

## PROVIDING QUALITY SERVICE SINCE 1970

At Golden West College we are dedicated to offering our clients with quality products and beneficial services. The Esthetician course has been operating and training professionals for over thirty years. We challenge ourselves to obtain knowledge of the latest techniques and therapies in order to better serve you. You are our number one priority!

We use Dermalogica skin care products in all our facial treatments. With this product we develop skin treatments customized for the specific needs of your skin. Our goal is to nourish and rejuvenate your skin, body, and mind. To achieve this goal, we begin by providing effective client consultations, professional services, affordable prices, and the pampering you deserve.

## FACIALS

If you are looking for a quick pick-me-up, or in-depth facial, Golden West College Esthetician department is a Dermalogica® partnership school. We offer professional skin treatments that are completely designed for your skin's needs.

**European Facial** 75 minutes \$30  
A European Facial is a thorough, deep cleansing treatment for the face and neck, followed by an exfoliation which is a process that removes dead skin cells and generates skin cell turnover, extractions, facial massage, masque, toner, moisturizer, and hand treatment included with this treatment.

**Stress Relief Back Facial** 60 minutes \$25  
This is great for relaxing. Your back, shoulders, and upper arms are deep cleansed, and exfoliated with a sugar/salt scrub. A hydrating masque, massage, toner and moisturizer. The treatment is 45 minutes then we turn you over for a hand and arm massage for 15 minutes.

**Acne Treatment Facial** 75 minutes \$35  
This facial is recommended for mild or moderate cases of acne. This treatment includes deep cleansing; exfoliate the skin with an enzyme peel, customized masque, extractions, high frequency and galvanic therapy to heal and sterilize the skin from future breakouts. Massage is not included with this treatment.

**Age Reversal Facial** 75 minutes \$40  
This revolutionary treatment will awaken youthful skin. This facial will reduce fine lines, increase collagen and elastin, giving you a more radiant and youthful skin. This treatment includes: cleansing, salicylic or lactic acid peel, massage, double masking, galvanic therapy, eye treatment, serums, moisturizer, toner and hand treatment.

**Dermalogica products are used for all facials. All work is performed by students under supervision of Licensed Instructors.**

## BODY WAXING

Waxing can be beneficial to the skin because it exfoliates the skin as the hair is removed. With regular waxing, hair typically grows back thinner and less dense. Waxing is not recommended for clients using Retin-A or Accutane. Hair must be 1/4 inch in length for us to wax/ or not shaved for 3 weeks.
