GWC's Academic Success Center

Academic Support is FREE and available online!

Be sure to enroll in tutoring now so that help will be available to you if and when you need it! It's simple... just add the course LRSK 921N (section 23026). You don't need an add code and it's zero units, so it doesn't cost a thing!

- GWC peer tutors are available for appointments or drop-in tutoring via Zoom. Visit our online schedule at gwc.mywconline.net to check tutor availability and make an appointment.
- Students have 24/7 access to NetTutor online tutoring, which can be accessed by clicking the link in Canvas.
- Tutor-led workshops are being offered weekly in Writing Assistance, and College Algebra, Statistics, and College Success.
- Visit the virtual Academic Success Center via Zoom [here](#). You will be greeted by a friendly staff member who can answer your questions and connect you with the appropriate resources.

For more information or for assistance, please visit our website or email us at academicsuccessctr@gwc.cccd.edu

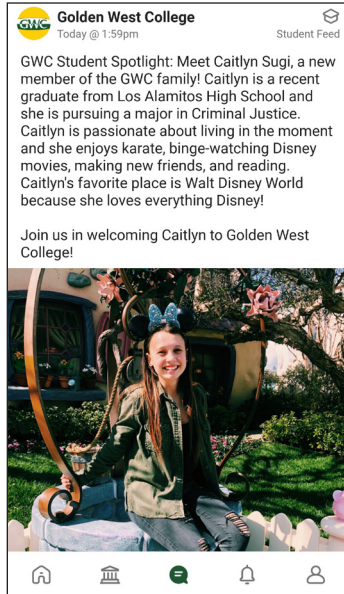

We Want to Feature You in Our GWC Student Spotlight!

We have launched a new campaign to feature new and returning GWC students on the GWC App. Our goal is to feature at least one GWC student each day for the first few weeks of fall classes.

To be featured in our daily GWC Student Spotlight, please complete our online [Student Spotlight Submission Form](#) (Google Chrome works best) and upload your favorite headshot or selfie. We will feature your photo and a short bio on the GWC App during the first few weeks of classes and you may also appear on the GWC Instagram and Facebook page too.

Submit your [Student Spotlight Submission Form](#) today!

If you have any questions, please contact Frank A. Cirioni, Director of Campus Life, via e-mail at fcirioni@gwc.cccd.edu or by phone at (714) 895-8700.

VRC Specialist, Christie Vega

- **What is your role at GWC?**
- I am the Veterans Resource Center (VRC) Specialist at GWC. I assist with the daily operations of the VRC and ensure that our military connected students are supported during their transition from military culture to college life. This involves onboarding and orienting new and returning students. I also maintain partnerships with community resources and connect our students through case management. It is my pleasure to support our students through the delivery of special events, including the annual Veterans Day Celebration, VRC Holiday Party, and the Student Veteran Graduation Recognition Dinner. It is rewarding to serve as an ally for our student veterans through advocacy and help propel our

students towards their academic and personal goals.

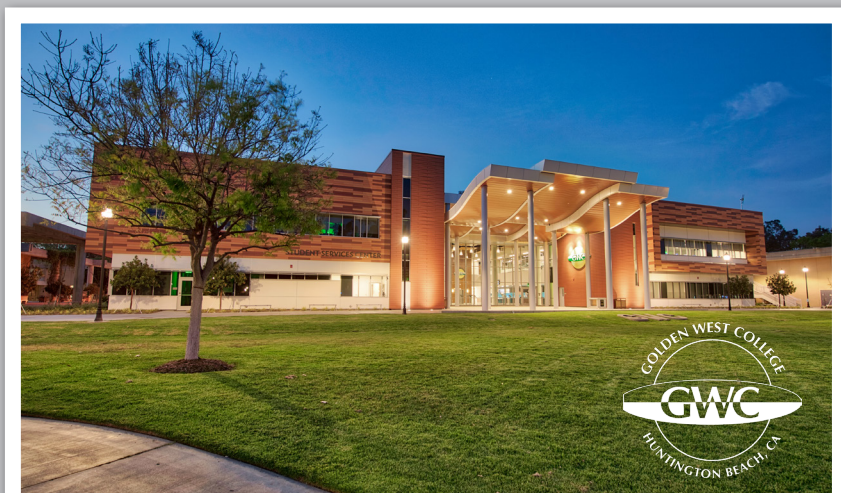

What superpower do you wish you had, and why?

If I had a superpower it would be the ability to teleport. I think it would be amazing to be able to move from place to place in the blink of an eye. I would be able to travel to my heart's content without hurting my wallet. But, I would just be very careful not to teleport too far into the future like Number 5 in Umbrella Academy.

What is CaMP?

Have you been contacted by one of our friendly CaMP representatives? CaMP, which stands for "Case Management Program", was created to provide each student with a personal connection to a GWC staff member who will answer questions or connect you to the appropriate resource. Watch your email or text messages for an introduction!
