# We Want to Feature You in Our GWC Student Spotlight!

We have launched a new campaign to feature new and returning GWC students on the GWC App. Our goal is to feature at least one GWC student each day for the first few weeks of fall classes.

To be featured in our daily GWC Student Spotlight, please complete our online [Student Spotlight Submission Form](#) (Google Chrome works best) and upload your favorite headshot or selfie. We will feature your photo and a short bio on the GWC App during the first few weeks of classes and you may also appear on the GWC Instagram and Facebook page too.

Submit your [Student Spotlight Submission Form](#) today!

If you have any questions, please contact Frank A. Cirioni, Director of Campus Life, via e-mail at [fcirioni@gwc.cccd.edu](mailto:fcirioni@gwc.cccd.edu) or by phone at (714) 895-8700.

## Disability Services Associate, Bryson Thrift

- Did you know GWC offers support and counseling services for students with physical or learning challenges? Contact our DSPS office for more information at (714) 895-8721 or [dsps@gwc.cccd.edu](mailto:dsps@gwc.cccd.edu). In the meantime, let's meet one of the terrific staff members in that department!

### Q. What is your name and your role at GWC?

- A. My name is Bryson Thrift and I work in Disabled Students Programs & Services (DSPS) as a Disability Services Associate. My job involves coordinating a range of services and accommodations for students in our program. Some of these services include extended test taking time in a distraction-reduced environment, notetaking assistance, setting up counseling appointments,

and much more! I love my job because I get to be the liaison between the student and their faculty member and ensure that each student has equal opportunity and access to education.

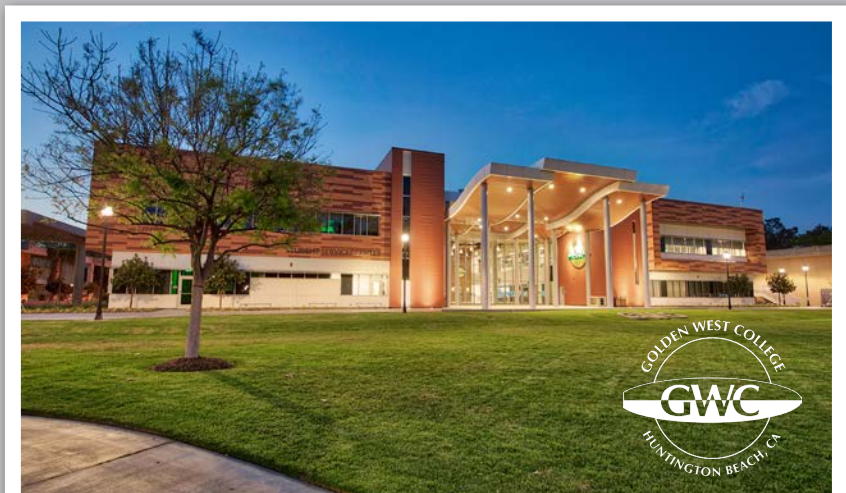

### Q. If you could live anywhere in the world, where would it be, and why?

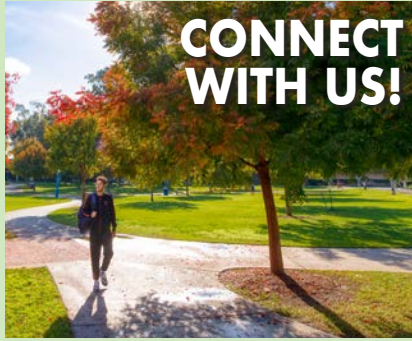

A. If I could live anywhere in the world \*outside of beautiful California\* I think I would live in New Zealand. It just looks like such a beautiful place with clean air, nice people, and views for days! I would love to visit someday and go bungee jumping!

## Things You Need to Know...

### Parking Permits NOT Required for Fall 2020

New parking meters are being installed that will allow students, staff, and visitors to pay for parking using a smartphone app. Until then, parking on campus is free.

### What is CaMP?

Have you been contacted by one of our friendly CaMP representatives? CaMP, which stands for "Case Management Program", was created to provide each student with a personal connection to a GWC staff member who will answer questions or connect you to the appropriate resource. Watch your email or text messages for an introduction!

### GWC Live on Instagram

Join us for GWC Live every Thursday at 3:00 p.m. with GWC's Outreach Specialist, Ben Olague. Feel free to ask questions in the chat at any point, we will do our best to make sure they are addressed. See you there!
