program, the Faculty Member shall submit evidence of credits earned or experience completed to the College IPD/PDI for its certification of successful completion of the program. Such evidence will be forwarded to the College President, or designee, for final certification and forwarding to the Vice Chancellor for Human Resources for implementation.

(1) Faculty Members shall be assigned to a scale when transcripts have been examined and approved by the District. Only one horizontal salary change may be achieved per year, and the Faculty Member requesting a change must submit all relevant degrees and transcripts to District personnel no later than September 15 of the academic year of the horizontal salary change; a Faculty Member requesting a change through Professional Development Institute units must submit documentation of completion for pre-approved work to IPD/PDI no later than September 1. Compensation shall be effective as of the beginning of the academic year upon notification by the requesting Faculty Member. If transcripts or lack of degrees indicate that the requesting Faculty Member has failed to achieve the units or degrees, no salary adjustment shall be made.

Chair Green informed that it was confirmed by HR that faculty may move multiple columns within an academic year. In the past, the contract was interpreted by the IPD to mean that faculty may only move one column, therefore, SAC applications were restricted to ten IPD credits per year. She announced that faculty will now be allowed to submit multiple applications. Horizontal movements take place once a year in September. She informed there are currently two faculty members attempting to complete several classes with the goal of a multiple column movement. The IPD will promote awareness of this opportunity for faculty to achieve reaching the 5th column sooner.

2. Review Applications (Courses not listed on IPD's Recommended List require IPD review.)

It will support the development of my teaching and professional development by training me on the best strategies to manage interactions in the even that students get emotional about certain topics or course requirements.						

C. Flex Day – Flex Obligation

Since faculty now have the option to complete the CIL's Inclusive Instructional Innovations Session #2: Universal Design towards their Flex Day obligation, the committee agreed that those that are using this class towards Flex cannot earn SAC credits. MOTION by Rep. Wegter to add a new prompt on the SAC application for faculty to check off if the course was used towards Flex obligation. Seconded by Rep. Barrett. Hearing no objections, the motion passed.

- E. CIL Professional Learning Programs & Workshops
 - 1. How to provide SAC application to faculty enrolling in CIL classes [Faculty Resources]
 - 2. New Faculty Academy curriculum
 - 3. [Spring 2023 CIL offerings]:

 - B. QPR Suicide Prevention Training for Faculty & Staff (2 hours = 0.11 credits)
 - C. Lunch and Learn: Let's Talk About AB 1705 (1 hour = 0.056 credits)
 - Chair Green acknowledged that most CIL classes are approximately two hours therefore earning very little SAC credits.
 - She inquired whether the IPD should bundle courses or allow faculty to apply for individual courses. The IPD office informed that it is easier to track individual applications than to keep track of completion of bundled courses.
 - Chair Green referenced the Strategic Plan and IPD's goal to increase professional development opportunities for faculty and the IPD's partnership with the CIL to meet that goal.
 - She inquired whether the IPD should issue a blanket approval for all CIL courses or preapprove them individually.
 - MOTION by M. LaMantia to issue a blanket approval for all CIL courses as
 preapproved for SAC credits. CIL courses will follow the same application procedure as
