

Certificate of Achievement in IGETC (UC or CSU) 2021-22

This Certificate of Achievement in the **Intersegmental General Education Transfer Curriculum** is designed for students who intend to transfer to the University of California or the California State University, or who are unsure if they will transfer to a UC or CSU. Students who complete this certificate will meet all lower division general education requirements for UC or CSU. Students transferring to CSU must complete a minimum of 9 additional upper division general education units after transfer. The IGETC may not be appropriate for some programs or high unit majors. Students should consult a GWC counselor to make sure this is their best option. Courses on this list are approved for a specific academic year. A course can be used only if it is on the list when it is taken by the student. **Every effort has been made to assure the accuracy of this list at the time of publication; however, additions or deletions sometimes occur during the year. Students are encouraged to see a counselor and check the ASSIST website (www.assist.org) regularly for the most current information about approved general education courses.** ASSIST is the official repository of course articulation for California's public colleges and universities.

To receive this certificate a minimum of 12 residency units must be completed at GWC.

A grade of "C" or better is required in all courses. Grades of "credit/pass" can be used if equivalent to a "C".

NOTE: Students who are awarded this Certificate of Achievement must also request IGETC certification at the Admissions and Records Office when sending their final transcript to the four-year school.

One course cannot be used to satisfy more than one GE requirement.
