SHANE. Well, I tell ya, it's a pretty humblin' thing.

I'm just this kid outta nowhere and alluva sudden -WHAM, I'm on this team.

An, it's a pretty funny team, ya know.

A pretty funny bunch'a guys.

Now don't get me wrong.

I don't mind the colored people - the gooks an' the spics an' the coons an' like that.

But *every night* t'have'ta take a shower with a *faggot*?

Do ya know what I'm sayin'? (*Beat. Team watches in frozen horror.*)

Do ya *get* me? (*Hold. Fade out.*)
