CLASS CANCELLATION
College reserves the right to cancel classes. All classes offered are based upon sufficient enrollment to economically warrant them. Classes may be cancelled as a result of low enrollment, State legislation, and/or financial considerations. When classes are cancelled due to low enrollment, every attempt will be made to help students adjust their academic schedules.

Mission Statement
The mission of Golden West College is to deliver high quality learning and learning related services to students and the communities we serve. As a lively center of learning, Golden West College is dedicated to fostering a work and learning environment which challenges, enriches, and rewards each individual.

Vision Statement
At Golden West College, institutional integrity is our top priority. As a comprehensive community college, we provide a wide variety of excellent transfer and career programs and courses to our students. We integrate into our programs new instructional techniques and technologies as they evolve. Through a continual process of review, revision, and creation of new courses and programs, we meet the changing needs of our students. We promote quality in everything we do. We value diversity and will continue to seek and promote a global perspective. Committed to a collegial method of governance, we value our highly skilled faculty and staff who are dedicated to learning and teaching. The college is proud of its beautiful campus, and we care for it with environmental sensitivity. Golden West College welcomes change, anticipates the future with excitement, and will continue to take deliberative risks to improve learning, teaching, and relationships among faculty, staff, and students.

Principles
Always focused on student learning, we emphasize these principles:
- We are innovative and flexible in meeting student learning needs
- We concern ourselves with outcomes
- We value service and helping our students and our service communities achieve their goals
- We do all tasks safely for both ourselves and others
- We respect and value the environment

Philosophy
Our philosophy is based upon ethical conduct, mutual trust, respect for others, and teamwork. To ensure organizational improvement and excellence, we challenge, test, reevaluate and continually raise our standards of excellence in our own conduct and work. We have high expectations for ourselves, colleagues, and students. As a service organization, our success depends upon the combined capability and contribution of faculty, staff, and students.

Approvals
Golden West College offers programs which are approved by:

Bureau for Private Postsecondary and Vocational Education, in the Department of Consumer Affairs

Board of Registered Nursing as a Provider of Continuing Education for Registered Nursing
(The provider number is 00622)

Board of Cosmetology Approved Provider Article 5, Section 945 Rules and Regulations

Approved as Certified Course Presenter by the Commission on Peace Officers Standards & Training (P.O.S.T.)

Accreditations
Golden West College is accredited by the following agencies:

Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges

P.O. Box 944226
Sacramento, CA 94244-2260
(800) 952-5210
ACADEMIC YEAR
The academic year is divided into four sessions: fall semester, extending from August through December; Intersession, the month of January; spring semester, from February through May; and summer session, from approximately June through mid-August.

Courses offered during these sessions are similar in scope and maintain equivalent standards. Students may enroll concurrently at Golden West College, Orange Coast College, and Coastline Community College, in both day and evening classes. Coordination of programs by these sister institutions provides a broad range of complementary offerings.

Days, Evenings, and Weekends: Classes are taught from 7 a.m. to 11 p.m., Monday through Friday, as well as on Saturdays and Sundays. The Associate in Arts degree and some Certificates of Achievement may be earned during evening and weekend hours as well as during the day.

Summer Session: Comprehensive programs are offered at Golden West College, Orange Coast College, and Coastline Community College, days, evenings, and weekends. Summer session affords new and continuing students opportunity to:

- Explore areas of special interest independent of their normal two-semester program.
- Accelerate their degree programs through a full year of study.
- Make up high school deficiencies which would otherwise limit their freedom to pursue a planned program of higher education.

ADMISSION CYCLE
Golden West College begins the admission cycle for the fall semester and summer session on the preceding April 1, and for the spring semester the preceding October 1. All questions regarding admission procedures will be handled by the Admissions Office located in the Administration Building.

OPEN ENROLLMENT POLICY
It is the policy of the Coast Community College District that, unless specifically exempted by statute, every course section or class, the attendance of which is to be reported for state aid, wherever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to the college(s) and who meets such prerequisites as may be established pursuant to Section 58106 of Title 5 of the California Administrative Code.

ADMISSIONS ELIGIBILITY
Anyone 18 years of age or older and who can profit from instruction qualifies for admission. If under age 18, you will qualify for admission if you have satisfied one of these:

1. Graduated from high school.
2. Passed the California High School Certificate of Proficiency Test or equivalent.
3. Completed the 10th grade and received permission from your high school.

NOTE: In accordance with the California Education Code and college policy, students who have not completed the 10th grade may be eligible to take courses offered by Golden West College for advanced-level study in instructional or vocational areas not available at their school. The school and the college will determine who may enroll based on their judgement of the applicant’s ability to profit from instruction. The college has the right and responsibility to restrict enrollment for reasons of health and safety, appropriateness of the course, preparedness of the student, college policy, state law and space availability. Application procedures are available in the Admissions Office.

RESIDENCE REQUIREMENTS
California Residence
Generally, California residence is established by one of the following:

1. If the applicant is under the age of 18, his or her parents must have had legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the semester or summer session.
2. If the applicant is 18 but not yet 19 years of age, the applicant and the applicant’s parents or legal guardian must have residence in California for a minimum of 12 consecutive months preceding the day before the first day of the semester or summer session.
3. If the applicant is 19 years of age or older, the applicant must have had legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the semester.
4. Alien students holding visas which do not preclude them from residing in California must have legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the semester.

It is the responsibility of all students to maintain an accurate address on file with the Admissions and Records Office.

Nonresident Students
The following conditions are applicable regarding nonresident fees:

1. Students who are not residents of California as of the day immediately preceding the first day of the semester or summer session will be required to pay a nonresident tuition fee.
2. Active military personnel are exempt from nonresident tuition fees provided they are in California for a purpose other than attending a state supported institution of higher education.
3. Dependents of active military personnel are granted a one-year exemption from paying the nonresident tuition fee. The one-year period begins on the date the dependent enters California. After the exemption period has ended, dependents will be charged nonresident tuition unless they have met the residency intent and durational requirements for a one-year period prior to the residency determination date.
4. Minors (under 18 years of age and not married) will be required to pay the nonresident tuition if their parents or legal guardians reside outside the state even though such minors may have lived in California for one year or more.
5. Students who are financially dependent on their parents or legal guardians will be required to pay nonresident tuition if their parents or legal guardians reside outside the state even though such students may have lived in California for one year or more.
6. Alien students holding visas which preclude them from residing in California may be restricted in their enrollment at Golden West College and will have to pay nonresident tuition. In addition, alien students with visas who are citizens of another country are required to pay an additional per unit capital outlay fee. See the class schedule for the amount of the fee.

In accordance with Education Code 68130.5 (AB 540), other than nonimmigrant aliens, students who meet all of the following requirements are exempt from paying the nonresident tuition fees.

a. Attendance in a California high school for three or more years.

b. Graduation from a California high school or attainment of the equivalent prior to the start of the term.

c. Students without lawful immigration status must have filed an application to legalize their immigration status or will file for lawful status as soon as they are eligible to do so.

The student is required to submit an affidavit with the college admissions application to verify that the student has met all conditions described above.
**Students who are nonimmigrant aliens (e.g., F series student visas or B series visitor visas) are not eligible for this exemption unless they have applied to INS for a change of status to other than nonimmigrant status and meet all other requirements for the exemption.**

**International Students on Student (F-1) Visas**

Golden West College values diversity and encourages international students to seek admission. This school is authorized under Federal law to enroll nonimmigrant alien students. Code of Federal Regulations 8CFR 214.3(k) and Section 101(a)(15)(F). Golden West College provides an International Student Program whose staff work closely to assist international students throughout their studies. The Program offers specialized academic counseling, expert regulatory guidance, homestay services and special student activities.

Golden West College admits international students for the Fall, Spring and Summer terms. All admission material must be submitted by the following deadlines:

<table>
<thead>
<tr>
<th>Term</th>
<th>Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Summer</td>
<td>April 25</td>
</tr>
<tr>
<td>Fall</td>
<td>July 15</td>
</tr>
<tr>
<td>Spring</td>
<td>December 15</td>
</tr>
</tbody>
</table>

Application/Enrollment requirements are specified below. All documentation should be mailed directly to the International Student Program at Golden West College:

1. International applicants to Golden West College must be high school graduates, be pursuing the final semester of high school or equivalent, or be 18 years of age or older.
2. A signed, original International Student Application must be submitted along with a passport-size photograph and application fee.
3. The applicant must provide evidence of sufficient financial resources to meet all expenses during his/her period of attendance at Golden West College.
4. International students must have sufficient knowledge of English to benefit from instruction at the college level. Therefore, all applicants from non-English-speaking countries are required to produce a minimum TOEFL score of 500 (173 computer-based); or demonstrate equivalency with prior coursework (original transcripts required); or obtain a passing score on the Golden West College placement test (this option only available to students applying from within the U.S.).
5. Arrangements should be made to have official transcripts of all high school, college and ESL coursework sent directly to the International Student Program.
6. Students transferring from another U.S. College, language program or high school must notify their current School Official of their intent to transfer. This is done by providing the current school with the name of the new school along with the date of the intended transfer. Students are required to contact the new School Official within 15 days of the start date listed on the new Form I-20. Copies of I-94, I-20, visa and passport pages must be submitted at the time of application.
7. International students are required to enroll in a minimum of 12 units each semester and pay international student (non-resident) fees. All fees are due at the time of registration, which will occur approximately two weeks prior to the semester start date.
8. All international students are required to purchase the college-designated medical insurance plan to be permitted to register.
9. All international students are required by law to report a change of address to the school and to Immigration and Naturalization Service within 10 days of moving.
10. Completion of the International Student Orientation prior to the semester start date is mandatory. Important visa requirements are detailed to ensure awareness of Federal laws governing the F-1 visa.

To obtain an International Student Application and viewbook, or for more information about the International Student Program and its services, contact: Golden West College, International Student Program, 15744 Golden West Street, Huntington Beach, CA 92647. (714) 895-8146 phone • (714) 895-8973 FAX • Email: heighton@gwc.cc.ca.us

**Students Holding Visas Other Than Student Visas**

Aliens holding valid visas who are otherwise eligible for admission may enroll in classes provided that they are proficient in English and their visas do not expire before the end of the term for which they are enrolling. Contact the Admissions Office for information concerning specific enrollment restrictions.

An alien who is precluded from establishing domicile in the United States shall not be classified as a resident unless and until he or she has been granted a change in status by the Immigration and Naturalization Service to a classification which permits establishing domicile and has met all other applicable residency requirements. Aliens considered to be nonresidents are required to pay the nonresident tuition charge, and are not eligible for tuition exemption (Education Code 68130.5)

**ADMISSIONS INFORMATION**

**Admissions Steps**

**Step 1. — ADMISSIONS APPLICATION:**

New students and returning students who have been absent for at least one semester must obtain an application packet from the Admissions Office after April 1 for the fall semester and/or summer session, and after October 1 for the spring semester.

Students are encouraged to apply early in order to secure the earliest possible registration appointment date.

**Step 2. — ADMISSION STATUS**

Upon return of the completed application materials, the Admissions Office will determine the student’s admission status and direct the student to the assessment and orientation/advisement activities that must be completed prior to registration.

**Step 3. — BASIC SKILLS ASSESSMENT:**

Assessment in English, mathematics, reading and study skills is recommended for all students and REQUIRED for new students prior to enrollment (see exemptions). Assessment may also be used to meet prerequisites for certain courses. To complete the assessment process, students take placement tests in English/Reading and Mathematics. The results of these tests are then used to assist the student in making appropriate course selections. A schedule of the testing sessions is available in the Admissions Office.

Students may waive the English/Reading placement test by presenting official evidence to the Assessment Center of any one of the following:

- A score of 3, 4 or 5 on the Advanced Placement Examination in English Composition, or
- A passing score on the California State University English Equivalency Examination, or
- Completion of a college course equivalent to Golden West College’s English 010 or higher with a “C” grade or better.

Students may waive the Mathematics placement test by presenting official evidence to the Assessment Center of the completion of a college course equivalent to Golden West College’s Mathematics 010, Elementary Algebra, or higher, with a grade of “C” or better.

Students who have taken English, reading, and mathematics tests at a California community college within the last two years may use those placement results and course placement results in lieu of assessment testing at Golden West College. Such students should bring their test results to the Assessment Center.

**Step 4. — ORIENTATION/ACADEMIC ADVISEMENT:**

Upon completion of the assessment process, new students (see exemptions) are expected to attend an orientation/advisement session. The sessions, which last about two hours, are designed to acquaint the student with the many programs and support services available at the college and to assist the student in selecting his/her first semester courses. A schedule of these sessions is available in the Admissions Office.
Step 5. — APPOINTMENT TO REGISTER:
Upon completion of Steps 1-4, each student will be issued an appointment time to register. This is the time the student will actually enroll in classes and pay fees. Appointments will be issued to students in the order in which they complete the admissions process.

NOTE: Students with early appointment times will have a better selection of classes.

Registration

Telephone Registration: Telephone registration is by appointment and begins approximately 5 weeks before the first day of classes. Any student who completes the admissions process prior to the beginning of telephone registration is eligible to use this registration method.

In-Person Registration: Students who are too late for telephone registration may register in person in the Admissions Office the week before classes begin.

Late Registration: Late registration for open classes begins the first day of class and extends through Friday of the first week. No appointment is required during late registration. Students may register during the second week of class with the permission of the instructor. Students will not be permitted to register after the second week of class. See the class schedule for registration deadlines. Students should be aware that missing the first class meeting or meetings may severely affect their chances to succeed in the course. Students entering classes late are responsible for making up missed work.

Physical Examination: A physical examination is not required to enroll at Golden West College, except for students entering the Nursing Program and the Criminal Justice Academy Programs. Also, the College Nurse may require a student to have a physical examination to protect either the student or the college.

Eligibility for Courses and Programs: A student may enroll in any course offered at Golden West College provided prerequisites for the course have been met.

Programs Requiring Advanced Approval: The programs at Golden West College that require advanced approval before entering are: Beginning Nursing - RN; Nursing - Career Ladder Option (LVN to RN), and the Criminal Justice Academy Programs.

Closed Classes: Waiting lists are not maintained for closed classes. Students who are unable to enroll for a course that has closed prior to their registration appointment are encouraged to select an alternative course in the event space does not become available in their first choice of class. After completion of the registration process, the student may check back through telephone registration to see if a seat may have become available due to a student withdrawal or due to a student being dropped for non-payment of fees. Students desiring to enroll in a closed class may come to In-Person registration to see if the desired class has reopened as a result of student drops, or they may attend the first class meeting to see if any space is available as a result of student "no shows." Students may check class status by visiting the GWC web page at www.gwc.info. Select the searchable schedule option to check enrollment and availability of any class.

ADMISSION INFORMATION PERTINENT TO THE NURSING AND PSYCH TECH PROGRAMS

For detailed admission procedures, see the Nursing and Psych Tech Programs.

MATRICULATION

Matriculation is a continuing process which assists the student in planning, choosing and successfully achieving his/her educational and career goals. Matriculation is a partnership between the student and the community college. There are mutual responsibilities for both partners.

Who Participates

Matriculation is a right afforded to all students who enroll at Golden West College. Students who fully matriculate have been shown by research to have an 84% persistence rate; those who do not, a 33% persistence rate. Matriculation is provided to improve student success. Therefore, all students entering the college are expected to participate in matriculation services.

Golden West College Agrees To Provide:

Step 1. — ADMISSION:
The application is required for admission to the college.

Transcripts – Official college transcripts are required for (1) and (2) below.
1. Students who plan to graduate or complete a certificate at Golden West College
2. Veterans collecting educational benefits.
3. Students needing to show completion of course prerequisites – personal copies are acceptable.

High school transcripts are required for students under the age of 21. Special postcards are available in the Admissions Office to assist you in ordering your transcripts.

Step 2. — ASSESSMENT:

Students should make appointments for Placement Testing (English, English as a Second Language, Reading, Study Skills, and Math) at the Assessment Center (714) 895-8388.

Step 3. — ADVISEMENT:

Students should make appointments for an Academic Advisement Session by turning in the Request Form in the Counseling Office. A First Semester Plan is completed during the session. Space is limited. Students who have completed more than 15 units at any college and/or need more information may call (714) 895-8119.

NOTE: IN ORDER TO REGISTER, STUDENTS MUST HAVE THE FOLLOWING COMPLETED:
1. Permit to Register
2. Placement Test Scores
3. First Semester Plan
4. Verification of Prerequisites

The Student Agrees To:
• Express at least a broad educational intent at the time of registration.
• Participate in counseling and advisement to develop a student educational plan.
• Follow prerequisites and corequisites.
• Declare a specific educational goal (e.g., A.A. degree, transfer, vocational certificate) by the time 15 units are completed.
• Attend class, complete assignments, and maintain progress toward an educational goal.
• Gather information and seek support services as needed.
• Accept the responsibility for the consequences of their educational decisions.

Exemptions

Some students may be exempted from assessment, orientation, advisement and counseling if they meet one of the following criteria:
• Completed an A.A. degree or higher at an accredited college or university in the United States
• Concurrently enrolled/matriculated at another accredited college or university
• Enrolling in a one-semester specialized course or program
• K-12 student attending by permission of school principal

NOTE: Students who declare on their application that they are not pursuing a degree or certificate may have their assessment, orientation, and advisement deferred until they have attempted 12 units at GWC. Deferred students are restricted to enrolling in 6 units or less each semester.
Student Rights and Responsibilities

All students have the right to challenge or appeal any step in the matriculation process. Forms are available in the Admissions Office for this purpose. A student who feels that his/her right to matriculation services has been violated may file a grievance with the Vice President of Student Services. Also, students who refuse matriculation services will not receive priority registration.

It is the student’s responsibility to express a broad educational intent upon admission and to declare a specific educational goal by the time 15 units are completed. The student is also responsible for participating in counseling attending class, completing assignments, and maintaining progress toward an educational goal.

PREREQUISITES/COREQUISITES/ADVISORIES

A Prerequisite is a requirement which must be met before enrollment in a course.

A Corequisite is a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course.

An Advisory On Recommended Preparation is a condition of enrollment that is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

Prerequisite Courses

Some courses require special permission or have mandatory prerequisites. If you are planning to enroll in one of these courses, you must meet one of the following:

1. Your GWC placement test (results) must recommend you for the class, or
2. You must have completed the prerequisite course at GWC after 1989 or be currently enrolled in it, or
3. You must have completed the prerequisite course at another college. To show proof of the prerequisite completion, bring a copy of your transcript or grade report to the Admissions Office prior to enrolling.

Prerequisite/Corequisite Challenge

A prerequisite/corequisite challenge requires written documentation, explanation of alternative course work, background or abilities which adequately prepare the student for the course. A Prerequisite/Corequisite Challenge Form can be obtained from the Assessment Center or Admissions and Records Office. Reasons for seeking a Prerequisite/Corequisite Challenge Form may include one or more of the following:

1. A prerequisite/corequisite is not reasonably available;
2. The student believes the prerequisite/corequisite was established in violation of regulation or in violation of the District-approved processes;
3. The student believes the prerequisite/corequisite is discriminatory or being applied in a discriminatory manner; or
4. The student has the documented knowledge or ability to succeed in the course without meeting the prerequisite/corequisite.

Upon filing the Prerequisite/Corequisite Challenge Form, the student may enroll into the Challenge Class by presenting the completed challenge form at registration. If the challenge is not upheld the student will be dropped from the class.

FEES AND EXPENSES

Enrollment Fee: California residents will be charged an enrollment fee as follows:

- $11 per unit

The Enrollment Fee is subject to change by the State Legislature.

NOTE: The Governor has proposed that Community College tuition fees be increased from $11.00 per unit to $24.00 per unit next year. While there is opposition to this proposal, a modest fee increase is anticipated. All of us are working hard to ensure a student fee structure that keeps our colleges affordable to all Californians, because we know that career preparation is an essential ingredient to a vibrant California economy.

Material Fees: In accordance with regulations of the Board of Governors of the California Community Colleges, Title 5, California Administrative Code, Section 59400 et seq., the Coast Community College District shall provide fee of charge to students all instructional materials, except for the following materials which the student may purchase from the District at cost or may provide through his or her own means.

1. Optional Instructional Materials. Materials used to enhance the student’s learning experience in the classroom, but that are not essential to the completion of course objectives.
2. Required Instructional Materials. Materials required to complete the objectives of the course and that are tangible property of continuing value outside the classroom which the student will retain as his or her own property.

The District shall have the discretion to either charge or not charge a fee for instructional materials of the types indicated above. Such fees will cover actual District costs. Students may choose to provide the materials by their own means in lieu of paying the fee.

Student Health Service Fee: $12 per semester for fall and spring; $9 for summer session. This is a mandated fee unless the student presents a waiver. Those eligible for a waiver are:

1. Recipients of BOGG - A, B or C awards. For further information, call (714) 895-8394.
2. Students who depend solely on prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization. For further information, call (714) 895-8121.
3. Students enrolled only in courses of less than two weeks duration.

Parking: $20 per semester. A current Golden West College Parking Permit is required to park a vehicle in campus parking lots. Permits may be purchased while registering at Admissions & Records or at the Golden West College Bookstore during normal operating hours. The permit must be displayed in clear view on the left rear bumper (driver’s side) or hung from the inside rear view mirror so as to be clearly visible. Mechanical permit dispenser machines are available in each parking lot for parking by the day. Temporary one-day or short-term permits are available from the Public Safety Department. Failure to properly display a valid parking permit may result in the issuance of a citation. A student whose permit is lost or stolen must purchase a new permit.

Parking citations are issued in cooperation with the West Orange County Municipal Court. These citations, if ignored, will affect future vehicle registration privileges.

College Service Charge: $12 per semester. This charge underwrites many student services, classes and programs. It is not mandatory; however, the College Administration and the Student Council expect students to support the College by paying the College Services charge. $1.25 of each $12 goes to student loans and scholarships. Information about specific programs funded by this charge and requests for waiver of the College Services charge are available in the Student Activities Office during the period between the date class schedules are mailed and the end of telephonic registration. Waivers must be secured in advance and submitted at the time of a student’s payment of fees.

Textbooks: Textbooks, manuals and other supplies are the responsibility of the student, and cost approximately $400 to $450 per semester. Required items are available at the campus Bookstore. Check with the Bookstore for refund, exchange and buyback policies.

Nonresident: The nonresident tuition fee is $150 per unit. Fee is subject to yearly revisions.

Capital Outlay Fee: $7 per unit for students who are citizens and residents of a foreign country.
Living Expenses: Housing, transportation, food and other living costs are the responsibility of the student. Golden West College does not operate dormitories or any off-campus housing. A housing referral service is available through the Associated Students Office. The referral lists are not approved, inspected, or in any way supervised by the college.

Library Fine Policy: GWC Library charges fines on overdue materials. Fines are 25 cents per item per day to a maximum of $10. There is a 3-day grace period. Fines are assessed for weekends, holidays, as well as during Library hours since books can be returned 24 hours a day in the outside book return.

Refund Policy
In accordance with State regulations and District Board policy, registration fees will be refunded according to the following:

1. Enrollment Fees, Nonresident Tuition, Materials Fees: 100% of the fees paid at registration for the affected class(es) will be refunded provided the student withdraws by the refund deadline date printed next to the class on the student's enrollment receipt. Withdrawals after the printed refund date for the class are not eligible for refund.

2. Parking Fee, Health Fee, College Service Charge: 100% of the fees paid at registration will be refunded if the student totally withdraws from all classes in accordance with the refund deadline date for each of the classes being dropped as printed on the student's enrollment receipt, and the student returns the Parking Permit and the I.D. Card Validation Sticker within the refund deadline.

NOTE: There is a fifteen (15) working-day waiting period for refunds when original payment of fees was made by check, unless the student shows proof of the cancelled check. Students requesting refunds during non-registration periods must file a Refund Entitlement Form in the Admissions and Records Office. This process takes four to six weeks. Also, students entitled to a refund as a result of a withdrawal from a class by telephone must formally request the refund in writing or in person in the Admissions and Records Office.

CLASSIFICATION OF STUDENTS
Students are classified as follows:

Freshman: A student who has completed fewer than 30 units.

Sophomore: A student who has completed 30 or more units.

Part-time Student: A student enrolled in fewer than 12 units.

Full-time Student: A student enrolled in 12 or more units.

Graduate Student: A student who has been awarded the Associate in Arts degree, or higher degree, by a recognized collegiate institution.

CATALOG RIGHTS
Students maintaining attendance in any combination of community colleges and universities have "catalog rights" in the choice of regulations determining graduation requirements. They may use the requirements in effect at either (1) the time they began their study at a California Community College or (2) the time they graduate from Golden West College. Maintaining attendance is defined as completing at least one course in each calendar year. It is the responsibility of the student to indicate at the time the graduation petition is submitted which catalog he/she elects to follow.

ATTENDANCE
Attendance at all class meetings is the student’s responsibility.

It is very important that students attend the first class meeting of every class in which they are registered, since a full period of instruction will begin the first day of the semester. Instructors may drop students who miss the first class meeting to make room for students who wish to enroll.

Regular and prompt attendance in class and laboratory sessions is expected of every student. Instructors may drop a student from a course, or lower a student’s grade when the student incurs excessive unexcused absences, unless there are verified extenuating circumstances beyond the control of the student (i.e. accident, illness, death in immediate family, etc.). A student who has been absent because of extenuating circumstance should report to the instructor on the day of his/her return.

No absence excuses a student from making up the work missed. Students should realize that absences may adversely affect their grades.

It is the student’s responsibility to drop classes they are no longer attending. Please see College withdrawal policy.

COURSE LOAD LIMIT
College work is measured in terms of the “credit unit.” In a recitation-lecture course, a college unit is normally defined as one hour of lecture and two hours of homework per week. In the laboratory, three hours in the classroom per week with no outside work constitute one unit of credit.

The credit value assigned to a course is not determined by the number of class meetings per week, but by the number of hours of work required of the student.

No student will be permitted to carry more than 19 units during Fall/Spring semesters and 9 units during the Summer session without permission from the Director of Admissions and Records/Designee.

GRADING
Student performance in courses is indicated by one of 10 grades. Grades which carry point value, and which are used in determining the grade point average (GPA), are as follows:

A – Excellent ................................................................. 4 grade points per unit
B – Good ................................................................. 3 grade points per unit
C – Satisfactory .......................................................... 2 grade points per unit
D – Passing, less than satisfactory............................. 1 grade point per unit
F – Failing ................................................................ 0 grade points per unit

The following grades are not part of the GPA computation:
CR – Credit, at least satisfactory .............................. Unit credit granted
NC – Non-Credit, less than satisfactory or failing .............. No units granted
W – Withdrawal ............................................................. No units granted
I – Incomplete ............................................................. No units granted
IP – In Progress ............................................................ No units granted
MW – Military Withdrawal .......................................... No units granted
NG – Non-Graded ....................................................... No units granted
RD – Report Delayed ................................................ No units granted

CR (Credit), NC (Non-Credit)
These grading symbols are used in two types of courses:
1. Optional credit/no credit or grade classes.
   In these courses, students will elect to receive either a traditional letter grade of
“A” through “F”, or Credit/Non-Credit for the course. This choice must be made within the first four (4) weeks of the fall and spring semesters, the first two (2) weeks of the summer session, and within 30% of the course in short-term courses.

2. Courses wherein all students are evaluated on a “Credit/Non-Credit” basis:

   NOTE: In classes graded on this basis, students are held to attendance regulations and academic standards expected in the standard graded courses.

   Students are advised to read the following statements before deciding to pursue a course on a graded (“A” to “F”) or Credit/Non-Credit basis.
   - A grade of “Credit” or “Non-Credit” does not affect a student’s grade point average at Golden West College.
   - “NC”, “W”, and “I” grades are utilized by Golden West College in the determination of academic probation and disqualification. (Refer to college regulations concerning “Probation/Disqualification.”)
   - Courses taken at Golden West College to remedy an admissions deficiency for the University of California due to poor or incomplete high school preparation are not acceptable if completed on a “credit” basis.
   - Students required to complete 60 units of course work with a grade point average of 2.4 prior to transfer to a University of California campus, such as Irvine, must complete at least 42 of these units on a graded (“A” through “F”) basis.
   - Some universities may specify that courses required for a major be completed on a standard grade basis (“A” through “F”).
   - Some universities specify that courses taken to satisfy general education breadth requirements be completed on a standard grade basis (“A” through “F”).
   - Some institutions limit the number of units completed on a “credit” basis which are accepted toward the bachelor’s degree.
   - Students planning to apply to competitive admissions programs such as the health professions are usually advised to complete the specified preparation on a graded basis (“A” through “F”).

W (Withdrawal)

Withdrawal is not an automatic process. The student is responsible for officially withdrawing, through the Admissions and Records Office, to avoid receiving “F” or “NC” (non-credit) grades.

Upon entering Golden West College, the student assumes the responsibility of completing each course in which he/she is registered. A college student is expected to attend all sessions of the classes in which he/she is enrolled. An instructor may drop a student for excessive absences when the instructor determines that, due to absences, the student may not successfully complete the course. Students who miss the first meeting of the class may also be dropped. After a student has been dropped from the class for unexcused absences, appeal for reinstatement will be considered only under extenuating circumstances.

When withdrawing from a class, students should be aware that the following policies apply:

Early Withdrawal

Classes will not appear on a transcript (a “W” will not be assigned) when a student officially withdraws during the first 4 weeks of full semester (16-week) fall or spring courses, during the first 2 weeks of 8-week courses, and 30% of all other length courses.

Other Withdrawals

A “W” will appear on a transcript for official withdrawals made between the first day of the 5th week and the last day of the 12th week for full semester (16-week) fall or spring courses, between the first day of the 3rd week and the last day of the 6th week of 8-week courses, and more than 30% and less than 75% in all other length courses.

MW (Military Withdrawal)

“Military withdrawal” occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, a withdrawal symbol of “MW” is assigned. Military withdrawals shall not be counted in progress probation and dismissal calculations.

I (Incomplete)

An incomplete grade (I) may be assigned when the course is not completed for unforeseen, emergency and justifiable reasons, with permission from the instructor, and the student intends to complete the work after the end of the term. The condition for the removal of the “I” shall be stated by the instructor as well as the grade assigned in lieu of its removal in a written record available to the student at the Admissions and Records Office. The “I” must be made up no later than one year following the term in which it was assigned.

NOTE: When unusual circumstances prevail, a petition may be filed at the Admissions and Records Office requesting a reasonable extension of time. A final grade shall be assigned when the work stipulated has been completed and evaluated by the instructor or when the time limit for completion of the work has passed.

IP (In Progress)

The “IP” (In Progress) grade indicates that the class extends beyond the normal academic term. It indicates that work is “in progress” but assignment of a final grade awaits completion of the course. The “IP” symbol remains on the student’s record and is not used in calculating units attempted or grade points. The appropriate evaluative grade, units and grade points are assigned and appear on the student’s record for the term in which the course is completed.

NOTE: There are very few classes at Golden West College that qualify to use the IP grade.

NG (Non-Graded)

The NG symbol is assigned to non-graded courses.

RD (Report Delayed)

The RD symbol is assigned by the Director of Admissions and Records only. It is used when there is a delay in reporting the grade of a student due to circumstances beyond the control of the student. It is a temporary notation to be replaced by a permanent grade as soon as possible. The RD symbol is not used in calculating units attempted or grade point averages.

Grade Challenge Policy

The determination of the student’s grade by the instructor shall be final in the absence of mistake, fraud, bad faith or incompetence. A student who has been assigned a final grade which he/she believes to be incorrect may file a Grade Challenge Petition form obtained from the Office of Admissions and Records. All grade challenges must be made by the student, in writing, within two years after the end of the semester in which the grade in question was assigned. Grade challenges filed after the two-year deadline will be reviewed for recording errors only to ensure that the student’s grade on the instructor’s roster is, in fact, the grade that appears on the transcript.

Examinations

Final examinations are required in all courses, except physical education. Normally final examinations are given the last week of class. No student will be excused from these examinations. Students must be in attendance at Golden West College for the entire semester and must take the final examination to receive credit.

AWARDING OF CREDIT, SUPPLEMENTARY METHODS

Golden West College recognizes work taken at other accredited colleges and for experiences outside of the traditional classroom setting. Accordingly, college credit is awarded in the following areas:

1. Previously Earned Units: College credits earned at any accredited institution of
higher education. Credits are not awarded for sectarian courses. Credits are posted to transcripts upon completion of all other graduation requirements. Students must request copies of official sealed transcripts be mailed to Admissions and Records from each college attended.

A MAXIMUM OF 40 UNITS IN THE FOLLOWING CATEGORIES WILL BE AWARDED. Students will be mailed an evaluation after the required documents have been submitted. Awarded credit is not transferable to other colleges and universities; it is subject to the individual policies of the respective institutions.

2. Credit by Examination: Students who are currently enrolled in at least one course (other than the course to be challenged) and who have completed 12 units at Golden West College with a 2.0 GPA in all college units attempted are eligible to seek “credit by examination” in a maximum of two courses. Approval by the Instructor and Division Dean is required to earn “credit by examination”. A grade of passing or failure will be awarded and the course will be identified as a “Credit by Examination” on the transcript. Eligibility for credit will be based on post high school experiences. Students must request “credit by examination” in the Admissions and Records Office during the first six weeks of the semester in order to receive credit that semester. Students should not enroll in the course to be taken “Credit by Examination.”

3. Military Service: Six units of general elective credits will be awarded for a minimum of one year of active service. In addition, credit will be awarded for work at Military Service Schools according to the standards established in the American Council on Educational Guides. Equivalent course and unit credit will be offered for USAFI courses which parallel Golden West College offerings. Credits are posted to transcripts upon completion of all other graduation requirements. Students should request the Military Evaluation form from the Admissions and Records Office and attach copies of their DD214 and certificate.

4. Advanced Placement Credit: Golden West College will award up to six units of credit for each Advanced Placement Examination passed with a score of three units or higher. College credit will be given for purposes of general education certification.

To determine the awarding of Advanced Placement credit for University of California campuses and/or independent colleges and universities, please contact a Golden West College Counselor or the Transfer Center.

Advanced Placement credit will be awarded toward California State University system general education requirements according to the schedule listed below. The Areas referred to in the schedule below are the categories that comprise the general education requirements for the California State Universities. For more detailed information please refer to the Option II, Associate Degree requirements in this catalog, or contact the Golden West Counseling Office or Transfer Center.

Duplicate credit will not be awarded in the same area for both the Advanced Placement Exam and the CLEP subject exams. In order to receive credit, students must request official test results from the testing service to be mailed to Golden West College. Credits are posted to transcripts upon completion of all other graduation requirements.

5. College Level Examination Program (CLEP): Subject Examination: Golden West College will award up to six units of credit for each College Level Examination Program subject exam, except English, passed at the 50th percentile level or higher.

Duplicate credit will not be awarded in the same area for both the Advanced Placement Exam and the CLEP subject exams. In order to receive credit, students must request official test results from the testing service to be mailed to Golden West College. Credits are posted to transcripts upon completion of all other graduation requirements.

General Examinations: Students may earn four units of ungraded, elective credit. An application for approval to the Associate in Arts degree for each General Examination completed successfully. Minimum scores required for successful completion are:

- Humanities: 489
- Mathematics: 497
- Natural Science: 489
- Social Science: 488

No Credit is given for the CLEP General Examination in English.

6. English Equivalency Test: Students who pass the State University English Equivalency Test are awarded course and unit credit for English 100 and English 110. Credits are posted to transcripts upon completion of all other graduation requirements. Copies of the official test results must be requested from the testing service by the student and forwarded to the Admissions and Records Office.

7. Professional Secretarial Examination: Up to 30 units of specific course credit may be awarded for the following certificate holders: Certified Professional Secretary, Certified Administrative Professional, Professional Legal Secretary, Certified Medical Assistant (Administrative). Credits are posted to transcripts upon completion of all other graduation requirements. Students may pick up the request form in the Admissions and Records Office.

8. Licensure Credit for Registered Nurses: Forty units may be awarded for holders of valid California Registered Nursing Licenses. Credits are posted to transcripts upon completion of all other graduation requirements. Students must show a copy of their current California License to the Graduation Clerk in the Admissions and Records Office in order to be eligible for this credit.

9. Licensure Credit for Vocational Nurses: Twenty-three units may be awarded for holders of valid California Vocational Nursing Licenses. Credits are posted to transcripts upon completion of all other graduation requirements. Students must show a copy of their current California license to the Graduation Clerk in the Admissions and Records Office in order to be eligible for this credit.

10. Special Topics: Special Topics are specialized studies or projects that are especially designed by instructors and students to enrich the learning experience. The decision to offer a Special Topic is at the discretion of each instructor and the Division Dean. In order to be eligible for a Special Topic, a student must have completed previously at Golden West College two courses in the same discipline with
a minimum grade of “B” in each course. Students request petitions in the Admissions and Records Office.

By arrangement with an instructor and with the approval of the Division Dean, students may study special topics in any discipline in the curriculum. Credits may be earned in: Special Topics 099-A-D, non-transfer level, or Special Topics 299-A-D, transfer level. The deadline for registration in Special Topics courses is Friday of the sixth week of instruction of the semester; the completed petition form must be filed in the Admissions and Records Office by that date. Special Topics are listed on the transcript by title and discipline, e.g., Special Topics 299-A-D History.

11. Individualized Study: For courses listed in this catalog, a student may prefer to take the course through Individualized Study because of special circumstances. This privilege is available only to students who have completed 12 units of course work at Golden West College with a GPA of 2.0 in all units attempted. Students request petitions in the Admissions and Records Office. This petition must be approved by the instructor who will supervise the individualized study, as well as by the Division Dean. Individualized Study petitions must be filed in the Admissions and Records Office during the first six weeks of the semester.

REPETITION POLICY – COURSES

Only courses which fall into the following categories may be repeated. Enrollment in two sections of the same course is not permitted.

1. Courses designated A-B, A-C, etc., may be repeated for credit; however, they may not be taken concurrently. Courses with A-B, A-C, or A-D designations may be taken for credit according to the following schedule:
   - A-B designation: .............................................may be taken twice for credit.
   - A-C designation: .............................................may be taken three times for credit.
   - A-D designation: .............................................may be taken four times for credit.

2. Golden West College courses in which a substandard grade (D, F and/or NC) was received. Students who wish to repeat a course in which a substandard grade was earned may retake the equivalent course within the Coast Community College District (OCC, GWC, CCC). Students who choose to repeat the course at Orange Coast College or Coastline Community College should consult the GWC Admissions and Records Office or GWC Counseling Office to ensure the course is equivalent to the course being repeated. Students who repeat a course at Golden West College in which a substandard grade was earned may do so only one time, except upon appeal for extenuating circumstances. Appeal forms are available in the Admissions and Records Office.

3. Special classes which meet the needs of students with a documented disability may be repeated in compliance with Title 5, Section 56029, of the Education Code. Upon completion of the repeated course, the student must file a “Petition to change the grade of a repeated course” in the Admissions and Records Office. The student’s academic transcript shall then be annotated reflecting exclusion of such courses for purposes of grade point calculation and for all considerations associated with the awarding of certificates and degrees. However, previously recorded course work shall neither be removed or otherwise obliterated from the permanent record.

NOTE: Some transfer institutions may elect to include both courses in their computation of the grade point average to establish entrance requirements.

COURSE NUMBERING SYSTEM

Each course bearing unit credit may be used in one or more of the following ways:

1. As a measure of developing basic academic skills.
2. As a requisite to the Associate in Arts degree, or
3. As applicable either to the Associate in Arts degree or to an occupational certificate program, or
4. As a lower division course transferable to a four-year college or university.

Courses at Golden West College are numbered according to their basic purposes. However, categories listed below are general in nature, and the student is cautioned not to assume either that a course is better merely because its number falls into a particular group, or that its usefulness is limited to only one purpose.

Courses numbered 001-099 were created to help students develop occupational skills, to give students what they need to know for employment, to provide basic skills, as well as to provide meaningful general electives courses in two-year Associate in Arts degree programs.

Some skills may be learned in less than one semester; others may require two, three or four semesters to complete.

Certain vocational programs may transfer to selected state colleges and universities when the student continues in the same major.

Interested students should consult a counselor to determine which occupational majors are offered for bachelor’s degrees at local four-year colleges.

Courses numbered 100-299 transfer to the state university and college system. Contact the Counseling Center for courses that transfer to the University of California and selected private institutions.

NOTE:
001-099 are usually basic skills courses
100-199 are usually first-year courses
200-299 are usually second-year courses

The primary purpose of courses numbered 800 and above is to provide knowledge and skills in selected areas of students’ needs and interests. Such courses are not designed to meet majors requirements for Associate in Arts degrees or to qualify for transfer as part of a baccalaureate degree program.

ASSOCIATE IN ARTS DEGREE AND CERTIFICATE OF ACHIEVEMENT

Application Procedures

Associate in Arts degrees are not automatically awarded when the student completes the requirements. The student must file a petition in the Admissions and Records or Guidance Offices according to the following schedule:

<table>
<thead>
<tr>
<th>Graduation Period</th>
<th>Filing Period</th>
</tr>
</thead>
<tbody>
<tr>
<td>Summer 2003</td>
<td>June 30 - August 1</td>
</tr>
<tr>
<td>Fall 2003</td>
<td>September 8 - December 5</td>
</tr>
<tr>
<td>Spring 2004</td>
<td>February 10 - April 17</td>
</tr>
<tr>
<td>Summer 2004</td>
<td>June 28 - August 6</td>
</tr>
</tbody>
</table>

Associate in Arts degrees are awarded only after spring graduation, but the graduation date is posted on the student’s transcript after the graduation period in which the Associate in Arts degree is earned.

Certificate of Achievement application may be made during the semester of completion. Filing deadlines are the same as for graduation, above.

Pre-graduation check: Students who have completed thirty units of college work may request a pre-graduation check.
AUDITING OF COURSES

In accordance with Education Code 72252.3 and District Policy, students may audit courses under the following conditions:

1. The course is designated specifically by the college as eligible for audit (primarily certain dance, musical, theatrical performance or physical education laboratory courses).
2. The student is ineligible to enroll for credit because the course has already been taken the maximum number of times.
3. Admission of audit students will not result in a credit student being denied access.

Fees

Enrollment fees are subject to change by the State Legislature.
1. A fee of $15 per semester unit will be charged except as noted in #2 below.
2. Students enrolled in ten or more semester units of credit classes shall not be charged a fee to audit three or fewer units; they will be charged for units in excess of three at the rate of $15 per unit.
3. Students will be eligible to apply for a refund provided they formally withdraw within the first two weeks of the term.

Registration Procedures

1. File a written petition in the Admissions and Records Office requesting permission to audit a course and stating the reason for the request.
2. Priority in class enrollment shall be given to students who take the course for credit. Audit petitions will be approved after the second week of the class if the class remains open with the permission of the instructor.
3. Final determination to permit a student to audit a course will be made by the Division Dean and the Director of Enrollment Services or his or her designee.

Student Responsibilities

1. Students who audit will be expected to participate in all class activities, with the exception of examination. Auditors who fail to participate or to attend will be subject to being dropped from the class.
2. Auditors are expected to provide all required course material.
3. Students will not be permitted to change their audit status to credit.

Instructors shall not create, maintain or enforce any absence policy which unfairly penalizes students.

A student who believes that he/she has been treated unfairly by an instructor’s absence policy may seek redress through the established instructional grievance procedures.

HIGH SCHOOL DIPLOMA

Golden West College does not award a high school diploma. In consultation with a local high school district, students may be able to take class work at Golden West College to count toward their high school diploma. For more information, students should contact the office of the high school district in which they live.

Location

Huntington Beach – Adult Education Division
16666 Tunstall Lane
Huntington Beach, CA 92647

Garden Grove – Unified School District Adult Education
11262 Garden Grove Blvd.
Garden Grove, CA 92643

Phone Number
(714) 842-4779
(714) 663-6521

NOTE: Students may attend Golden West College without a high school diploma if they are 18 years old and can profit from college work.

SERVICEMEN’S OPPORTUNITY COLLEGE

Golden West College is designated as a Servicemen’s Opportunity College. This designation means the college provides servicemen and women with: open admissions; credit awarded for USAFI courses and CLEP opportunities to request residency requirements for graduation; credit for service schools; and opportunity to complete courses through non-traditional means.

STUDENT RECORDS

Active Records: All requests for changes to a student’s current class program or information on file should be made through the Admissions and Records Office. Included are “adds” to program,”withdrawal from class,” “credit/no credit” requests, and “name and address changes.” The student must present the appropriate class program for all adds and drops.

Transcripts: Transcripts of academic work taken at Golden West College are available upon official request. Requests can be made through Credentials, Inc. on the GWC website, www.gwc.info or by submitting an official written request by mail, or in person in the Admissions and Records Office. Two transcripts and/or enrollment verifications will be provided free of charge. (Requests made through the Credentials, Inc., cannot be included in the two free requests). For each additional transcript or enrollment verification, there will be a charge of $3. Students may request “rush” (next day) services for an additional $5 per transcript or verification. Fees are subject to change.

In accordance with Education Code provision 72237, transcripts will be withheld from students and former students who have outstanding financial or materials obligations to the college and/or district.

Cumulative Folders: The Admissions and Records Office maintains a cumulative folder on each student who has records sent to the College. The folder, containing copies of high school and college transcripts, and other relevant academic information, such as records of military service and other awarded credit, is available to the student.

Verifications: The Admissions and Records Office will provide information regarding a student’s records upon written student request. There is a $3 charge. Two verifications and/or transcripts will be provided free of charge. This fee is subject to change.

Student Picture Identification: Students may be required to furnish picture identification in order to participate in certain classes and activities. All students are expected to have a Golden West College Photo I.D. Card.
COUNSELING

Counseling
(714) 895-8799

Golden West College counseling services assist students in reaching their goals by offering:

- Orientation for a successful college experience.
- Career counseling to help clarify career and academic goals.
- Assistance with course selection and program planning.
- Information for transferring to other colleges and universities.
- Personal counseling to assist students with achieving their career and academic goals.
- Special workshops and seminars on a variety of educational, career, and personal topics.

To arrange a day, evening, or Saturday appointment, call (714) 895-8799, or come by the Counseling Center located in the Administration Building.

New Student Advisement Program

Assistance in planning college classes to meet desired goals is made available to each college applicant. Applicants are provided with course advisement information at the time of admission. All new students are required to participate in program planning sessions (including the development of a first semester educational plan) conducted by counselors prior to the beginning of the semester. We now have an on-line option for completing the advisement process. Information concerning these planning sessions is contained in the course planning materials provided at Admissions.

Transfer Center
(714) 895-8794

Transfer Center is dedicated to helping students transfer successfully to a four-year university. The following services are provided for students:

- Complete library of college and university catalogs, also available on CD-ROM College Source.
- Applications for admission to the CSU/UC system and Private Institutions. Test applications are also available (e.g. CBEST, SAT, GRE, GMAT, etc.).
- Selection of reference books and materials (e.g. Medical School, Law School, Study Abroad, Undergraduate Ranking by major, etc.).
- Scholarship and grant information.
- Transfer reference books and materials (e.g. College videos, etc.).
- Information regarding scholarships and grants.
- Transfer workshops, fairs, tours to local universities, and appointments with representatives from CSU/UC/Private universities.
- Appointments with Transfer Counselor.

For additional information, call (714) 895-8794, or come by the Transfer Center located in the east wing of the Administration Building next to the Career and Employment Center.

ASSESSMENT CENTER

The Assessment Center offers a full range of testing services designed to gather information about individual students to facilitate student success. These services include basic skills testing, language skills assessment for non-native English speakers, administration of study skills inventories, and the measurement of vocational interests.

Information from basic skills tests is used to make course placement recommendations. Final decisions about selection of courses and programs of study are made by the student in consultation with counselors. Additional information can be obtained by contacting the Assessment Center at (714) 895-8388 or on the website at www.gwc.info/assessment.

Testing services designed to assist an individual in making career decisions can be arranged through contact with a member of the college counseling staff.

STUDENT LEARNING SERVICES

Library

Students, faculty, and community members are encouraged to utilize the resources of the Golden West College Library to locate information to meet their educational, vocational, social, and cultural goals. Librarians instruct and assist in the use of the library and are on duty all times that the library is open. In addition, library classes are available to instruct students in the use of libraries and online resources for research and class assignments.

The library’s materials collection is comprised of approximately 85,000 books, a magazine browsing collection, full-text online databases, Internet computers, and non-print (videotapes, audiocassettes, laser disks, digital video disks, compact disks, and films) items. The library provides quick and easy access to timely materials.

Other facilities include photocopiers, group study rooms, resources for physically challenged students, and the Technology Learning Center (TLC).

Student Computer Center

The Learning Resources Student Computer Center (LRSCC) located in Library 141 is open to all students who register in the Learning Skills 920 (a noncredit class) and have paid the material fee. Students may register for the class anytime during the semester. Access to the High Speed Internet, e-mail, and Office XP is currently available.

Academic Support is available to all GWC students in the classes for which they are currently enrolled. The center provides individual, small group, drop-in, and other tutoring formats in most subject areas. Additional support services include: review sessions before major exams, study skills videos, self-help pamphlets and literature. The Tutorial and Learning Center is located in the Library Building, South Side, Room 100-D. For hours and additional information please call: 714-895-8904 or 714-895-8905 (TDD, Telephone Device for the Deaf).

Mathematics Learning Center

The Math Center houses two computer laboratories and a math tutoring room. In Math/Science Building, room 227, the computer lab supports remedial mathematics courses (Math 005, 008, 010 and 030.) In Math/Science Building, room 219, the PC computer lab supports advanced mathematics classes (Math 160 and higher.) In Math/Science Building, room 214, the math tutoring room is open to all math students on campus, and provides either brief tutorial help on a walk-in basis or more extensive help by appointment. For information, call (714) 892-7711 ext. 51132.

Golden West College 2003-2004 Catalog www.gwc.info
Writing Center
The Writing Center is available to all Golden West College students who wish to develop and improve their writing and reading skills. A wide variety of services are offered, including independent study courses (English 024-039, English 097, and ESL 024-068), individual consultation with English faculty and graduate tutors, workshops on topics ranging from punctuation to research papers, and exercises designed to correct specific writing and reading problems. For information on these services, come to the Writing Center (Library 120) or call (714) 895-8386.

DISABLED STUDENTS SERVICES
Golden West College offers students with a disability a variety of support services to ensure equal educational opportunities. If students have a verified physical, visual, speech, hearing, or learning disability, they are encouraged to request assistance from the office of Disabled Students Program Services. Available services include:

- Registration Assistance
- Sign Language Interpreters
- Special Materials/Equipment (i.e., tape recorders, enlarged print, taped texts, computers)
- Academic/Vocational Counseling
- Notetaking
- Readers
- Tutoring
- Test Proctoring
- Special Classes for the Deaf
- Adaptive Physical Education Courses
- Adaptive Equipment

For additional information regarding eligibility for any of the above services, please call (714) 895-8721 or (714) 892-7711, ext. 55150 voice; (714) 895-8350 TDD. The Disabled Students Services office is located in the Forum II building, Room 105.

SPECIAL STUDENT SERVICES
The college makes a continuous effort to reach youths and adults of the community who might not otherwise seek educational or vocational assistance. Within the context of its regular offerings, the college seeks to remove many of the restrictive barriers confronted by these students through financial aid, counseling, tutoring, and remedial courses in learning skills, communications, and computational skills. Likewise, the college selectively offers courses of an ethnic or cultural character designed to enrich the understanding of all students. Financial assistance is available to students who are unable to meet the basic cost of their education. All financial aid at Golden West College is administered in accordance with the philosophy and policies which have been established nationally. The basis of such programs is the belief that parents have the primary responsibility for assisting their sons and/or daughters to meet educational costs, and that financial aid is available only to supplement the students’ yearly academic expenses.

Every attempt has been made to assure the accuracy of this section. The college reserves the right to change any information that is necessitated by changes currently being considered by the U.S. Congress. Students are encouraged to contact the Student Assistance Office for current detailed information concerning these programs.

EXTENDED OPPORTUNITY PROGRAMS AND SERVICES
The EOP/S (Extended Opportunity Programs & Services) is a state funded program that serves educational and financially disadvantaged students. This special program provides services that assist qualified students in overcoming various obstacles while attempting to succeed in college. One of the main objectives of the program is to insure participants equal access to success while pursuing their certificate, an Associate Arts Degree (A.A.), and/or meet four-year university transfer requirements.

All qualified students are welcome to take advantage of the following services:

- CARE Services
- High School Outreach
- Transfer Assistance
- Counseling
- Peer Advisement
- Tutoring
- Emergency Loans
- Priority Registration
- Financial Assistance
- Summer Readiness

The EOPS Office is located on the second floor of the Administration Building. The telephone number is (714) 895-8768. Participation in the Extended Opportunity Program is based on state mandated guidelines. Students must apply for financial aid, complete an EOPS application, complete the College assessment test, and be enrolled as a full-time student at Golden West College. Students must also maintain satisfactory academic progress as defined by the Financial Aid Office.

FINANCIAL AID AND SCHOLARSHIPS
The Golden West College Financial Aid Office offers four basic types of financial aid to eligible students. This assistance includes scholarships, grants, loans, and part-time employment. Although resources are limited, every effort will be made to assist students to continue their education.

To be eligible for financial aid, a student must:
- be a U.S. citizen or National, or
- be a permanent resident of the U.S., or
- provide evidence from the Immigration / Naturalization Service that he/she is in the U.S. for other than a temporary purpose with the intention of becoming a permanent resident, or
- be a permanent resident of the Trust Territory of the Pacific Islands or the Northern Mariana Islands, and
- sign a Selective Service Compliance statement, and
- sign a Drug Certification statement, and
- have completed the matriculation process.

In addition a student must be:
- accepted for admission to Golden West College,
- not in default on a Title IV loan such as Perkins (NDSL), or Stafford (GSL), at any school,
- able to exhibit financial need as determined by the need analysis process when required by the program regulations,
- enrolled in a program of study at least one year in length that leads to a degree or certificate. If enrolled concurrently in Golden West College, Orange Coast College and/or Coastline Community College, students must be enrolled at least half-time at the college from which they wish to receive financial aid,
- maintaining academic progress as defined by the Financial Aid Office,
- a high school graduate or equivalent.
Determination of need: Financial Aid is determined by taking into consideration the total resources that are available to a student and applying them to the budget appropriate for each student. The difference between the established budget and the student’s resources constitutes the need. The number and amount of financial awards is subject to the availability of institutional, federal, and state student aid funds.

Application Procedure: To be considered for financial aid, students must file the following:
1. Free application for Federal Student Aid (FAFSA)
2. Federal Student Aid Report
3. Additional documents requested by the Financial Aid Office

Priority Deadline: Priority will be given to those students who apply by June 1 of each year for the Fall semester. Applications received or completed after the June 1 deadline will be considered, but applicants should realize that substantial funds will have been previously committed.

Notification of Award: Applicants meeting the June 1 priority deadline will be notified of the action taken by the Financial Aid Office by August 1. Other applications will be acted upon as time and funding permit. The award letter must be signed and returned to the Financial Aid Office before any funds are released.

FINANCIAL AID INFORMATION
Satisfactory Academic Progress Policy for Financial Aid Recipients

In accordance with Federal regulations, financial aid recipients are required to meet Satisfactory Academic Progress (SAP) requirements as established by Golden West College (GWC). SAP is defined as the student’s completion of those standards established for measuring a student’s academic progress. This policy applies to students receiving assistance from those financial aid programs administered by the GWC Financial Aid Office and is separate from the College’s academic progress policies. Federal regulations state that SAP standards must include a review of all periods of enrollment, for which the student did and did not receive financial aid. Student academic progress is reviewed once each year, usually at the end of the spring semester once grade reports become available.

For purposes of financial aid eligibility, a student’s enrollment status is considered:

• Full-time – when enrolled in 12 or more units
• Three-quarter time – when enrolled in 9.00 – 11.99 units
• Half-time – when enrolled in 6.00 – 8.99 units
• Less than half-time status refers to student enrolled in less than six (6) semester units.

NOTE: Students must be enrolled in at least 6 units to maintain eligibility for most financial aid programs, but may still be eligible for a Pell Grant if enrolled in less than six units.

In order to receive financial aid [which includes Pell Grants, Federal Supplemental Educational Opportunity Grants (FSEOG), Cal Grants, Federal Work-Study (FWS), Stafford Loans, and Perkins Loans], a student must be enrolled in an eligible program of study, which leads to a Certificate, an Associate Degree or is transferable toward a Bachelor’s Degree. In addition, there are three SAP policy requirements that students need to meet or they may become ineligible to receive financial aid due to unsatisfactory academic progress:

1. the maximum length of time for which the may receive financial aid;
2. the minimum cumulative grade point average (GPA) the student must maintain;
3. the number of units the student must complete each year.

Requirement #1: Federal regulations set the maximum time frame in which a student must complete his/her educational program as 150% of the published length of the educational program at GWC. Full-time students are expected to complete their GWC studies within 3 years; if attending three-quarter time, within 4 years; and if attending on a half-time basis within 6 years. Additionally, a student is not eligible for financial aid when the cumulative number of units exceeds 72 units. Once the student reaches the maximum time frame, the student is no longer eligible to receive financial aid at GWC.

• Remedial classes: Students may take up to 30 units of remedial course work (which may include ESL courses) in addition to the 72-units maximum.
• Change of major: Students may be permitted to change their educational objective one time before the 72-unit maximum is reached. However, no change of educational objective is permitted after the student has exceeded the 72-unit maximum.
• Repeated classes: Financial aid may be awarded to cover the cost of courses previously taken, including improving a grade of F or NC; however, repeated semester units will count toward the 150% maximum eligibility allowed.

NOTE: Enrollment in PE classes only will not be funded by financial aid.

Requirement #2: Students must maintain an overall, cumulative GPA of at least a 2.00 (C average) at all times. If the student’s cumulative GPA falls below 2.00, the student will be disqualified from further financial assistance. Once the student has raised his/her cumulative GPA back to the 2.00 minimum standard, he/she will have financial aid eligibility reinstated. However, all units taken and semesters needed to raise a student’s cumulative GPA will be counted toward the 150% maximum eligibility allowed and 75-unit maximum. Additionally, student financial aid eligibility will be reinstated forward from the end of the semester the student raises his/her cumulative GPA to 2.00.

NOTE: Students who enter GWC with no prior units completed and receive one year (two-semesters) of financial aid will have a 75% probation ruled applied for continuing financial aid the following year. Students who meet this condition will only be required to maintain a 1.75 cumulative GPA to continue receiving financial aid. However, he/she will be placed on probation and awarded financial aid for one semester only. The student must raise his/her cumulative GPA to 2.00 during that semester of probation to be eligible to continue receiving financial aid beyond that probationary semester. Should the student fail to raise his/her cumulative GPA to 2.00 during the probationary semester, he/she will be disqualified from further assistance until his/her cumulative GPA is 2.00.

Requirement #3: The student must complete a certain number of attempted units each year, based on the schedule below:

If the student’s financial aid is based on: {# of units for which student was paid financial aid}

<table>
<thead>
<tr>
<th>Requirement</th>
<th>Full-time</th>
<th>3/4 time</th>
<th>1/2 time</th>
<th>Less than 1/2 time</th>
</tr>
</thead>
<tbody>
<tr>
<td>24 or more</td>
<td>20 semester units</td>
<td>18 semester units</td>
<td>12 semester units</td>
<td>5.99 semester units</td>
</tr>
<tr>
<td>18 or more</td>
<td>16 semester units</td>
<td>13 semester units</td>
<td>9 semester units</td>
<td>5 semester units</td>
</tr>
<tr>
<td>12 or more</td>
<td>12 semester units</td>

<td>6 semester units</td>
<td>4 semester units</td>
</tr>
<tr>
<td>Under 12</td>
<td>8 semester units</td>
<td>6 semester units</td>
<td>3 semester units</td>
<td>2 semester units</td>
</tr>
</tbody>
</table>

If the student does not satisfactorily complete the number of units as indicated above, he/she will be disqualified from further financial assistance. Once the student has made-up deficient units, he/she may be reinstated to receive financial aid. However, all units taken and semesters needed to make-up deficient units will be counted toward the 150% maximum eligibility allowed and 75-unit maximum. Additionally, student financial aid eligibility will be reinstated forward from the end of the semester the student makes-up deficient units.
NOTE: Students who enter GWC with no prior units completed and receive one year (two-semesters) of financial aid will have a 75% probation rule applied for continuing financial aid the following year. Students who meet this condition will only be required to complete 75% the required completed semester units as stated above to continue receiving financial aid. However, he/she will be placed on probation and awarded financial aid for one semester only. The student must make-up those during that semester of probation to be eligible to continue receiving financial aid beyond that probationary semester. Should the student fail to make-up the deficient units during the probationary semester, he/she will be disqualified from further assistance until all deficient units are completed.

Attempted semester units (whether or not paid for by financial aid) include:
1. Earned (successful) grades: A, B, C, D, and CR
2. Incomplete grades: I
3. Non-passing grades: W, F, NC and IP

To establish initial eligibility for financial aid:
- Students who transfer to GWC – will need to provide the Financial Aid Office with Official Academic Transcripts from all previously attended colleges to show that the student is making SAP in accordance with GWC SAP policies. If the student fails to provide all previous academic transcripts, the student will be automatically placed on financial aid suspension. Student’s who successfully meet the SAP standards will be eligible to receive financial aid. Those students who do not meet SAP standards because they are either lacking in units or have not maintained a cumulative 2.00 GPA will be placed on financial aid probation. Students who have attempted more than 72 semester units will be placed on financial aid suspension and will not qualify for financial aid.
- For current GWC students – it is required that all course work taken at GWC and all course work listed on previous academic transcripts from other institutions the student may have attended (if applicable) be reviewed for SAP – even if the student has not received financial aid at GWC.

Financial Aid Suspension: A student placed on financial aid suspension is no longer eligible to receive financial aid. Financial aid suspension occurs when the student:
- is “academically” disqualified by the college OR
- has failed to maintain SAP as described above OR
- has completed more than 72 units and/or reached the maximum length of time for which the student may receive financial aid.

Disbursement of Financial Aid Funds
- PELL AND SEOG GRANTS – All Pell and SEOG Grant checks are mailed to students. One disbursement is ma to students each semester. The disbursements are usually made after the add/drop period of each semester. The Financial Aid Office requests checks to be issued via the District Office every week beginning after the add/drop period for both the Fall and Spring semesters. Students who will be issued checks are those with complete financial aid files and who have received Financial Aid Award Notification in the mail from the Financial Aid Office.
- PAYMENT OF SUMMER PELL: The Financial Aid Office at Golden West College uses the Summer term as a trailer for disbursement purposes. As such, students who have remaining Pell Grant eligibility may be eligible for a Summer Pell disbursement. Students, who enrolled in the Summer session, attended both the fall and spring semester, and who do have remaining eligibility, will be mailed their Pell grant checks.
- CAL GRANT B & C – Cal Grant B and C checks are mailed directly to the students ONLY after the Financial Aid office verifies the students’ eligibility and enrollment status, and the funds have been received from the California Student Aid Commission. These payments are made in one disbursement per semester.

NOTE: Federal Pell Grant and Cal Grant B and C award amounts are based on the number of units the students are enrolled in at the time disbursement. Pell Grants and Cal Grant B and C award amounts are adjusted accordingly and may decrease based on the student’s individual enrollment status. In addition, students enrolled less than half time are not eligible for SEOG or Cal Grants.

- FEDERAL WORK STUDY – Students receiving Federal Work-Study funds are paid on the 10th of each month and the checks are available for pick-up in the Personnel Services Office located in the Humanities building, Room 108.
- FEDERAL PERKINS LOANS AND FEDERAL STAFFORD LOANS – Loan checks are mailed directly to the college and available for pick-up after the Financial Aid Office has verified the students’ current unit load and eligibility. All loans are disbursed on the 31st day of each semester. Students must have attended a student loan entrance/exit interview prior to receiving their checks.
- SCHOLARSHIPS – Inside and outside scholarship funds are included in student award packages at the time financial aid funds are awarded. Disbursement will be made through the GWC Scholarship Coordinator in accordance with disbursement procedures outlined by the donor of scholarship funds. Late Scholarships received after a student has been awarded and disbursed all funds for both terms for any given award year will not be counted against a students resources for the current award year. They will be counted toward the following award years’ resources. However, any scholarship received prior to a students award and disbursement of all funds for both terms for any given award year will be counted against a students resources for the current award year. Repayment of the other funds may be required and will be handled in accordance with guidelines described below.

IMPORTANT NOTICE: Be advised that financial aid award amounts may increase or decrease due to a change in either the student’s enrollment status or the student’s personal financial situation. Financial aid awards for students enrolled in less than full-time status are reduced according to the number of units a student is enrolled in, the student’s EFC and the students COA. In addition, the Financial Aid Office reserves the right to modify financial aid award amounts at any time due to either changes in the availability of funds or changes in Federal regulation.

REFUNDS/REPAYMENTS/OVERAwards:
- REFUNDS: Federal Regulations require that a student maintain units until the 61% point of each semester is reached. Students who drop all of their units prior to the 61% point of the semester will be required to return Federal Funds as described in the Return to Title IV regulations (see attached worksheets for details).
- REPAYMENTS/OVERAwards: Should it be determined at any time that the student received funds for which he/she was ineligible to receive, the student will be required to repay over awarded funds. Repayment of over awards will be handled in the same manner as repayment procedures described for Return to Title IV Funds, unless state regulations require different action. Students will be notified in writing of repayment options of over awarded funds and the affect over awards and repayment of those funds will affect future financial aid eligibility.

Rights and Responsibilities of Students: All students are entitled to and are guaranteed full and equitable treatment in the awarding of financial aid. There shall be no discrimination of any kind. It is the student’s responsibility to report any changes in his/her financial, marital, or academic status. All financial aid recipients are expected to maintain satisfactory academic progress. Students who do not complete the number of units as required by the academic progress regulation may lose the financial aid award.

Guidelines for Family Contributions
Parents’ Contributions: The primary responsibility for assisting students with the cost of a post-secondary education lies with the student and his/her family. The expected contribution is determined by a need analysis process evaluating the family’s financial strength.
Student’s Contribution: All students are expected to contribute toward their own educational expenses. A student’s income and assets will be assessed through a standard methodology.

Scholarships

Area citizens and organizations donate funds for awards to deserving Golden West College students. Scholarships are awarded on the basis of scholastic achievement, financial need, and/or contribution to campus and community life according to the criteria set up by the donor. Application forms are available in January of each year and awards are presented in May at the Scholarship & Awards Convocation. Funds are available the following academic year.

For a list of scholarships, please call The Golden West College Foundation at 714.895.8316.

Grants

Board of Governors Grant (BOGG): This state-funded program provides three ways to help low-income students pay the enrollment fee:

1. Financial Need: Students who apply for financial aid and demonstrate financial need qualify.
2. Public Assistance: Students who are currently recipients of AFDC, SSI/SSP or General Relief at the time of registration are eligible. Students must complete the BOGG application and provide documentation that he/she is a current recipient of AFDC, SSI/SSP or General Relief.
3. Income Levels: Students who meet the income levels for their family sizes qualify. Students must complete the BOGG application and provide documentation of their taxed and/or untaxed income.

Federal Pell Grant: This federal grant provides gift aid to eligible students enrolled in a minimum of six units. Financial eligibility is determined by the Federal Government. To be eligible, a student must be an undergraduate student not in possession of a Bachelor’s degree and have financial need determined by the Federal Government.

Federal Supplemental Educational Opportunity Grant (SEOG): This federal program provides funds to undergraduate students who demonstrate financial need.

Extended Opportunity Program Grants (EOPG): This grant is available to full-time students as part of the Extended Opportunity Program. The grant is designed to aid students with exceptional need who have the potential to benefit from the special help the program offers. Support services such as tutoring and peer counseling are important aspects of the Extended Opportunity Program.

Bureau of Indian Affairs Grants (BIA): These grants are available for Indian students enrolled in a full-time course of study. To be eligible, the student must possess at least 25 percent American Indian, Eskimo, or Aleut blood as recognized by a tribal group and demonstrate financial need. The award limits are based on the student’s need and availability of funds.

California Student Aid Commission Programs

The California Student Aid Commission offers Cal Grants A, B, and C to undergraduate students on the basis of demonstrated need and specific requirements. To apply, students complete both the FAFSA and G.P.A. verification form and return it by March 2 annually. They may accept only one Cal grant annually and must:

- be registered by Fall for at least six units per semester/quarter at an eligible school;
- be a California resident for one year as of September 20;
- be making satisfactory progress toward a degree or certificate, if enrolled in post-secondary education; and
- not be in default on any government loan or owe a refund on a state or federal grant, unless repayment arrangements acceptable to the Commission have been made.

Cal Grant A awards assist low- and middle-income students with tuition/fee costs and are made on the basis of need and grade point average. Students who plan to enroll at a community college before transferring to a four-year college or university may apply for a community college reserve grant through Cal Grant A.

Cal Grant B awards assist very low income, first-year students with living expenses, books, supplies, transportation, and other non-tuition costs. (Renewals may also cover tuition/fee costs.) All new awards are limited to students who have completed no more than one full-time semester/two full-time quarters, 16 semester units of part-time study or the equivalent, or four and one-half months of vocational school. Two hundred fifty Cal Grant B awards are available for community college students transferring to a four-year college.

Cal Grant C awards assist low- and middle-income vocational students with tuition and training costs. Recipients must be in a program of study that is four months to two years in duration, at a vocational school, community college, or independent college.

Student Loans

Several types of low-interest loans are available through the college or qualified lending institutions. These include the Perkins Student Loan (formerly NDSL), the Stafford Loan Program (formerly GSL), and the Short Term Loan/Emergency Loan Program.

Federal Perkins Loan (formerly National Direct Student Loans): Students may obtain long-term, low-interest loans directly from the college. The amounts awarded vary, depending on financial need, but cannot exceed $8,000 the first two years of undergraduate study. No interest is charged, nor is repayment required while the borrower is enrolled in a minimum of six units. The grace period is nine months for loans made to new borrowers for periods of enrollment after July 1, 1987. Prior borrowers had a six months grace period. Minimum repayment is $90 per quarter, including 5 percent interest.

Stafford Loan (formerly Guaranteed Student Loan): The purpose of the Stafford Loan Program is to provide low and middle income students with a loan to pursue their education. Under this program the state and federal governments insure loans that are made to students by private banks, savings and loans, and credit unions. Students enrolled at least half-time at most colleges or schools are eligible for the Stafford Loan Program if determined to have financial need.

Short-Term Loans: Students who need a small loan to assist them through a short period of financial difficulty may apply for a short-term loan through the Financial Aid Office. The loans range up to $100 and are interest-free. To qualify, a student must possess a College Service card, be enrolled in a minimum of six units, have a minimum GPA of 2.0 and agree to pay the loan back within 30 days. These loans are provided by various organizations and supported by the Associated Student Body of Golden West College.

Federal Work Study

The Federal Work Study program is designed to provide eligible students who have financial need an opportunity to earn a part of their educational expenses. Eligible students must be enrolled in a minimum of six units; priority is given to full-time students. The Financial Aid Office will place students in positions on campus. The FWS award is determined by the student’s financial need and the number of hours he/she is permitted to work. Pay rates are consistent with the District’s current rates for student assistants. FWS checks are issued on the 10th of each month for hours worked in the previous month.
CAREER AND EMPLOYMENT SERVICES CENTER

The Career and Employment Services Center offers: (1) assistance with career exploration and is an occupation resource information center; (2) assistance with employment referrals with the goal of matching trained people and/or those with special skills with opportunities available in the community and in various campus locations; and (3) access to the internet for independent job search and much more.

For further information call or come by the Career and Employment Center located in the east wing of the Administration Building - near the Counseling Center.

Career Services
(714) 895-8217
Services include:
• Computerized career information system.
• Computerized career assessments to identify interests and personality related to career choice.
• A library of published materials covering most occupations.
• Resources to assist in job search, decision making, writing resumes, interviewing, etc.
• Free brochures/pamphlets; e.g., Golden West College Certificates Programs.
• Access to career information via the Internet.
• Free career workshops.
• Individual assistance from trained personnel.
• Open to the public.

Employment Services
(714) 895-8711
• Employment referral assistance for Golden West College students and graduates in obtaining part-time, full-time, and career employment.
• Assistance in preparing for the job search, interviews, and resume writing.
• Resource Library of current employment opportunities from various county, city, public and private business, and industry employers.
• Access to MonsterTrak and other job banks/"help wanted" sites via the Internet.
• Information on available Internship and Volunteer opportunities.

Students: When applying for Employment Services assistance, students are interviewed to discover skills and interests, as well as educational and/or vocational objectives. They are encouraged to apply for jobs related to these goals.

Employers: Employers in the community are encouraged to use the Employment Services office as a resource to help fill their workforce needs. The college encourages them to consider students who are majoring in a field of study that relates to their specific opening.

Re-Entry/CalWORKs Center
(714) 895-8111
Re-Entry Services at Golden West College consists of special programs for:
• Individuals who are returning to school after a lengthy absence, displaced homemakers, single parents (men and women), veterans, and unemployed workers.
• Single parents (men and women) or families who are receiving TANF/AFDC (welfare) benefits.

These re-entry programs are designed to provide students with the assistance needed to ensure a smooth transition into the college environment. The CalWORKs program is designed to give students on welfare a chance to obtain or upgrade marketable skills that can be used to secure livable employment. Through personal attention, specialized service, counseling and motivation, specially designed re-entry courses and student success workshops, these programs will help provide preparation for a successful career.

How to Apply for the Re-Entry/CalWORKs Program:
An array of student success services is available for eligible Re-Entry or CalWORKs students. Contact the Re-Entry/CalWORKs Program Center at (714) 895-8111 for a brochure/application or stop by the center in the administration building to pick one up and make an appointment to see a program counselor.

Cooperative Work Experience
Golden West College views a job, either paid or volunteer, as an integral part of a person’s education. Students may earn elective units of credit for work with employers approved by the college. The employment must relate to the student’s educational and/or vocational objectives. The learning value of the student’s job will be identified each semester through the use of job-related objectives. Students may enroll for cooperative work experience credit during the regular college registration periods.

Units of Credit: A maximum of four (4) units may be earned during the fall and spring semesters by students enrolled in the parallel plan. A maximum of 12 units of work experience credit is allowable while attending Golden West College. With approved job-related objectives, a student may earn one (1) unit of credit for each seventy-five (75) hours of paid work per semester or sixty (60) hours of non-paid work per semester.

Guidelines:
1. The student’s job must be directly related to his/her college major or career goal.
2. Learning objectives are prepared each semester with the aid of their job supervisor and college instructor.
3. The student must be initially enrolled in a minimum of seven (7) units including work experience for each semester he/she participates in the program.

For enrollment information please call (714) 895-8290.

BOOKSTORE

The GWC Bookstore serves the campus community by supplying textbooks (required and optional, new and used), general trade and reference books, school and office supplies, gifts, clothing, and greeting cards. In addition, the Bookstore is a licensed reseller of Apple computer products, and supplies software for all computers at educational pricing. Students should plan to spend approximately $400 per semester on textbooks and supplies. The Bookstore has a liberal refund and buyback policy on most items and contributes financially to the Creative Arts programs, The Western Sun and Athletics.
HEALTH CENTER AND INSURANCE

Golden West College offers health services for all currently enrolled students who are attending classes.

The Health Center is designed to provide service for short-term acute illness with a focus on prevention. Members of the mental health team assist students in identifying problems and solutions and follow a brief crisis intervention model.

The Health Center is open Monday through Friday during the Fall and Spring semesters. Call for Intersession and Summer hours. A Registered Nurse will be on duty on these days to provide emergency treatment, health counseling, and referrals to appropriate services. A physician and psychologist are available by appointment. After consultation with a Registered Nurse, services include:

- Emergency treatment and first aid
- Treatment of illness
- Immunizations
- Family Planning
- Mental health consultation
- Medical lab work
- Health counseling and education
- Referrals to community resources

Optional group health, dental, and accident coverage for the student on- and off-campus, is available. The District does not endorse nor disclaim these insurance plans. More information is available in the Health Center.

CHILD CARE CENTER

Daytime child care is available to registered students of Golden West College for a nominal fee. Parents may enroll their child for a half-day or a full-day.

For specific information regarding services and fees, contact the Child Care Center (714) 895-8127.

OUTREACH

(714) 895-8144
www.gwc.info

Outreach is dedicated to making the transition to college easier by providing information to all who inquire about Golden West College and its programs.

Services include:

- Group tours (by appointment)
- Individual tours (by appointment)
- Classroom presentations
- College Nights, Career Fairs, and Special Events (GWC Information Booth)
- Information Booth at Swap Meet
- Student Ambassador Program
- On-line Forums
- Contact for elementary, middle, and high schools and other organizations

PUBLIC SAFETY

Golden West College maintains a Public Safety Department with personnel available 24 hours a day. A person may report any criminal action or emergency at any time – day or night – by calling (714) 895-8924 or for emergencies (714) 895-8999, or by coming in person to the Public Safety Office located at the west end of the campus at the entrance of the Golden West Street parking lot, 8:00 a.m. to 7:00 p.m. Monday through Thursday and 8:00 a.m. to 5:00 p.m. Friday.

VETERANS SERVICES

Golden West College is approved by the Bureau for Private Postsecondary and Vocational Education for the training of veterans seeking benefits under state and federal regulations. Application and certification for benefits are provided by the Veterans Clerk located in the Admissions and Records Office.

Eligibility

A veteran may be eligible for benefits for ten years after the date of separation from active duty provided discharge or release was other than dishonorable, and he/she served at least a hundred and eighty-one (181) continuous days or was discharged or released because of a service-connected disability. Veterans who entered active duty beginning July 1, 1985 may be eligible under Chapter 30, the Montgomery GI Bill provided they:

- Served at least two years with honorable discharge, and
- Had $100 per month deducted from their military pay for educational benefits during the first 12 months of active duty.

Selected Reserve participants may be eligible under Chapter 106.

Veterans Administration Requirements for Receiving Veterans Benefits

1. In order to claim benefits, a veteran or eligible person must have, as an educational objective, “an (a) Associate in Arts Degree, (b) Baccalaureate Degree, or (c) Certificate Program.” If, after consulting the college catalog or the schedule of classes a person wishing to file for veterans benefits is still unsure of his/her goals or major, arrangements should be made for a counseling appointment.

2. In order to insure continuity of benefits, satisfactory progress must be made toward the stated major.

3. Attendance in enrolled classes is expected at all times.

4. After each registration, the person receiving veterans benefits must notify the Veterans Clerk of any program changes, i.e., complete withdrawal from college, adjustment of units, courses added and dropped, etc.

5. Those with 30 or more units of college work completed and who wish to apply for benefits must have program approval. Contact the Veterans Clerk for proper procedure.

6. Veterans with fewer than 30 units must submit transcripts for all previous college work to Golden West College within four weeks after the semester begins.

Unit Load to Qualify for GI Bill:

- Full-time: 12 Units
- 3/4 time: 9-11 Units
- 1/2 time: 6-8 Units

CAL-VET: Students who qualify for CAL-VET benefits should contact the Veterans Service Clerk.
STUDENT ACTIVITIES

The goal of the Student Activities Office is to create various environments for learning and organizing; it is the place to come to get involved with campus activities. Students and staff are offered many opportunities to develop leadership skills, programming skills, and social skills necessary to achieve challenging relationships in everyday life.

Specific service areas include:

- **Consultation** — Assists students with planning campus activities.
- **Housing Referral Service** — Rental listing maintained.
- **Student Services** — Provides information relating to policies and procedures of Golden West College.
- **College Services Card** — Available at registration or in the Admissions & Records Office.
- **Locker Rental** — Low cost locker rentals are available for students in the Student Activities Office.
- **Student Council and Senate** — Members of the Student Government share active and vital roles in the daily process of Golden West College. The Student Senate has five committees: Publications, Student Interest, Finance, Club West Entertainment, and Broadcasting to organize and operate campus programs and events.
- **Clubs and Organizations** — To serve the interests of the student body, various social, honorary, service, professional, academic, and special interest clubs, organizations, and associations are active on campus.
- **Publicity** — Posters and banners are prepared to order for a nominal fee, or free to campus clubs/organizations. Information about the posting policy for GWC can be obtained from the Student Activities Office.
- **Student Participation on College Committees** — Students are encouraged to participate in the shared governance process at Golden West College.
- **“GWC” Discount Days** — Various discount tickets are provided through the Student Activities Office to amusement parks and theaters in Southern California.
- **Renovation and state of the art Student Center with Lounge, Game room and Internet Café.**
- **For additional information about programs and services, call (714) 895-8261 or stop by Student Activities (2nd floor of Student Center).**

ATHLETIC PROGRAMS

The athletic program of Golden West College is coordinated by the Athletic Director. Included in the Physical Education complex are the gymnasium; Community Fitness Center lab including Fitness Testing lab, Circuit Training, Cardiovascular and Strength. Outdoor facilities feature a rubberized all-weather track, football field, baseball diamond, softball diamonds, tennis, basketball, sand volleyball, and handball courts, golf utility field, and soccer field. The total complex is complemented by an Olympic-sized, 50-meter pool and diving facility.

**Intercollegiate Athletics**

Golden West College is a member of the Orange Empire Conference of the California Community College Association. Member colleges of the conference are Cypress, Fullerton, Irvine Valley, Orange Coast, Santa Ana, Riverside, Saddleback, and Golden West. The College sponsors a full program of intercollegiate athletic competition.

In football, the College is a member of the Mission Conference with member colleges comprising the Conference as follows: Cerritos, El Camino, Fullerton, Long Beach, Mt. San Antonio, Orange Coast, Palomar, Pasadena, Rancho Santiago, Saddleback, Riverside, and Golden West.

Men’s sports include football, soccer, wrestling, cross country, and water polo in the fall; basketball in the winter; and baseball, swimming, track, golf, and volleyball in the spring.

Women’s sports include cross country, golf, water polo, soccer, and volleyball in the fall; basketball in the winter; and track, swimming, and softball in the spring.

**Athletic Eligibility**

To be eligible for intercollegiate participation at Golden West College, student athletes must be enrolled in 12 units of class work. To remain eligible in subsequent semesters, they must satisfactorily complete 24 units between seasons of competition, and maintain a cumulative 2.0 grade point average since the start of the semester/quarter of the first participation. Questions on athletic eligibility should be referred to the Athletic Director.

**Recreational Programs**

To meet the leisure-time needs of the growing communities served by the college, a number of physical activity facilities are available. They include outdoor courts such as tennis, volleyball, basketball, and handball which are open to the community year-round as long as their use does not interfere with regularly scheduled classes. Fees may be charged during certain hours. The handball courts are lighted. Golden West College has a 1.3 mile, 18-station Par Course which is a physical fitness course combining all elements of a well-rounded physical fitness program. The Par Course is open to the community every day of the week.

**ACADEMIC HONORS**

**Honors**

Golden West College recognizes academic honors through a semester (fall and spring) Academic Honor’s List and an annual acknowledgement of those who graduate with honors.

**Eligibility for Academic Honor’s List:**

- A 3.5 grade point average in 12 or more units (completed in one semester) in courses evaluated with letter grades.

**Eligibility for Graduation with Honors:**

- Meet all graduation requirements.
- A 3.5 grade point average in a minimum of 48 units in courses evaluated with letter grades.*

*Spring grades will not be used in computing the grade point average for the graduation ceremony, but will be used in determining the final grade point average for the diploma.

**GOLDEN WEST COLLEGE HONORS PROGRAM**

The primary goal of the Golden West College Honors Program is to challenge highly motivated students through an enriched course of study providing a broader, deeper, more intense academic experience than that offered in the standard curriculum. Honors courses are specially designed sections of transferable courses. The Program leads students to advanced levels of critical thinking, discussion, writing and community involvement. To this end, honors courses develop:

- creative and critical thinking
- synthesis and analysis
- written and oral communication
- library, internet and technology-related research skills

**Honors courses also:**

- explore current developments and innovations
- consider global or multicultural perspectives
- encourage experiential and interactive learning
- offer enrichment activities such as guest speakers, plays, concerts, etc.
- foster involvement in the community
ACTIVITIES, PROGRAMS & ORGANIZATIONS

Honors Program Requirements

Entry Eligibility:
1. A minimum 3.25 cumulative high school GPA, or if already attending college, a 3.0 with 12 transferable units from Golden West College (GWC) or another regionally accredited institution.
2. Eligibility for or successful completion of Freshman Composition: English 100 or 100H. May be determined by English placement results, by prior coursework at GWC or other regionally accredited colleges, or by attaining a score of 3 or higher on the Advanced Placement English (AP) exam.
3. Eligibility for or successful completion of Intermediate Algebra: Math 030. May be determined by math placement results, prior coursework at GWC or other regionally accredited colleges, or by attaining a score of 3 or higher on the Advanced Placement Math (AP) exam.
4. Completion of Honors Program Application and submission of required documentation.

Maintenance:
1. 3.0 cumulative GPA.
2. Completion of English 100H during first semester in the Program (unless English 100 has already been completed).
3. Completion of Humanities 190H with a “C” or better by the end of first year in the Program.
4. Completion of at least one honors course each semester, earning at least a “C” grade.

Completion Requirements:
1. 3.0 cumulative GPA in all transferable coursework.
2. Completion of at least 18 units of honors classes with a “C” or better in each class. Subject to approval, up to 6 units of honors classes may be accepted from another regionally accredited college.
3. Completion of at least 18 hours of community service. Hours may only be accumulated during participation in the GWC Honors Seminar, Humanities 190H.
4. Membership for a minimum of two semesters in the GWC Honors Program.
5. “C” or better on the Honors Thesis (a brief essay).

Honors Program Benefits:
- Special transfer consideration by institutions with which GWC has honors transfer agreements
- Library privileges at selected local universities and colleges
- Specialized honors counseling
- Honors study center
- Opportunities for special scholarships at GWC and transfer institutions
- Special recognition at commencement ceremonies and on the official transcript
- Opportunities to interact with campus and community leaders
- Enhanced curriculum vitae

Honors Classes:
Honors classes are designed for students committed to working hard in the pursuit of excellence. Students eager to dedicate themselves to these challenging and enriching classes may enroll in an honors class without joining the Honors Program. To learn how you can benefit from all the opportunities of the complete Program, call the Honors Counselor at (714) 895-8125 or the Honors Program Office at (714) 892-7711, extension 55230.

ALPHA GAMMA SIGMA HONOR SOCIETY
Alpha Gamma Sigma, Established in 1922, is California’s Community College Honor Society. The state organization schedules two conferences each year, awards thousands of dollars annually to outstanding AGS honor students and provides a forum for academic excellence, student success and community involvement on the California community college campuses.

Eligibility is based on completing 12 or more graded college units, with a cumulative GPA of 3.0 or better. Membership is renewable each semester. Chapter dues and grade verification are required. Permanent membership is awarded to students completing 60 units, with two semesters of membership, and a cumulative GPA of 3.25 or better. Permanent members receive recognition on their GWC transcript and diploma and at the state level. All graduating members may wear a gold stole at the GWC graduation ceremony.

The Sigma Pi Chapter at Golden West College recognizes academic achievement and promotes scholarship eligibility and transferability to four-year institutions. Active AGS members practice leadership and organizational skills, initiate service programs for the campus and community, and develop networking, and interpersonal communication skills. All AGS members are encouraged to apply for GWC general scholarships. Application forms are available in January from the Financial Aid Office.

Turn in AGS membership applications to the GWC Student Activities Office.

INTERCULTURAL CENTER
The Intercultural Center at Golden West College is an active education and service center for students, potential students, and members of the surrounding communities. The range of activities include working with local schools and agencies, educational programs and guest speakers, formal conversational gatherings, and the annual KinderCaminata. The center provides information on study abroad opportunities, intercultural events and support services offered by the college as well as by surrounding Orange County communities. For more information, call (714) 895-8906.

One of Golden West’s goals is “to support student success through a campus climate which enhances the development of individual worth and integrity in a diverse society.” The Intercultural Center serves as a vital entity in the fulfillment of this goal as it promotes better understanding, appreciation and communication among those of different languages, religions, ethnicity, cultural traditions and national backgrounds. Support services are also provided for international students enrolled at the college.

STUDY ABROAD PROGRAM
The Coast Community College District Study Abroad Program is undergoing re-structuring due to the State’s budget reductions. A variety of study abroad programs will be offered on a short-term basis contingent upon contractual agreements with service providers.

You are encouraged to check the Study Abroad webpage, at http://www.cccd.edu/studyabroad for updates on programs in 2004. You may also call (714) 438-4704, and we will respond to your message.

CULTURAL PROGRAMS

Fine Arts Gallery
Golden West College has an art gallery season of six art gallery exhibits. The gallery season consists of the annual student and faculty exhibits plus four exhibits of guest artists.

Dance
The annual spring dance concert features GWC students and invited guests. There are additional performances and master classes offered in the GWC studio dance theater.

Music
An extensive schedule of on-campus and off-campus performance is arranged each year by the Symphonic Band, and Jazz Ensembles.
Theater Productions

Theater Season: Golden West College provides a well-rounded theater season which consists of:

- **Mainstage Theater Productions** — Regularly produces drama, comedy, and musicals from the Classical to the Contemporary.
- **Stage West Studio Theater Productions** — The Stage West Studio Theater is used for intimate theater productions.

GWC FOUNDATION

The Golden West College Foundation, established in 1985, is a non-profit, tax-exempt organization dedicated to supporting Golden West College’s mission of providing comprehensive academic opportunities. The Foundation is a vehicle for accepting private gifts, donations and bequests to provide funding for institutional accomplishments that are not funded through public funds.

The Foundation invites individuals and businesses to share in the educational vision of Golden West College and the enhancement of the quality of life in the community. Gifts may be cash, stock, bonds and property. A deferred gift may be arranged through a will, life insurance policy, annuity or trust.

The Foundation is managed by a board of directors who provide the leadership and direction for the organization’s operation. The Foundation has grown steadily during the past nine years and now has assets of over $2,100,000. This has been accomplished through donations of cash from individuals and businesses, bequests and grants. In addition to cash assets, the Foundation annually receives donated equipment and supplies that represent thousands of dollars in-kind gifts.

The main thrust of the Foundation is directed toward building support for college-wide needs. To nurture groups who have special interests in supporting Golden West College, there are three volunteer auxiliaries. Each auxiliary is managed by its own board and officers and requires membership dues for its operational expenses. Membership is open to the public.

Information is available by calling the Director of Institutional Advancement at (714) 895-8315, or addressing a letter to the Golden West College Foundation, 15744 Golden West Street, P.O. Box 2748, Huntington Beach, CA 92647-2748.

Golden West College Patrons

Patrons was established in 1973. Their purpose is to provide volunteers for various campus activities and to sponsor events to raise funds for a scholarship program for Golden West College students.

Hens and Chickens

Hens and Chickens is a group whose primary interest is promoting the art of quilting and generating funds for campus projects they select annually.

Nursing Alumni Associates

The Nursing Alumni Associates have three stated goals. These goals are to promote pride in and recognition of the GWC Nursing Program; to promote friendship and fellowship among nursing alumni and the campus community; and to encourage current nursing students through mentoring and scholarships.

COMMUNITY SERVICES

One of the missions of the community college is to promote involvement of the community with Golden West College. Therefore, Community Services strives to identify and meet the needs of the community which are not met by college credit programs. These services, which are self-supporting and fee-based, include cultural enrichment, educational, recreational, and vocational activities.

Programs offered through Community Services are lectures, workshops, educational programs on a wide variety of subjects, and an extensive selection of programs for children and seniors.

Qualified individuals are encouraged to submit proposals to present programs in such areas as seniors’ programs, “College for Kids,” business, personal and professional development.

Gold Key Card Program

Gold Key cards are available to persons who are 60 years or older. This card will entitle senior citizens to free parking in student stalls, reduced rates on services at Cosmetology, and discounted prices at designated events such as plays, concerts, and lectures. Gold Key cards are available for an annual fee of $5.00 and are effective thru June 30 each year. The card may be purchased in the Community Services Office.

Community Services Programs Refund and Transfer Charges

1. Refunds must be requested at least 3 working days prior to the program start date or the printed refund deadline date for selected programs. There will be a $10.00 processing fee for each program.

2. Participants who have registered for a program and request a transfer to another program must pay a $10.00 processing fee. Transfers are accepted no later than three (3) working days prior to the program start date or the printed refund deadline date for selected programs.

Swap Meet

Community Services takes pride in its many accomplishments. Among them is the success of the Golden West College Swap Meet, which began in the spring of 1979 with a turnout of 100 vendors. Steady growth has led to the present weekly Saturday and Sunday Swap Meets featuring as many as 680 vendor spaces per day. Free admission and parking are available to the public.

AIR FORCE RESERVE OFFICERS TRAINING CORPS (AFROTC)

Through arrangements with Loyola Marymount University (LMU) in west Los Angeles, students at Golden West College may participate in the Air Force Reserve Officer Training Corps (AFROTC) program. AFROTC offers a variety of two, three, and four year scholarships, many of which pay the full costs of tuition, books, and fees. Successful completion of as little as four semesters of AFROTC academic classes and leadership laboratories can lead to a commission as a second lieutenant in the United States Air Force.

Classes consist of one hour of academics and two hours of laboratory for freshmen and sophomores and three hours of academics and two hours of laboratory for juniors and seniors. The academic hours earned can normally be counted as elective credit toward graduation. All AFROTC classes and laboratories are held on Fridays to better accommodate students commuting from other colleges and universities. Currently, LMU does not charge for the courses and offers cross-town students free parking while attending AFROTC activities. Additionally, AFROTC cadets under scholarship and all juniors and seniors receive a $200 per month tax-free stipend.

For more information, contact the Loyola Marymount University Department of Aerospace Studies (AFROTC) at (310) 338-2770. (http://www.lmu.edu/acad/rotc/main.htm). Other AFROTC detachments are located at: University of California, Los Angeles, (310) 825-1742; University of Southern California, (213) 740-2670; San Diego State University, (619) 594-5545; and California State University, San Bernardino, (909) 880-5440.
CAREER CERTIFICATE PROGRAMS

Certificate of Achievement
Each career program, unless otherwise indicated, offers a Certificate of Achievement. Completion of a Certificate of Achievement program will fulfill the Associate in Arts Degree requirements for Option I, Area of Concentration.

In order to earn a Certificate of Achievement, all courses that apply to the certificate must be completed with a minimum grade of “C” in each course, unless otherwise stated. Upon completion of an application, the student is awarded the certificate after completion of the courses, and the completion of at least 12 units at Golden West College.

CERTIFICATES OF SPECIALIZATION

Certificates of specialization are used to prepare an individual with a defined set of skills. Some certificates fast track job training so the individual is prepared quickly for an entry level job. Some of these certificates provide individuals already working in the field with advanced level training or an additional area of specialized concentration. Students who have completed certificates of specialization have the option to take additional units in order to complete a Certificate of Achievement or satisfy AA degree requirements. A career counselor can clarify for the student the benefits associated with the particular option.

CERTIFICATE OF SPECIALIZATION

Enrolled Agent Tax Specialist

This program prepares prospective accountants with the necessary foundation for all types of taxation issues and to be eligible to sit for the 2-day Enrolled Agent exam. Enrolled Agents are the only tax professionals certified and licensed by the Internal Revenue Service to represent taxpayers. Enrolled Agents may practice before the IRS in all matters connected with taxation relating to clients’ rights, privileges, and laws or regulations administered by the Internal Revenue Service. Enrolled agents may practice anywhere in the United States.

ANTHROPOLOGY

Training in anthropology will prepare one for any career that involves working on the interface between two cultures. Specialized preparation in this subject can lead to some of the world’s most interesting work such as the study of existing life-ways, archeological excavation and interpretation, primate behavior, and social research into economics, politics, law, religion, art and music.

ARABIC

ARCHITECTURAL TECHNOLOGY

Architectural Technology offers career opportunities in many related fields. The two-year program is primarily designed to prepare the student professionally for employment as an architectural drafter or technician. The first year introduces basic skill development and knowledge of materials. The second year offers detailed expansion of knowledge which includes many phases of commercial design and project development. The curriculum is also transferable, subject to portfolio evaluation, to various schools of architecture in universities. See architecture instructors for current details.

The Architectural Technology program is designed to begin each fall semester. Students wishing to deviate from this plan must have the consent of instructor prior to registration in the program.

This program is open to students who plan to take architectural technology courses during the day and some evenings. Students must complete all courses and must include a minimum of 8 units in work experience.

ART

CERTIFICATE OF ACHIEVEMENT

Art — Visual Communication
Graphic Design and Production Option

This option will prepare the student for employment in the field of graphic design illustration. It consists of experiences in lettering, applied design, photography, and reproduction processes. The focus is upon an introduction to advertising thinking, visual communication, and skills in graphic design, illustration, and preparing art for reproduction.

It is suggested that courses be taken in the order they are listed. However, courses may be taken in any order provided prerequisites have been met.

Required Courses Units

First Year
Art 101 The Business Of Art 2
Art 107 Two Dimensional Design 3
Art 116 Drawing I 3
Photography 150 Fundamentals of Photography 3
Digital Art 115 Typography 3
Art 120 Rendering I 2

Second Year
Art 170 Graphic Design Principles 3
Art 176A-D/ Desktop Publishing
Bus D P 176A-D Using QuarkXpress 3
Art 177A-B/ Graphic Design On The Computer 3

RECOMMENDED ELECTIVES:

ASTRONOMY

Astronomy and its related discipline, astrophysics, are the scientific disciplines in which we collect, correlate and attempt to interpret information pertinent to our entire observable universe. This involves the study of planets, stars and star systems, galaxies and clusters of galaxies as well as the universe itself.

AUTOMOTIVE COLLISION REPAIR

The program is designed to provide the student with the fundamental skills and information used by the auto collision repair technician. Hands on instruction is directed toward preparing the student to repair the newest “unitized” automobile bodies. While emphasizing advanced repair techniques, the basics are not forgotten. The beginning classes teach fundamental skills including how to form, shape, weld and finish metals. Employment opportunities exist for trained technicians at civil service and privately owned repair facilities throughout the state. Classes are conducted in suitably equipped instructional facilities. Students are required to provide textbooks, a basic set of hand-tools, protective clothing, eye protection devises, and project related material.

CERTIFICATE OF ACHIEVEMENT

Automotive Collision Repair

This is a two-year course of study providing the student with entry skills in the trade of automotive collision repair and refinishing. Development of skills in metal working and realignment are emphasized. Related study in upholstery and glass replacement, welding, unit body realignment, and frame realignment is provided. Necessary automotive mechanical work resulting from collision damage is also covered. Students must furnish their own hand tools, eye protective devices, protective clothing and project related materials.

It is suggested that courses be taken in the order they are listed. However, courses may be taken in any order provided prerequisites have been met.

Required Courses for Certificate Units

Semester 1
Auto Collision Repair 051 Beginning Body and Fender Repair 5

Semester 2
Auto Collision Repair 052A-C Advanced Body and Frame Repair 6

Semester 3
Auto Collision Repair 052A-C Advanced Body and Frame Repair 6

Semester 4
Auto Collision Repair 052A-C Advanced Body and Frame Repair 6

Vocational Information regarding careers in this field is available in the office of Counseling and Guidance.
Automotive Refinishing Technician Option

This is a two-year course of study providing the student with entry-level skills in the trade of automobile refinishing. Students will learn to prepare bare metal and painted surfaces, prime, and spray paint complete automobiles and body sections. Care and maintenance of equipment will be emphasized. No instruction in collision repair will take place in this option.

It is suggested that courses be taken in the order they are listed. However, courses may be taken in any order provided prerequisites have been met.

**AUTOMOTIVE TECHNOLOGY**

The Automotive Technology program at Golden West College is designed to provide the successful student with the skills required to enter the automotive repair industry as an entry level technician and to provide advanced in-service training to employed technicians. Instructors are credentialed by the State of California and certified by the National Institute for Automotive Service Excellence (ASE). Classes are conducted in well equipped facilities using modern diagnostic techniques and equipment.

**Automotive Technology**

In the Automotive Technology program the student can choose to receive a Certificate of Achievement in Option I or Option II. Upon completion of the required number of units in either Option with a grade point average of 2.0 or above, the student will be eligible for a Certificate of Achievement in the selected option. Students may enter the program at the beginning of the Fall, Spring, or Summer sessions. Students are responsible for the purchase of textbooks, personal safety equipment, basic hand tools and project related materials. The cost of tools, supplies and materials will vary depending on the place of purchase.

Each option listed below is designed to prepare the beginning student for a career in specialized and related fields of the automotive repair industry.

Vocational Information regarding careers in this field is available in the office of Counseling and Guidance.

**BIOLOGY**

Study in biology leads to a wide range of careers upon the attainment of the baccalaureate degree. Many students prepare for entry into graduate or professional schools upon graduation: programs in dentistry, medicine, nursing, pharmacy, field biology, parks service, fish and game positions and similar professions depend upon emphasis in biological sciences and ecology. Careers are found in teaching, research, government service.
BROADCAST & VIDEO PRODUCTION

CERTIFICATES OF ACHIEVEMENT

*Art courses 107, 115, 170 must be taken in sequence
Computer Operating Environment
This certificate of specialization is designed to provide the student with a background in computer operating environments. The student will work with a single-user system and Local Area Networks (LAN).

Required Courses
- Comp Sci 130 Survey of Business Data Proc: 4 units
- RECOMMENDED ELECTIVES: (Select 1)
  - Comp Sci 145 Computer Programming in C: 4 units
  - Comp Sci 160 Adv FORTRAN Programming: 3 units
  - Comp Sci 188* Data Structures - Adv PASCAL: 4 units
*Strongly recommended for transfer students and professional programmers

RECOMMENDED BUT NOT REQUIRED:
- Comp Sci 129 PASCAL Programming: 4 units
- Comp Sci 140 FORTRAN Programming: 3 units
- Comp Sci 180 Programming - BASIC: 4 units
- Bus D P 110 Introduction to Macintosh Computers: 3 units
- Math 030 Intermediate Algebra: 4 units

Microcomputer Applications IBM Emphasis
This certificate of specialization is designed to provide the student with background in computer applications, using the IBM operating system environment.

Required Courses
- Comp Sci 130 Survey of Business Data Proc: 4 units
- Art 176A-D/ Desktop Publishing Using QuarkXpress: 3 units
- Bus D P 176A-D

RECOMMENDED BUT NOT REQUIRED FOR ADDITIONAL BREADTH:
- Accounting 130 Computerized Accounting: 3 units

Microcomputer Applications Macintosh Emphasis
This certificate of specialization is designed to provide the student with background in the Macintosh operating system environment.

Required Courses
- Bus D P 110 Introduction to Macintosh Computers: 3 units
- Bus DP 136 Computer Graphics: 4 units
- Bus DP 174 Desktop Publishing - InDesign: 3 units
  OR
  - Bus DP 176 Desktop Publishing - Quark: 3 units
  - Bus DP 177 A-B Computer Graphic Design: 3 units
  - Comp Sci 101 Computer Literacy: 3 units
  OR
  - Comp Sci 130 Survey of Computer Science: 4 units

CHEMISTRY
The program offerings in chemistry cover the entire set of classes necessary for the first and second years of college. Opportunities for chemists are found in industry, government and the field of education. Chemists are currently employed in aerospace industry, pharmaceutical companies and in many small, diverse companies that use chemical processes.

CHINESE
Refer to FOREIGN LANGUAGE for Program Information

COMPUTER BUSINESS APPLICATIONS
Courses in this area provide instruction for those interested in office occupations and using current computer applications. Emphasis is placed on learning skills such as keyboarding, shorthand, proofreading, and filing and records management and attaining skills in computer office applications and software integration. Areas of specialization include entry-level, general office, legal secretarial assistant, administrative assistant, computer office applications, and word processing.

CERTIFICATES OF ACHIEVEMENT
Entry Level Option
With this certificate, you will quickly be able to prepare yourself for beginning employment in office, clerical, or receptionist work. You will learn the basic office skills used in entry-level positions in any type of business, professional, educational, or industrial office. You may receive a certificate by completing the following courses.

Required Courses
- Comp Bus App 100* Computer Keyboarding, Introduction (1, 2, 3): 3 units
- Business 125** Business English: 3 units
- Business 161/162 Machine Calculation, Introduction & Adv: 1, 1 units
- Comp Bus App 115 Filing & Records Management: 3 units
- Comp Bus App 145 Introduction to Computers: 1.5 units
- Comp Bus App 155 WORD, Introduction: 1.5 units
- Comp Bus App 106 Computer Keyboarding, Correspondence: 1 unit
- Comp Bus App 190 Internet, Introduction: 1.5 units
- Comp Bus App 104-D Computer Keyboarding Speed & Accuracy: 1 unit
- Comp Bus App 182 OFFICE XP, Introduction: 1.5 units

*Or students may enroll in Comp Bus App 101, 102, and 103 for 1 unit each.
**Students who have completed English 100 may take Business 126 in place of Business 125.
## COMPUTER BUSINESS APPLICATIONS continued...

### RECOMMENDED ELECTIVES:

Students are encouraged to select elective courses from among the required courses listed for the advanced office administration certificates which include Administrative Assistant and Legal Secretary/Assistant and from the required courses listed for the Word Processing and Computer Office Applications certificates.

### General Office Option

As a General Office graduate, you will be employable for office support work. You will be qualified to work in any type of business, professional, educational, or industrial office. Your specialized duties may include processing clients, visitors, and telephone calls; providing accurate business documents; working with bookkeeping and records management; and using computer applications. Students may receive a certificate by completing the following courses.

It is suggested that courses be taken in the order they are listed. However, courses may be taken in any order provided advisories have been met. New students should initially take basic courses in computer keyboarding to bring competency up to 45 words a minute.

### RECOMMENDED ELECTIVES:

Students desiring additional employment skills or seeking elective classes in order to complete the units required for an Associate in Arts degree should consult class listings under Business, Business Data Processing, Computer Business Applications, Computer Science, Management, and Work Experience or contact the GWC counselor for this area.

### Administrative Assistant Option

As an Administrative Assistant graduate, you will be prepared for eventual entrance into top-level office support positions to work closely with management in any type of business, professional, educational, or industrial office. Specialized duties will include assisting management; preparing reports; gathering data; scheduling executive meetings, itineraries, and appointments; planning conferences; using computer applications; and supervising other office personnel. Students may receive a certificate by completing the following courses.

It is suggested that courses be taken in the order they are listed. However, courses may be taken in any order provided advisories have been met. New students should initially take basic courses in computer keyboarding to bring competency up to 45 words a minute.

*Students who have completed English 100 may take Business 126 in place of Business 125.

**Or students may enroll in Comp Bus App 110 for 4 units.

***This class should be taken after completion of the required courses, especially after taking CBA 155 and CBA 150 or CBA 160 OR CBA 165. It is strongly recommended that these preparation courses be completed first.
**COMPUTER BUSINESS APPLICATIONS continued…**

**RECOMMENDED ELECTIVES:** Students desiring additional employment skills or seeking elective classes in order to complete the units required for an Associate in Arts degree should consult class listings under Business, Business Data Processing, Computer Business Applications, Computer Science, Management, and Work Experience or contact the GWC counselor for this area.

**Bachelor’s Degree Program**

Students who wish to continue their education at a four-year college or university should consult with the GWC counselor for this area to establish a program consisting of transferable required and elective courses.

**Legal Secretary/Assistant**

With the completion of this certificate, you will be employable in the court system, in a law office, or in a legal department of business or industry. Your specialized duties will include processing legal papers and documents by using your knowledge of legal terminology and procedures. Students may receive a certificate by completing the courses listed below.

It is suggested that courses be taken in the order they are listed. However, courses may be taken in any order provided advisories have been met. New students should initially take basic courses in computer keyboarding to bring competency up to 45 words a minute. (If shorthand is desired, basic courses in shorthand should be taken to bring competency up to 80 words a minute.)

29-30

*Shorthand is an option. If shorthand is taken, only two units of Software Applications are required for the certificate.

**These courses are Coastline College courses.

***It is strongly recommended that this course be completed after taking CBA 155 and CBA 150 OR CBA 160 OR CBA 165.

**RECOMMENDED ELECTIVES:** Students desiring additional employment skills or seeking elective classes in order to complete the units required for an Associate in Arts degree should consult class listings under Business, Business Data Processing, Computer Business Applications, Computer Science, Management, and Work Experience or contact the GWC counselor for this area.

**Bachelor’s Degree Program**

Students who wish to continue their education at a four-year college or university should consult with the GWC counselor for this area to establish a program consisting of transferable required and elective courses.

**Computer Office Applications Option**

Office workers are increasingly required to use computer software application programs for word processing, spreadsheets, and databases and to understand the use of Windows.

It is suggested that courses be taken in the order they are listed. However, courses may be taken in any order provided advisories have been met. New students should initially take basic courses in computer keyboarding to bring competency up to 45 words a minute.

### CAREER AND CERTIFICATE PROGRAMS

**COMPUTER BUSINESS APPLICATIONS continued...**

**Certified Business Professional: CPS/CAP Certificate Holders Option**

Individuals who hold a certificate as a Certified Professional Secretary and/or Certified Administrative Professional will be granted 30 units of course work toward the Associate in Arts degree.

The 30 Certified Secretary course credits with units earned and a credit grade will be recorded on the student's transcript upon completion of the remaining Associate in Arts degree requirements at Golden West College and/or upon completion of the 12-unit residency requirement.

Eligibility for these 30 units will be determined by the Office Administration staff. To initiate an eligibility application, the student should contact the Admissions Office. The student must complete an application of eligibility, supply evidence of certification, and meet with the GWC counselor for this area to complete a Course and Credit Selection Agreement following the appropriate Certified Secretary curriculum outlined below. (NOTE: If the student has taken or wishes to take any of the courses listed, the student may select other course units on the Course and Credit Selection Agreement to replace those units.)

Students who successfully complete the Certified Professional Secretary examination will be awarded credit in the following courses:

*This class should be taken after completion of the required courses, especially after taking CBA 155 and CBA 150 OR CBA 160 OR CBA 165. It is strongly recommended that these preparation courses be completed first.

**COMPUTER SCIENCE**

Students are offered a wide variety of courses which fall into three broad categories:

2. Programming languages such as BASIC, FORTRAN, C, C++, PASCAL, Data Structures, and, Programming the Web
3. Operating Systems and client/server applications.

**CERTIFICATE OF ACHIEVEMENT**

Refer to ACCOUNTING, BUSINESS, and MANAGEMENT for Certificate of Achievement information.

**CERTIFICATES OF SPECIALIZATION**

Advisory Committee Recommendations

While the following courses are not required in the Computer Science Certificates of Specialization, they have been highly recommended by the Computer Science Advisory Committee. This Committee is composed of business and industry community members who feel that successful completion of these courses will assist a future employee in achieving their career goals within their organizations.

COMPUTER SCIENCE continued...

Cooperative Work Experience Education (CWE) is an academic program that assists students in applying classroom learning to their job or internship and earn elective units of credit. While adding valuable experience to the student’s resume, the student will acquire on-the-job skills that will contribute to his or her occupational interests and goals. Credits can be earned for part-time or full-time work, work-study, or an internship. The position should relate to the student’s college major/career goal.

One unit can be earned for every 75 paid hours or 60 volunteer hours of work during the semester or enrollment session. Students can earn a maximum of 4 units a semester, and a maximum of 12 units at Golden West. Veterans should contact the VA Clerk prior to enrolling in Cooperative Work Experience to determine eligibility for VA educational benefits. Units are transferable to CSU. (See counselor for credit limits.)

COOPERATIVE WORK EXPERIENCE

COSMETOLOGY

The Cosmetology Program is designed to provide entry level skills to students who desire to have a career in the cosmetology profession. State law requires that students must be at least sixteen years of age in order to enroll in cosmetology classes. Students in the cosmetology program will be required to maintain standards of dress and grooming and may be required for excessive absences.

Due to the large number of students requesting this program, permission cards are required for transfer and continuing students. Cards may be obtained from the Cosmetology office, located in the Cosmetology building, October 1 or after for spring semester and April 1 or after for summer and fall.

Certificate of Achievement

Manicuring

This program may not be offered each semester.

Students interested in Manicuring should enroll in Cosmetology 070.

Approximate Costs

(Kit — $145); (Book — $25); (Uniform — $75)

Cosmetology

Students with previous hours completed in a Cosmetology program must provide verification of those hours completed at the Cosmetology office in order to obtain a permission card for registration. Students with less than 350 hours of previous training should register in Cosmetology 001 and 002. Students with more than 350 hours should register for Cosmetology 003 and 004 or 005 and 006.

*NOTE: In order to assure student success in the program and adequate preparation for passing the state licensing program examination, students from other certified programs may only transfer a maximum of 450 hours to this program.

The following schedules are offered for new students entering in the fall or spring semester.

FULL-TIME DAY PROGRAM

Refer to the Schedule of Classes for hours

ESTHETICIAN

Refer to the Schedule of Classes for hours

The only schedule available for new students entering at the summer session is the full-time day program.

PROGRAM REQUIREMENTS

English-speaking and comprehension skills are critical to success in the Cosmetology Program. Students with inadequate English skills level may be required to take Basic English Skills classes and/or may be dropped from the program until adequate proficiency is achieved.

The Cosmetology Department has established standards of conduct, personal grooming, and attendance that must be adhered to by all students enrolling in the Cosmetology Program. For further information regarding requirements, contact the Cosmetology Office.

Students will attend courses five days per week for eight hours per day.

CERTIFICATE OF ACHIEVEMENT

Manicuring

This program may not be offered each semester.

Students interested in Manicuring should enroll in Cosmetology 070.

Approximate Costs

(Kit — $145); (Book — $25); (Uniform — $75)

Cosmetology

**Esthetician Option**

This one-semester program is designed to prepare the student for a career in skin care. The student will learn bone structure, chemistry of products, skin analysis, use of packs and masks, electric modalities, corrected makeup, and correct use of products. This program, with a total of 600 hours of training, is required to qualify for the license through the State Board of Cosmetology. The program is a daytime program. Students will attend school five days a week for eight hours a day.

*NOTE:* In order to assure student success in the program and adequate preparation for passing the state licensing examination, transfers of hours from other certified programs will not be accepted for the Esthetician program.

**Approximate Costs**

(Kit — $475); (Books — $100); (Uniforms and Shoes — $125)

**CRIMINAL JUSTICE**

**CERTIFICATE OF ACHIEVEMENT**

**Law Enforcement Option**

This curriculum was developed with an advisory committee comprised of Criminal Justice administrators. Its purpose is to provide basic fundamentals for entry into any type of Criminal Justice agency. The curriculum leads to the Associate in Arts degree and/or a Certificate of Achievement in Criminal Justice.

It is suggested that courses be taken in the order they are listed. However, courses may be taken in any order provided prerequisites have been met.

**RECOMMENDED ELECTIVES:** The following courses are specifically selected to enhance the Law Enforcement Option curriculum. Students may wish to select some of these courses in order to complete the 60 units required for an Associate in Arts degree.

- Criminal Justice 071: Law of Arrest/Firearms
- Criminal Justice 110: Criminal Investigation
- Criminal Justice 123: Juvenile Law
- Criminal Justice 125: Traffic Investigation
- Criminal Justice 136: Physical Evidence
- Criminal Justice 150: Introduction to Corrections
- Criminal Justice 151: Aspects of Corrections
- Criminal Justice 160: Introduction to Forensic Science
- Criminal Justice 161: Fingerprint Identification
- Criminal Justice 165: Forensic Photography

**PROGRAM REQUIREMENTS**

**Program Requirements**

As a prerequisite for admittance to the Regular Basic Course (Police Academy) and the Specialized Investigators’ Basic Course (State Investigators Academy), applicants must certify that they are free from any physical, behavioral, emotional, or mental condition that would adversely affect their behavior so as to create an undue risk of harm to themselves, other students, instructors, or other persons. If the Program Director determines an applicant is not free from such a physical, behavioral, emotional, or mental condition, the Program Director, with the agreement of the Vice President of Instruction and Student Services, shall, as soon as possible, arrange for such an applicant to be examined by one of the following: 1) a licensed physician, or 2) a licensed clinical psychologist who has a Ph.D. in psychology and at least five years of postgraduate experience in diagnosis and treatment of emotional and mental disorders. This expert will determine if the denial of admission to the program was based upon reasonable grounds. If so, the applicant will not be admitted to the program. If the expert determines reasonable grounds do not exist, the applicant will be admitted to the program. Applicants may appeal the denial of admission to the Administrative Dean, Student Support Services, on the grounds they have met this prerequisite. Following the appeal to the Dean, applicants may make a final written appeal to the President of the college.

Maintenance of a satisfactory physical, behavioral, emotional, and mental condition is required throughout enrollment in the Basic Course Programs. If at any time the Program Director determines a student is not meeting this requirement, the Program Director may refer the student to a physician or clinical psychologist and follow the procedures outlined in the preceding paragraph. The physician or psychologist will determine if the student should be dismissed from the program. Students may appeal their dismissal to the Administrative Dean, Student Support Services. Following the appeal to the Dean, students may make a final written appeal to the President of the college. The College does not assume any responsibility for the student’s physical, behavioral, emotional or mental condition. The student at all times is personally responsible for these conditions and is obligated to report in writing to the course instructor if the student’s ability to participate in the course is impaired in any way.

Golden West College 2003-2004 Catalog
CRIMINAL JUSTICE continued...

Basic Course Programs

A. Regular Basic Course (Police Academy)

Criminal Justice 064 is identified as a Basic Course Academy Program. The Academy entrance requirements will be verified through successful completion of Criminal Justice 054 (Pre-Academy Orientation Class). The following prerequisites and requirements are applicable to the Regular Basic Course.

1. Students must possess a valid California Driver’s License.
2. Students must not have any Federal or State Felony convictions.
3. Students must obtain from the Department of Justice written certification that there is nothing in their criminal history background which would disqualify them from owning, possessing, or having under their control, any firearm capable of being concealed on their person.
4. Students must certify their physical fitness for the course by obtaining and providing the college with the results of a medical examination including a resting EKG, verified and interpreted by a physician (Agency affiliates refer to item #9).
5. Students must successfully complete a P.O.S.T. prescribed reading and writing skills examination.
6. Students must pass a job-related physical agility test.
7. Students must participate in an oral interview to determine their suitability for the academy program and potential for employment as a police officer.
8. Students must pass a Traits Profile Assessment and be free from any physical, behavioral, emotional, or mental condition that would adversely affect their behavior so as to create an undue risk of harm to themselves, students, instructors or other persons.
9. Students must execute an agreement assuming the risk of harm from participating in the course and releasing the District from any liability from such harm.
10. Agency affiliates are expected to meet the minimal standards prescribed by P.O.S.T.

Contact the Criminal Justice Training Center office for Academy admission procedures.

B. Specialized Investigators’ Basic Course (SIBC)

(State Investigators’ Academy)

Criminal Justice 090 is a Specialized Investigators’ Basic Course Academy Program. The following prerequisites and requirements are applicable to this course.

1. Students must possess a valid California Driver’s License.
2. Students must not have any Federal or State Felony convictions.
3. Students must obtain from the Department of Justice written certification that there is nothing in their criminal history background which would disqualify them from owning, possessing, or having under their control, any firearm capable of being concealed on their person.
4. Students must certify their physical fitness for the course by obtaining and providing the college with the results of a medical examination including a resting EKG, verified and interpreted by a physician (Agency affiliates refer to item #9).
5. Students must successfully complete a P.O.S.T. prescribed reading and writing skills examination.
6. Students must participate in an oral interview to determine their suitability for the Specialized Investigators’ Basic Course and potential for employment as a specialized investigator.
7. Students must pass a Traits Profile Assessment and be free from any physical, behavioral, emotional, or mental condition that would adversely affect their behavior so as to create an undue risk of harm to themselves, students, instructors or other persons.
8. Students must execute an agreement assuming the risk of harm from participating in the course and releasing the District from any liability from such harm.
9. Agency affiliates are expected to meet the minimal standards prescribed by P.O.S.T.

Contact the Criminal Justice Training Center office for Specialized Investigators’ Course admission procedures.

DIESEL TECHNOLOGY

This program option is designed to prepare the student for a career as a diesel technician. Students will become familiar with diesel engines such as those used in trucks, passenger automobiles, boats, and stationary engines. Students will be responsible for the purchase of textbooks, a recommended set of basic hand tools, protective clothing, eye protection devices and project related materials.

CERTIFICATE OF ACHIEVEMENT

Refer to AUTOMOTIVE TECHNOLOGY for additional options.

Diesel Mechanic Option (Day Program)

Upon completion of the required Diesel Technology courses listed below with a grade point average of 2.0 or above, the student will be eligible for a Certificate of Achievement in Diesel Technology. Students are required to provide textbooks, a set of basic hand tools, protective clothing, eye protection devices and project related materials.

It is suggested that courses be taken in the order they are listed. However, courses may be taken in any order provided prerequisites have been met.

Vocational information regarding careers in this field is available in the office of Counseling and Guidance.
DRAFTING
This program is designed to prepare students for careers in the mechanical drafting field. Students will learn: mechanical drafting with emphasis on precision dimensioning, industrial standards and military standards on computer aided drafting using AutoCAD software. Classes are held in a modern suitably equipped lab. Opportunities for employment are available in many related commercial companies.

CERTIFICATES OF ACHIEVEMENT
Technical Drafting Option (One-Year Major)
This is a two-semester program which will prepare the student for an entry-level job in drafting. Training concentrates on basic drafting and computer practice, which provide experiences in applying technical skills to practical problems. Information presented includes precision dimensioning, basic working drawings, and computer-aided drafting. Courses are designed and offered to provide for completion within one year.

It is suggested that courses be taken in the order they are listed in order to achieve maximum advantage of course content and success in program.

Required Courses

Drafting 053A-B Computer-Aided Drafting, Adv 3

RECOMMENDED ELECTIVES: The following courses are specifically selected to enhance the Computer-Aided Drafting Option:

ECOLOGY
Study in ecology leads to a wide range of careers upon the attainment of the baccalaureate degree. Many students prepare for entry into graduate or professional schools upon graduation; programs in dentistry, medicine, nursing, pharmacy, field biology, parks service, fish and game positions and similar professions depend upon emphasis in biological sciences and ecology. Careers are found in teaching, research, government service.

ECONOMICS
The major in economics leads to careers in business or government and offers valuable preparation for various professions including law and journalism. The study of economics provides the opportunity to build a solid foundation for graduate study in either economics or administration.
ENGINEERING TECHNOLOGY

CERTIFICATE OF ACHIEVEMENT

Courses should be taken in the order listed to complete the certificate in a timely manner and meet prerequisites. The sequence listed is for students who begin the program in the fall semester. The curriculum is flexible and will accommodate students who begin in the spring semester or need to first develop skills in English or math. All students should seek scheduling advice from a GWC counselor, Engineering Technology faculty or the Technology and Vocational Education Dean.

Work experience is encouraged and most students find employment while completing the last two courses in curriculum. Engineering Tech 160 may be substituted with Co-Op work experience.

The lower division courses develop fundamentals in:
- Electrical components
- Electronic circuits
- Microprocessor architecture

This fundamental core is transferable to the California State University system. Some of the applications studied in the upper division courses are:
- Building and interfacing a personal computer
- Local area networks
- Closed loop control systems
- Programmable logic controllers

The program prepares the student for an entry level position wherever computers are used. Some of the industries where students find employment are:
- Computer Technician
- Energy Management Systems
  (Environmental Control Systems (HVAC); Waste Water Treatment; Petroleum Refining)
- Bio-Medical Systems
- Food Processing
- Inventory Control
- Security Systems
- Communications Technician

Bus D P 136 Computer-Assisted Graphics 4

**Can be waived by providing equivalency or passing final exam.

Vocational information regarding careers in this field is available in the office of Counseling and Guidance.

ENGLISH

THE CURRICULUM

The English Department offers courses for native speakers and advanced second-language students, including developmental courses in reading and writing, college-level composition courses for transfer and Associate Degree students, and courses in creative writing and literature. The curriculum emphasizes reading and writing in all its courses, reflecting the faculty’s commitment to integrating the study of language and the uses of writing within the context of culture. Courses offered through the department meet general education and transfer requirements in English, critical thinking, literature, and humanities.

THE MAJOR

Students majoring in English at the lower-division level concentrate on learning how to interpret literature critically and imaginatively and how to write prose that is clear, exact, and expressive. While the English major is designed for transfer students intending upper-division study in literature, criticism, or related fields, the versatility of the major makes it appropriate for a wide range of other contexts and circumstances. For example, students seeking any career which requires the ability to be closely attentive to language and to its ramifications—careers such as law, education, communications, governmental affairs or business—will find the English major especially helpful. Even students whose career inclinations are uncertain or indefinite will find that the abilities one masters as an English major are applicable to a variety of later career choices.
ENVIRONMENTAL STUDIES

The Environmental Studies program provides the basic skills and certifiable expertise that individuals need for an environmental career. Students gain proficiency in the knowledge of environmental principals, field and laboratory methods, computer application use, effective oral and written communication skills, applied mathematics and environmental regulatory compliance. Internships are a required part of the program and provide valuable “real world” experiences. Employment opportunity examples include:

- Hazardous waste management
- Water and wastewater treatment
- Air pollution control
- Geographic and information systems management
- Recycling and resource remediation
- Laboratory analysis
- Occupational health and safety
- Conservation advocacy
- Regulation and permit compliance
- Pollution prevention
- Energy resources and conservation
- Ecotourism

CERTIFICATE OF ACHIEVEMENT

Environmental Studies Option

The (ES) Certificate is designed to be a one-year program that can either prepare students or upgrade working individuals with technician-level skills.

Required Courses Units
ES 100 Introduction to Environmental Studies 3
ES 110 Waste Stream Generation, Reduction, Treatment 3
ES 130 Environmental Health & Hygiene 3
ES 150 Hazardous Waste Management Applications 3
ES 200 Hazardous Materials Management Applications 4
ES 230 Safety & Emergency Response 4
ES 230-A Hazardous Waste Operation & Emergency Response 2
OR
ES 230-B Hazardous Waste Operation & Emergency Response 2
AND
ES 230-B Hazardous Waste Operation & Emergency Response 2

RECOMMENDED ELECTIVES: Business 125; Business 126; computer skills courses in word processing, data base management, spreadsheets; basic electronics

ES 180 A-D* Ecotourism Destinations 0.5-3
ES 190* Environmental Studies Practicum 1.5-3.5
Chemistry 110** Introductory Chemistry 5
Ecology 100** People and Their Environment 3
Biology 120*** Man and Disease 3
Speech Com 108** Introduction to Communication 3

*These courses will also be part of future Certificate of Specialization program.
**These courses may also be used to satisfy the A.A. Degree (Option I) General Education Requirements.

ASSOCIATE DEGREE PROGRAM

The ES Associate Degree Program is a 60-unit program which prepares students to enter the workforce at the technician level. Satisfactory completion of the 60 units of required and elective courses, coupled with the school’s general education requirements are required for the ES Associate Degree. Students intending to transfer to a bachelor’s degree program should see a Golden West College Counselor.

The ES department strongly recommends that students enroll in Chemistry 110 and Biology 120 early in their educational program.

FLORAL DESIGN & SHOP MANAGEMENT

This program is designed to provide practical training to enable students to secure employment in the floral industry. The course offerings extend from entry-level floral designing to a variety of advanced floral design suggested. Also included are courses which will prepare the student to be a salesperson, manager, or owner of a floral shop. Students are required to provide some project related materials.

CERTIFICATE OF ACHIEVEMENT

It is suggested that Floral Design 010 be taken first. However, courses may be taken in any order provided prerequisites have been met.

Required Courses Units
Floral Design 010 Basic Floral Design 2
Floral Design 027 Creativity And Competition 2
Floral Design 032 Permanent And Seasonal 2
Floral Design 015 Wedding Designs 2
Floral Design 020 Tributes And International Traditions 2
Floral Design 025 Event Planning And Display 2
Floral Design 011 Floral Business Practicum I 2

OR
Marketing 110 Personal Selling 3
Floral Design 050 Floral Placement And Productions Practicum II 2

OR
Management 152 Small Bus Ownership & Mgmt 3

RECOMMENDED ELECTIVES: The following courses are specifically selected to enhance the Floral Design curriculum. Students may wish to select some of these courses in order to complete the 60 units required for an Associate in Arts degree.

Accounting 100 Accounting Elements 4
Art 107 Two Dimensional Design 3
Marketing 130 Advertising 3
Management 152 Small Bus Ownership & Mgmt 3

Vocational information regarding careers in this field is available in the office of Counseling and Guidance.
FOREIGN LANGUAGE

The study of language is an excellent way to develop critical thinking, analytical, and communicative skills. It can provide a basis for understanding cultures and, therefore, prepare graduates for many careers. Communication with others is more and more vital with the growing global interdependence. Foreign language majors can develop careers in areas such as anthropology, economics, political science, literature, sociology, and linguistics. While teaching has been traditionally the principle area of employment, other careers may be found in interpreting, translating, research, diplomacy, protocol, public relations, libraries, international commerce, tourism and the publishing business.

The department offers courses from the beginning to advanced level in Spanish, French, and German, as well as beginning courses in Arabic, Italian, Vietnamese, Chinese, and Japanese. All courses are designed to develop the student’s listening comprehension, speaking, reading, and writing skills, as well as to provide a general overview of civilization and culture. The curriculum includes lower-division classes that are fully transferable to a four-year college or university.

FRENCH

Refer to FOREIGN LANGUAGE for Program Information.

GEOGRAPHY

Geography is the study of place and space; it is the description of land, sea, and air, and the distribution of plant and animal life including humans and their activities. The most rapidly increasing area of employment for people trained in geography is planning, planning at all levels local, regional, and national. Education is a second major career area for geographers, while a background in geography is an asset in travel, recreation, industry, international trade and commerce, and environmental impact analysis.

GERMAN

Refer to FOREIGN LANGUAGE for Program information.

HEALTH EDUCATION

Before you take out a life insurance policy get involved in our Health Education program. Without a doubt it is one of the most dynamic fields on the horizon today. Health is not merely the absence of disease but rather a pursuit of a quality of life that all of us desire. Health Education is a lifetime pursuit that will provide you with a lifetime of rewards. Come join us, and learn how to make this quality of life, a reality. After all, Health is not what we know, it's what we do.

HISTORY

History is an evolving record of human emotion, human aspiration, human frustration, and human success. Historians deal with the goals, fears, interests, opinions, and prejudices of people in the past. What made people the way they were? What is the impact of their thought and action on people today and what is their impact on people tomorrow? As a study of people, history offers a necessary understanding of one’s place in the human experience. History is a thread that brings together the understanding of the interplay of art, literature, politics, economics, and morality.

INFORMATION TECHNOLOGY

CERTIFICATE OF SPECIALIZATION

Information Technology Specialist Certification of Completion

The Certificate of Completion in Information Technology is dedicated to enhancing individual and industry effectiveness. The program is designed for mid-career professionals as well as those with limited work experience. With this certificate, students will be prepared for a wide range of careers in the Information Technology field.

Personal Computer Specialist Certificate: Units
- IT – 115-1 Computer Concepts 1.5
- IT – 115-2 PC Windows and DOS Essentials 1.5
- IT – 117 A+ Hardware and Software 3.0
- 6.0

INTERPRETING

Orange County and neighboring areas are rich in part-time job opportunities for Sign Language and Interpreting. This program is designed to provide students with sign and interpreting skills sufficient for entry-level employment. Emphasis is on use of American Sign Language but forms of signed English are also used.

CERTIFICATE OF ACHIEVEMENT

(See also Special Education)

Interpreting For Deaf People

This curriculum is recommended for those persons who desire to obtain skills necessary to function effectively as an interpreter for deaf people.

Required Courses Units
| PREREQUISITE COURSES: | 
|-----------------------|---|
| Sign 180A-B          | Beg American Sign Language I 4 |
| Sign 185             | Beg American Sign Language II 4 |
| or Equivalent        | 

Semester 1
- Sign 280
- Special Education 105
- Interpreting 030
- Adv American Sign Language I 4
- Implications of Deafness 3
- Basic Voice to Sign 3

Semester 2

JOURNALISM

CERTIFICATE OF ACHIEVEMENT

Refer to WRITTEN COMMUNICATIONS, Journalism Option.

LEARNING SKILLS
These courses increase student success by helping them develop the ability to know how to find, evaluate and use information effectively.

LIBRARY
These courses help develop a student’s ability to recognize and use a variety of library information sources including the most current electronic technologies such as the Internet.

LITERATURE
(See English)

MANAGEMENT
This program is designed to accommodate both the transfer student as well as the student seeking additional job-related skills. The course offerings extend from the elements of management to more advanced courses such as personnel management, behavioral management and small business management.

CERTIFICATES OF ACHIEVEMENT

General Management Option
This curriculum is designed for students seeking managerial and supervisory careers in business, industry, and government. The program is well suited for students who are working and wish to move into management positions in their present jobs.

The management program uses the most advanced training techniques, including computer simulations and role playing, to aid the student in developing communication, leadership, and decision-making skills. The training also provides a strong educational foundation coupled with work experience to enable the student to move quickly into a managerial position.

Courses may be taken in any order provided prerequisites have been met.

MARKETING

The marketing program has been developed to provide students with marketing skills in areas of distribution, sales management, advertising, retailing and international operations.

CERTIFICATE OF ACHIEVEMENT

Refer to MANAGEMENT, Marketing Option.

MATHEMATICS

Golden West College offers a comprehensive lower division mathematics curriculum for those students who plan to transfer to four-year colleges and universities. In addition there are remedial and vocational mathematics classes available. All courses are supported by a modern Mathematics Learning Center which provides individual tutorial assistance as well as computer-assisted instruction.

MULTIMEDIA

Multimedia Production and Development is a rapidly expanding career field. Changes and improvements in technology make this career option very dynamic. The courses offered in Multimedia are designed to acquaint the student with all aspects of Multimedia production. Audio, video, animation, still photography, and learning design are among the many aspects covered.
MUSIC

CERTIFICATES OF ACHIEVEMENT

Commercial Performance Option

Designed to prepare musically talented individuals and groups for careers as performers, this course of study deals with the many musical and non-musical aspects of the industry that the professional performer will encounter. Emphasis is placed on improved musical skills and development of a professional working method, enabling entrance into this competitive field. Students completing this option will have professionally recorded examples of their performance skills.

It is suggested that courses be taken in the order they are listed. However, courses may be taken in any order provided prerequisites have been met.

MUSIC continued...

Arranger-Composer Option

This option is designed for the person interested in writing music as a career. Starting with basic manuscript copying techniques, the curriculum proceeds through the fundamentals of arranging music for voices and instruments and culminates with the student composing original music and arranging it for recording in our studio. Emphasis will be on development of individual talents. Each student will be involved in preparing music for the many performing groups in the commercial music program.

It is suggested that courses be taken in the order they are listed. However, courses may be taken in any order provided prerequisites have been met.

Recording Arts Option

This comprehensive course of study leads to competencies in the following area: tape recording, mixing, studio management, record production, on-location recording and sound reinforcement. The student will receive intensive hands-on experiences through participation in recording sessions using state-of-the-art equipment in our three fully equipped studios. Studio “A” is a fully automated 24-track facility. Studio “B” utilizes 24-track mixing and recording. Studio “C” is a typical “Demo” facility. In addition to a separate editing lab, students will also be utilizing the Synthesizer Lab which contains the latest in Digital Synthesizers, Sampling, and MIDI interface. Students in this program will receive direct guidance and training from the instructor as well as “tricks of the trade” from a working professional from this specialized field.

It is suggested that courses be taken in the order they are listed. However, courses may be taken in any order provided prerequisites have been met.

RECOMMENDED ELECTIVES: The following courses are specifically selected to enhance the Recording Arts Option curriculum. Students may wish to select some of these courses in order to complete the 60 units required for an Associate in Arts degree.

| Co-Op 101A-D - 104A-C Work Experience | 1-12 |
| Humanities 120/1 Music 101 History & Appreciation Of Music | 3 |
| Humanities 140/1 Music 136 Jazz: A History & Appreciation | 3 |
| Humanities 145/1 Music 185 History Of Rock Music | 3 |
| Music 068 Comm Arranging & Orchest I | 4 |
| Music 134A-D Recording Jazz Ensemble | 2 |
| Music 141A-B Beginning Keyboard I | 1 |
| Music 142A-B Beginning Keyboard II | 1 |
| Music 145A-B Basic Voice | 2 |
| Music 053 Producing the Music Video | 2 |
| Music 064 Commercial Songwriting | 1 |
| Music 171 Synthesizer Projects | 2 |
| Engineering Tech 130 Introduction Electronics | 3 |
| Engineering Tech 135 Electronics System Servicing | 3 |

*If the student feels he/she has equivalent competencies, proficiency examinations are given in these classes as a means of testing out.

Vocational information regarding careers in this field is available in the office of Counseling and Guidance.

Retail Music Option

This option in the Commercial Music Program is tailored to the student who has a high interest in music and a desire to become involved in the business aspects of the industry. The primary emphasis of this curriculum is on acquiring the necessary business skills to enter the field. Secondary emphasis is placed on familiarizing the student with the variety of musical instruments and equipment which constitute the products of the industry. The student is also expected to maintain a high level of musicianship through participation in the music courses and electives outlined below.

It is suggested that courses be taken in the order they are listed. However, courses may be taken in any order provided prerequisites have been met.

Vocational information regarding careers in this field is available in the office of Counseling and Guidance.

NURSING
The nursing program prepares students for the R.N. licensing examination. Nursing practice is dynamic and diverse and offers a wide variety of employment opportunities in health care delivery.

ADMISSION INFORMATION PERTINENT TO THE NURSING PROGRAM

1. No applicant shall be admitted who has not met the academic, physical, health and immunization requirements for the Nursing Program.
2. No applicant who is presently under treatment for substance abuse, or who has been under such treatment within six months of the date of his or her application, shall be admitted to the Nursing Program.
3. No applicant for admission to the Nursing Program shall be admitted to the program unless he or she can perform specified manipulative and/or sensory functions, as follows:
   a. Be able to hear well enough (average of 30 decibel for both ears) to respond to calls for help from individuals remote from the location of the student.
   b. Be able to safely maneuver the equipment used to administer medications orally and intramuscularly and be able to see and hear well enough to monitor indications on the instruments regarding the medications being administered.
   c. Be able to start effective cardiopulmonary resuscitation.
   d. Be able to maneuver a totally helpless adult to the side of a bed and to turn and position the patient.
   e. Be able to physically maneuver and support a helpless adult.

714-892-7711 Golden West College 2003-2004 Catalog
NURSING continued...

1. Be able to see well enough to observe critical symptomatology; have sufficient manipulative ability to record such symptomatology in writing.
2. Candidates must be recommended by the program director of the previous school.
3. Course work must have been completed within the last two years.
4. No applicant for admission to the Nursing Program shall be admitted to the program unless he or she appears to be free from any physical, behavioral, emotional or mental condition that would adversely affect his or her behavior so as to create an undue risk or harm to himself or herself, other students, instructors, or other persons. If an applicant disputes a determination that he or she is not free from such a physical, behavioral, emotional or mental condition, the Program Director shall confer with the Nursing Admission/Retention Committee and, if decided, require such applicant to be examined by either a licensed physician and/or surgeon, or by a licensed clinical psychologist who has a doctoral degree in psychology and at least five years of post-graduate experience in diagnosis and treatment of emotional and mental disorders. After receiving the report from the licensed physician and/or surgeon or licensed clinical psychologist, the Nursing Admission/Retention Committee shall determine if the Program Director’s denial of admittance was based upon reasonable grounds. If so, the applicant’s admission shall be denied. If not, the applicant shall be admitted. If the applicant wishes to dispute the matter further, he or she shall appeal the determination to the President of the College, who shall review the matter and make a final determination in the matter.

The above conditions also apply to students who are currently enrolled in the Nursing Program. Maintenance of good health—physical, behavioral and emotional—is essential for continuation, and the criteria and conditions explained above are operative throughout the student’s time in the program.

Transfer Credit and Credit by Examination for Applicants with Previous Nursing Education

Applicants with previous nursing education in an approved school of nursing (RN) may apply for transfer credit and/or credit by examination.

General Policy:
A student may challenge any Golden West College nursing course and in order to do so must meet the following Nursing Program entrance requirements:
1. Acceptance as a regular student at Golden West College.
2. Graduation from an accredited high school or the equivalent.
3. Completion of 12 college units with GPA of at least 2.0.
4. Qualifying test scores on the college placement test in English and Math.
5. Evidence of physical and emotional fitness by medical examination.

Transfer Credit:
Credit for nursing courses taken at an accredited school of nursing (RN) will be granted upon the following conditions:
1. Candidates must qualify for admission as listed above.
2. Candidates must be recommended by the program director of the previous school.
3. Course work must have been completed within the last two years.
4. Credit will be given for nursing courses comparable to those offered at Golden West College.
5. Credit for general education courses will be granted according to the college policy.
6. A minimum of one academic semester must be spent in the Golden West College Core Nursing Program.

Non-Graduate Option
According to regulations of the California Board of Registered Nursing, it is possible to take the licensing examination upon completion of the approved curriculum for the Golden West College Nursing Program, even if the graduation requirements (Humanities elective, PE and Algebra) have not been completed. Students who elect this option will not be graduates of an accredited program and may not be eligible for licensure in other states, even if the graduation requirements are met at a later date.

ASSOCIATE DEGREE NURSING (R.N.)
ADMISSION PROCEDURES

The nursing application filing period for the fall semester class is from January 15 through February 28/29.

The filing period for the spring semester class is from August 15 through September 30.

The following minimum academic and other requirements must be met by all applicants to become eligible candidates. (Refer to the current application at the Impacted Program Desk in the Administration Building for the deadlines.)

Minimum Application Requirements

(Refer to the current application at the Impacted Program desk in Admissions for deadlines and additional requirements.)

1. Attendance at a nursing orientation.
2. Evidence of the following:
   a. High school graduate or equivalency.
   b. Competency in Mathematics as demonstrated by:
      1.Completion of the Golden West College Math Competency Test* with a qualifying score for Mathematics 030 or above.
      OR
      2. Completion of Intermediate (2nd year) Algebra in high school with a “C” grade or better.
      OR
   c. Competency in English composition as demonstrated by:
      1. Completion of the Golden West College English Placement Test* with a qualifying score in English 100 or successful completion of English 010 with a “C” grade or higher.
      OR
      2. Completion of English 100 with a “C” grade or higher.

*NOTE: Item (c.1.) above satisfies the requirement for entering the program; item (c.2.) is required to complete the Nursing Program.

*THESE TESTS MAY BE TAKEN ONE TIME ONLY. Contact the Assessment Center for information and to schedule an appointment to take the required tests.

3. Official transcripts from the last high school and each college attended (or currently enrolled in) must be filed at the Golden West College Admissions Office.

NOTE: All foreign transcripts must be translated by an official agency prior to application to the Health Professions Programs. This is required to evaluate equivalency of both high school education and college courses.

4. Completion of at least two of the following courses, or equivalent, with a “C” grade or higher prior to application:
   a. Anatomy - Biology 170
   b. Microbiology - Biology 210
   c. Physiology - Biology 175
NURSING continued…

NOTE: Course equivalencies for courses taken at other accredited colleges will be determined by Impacted Programs Desk or Counselor. If the science classes were taken more than five years ago, candidates must see the Health Professions counselor to determine if the course must be repeated.

Selection Procedures

Students will be eligible to apply for the Nursing Program as soon as the minimum requirements have been completed. Eligible applicants who have met the minimum requirements will be selected for the program. First time applicants will receive a priority number on a random basis. Half of those students accepted each semester for entry will be taken directly from the list in the order in which they were randomly placed. Half of the students accepted will be chosen by the Scholastic Point System. Non-selected applicants will retain their initial priority placement when applying in future semesters provided they reapply each semester until selected.

Scholastic Point System

The Scholastic Point System is a numerical ranking based upon courses completed and grades earned. No points will be counted until all prerequisite Science Courses are completed. It is important that all grades for courses taken at other colleges be verified by submission of official transcripts to the Golden West College Office of Admission and Records.

Points are totaled for letter grades in the following courses as follows: A=10 points, B=7 points, and C=4 points:

<table>
<thead>
<tr>
<th>Course</th>
<th>Grade</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Biology 170</td>
<td>Anatomy (4 units)</td>
<td>10</td>
</tr>
<tr>
<td>Biology 175</td>
<td>Human Physiology (4 units)</td>
<td>10</td>
</tr>
<tr>
<td>Biology 200</td>
<td>Pharmacology - Medications and Drugs (3 units)</td>
<td>7</td>
</tr>
<tr>
<td>Biology 210</td>
<td>General Microbiology (5 units)</td>
<td>4</td>
</tr>
</tbody>
</table>

An additional 5 points will be awarded for the following classes completed with a grade of “C” or better:

Speech Communication 108 Introduction to Communication (3 units), 110 Public Speaking (3 units), or 112 Small Group Dynamics (3 units)

(Point credit will be awarded for only one speech course)

<table>
<thead>
<tr>
<th>Course</th>
<th>Grade</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>English 100</td>
<td>Freshman Composition (3 units)</td>
<td>10</td>
</tr>
<tr>
<td>Psychology 160</td>
<td>Human Growth and Development (3 units)</td>
<td>7</td>
</tr>
<tr>
<td>Sociology 100</td>
<td>Introduction to Sociology (3 units)</td>
<td>4</td>
</tr>
<tr>
<td>Humanities</td>
<td>3 unit Course of student’s selection from Area C of Associate in Arts Degree Option II Requirements found in GWC Catalog (credit awarded for one class only)</td>
<td>4</td>
</tr>
</tbody>
</table>

An additional 4 points will be added for each of the following (courses with a grade of “C” or better):

Bachelor or higher degree
Chemistry 110 Introductory Chemistry (5 units)

An additional 2 points will be added for each of the following courses that has been completed with a grade of “C” or better:

Biology 160 Physiology and Disease Mechanisms (3 units)
College 100 Becoming a Successful Student (3 units)

Critical Thinking course: credit for one of the following:

English 110 Critical Thinking, Reading, and Writing through Literature
Interdisciplinary Studies 105
Philosophy 115 Critical Reasoning (3 units)
Philosophy 116 Introduction to Logic (3 units)
Speech 220 Reasoning in Writing (3 units)

Math 009 Medication Calculations for Nurses (1 unit)
Math 030 Intermediate Algebra (4 units)
Math 100 (or above)

Maximum 4 points for multiple math courses.

Nursing 009 Introduction to Nursing (3 units)
Psychology 100 Introductory Psychology (3 units)
Speech 108/110/112 not already credited for 5 points (see above)
Speech 171 Assertive Communication Skills (1.5 units)

Foreign language courses equivalent to two years of college language in the same language (180 - 285) level

Only grades received in courses listed above will be used to calculate the student’s ranking.

Students selected on the Scholastic Point System will be admitted from highest ranking to lowest.

In the event that there is a tie in total points, the tie will be broken by ranking of tied students by GPA achieved in the ADN Degree required courses. If a second tie is achieved, the students will be ranked by random selection.

Students are not eligible for consideration for the Scholastic Point System until all three Science prerequisites have been completed and grades recorded by Admissions and Records.

Fall grades are included in point totals for the following fall admissions. Spring and summer grades are included in point totals for the following spring admissions.

Program Requirements

Applicants who are selected must meet the following requirements:

1. Physical Examination: The Health Professions Division Office will provide information about the required physical examination, immunizations and fees. The results of this required physical examination must indicate appropriate physical and emotional health standards for the program.

2. Proof of a current (within the last year) CPR card - Level C.

3. Malpractice Insurance: The Health Professions Division Office will provide information about the required insurance and fee.

4. Uniforms/Accessories: The Health Professions Division Office will provide information about the required uniforms/ accessories.

5. Transportation: Adequate, reliable transportation to the clinical site and be responsible for parking.

NOTE: Student is responsible for any expense incurred in meeting the above requirements.

NURSING CAREER LADDER (ADN) ADMISSION PROCEDURES

Admission Requirements

This one-year option is designed specifically for California Licensed Vocational Nurses. The following minimum requirements must be met by all applicants in order to become eligible candidates.

Minimum Application Requirements

(Check the current application at the Impacted Program desk in Admissions for deadlines and additional requirements.)

1. Attendance at a nursing orientation.

2. Evidence of the following:

   a. Proof of current California VN Licensure in good standing and without restrictions.
**NURSING continued…**

b. Competency in Mathematics as demonstrated by:
   1. Completion of the Golden West College Math Competency Test* with a qualifying score for Mathematics 030 or above.
      OR
   2. Completion of intermediate (2nd year) algebra in high school with a “C” grade or better.
      OR
   3. Completion of a college level Mathematics class equivalent to Mathematics 010, Elementary Algebra, with a “C” grade or higher.

c. Competency in English composition as demonstrated by:
   1. Completion of the Golden West College English Placement Test* with a qualifying score in English 100 or successful completion of English 010 with a “C” grade or higher.
   OR
   2. Completion of English 100 with a “C” grade or higher.

**NOTE:** Item (c.1.) above satisfies the requirement for entering the program; item (c.2.) is required to complete the Nursing Program.

*THESE TESTS MAY BE TAKEN ONE TIME ONLY.* Contact the Assessment Center for information and to schedule an appointment to take the required tests.

3. Completion of the following required courses or equivalents* with a grade of “C” or better by the application deadline. Biology 170, Anatomy, Biology 200 and Pharmacology are waived based on applicant’s prior education and clinical experience:
   a. Biology 210 (Microbiology)
   b. Biology 175 (Physiology)
   c. Psychology 160 (Human Growth & Development)

After successful completion of “a”, “b”, and “c” above, then class “d” must be completed prior to joining 3rd semester Nursing (N20).

d. Nursing 190 (Bridge Class)

*NOTE:* Course equivalences for courses taken at other accredited colleges will be determined by the Program's faculty.

4. Official transcripts of all accredited college or university coursework must be filed at the Golden West College Admissions Office.

**Selection Procedure**

1. All eligible applicants who have completed the four basic courses listed above prior to the application deadline with a grade of “C” or better, who filed and were not selected during the previous application period, will be eligible to fill up to 50 percent of the spaces, provided they have completed all of the other course requirements listed below by the current application deadline. Selections will be made in order of the random rank from the previous year’s eligibility list.

2. The remaining spaces will be allocated to eligible applicants who completed the minimum four basic courses by the application deadline. Random selection will be used.

   The following courses must also be taken to complete the degree requirements. Additional classes taken from the following list prior to application will be considered in the selection process:

   - English 100
   - Mathematics (see note under 2.b. above)
   - Sociology 100
   - Speech Communication 108, 110 or 112
   - Humanities (3-unit course)
   - Physical Education or Dance

**Program Requirements**

Applicants who are selected must meet the following requirements:

1. Physical Examination: The Health Professions Division Office will provide information about the required physical examination, immunizations and fees. The results of this required physical examination must indicate appropriate physical and emotional health standards for the program.

2. Proof of a current (within the last year) CPR card - Level C.

3. Malpractice Insurance: The Health Professions Division Office will provide information about the required insurance and fee.

4. Uniforms/Accessories: The Health Professions Division Office will provide information about the required uniform/ accessories.

5. Transportation: Adequate, reliable transportation to the clinical site and be responsible for parking.

**NOTE:** Student is responsible for any expense incurred in meeting the above requirements.

**Note for Licensed Nurses and Psychiatric Technicians**

Applicants who hold a current California Vocational Nurse or Psychiatric Technician license, or the equivalent, may qualify for the California Registered Nurse licensure examination without completing the entire Associate in Arts Degree Nursing Program outlined above. LVNs may elect to take a non-degree program consisting of not more than 30 units in nursing and related science courses. Licensed PTs may challenge theory and clinical portions of the Nursing Program when they believe they already have the required knowledge and skills. For more information, contact the Health Professions Counselor.

**Associate in Arts Degree Program for Currently Licensed Vocational Nurses**

This program is designed to recognize previous educational preparation and fulfill the requirements of a vocational major for the Associate in Arts degree. The credit will be awarded upon completion of the general education requirements listed in this catalog, a minimum of 12 units earned at Golden West College, and possession of a current, valid California Vocational Nurse License. For those eligible, 23 units of credit will be awarded.

**Associate in Arts Degree Program for Currently Licensed Registered Nurses**

This program is designed to meet the needs of registered nurses desiring to earn college credit for previous educational preparation and to enrich their backgrounds through general education courses to fulfill the requirements for an Associate in Arts degree. Credit for previous nursing education will be commensurate with the numbers of nursing course credits required in the basic Associate in Arts degree program for registered nursing at Golden West College (40 units). The credit will be awarded upon completion of general education requirements listed in this catalog, a minimum of 12 units earned at Golden West College, and possession of a current, valid California Registered Nurse License.

**Continuing Education For Vocational and Registered Nursing**

Golden West College offers a variety of California Board of Registered Nursing and Board of Vocational Nurse and Psychiatric Technician approved courses for Continuing Education in Nursing credit. Some of these courses are general education classes carrying academic credit which may apply toward an Associate in Arts degree. Others carry only Continuing Education credit for nursing licensure. Nurses desiring information relative to current offerings should check with the Golden West College Health Professions Division office.

Golden West College is designated as a provider of Continuing Education for Registered Nurses by the Board of Registered Nursing. The Provider Number is 00622.
NURSING continued…

CERTIFICATES OF ACHIEVEMENT

Basic Associate Degree Program

For admission procedures to the Nursing Program, see admission selection procedures.

Completion of this curriculum qualifies students to receive the Associate in Arts degree in Nursing and to apply for the California licensing examination for Registered Nurses. Graduates of this curriculum are prepared to function at beginning R.N. positions in hospital and community settings. The registered nursing program is four semesters in length after acceptance. The program is accredited by the California Board of Registered Nursing and the National League for Nursing Accrediting Commission. Students may use the program’s general education courses to satisfy Associate in Arts degree requirements. A minimum grade of “C” must be achieved in each course required for this program as well as a “C” overall GPA.

Courses must be taken in the order indicated unless they are taken prior to the semester in which they are listed below.

Three prerequisite science courses that must be completed prior to this program:

1) Biology 170 Anatomy 4
2) Biology 210 General Microbiology 5
3) Biology 175 Human Physiology 4

It is suggested that one of the following Speech courses be completed prior to entry into this program:

Speech Comm 110 Public Speaking 3
OR
Speech Comm 108 Introduction to Communication 3
OR
Speech Comm 112 Small Group Dynamics 3

Nursing Program Semester 1

Nursing 100 Nursing Process I 10
Biology 200 Pharmacology Med & Drugs 3
English 100 Freshman Composition 3

Nursing Program Semester 2

Nursing 150 Nursing Process II 10
Psychology 160 Human Growth & Development 3

Nursing Program Semester 3

Nursing 200 Nursing Process III 10
Sociology 100 Introduction to Sociology 3

Nursing Program Semester 4

Nursing 250 Nursing Process IV 9
Nursing 260 Nursing Issues 2
Humanities 100 (any Humanities course 100-299) 3
Physical Education 110 (any Physical Education course) .5

Students must complete Biology 175, 210, and Psychology 160 and must possess a California L.V.N. license prior to application for the program. Course and unit credit is awarded for Nursing 100, 150, Biology 170, and Biology 200. In effect, the student begins the program at the second year level. Remaining requirements are listed below.

A minimum grade of “C” or “CR” (credit) must be achieved in each course required for this program.

NOTE: Applicants who hold a current California Vocational Nursing license may qualify for the California Registered Nurse licensure examination without completing the entire Associate Degree Nursing Program outlined above. LVN’s may elect to take a non-degree program consisting of not more than 30 units in nursing and related science courses. For more information, contact the Health Science counselor.

Vocational information regarding careers in this field is available in the office of Counseling and Guidance.

PHILOSOPHY

The study of philosophy provides students with the unique opportunity to carefully analyze and thoughtfully respond to the fundamental ideas and basic concerns present in the human experience. It requires the constructive re-experiencing of these problems and doubts in one’s own life. The goal is to examine ourselves, our culture, and our world with the aims of criticizing and contributing toward a reformation of self and world. The program also develops analytical, critical and writing skills that are an excellent preparation for professional and other careers.

PHYSICAL EDUCATION

Physical Education offers students an opportunity to round out their education with emphasis on improving individual physical well-being. It also introduces students to opportunities in physical education careers.

PHYSICAL EDUCATION – PROFESSIONAL

Courses designed for students entering fitness-related professions, including but not limited to teaching, coaching, health, physical education and recreation. These programs will accommodate both the transfer student as well as the student seeking additional job-related skills. Classes are taught in modern fitness labs with state of the art equipment.

PHYSICAL SCIENCE

The major in Physical Science is designed to prepare students for a diversity of professions requiring an understanding of the fundamentals of the physical sciences. Such professions include teaching science at the secondary level, technical administration in government and industry, legal work with patents, scientific librarianship, and scientific journalism.
PHYSICS
The strong emphasis in physics on fundamental concepts and problem solving makes it one of the most versatile majors available. The Physics major provides the basis for careers in applied physics and in interdisciplinary areas such as engineering, biophysics, geophysics, astrophysics, and computer science.

POLITICAL SCIENCE
Political Science, the study of government and politics, leads to an understanding of the institutions of government and the role of citizens and leaders at every level of government.

PSYCHIATRIC TECHNICIAN
ADMISSION PROCEDURES
Due to State budget reductions, enrollment in the Psychiatric Technician Program has been delayed until Summer 2004. Students may take the prerequisite courses. Applications are accepted continuously throughout the year at the Impacted Programs desk. Applicants are selected on a first-come basis as determined by the completion of the admission requirements listed below.

ADMISSION INFORMATION PERTINENT TO THE PSYCH TECH PROGRAM
ADMISSION REQUIREMENTS
Applicants to the program must show evidence of
1. Being at least 18 years of age.
2. High school graduation or equivalency
3. Competency in Mathematics as demonstrated by:
   a. Completion of the Golden West College Mathematics Competency Test with a qualifying score for Mathematics 010.*
   OR
   b. Completion of Mathematics 008 with a grade of "C" or better.
4. Competency in English composition as demonstrated by:
   a. Completion of the Golden West College Placement Exam* with a qualifying score for English 010
   OR
   b. Successful completion of English 009 with a grade of "C" or better.
   OR
   c. Successful completion of ESL 071 with a grade of "C" or better.
      Completion or placement out of ESL 073 Recommended
5. Completion of the following courses, or equivalent, with a “C” grade or higher*
   (If the class was taken more than five years ago, candidate must see the Health Professions Counselor to determine if the course must be repeated.)
   a. Psychology 100 – Introduction to Psychology
   b. Psychology 160 - Human Growth and Development
   c. Biology 155 – Introduction to Anatomy and Physiology
   d. Math 009 – Medications Calculations for Nurses

*NOTE: Contact the Assessment Center for information and to schedule an appointment and to take the required tests.

PROGRAM REQUIREMENTS
Upon verification of steps 1 through 5, and acceptance into the program, the candidate will be required to do the following:
1. Physical Examination: The Health Professions Division Office will provide information about the required physical examination, immunizations and fees. The results of this required physical examination must indicate appropriate physical and emotional health standards for the program.
2. Proof of current (within the last year) CPR card – Level C
3. Malpractice Insurance: The Health Professions Division Office will provide information about the required insurance and fee.
4. Uniforms/Accessories: The Health Professions Division Office will provide information about the required uniform/accessories.
5. Transportation: Adequate, reliable transportation to the clinical site and be responsible for parking.

NOTE: Student is responsible for any expense incurred in meeting the above requirements.

ADMISSION GUIDELINES
1. Purchase of a student uniform is required prior to the beginning of Psychiatric Technician 020 in preparation for hospital patient care assignments.
2. According to the regulations of the California State Licensing Board for Psychiatric Technicians, a person who has committed act(s), which would be grounds for disciplinary action if committed by a licensee, may not be eligible for licensure as a Psychiatric Technician.

TRANSFER CREDIT
Transfer credit is able to be given for education completed in the last five years. This includes the following courses:
1. Accredited vocational or practical nursing courses.
2. Accredited registered nursing courses.
3. Accredited psychiatric technician courses.
4. Armed services nursing courses.
5. Certified nurse assistant courses.
6. Other courses Golden West College determines are equivalent to courses in the program.

Competency-based credit is able to be granted for knowledge and/or skills acquired through experience.

Applicants requesting credit for previous education and/or experience MUST DO SO PRIOR TO or NO LATER THAN one week after receiving acceptance into the Psychiatric Technician Program. To make such a request an appointment is to be made with the Psychiatric Technician Program Director by calling the Health Professions Office (714) 895-8163.

Note for Licensed Vocational Nurses and Psychiatric Technicians
Applicants who hold a current California Vocational Nurse or Psychiatric Technician license, or the equivalent, may qualify for the California Registered Nurse licensure examination without completing the entire Associate in Arts Degree Nursing Program outlined above. LVNs may elect to take a non-degree program consisting of not more than 30 units in nursing and related science courses. Licensed PTs may challenge theory and clinical portions of the Nursing Program when they believe they already have the required knowledge and skills. For more information, contact the Health Professions Counselor.
PSYCHOLOGY
The major in psychology provides a study of the behavior of individuals and groups in contemporary society. The graduate in this major is prepared for positions in research and teaching, counseling, and working with individuals in clinical settings. The major also provides the student with the background for graduate study in the field of psychology and related specialties.

REAL ESTATE
A career in Real Estate requires careful attention to state requirements and selection of courses that are designed to meet specific job goals in this field.

CERTIFICATE OF ACHIEVEMENT
This curriculum provides an intensive program of study for students interested in real estate investments, for those seeking employment in real estate, or for those preparing for the real estate license examination. Students may elect to receive a certificate only or may apply the courses required in this major toward an Associate in Arts degree. Some courses may also be applicable to the Bachelor’s degree.

It is suggested that courses be taken in the order they are listed. However, courses may be taken in any order provided prerequisites have been met.

Required Courses Units
Marketing 100 Principles of Marketing 3
Real Estate 110 Real Estate Principles 3
Accounting 100 Accounting Elements 4

OR

Accounting 101 Financial Accounting 4
Comp Sci 130 Survey of Business Data Processing 4

OR

Real Estate 124 Escrow Procedures, Beginning 3
Real Estate 120 Real Estate Legal Aspects 3

OR

Business 112 Real Estate Legal Aspects 3
Real Estate 130 Real Estate Practice 3

PLUS 9 UNITS OF ELECTIVES

RECOMMENDED ELECTIVES: The following courses are specifically selected to enhance the Real Estate curriculum. Students must complete three units chosen from the following:

Accounting 102 Managerial Accounting 4
Accounting 130 Computerized Accounting 3
Business 100 Introduction to Business 3
Business 108 Legal Environment of Business 3

OR

Business 110 Business Law 3
Management 152 Small Business Ownership & Mgmt 3
Real Estate 115 Real Estate Taxation 3
Real Estate 117 Real Estate Exchanging 3
Coop W/E 103AD/104AD Cooperative Work Experience

RETAIL MANAGEMENT
This program is approved by the Western Association of Food Chains (WASC). Individuals completing the prescribed courses are eligible to receive both the GWC Certificate of Achievement and the WASC Retail Management Certificate.

CERTIFICATE OF ACHIEVEMENT
The Retail Management Certificate, designed in collaboration with industry leaders, prepares individuals for promotion to management in the retail field. This program is also intended to help students develop an understanding of the retail manager’s job and the requirements for success in the retail environment.

The certificate is designed to prepare current and future retail employees for the fast paced challenges in a competitive retail industry. This certificate includes business essentials such as accounting and marketing, and also emphasizes the “soft skills” of behavioral management and communication required for career success. Completion of the Retail Management certificate enhances the opportunity for entry employment as well as advancement in a retail career.

Required Courses Units
Accounting 100 Accounting Elements 4
Business 150 Business Math 3
Business/Mgmt 126 Business Communication 3
Business/Mgmt 127 Business Management 3
Computer Science 130 Survey of Bus Data Proc 4

ASSOCIATE DEGREE
Complete Certificate of Achievement and Graduation Requirements as outlined in the Graduation Requirements section of the catalog.

Bachelor’s Degree Program
Students who wish to continue their education at a four-year college or university should consult with the GWC counselor for this area to establish a program consisting of transferable required and elective courses.
SIGN
American Sign Language (ASL) is the fifth most-used language in the United States. There are half a million deaf people in this country, plus a large number of hearing people who use American Sign Language. Educational institutions, service agencies, churches, hospitals, and courts are hiring many ASL interpreters to serve the deaf people in their midst. Many teachers, psychologists and clergymen use this language. At this college, many opportunities are offered for sign language students to mingle with and practice their skills with the deaf community.

CERTIFICATE OF ACHIEVEMENT
Refer to INTERPRETING for Certificate Of Achievement information.

SOCIOMETRY
Sociology offers much to the student who is anxious to understand the web and rhythm of human behavior. From intimate, personal, and family relationships to international corporation activities; from marginality, deviance and crime to recreation, religion and medicine; few disciplines have such broad scope and relevance.

SPANISH
Refer to FOREIGN LANGUAGE for Program information.

SPECIAL EDUCATION
CERTIFICATE OF ACHIEVEMENT
See INTERPRETING for Certificate Of Achievement information.

SPEECH COMMUNICATION
The field of Speech Communication is committed to the study of spoken symbolic interaction in interpersonal, small group, and public speaking settings. Speech Communication includes theory based on current research, as well as skills that are vital to achieving academic and professional success. Coursework in Speech Communication helps prepare students for careers that include public relations, training and development, law, teaching, and sales or marketing.

TUTORING SKILLS
These courses teach students to become effective tutors at Golden West College.

VIETNAMESE
Refer to FOREIGN LANGUAGE for Program information.

WRITTEN COMMUNICATION

CERTIFICATES OF ACHIEVEMENT
Communications Generalist Option
Recommended for those already employed or interested in upgrading skills to be more flexible and employable by small businesses, community, or volunteer agencies. The curriculum offers many choices for those seeking enrichment in subject matter skills and processes appropriate to their particular agency or job. Especially recommended for those who are responsible for preparing press releases, brochures, newsletters, and other publications.

It is suggested that courses be taken in the order they are listed. However, courses may be taken in any order provided prerequisites have been met.

TRANSFER COURSES

Courses identified in this catalog as transferable to the University of California are acceptable at all UC campuses at least for elective credit. Likewise, courses identified as transferable to the California State University are acceptable to all CSU campuses, at least for elective credit. To determine if individual courses also satisfy particular major or general education requirements, students should consult a Golden West College Counselor.

Courses that are non-credit or not associate degree applicable are designated as such at the end of the course description. Courses with no designation apply toward the 60 units of credit required for the Associate Degree.

Transfer Majors

In order to get a Bachelor’s Degree, students will need to select a subject area in which to specialize. This subject area is called a major. Almost every major requires that certain courses be completed during the first and/or second year of college. These are called Lower Division Major Requirements. Below is a list of majors in which the lower division major requirements have been identified.

Note: The requirements and course equivalences listed in the catalog were updated at the time of publication. Major advisement sheets are updated periodically and are available from counselors and the Transfer Center.

If students do not find the major or the school they are interested in listed in this section, they should contact a Golden West College counselor to help get this information. It is a good idea for students to get a catalog from the college of their choice beforehand and bring it with them to their counseling appointment.

## CALIFORNIA ARTICULATION NUMBERS (CAN)

The California Articulation Number (CAN) System identifies some of the transferable, lower division, introductory, preparatory courses commonly taught within each academic discipline on college campuses.

The system assures students that CAN courses on one participating campus will be accepted “in lieu of” the comparable CAN course on another participating campus. Example: CAN ECON 2, Economics 285 at Golden West College will be acceptable for CAN ECON 2, Economics 202 at CSU Long Beach.

Golden West College courses that have qualified for California Articulation Numbers are:

GOLDEN WEST COLLEGE ASSOCIATE IN ARTS DEGREE

Requirements for the Associate in Arts Degree at GWC can be satisfied in one of three ways, Option I, II, or III.

**Option I** is designed primarily for students who are pursuing a specific career program or major and who do not intend to transfer to a four-year university. Option I may also be used by transfer students. However, there are courses listed under Option I that are not transferrable to the four-year universities and therefore transfer students who wish to use this option should see a GWC counselor for assistance in planning the most appropriate educational program.

**Option II** is designed specifically for students intending to transfer to the California State University System. Students who complete this option will satisfy requirements for the A.A. degree and complete the maximum, lower-division general education units allowed by the 23 California State University campuses.

**Option III** is designed primarily for students who intend to transfer to the University of California, or who are unsure if they will transfer to a UC or CSU campus. Students who complete this option with a grade of “C” or better in each course, will satisfy requirements for the A.A. degree and complete the Intersegmental General Education Transfer Curriculum (IGETC) by which all lower division general education units required by the 23 California State University campuses and the 9 campuses of the University of California (except Eleanor Roosevelt and Revelle at UCSD) are met. (The tenth UC campus, UC Merced, is scheduled to open in 2004.) Option III may not be advisable for some majors at certain CSU and UC campuses. Students should consult a GWC counselor to make sure this is their best AA degree option.

The main difference between Option I and Options II and III is that:

- **Option I** requires the completion of a minimum of 21 units of general education courses and 18 units of “major” courses plus electives to a total of 60 units.

- **Option II** requires a minimum of 39 units of general education courses plus major and elective courses to a total of 60 units.

- **Option III** requires a minimum of 34 (UC) or 37 (CSU) units of general education courses plus major and elective courses to a total of 60 units. There are important differences among the three options. In order to select the option which best meets their individual needs, students should see a GWC counselor.
1. General Requirements:
Completion of 60 units of acceptable college work with a 2.0 (C) overall grade point average. At least 12 units completed at Golden West College with a 2.0 grade point average.

2. Major Requirements:
(Select one of the following)

Certificate Program: Completion of all courses required for a Golden West College Certificate of Achievement. Please see the Counseling office for details.

Lower Division Major Preparation: Completion of at least 18 units selected from courses specified by an accredited university to satisfy lower division major requirements. Please consult a counselor for major course requirements.

Area of Concentration: Completion of at least 18 units selected from one of the following broad areas of study. Areas of study are listed in bold type, followed by the disciplines that comprise it.

Business
- Accounting
- Business
- Business Data Processing
- Computer Business Applications
- Information Technology
- Management
- Marketing
- Real Estate

Note: For additional information see specific career programs and transfer information.

3. General Education Requirements:
Completion of Areas A through E.

Note: One course may not be used to satisfy more than one general education requirement; however, the same course may be used to satisfy a general education and a major requirement.

AREA A:
Communication In The English Language And Critical Thinking:
Completion of 3 units from each group:

Group 1: English 110 (or 110H); Speech 100, 108, 110 (or 110H), 112, 220; Philosophy 115, 116; Interdisciplinary Studies 105

Group 2: English 100 (or 100H); Business 126, 127; Journalism 125, 185; Management 126, 127

Group 3: A second course from Groups 1, 2, or 3 units from any of the following: Business 125; English 280
AREA B: Physical Universe And Its Life Forms:
Completion of at least three units in Group 1 and satisfy Group 2.

Group 1: Anthropology 120
Astronomy 100, 100L
Biology 100 (or 100H), 104 and 104L, 110, 120, 155, 170, 180, 185, 190, 210
Chemistry 110, 130, 180
Geography 180
Geology 100, 105, 106
Physical Science 100
Physics 110, 111, 120, 185, 210
Psychology 250

Group 2: Mathematics competency - Must satisfy one of the following:
1. A Math Competency Test placement recommendation of Geometry (Math 020), or a higher Math course.
2. Completion of intermediate (2nd year) algebra in high school with a “C” grade or better.
3. Completion of one college course in mathematics (Mathematics 010-290).

AREA C: Arts, Literature, Philosophy And Foreign Language:
Complete at least three units from the following:
Anthropology 100, 135, 136, 150, 180
Arabic 180
Art 100, 105 (or 105H), 106 (or 106H), 107, 116, 121A-B, 125A-B, 142A-B, 144A-B, 150A-D, 152A-D
Broadcast & Video Production 101
Chinese 180, 185
Dance 100A-D, 110A-B, 120A-D, 125A-D
English 070, 110 (or 110H), 112, 114 (or 114H), 143, 150, 155, 156, 160, 165, 170, 171, 180, 280, 281, 290, 295
French 180, 185, 280, 285, 290
German 180, 185, 280, 285
History 120, 124, 125, 132, 135, 136, 150, 160, 180, 185, 188H, 190, 195
Humanities 100, 101, 102, 103, 104, 108, 110 (or 110H), 120 (or 120H), 122, 130, 132, 135, 137, 140, 145, 160, 170
Interdisciplinary Studies 110, 120, 124, 133, 160, 175
Italian 180, 185, 280, 285
Japanese 180, 185
Journalism 160
Philosophy 101, 102, 103, 105, 106, 110, 111, 120
Photography 125, 150, 150-1, 152, 158
Sign 180A-B, 185, 280, 285

Social Science 134, 135, 136, 180
Sociology 134
Spanish 110, 180 (or 180H), 185 (or 185H), 280, 285, 290
Speech Communication 120, 175
Theater Arts 100, 101, 102, 104, 105, 106, 108 120A-D, 130, 131, 142A-D, 151, 171A-D, 175, 176, 177, 178
Vietnamese 180, 185, 280, 285, 290

AREA D: Social, Political, And Economic Institutions:
Complete at least three units from the following:
Anthropology 100, 130, 135, 136, 150, 180
Criminal Justice 140
Economics 110, 120, 180, 285
Geography 100, 104, 195
History 110, 120, 124, 125, 132, 135, 136, 150, 160, 165, 170, 175, 180, 185, 190, 195
Interdisciplinary Studies 105, 110, 120, 124, 133, 160, 175, 180
Political Science 101, 110, 120 (or 120H), 130, 180 (or 180H), 185
Psychology 100 (or 100H), 110, 150, 158, 160, 165, 185, 250
Social Science 133, 134, 135, 136, 180
Sociology 100 (or 100H), 110, 133, 134, 150
Spanish 290
Speech Communication 175, 190

AREA E: Lifelong Understanding And Self-Development:
Complete at least three units from the following:
Accounting 100, Business 121; College 100; Counseling 100, 103, 104, 199A-D; Dance (any); Ecology 100; Health Education 100, 104, 107, 120, 125; Marketing 121; Physical Education (any); Psychology 110, 165, 250, Speech Communication 175

Note: Students must file a graduation petition with the Admissions and Records Office to obtain the degree.

The above degree requirements apply to students entering Fall, 2003 semester. Students who enrolled prior to Fall, 1991 and who have maintained continuous attendance at Golden West College, have the option of completing under the former degree requirement. However, no student may graduate under degree requirements contained in the 1972 or earlier catalog.

Continuous Attendance Policy. Continuous attendance at Golden West College is defined as the completion of at least one course during a regular term in an academic year.

+ NOTE: All Golden West College courses numbered between 001-299 are counted toward the 60 units required, except for the following which includes basic skills, non-credit and remedial courses:

ESL 001A-D, 002A-D, 003A-D, 004A-D, 011, 013, 021, 022, 023, 024, 026, 027, 028, 031, 032, 033, 038, 041, 042, 043, 048, 051, 052, 053, 058, 061, 062, 063, 068, 071, 073
Learning Skills 005, 920
Mathematics 005, 008

Golden West College 2003-2004 Catalog www.gwc.info
ASSOCIATE IN ARTS DEGREE REQUIREMENTS – OPTION II (LIBERAL ARTS - CSU)

Option II is designed specifically for students intending to transfer to the California State University System. Students who complete this option will satisfy requirements for the A.A. degree and complete the maximum, lower-division general education units allowed by the 23 California State University campuses.

Note: Completion of this Option assures certification of the maximum amount of general education course work permitted by the California State University System. Students must complete at least 9 units of general education courses at the CSU campus during their junior/senior years.

1. General Requirements:
Completion of 60 units of acceptable college work of which at least 56 units must be transferable to the CSU system (courses numbered 100-299) with an overall grade point average of 2.0.

At least 12 units earned at Golden West College with an overall grade point average of 2.0.

+See note at end of section

2. Major/General
Education Requirements:

This option is designed to allow students to fulfill most of the general education breadth requirements for all CSU system campuses by completing a degree at the community college.

Students who follow this option must complete 39 units of courses listed in Areas A through E below, including the specific requirements indicated for each area.

A grade of “C” or better is required for:
- all courses in Area A
- the Math course in Area B
- at least 30 of the units completed in Areas A through E

Note: One course may not be used to satisfy more than one general education requirement.

AREA A:
Communication In The English Language And Critical Thinking:
Nine units - One course from each group below:

Group 1: Speech Communication 100, 108, 110 (or 110H), 112

Group 2: English 100 (or 100H)

Group 3: English 110 (or 110H)
- Interdisciplinary Studies 105
- Philosophy 115, 116
- Speech Communication 220

AREA B:
Physical Universe And Its Life Forms:
Nine units - At least one course from each Group 1-4.

Group 1: Physical Science
- Astronomy 100, 100L
- Chemistry 110*, 130*, 180*
- Geography 180
- Geology 100*, 105, 106*
- Physical Science 100*
- Physics 110, 111*, 112, 113*, 120*, 185*

Group 2: Life Science
- Anthropology 120
- Biology 100* (or 100H*), 104, 104L*, 110*, 112*, 120*, 140*, 155*, 170*, 175*, 180*, 185*, 190*, 210*
- Psychology 250

Group 3: Laboratory Courses
Any course identified by * in Groups 1 and 2 above

Group 4: Mathematics
- Mathematics 100, 103, 104, 106, 115, 120, 130, 150, 160 (or 160H), 170, 180 (or 180H), 185, 230, 240, 280, 285, 290

AREA C:
Arts, Literature, Philosophy And Foreign Language:
Nine units - At least one course from each group.

A maximum of three units of activity courses (identified by *) may be used toward satisfaction of Area C.

Group 1: Arts (Art, Dance, Music, Theater)
- Art 100, 105 (or 105H), 106 (or 106H), 107*, 116*, 121A-B*, 125A-B*, 142A-B*, 144A-B*, 150A-D*, 152A-D*
- Broadcast & Video Production 101
- Dance 100A-B*, 110A-B*, 120A-D*, 125A-D*, 165
- Humanities 100 (or 100H), 101, 102, 103, 104, 108, 110 (or 110H), 120 (or 120H), 130, 132, 135, 137*, 140, 145, 165
- Photography 125*, 150* 158
- Speech Communication 103

Group 2: Humanities (Literature, Philosophy, Foreign Language)
- Arabic 180A-B
- Chinese 180, 185
- Economics 120
- French 180, 185, 280, 285, 290
- German 180, 185, 280, 285
- History 110, 120, 124, 125, 130, 132, 135, 150, 160, 165, 170*, 175*, 180 (or 180H), 185 (or 185H), 190, 195
- Humanities 160, 170
- Interdisciplinary Studies 110, 120, 124, 133, 160, 175
- Italian 180, 185, 280, 285
- Japanese 180, 185
- Journalism 160
- Philosophy 101, 102, 103, 105, 106, 110, 111, 120
- Russian 180, 185A-B, 280
- Sign Language 180A-B, 185, 280, 285
- Spanish 110, 180, 185, 280, 285, 290
- Speech Communication 120, 175
- Theater Arts 205
- Vietnamese 280, 285, 290
AREA D:
Social, Political And Economic Institutions:
Nine units - With courses in at least two disciplines.

Group 0: Sociology and Criminology
- Criminal Justice 140
- Social Science 133
- Sociology 100 (or 100H), 110, 133, 150

Group 1: Anthropology
- Anthropology 100, 130, 135, 180
- Social Science 135, 180

Group 2: Economics
- Economics 110, 120, 180, 285
- History 110

Group 3: Ethnic Studies
- Anthropology 135, 136, 180
- Education 180
- History 136, 150, 190, 195
- Social Science 133, 134, 135, 136, 180
- Sociology 133, 134
- Spanish 290
- Speech Communication 175

Group 4: Gender Studies
- History 165

Group 5: Geography
- Geography 100, 104, 195

Group 6: History
- Economics 120
- History 110, 120, 124, 125, 130, 132, 135, 150, 160, 165, 170*, 175*, 180 (or 180H), 185 (or 185H), 190, 195
- Interdisciplinary Studies 120, 124, 160

Group 7: Interdisciplinary Social/Behavioral Science
- Anthropology 135, 180
- Environmental Studies 100
- History 120, 130, 160
- Interdisciplinary Studies 120, 133, 160
- Psychology 185
- Social Science 135, 180
- Speech Communications 190, 260

Group 8: Political Science
- Political Science 110, 120, 130, 180* (or 180H*), 185, 190

Group 9: Psychology
- Psychology 100 (or 100H), 150, 158, 160, 250

AREA E:
Lifelong Understanding And Self-Development:
Three semester units - no more than 1 unit of activity courses.

Non-Activity
- College 100
- Counseling 104
- Ecology 100
- Health Education 100, 107, 201
- Physical Education 103 and one course from the list of activity courses
- Professional Physical Education 201
- Psychology 110, 165

Activity
- Dance 115A-D, 135A-D, 230A-D

*All C.S.U. campuses require that a student demonstrate competence in the Constitution of the United States and in American History. This may be satisfied by taking Political Science 180 and History 170 or 175 at Golden West College.

The above degree requirements apply to students entering Fall, 2003 semester. Students who enrolled prior to Fall, 1991 and who have maintained continuous attendance at Golden West College, have the option of completing under the former degree requirement. However, no student may graduate under degree requirements contained in the 1972 or earlier catalog.

Continuous Attendance Policy. Continuous attendance at Golden West College is defined as the completion of at least one course during a regular term in an academic year.

+ NOTE: All Golden West College courses numbered between 001-299 except the following:
- Library 010
- Mathematics 005, 008
ASSOCIATE IN ARTS DEGREE REQUIREMENTS – OPTION III (LIBERAL ARTS - UC/CSU)

NOTE: To be eligible to transfer to a UC campus, students must complete 60 units of UC transferable courses with at least a 2.4 gpa. A minimum of 12 units must be completed at GWC.

Option III is designed primarily for students who intend to transfer to the University of California, or who are unsure if they will transfer to a UC or CSU campus. Students who complete this option with a grade of "C" or better in each course, will satisfy requirements for the A.A. degree and complete the Intersegmental General Education Transfer Curriculum (IGETC) by which all lower division general education units required by the 23 California State University campuses and the 9 campuses of the University of California (except Eleanor Roosevelt and Revelle at UCSD) are met. Option III may not be advisable for some majors at certain CSU and UC campuses. Students should consult a GWC counselor to make sure this is their best AA degree option.

AREA 1:
English Communication:
CSU: Complete all three groups.
UC: Complete Group A and Group B.

Group A: English Composition
English 100 (or 100H)

Group B: Critical Thinking-English Composition
English 110 (or 110H), or Philosophy 116

Group C: Oral Communication (CSU ONLY)
Speech Communication 110 (or 110H)

AREA 2:
Mathematical Concepts
And Quantitative Reasoning:
One course, 3 - 5 units:
Mathematics 115*, 130*, 150, 160* (or 160H*), 170*, 180* (or 180H*), 185*, 230, 240, 280, 285, 290
*UC credit limits may apply; see Golden West College Counselor.

AREA 3:
Arts And Humanities:
Three courses, with at least one from Group A and one from Group B for a total of 9 units.

Group A: Arts
Art 100, 105, 106* (or 106H*)
Humanities 100, 102, 103, 104, 108*, 110* (or 110H*), 120* (or 120H*), 122, 130, 132, 135*, 137, 170
Music 101* (or 101H*), 103, 104, 108, 165
Photography 158
Theater Arts 100, 101, 102, 105, 108

Group B: Humanities
Anthropology 135
Chinese 280
Economics 120
English 112, 114* (114H*), 150, 155, 160, 165, 170, 171, 180, 290, 295
French 280, 285, 290
German 280, 285

*UC credit limits may apply; see Golden West College Counselor.

#If this course is being used to meet the CSU American Institutions requirement, it cannot be used to satisfy this area.

AREA 4:
Social And Behavioral Sciences:
Three courses, from at least two disciplines, for a total of 9 units.
Anthropology 100, 130, 136, 150, 180
Economics 110, 120, 180, 285
Environmental Studies 100
Geography 100, 104, 195
History 110, 132, 135, 136, 185H
Political Science 110, 130, 180# (or 180H#), 185
Psychology 100* (or 100H*), 150, 158, 160, 185, 250
Social Science 133, 134, 136, 180
Sociology 100* (or 100H*), 133, 134, 150
Speech Communication 175, 190

#If this course is being used to meet the CSU American Institutions requirement, it cannot be used to satisfy this area.

AREA 5:
Physical And Biological Sciences:
Two courses, with one from Group A and one from Group B, for a total of 7 - 9 units.
One of the courses must include a lab.

Group A: Physical Science
Astronomy 100, 100L
Chemistry 110*, 130*, 180, 185
Geography 180
Geology 100, 105*
Physical Science 100*

Group B: Biological Science
Anthropology 120
Biology 100*, 104*, 104L, 110, 155*, 170*, 175*, 180, 185, 190, 210*
Psychology 250

*UC credit limits may apply, see Golden West College Counselor.

AREA 6:
Language Other Than English (UC ONLY):
1. Complete two years of high school foreign language with grades of "C" or better (high school transcripts must be on file at GWC)
   OR
2. Earn a minimum score of 550 on an appropriate College Board Achievement Test (test results must be on file at GWC)
   OR
3. Complete at least one language other than English course at GWC numbered 180. Courses numbered above 180 may be used to validate the requirement.

*UC credit limits may apply; see Golden West College Counselor.
TRANSFER REQUIREMENTS AND INFORMATION

Requirements for Students Transferring
The freshman and sophomore years of a university program can be completed at Golden West College. The following types of classes should be completed if possible before students transfer.

1. Lower division courses for the major. These should be completed in the freshman and sophomore years. They provide background and preparation so that students are ready to concentrate on the students major beginning in the junior year.

2. General education requirements. (Sometimes called “Breadth Requirements.”) These are the courses required of everyone to obtain a degree regardless of major. They are designed to make the student a “broadly educated” person.

3. Electives. These are courses of the students’ choice. After completing No. 1 and No. 2 above, the student must take enough “elective” courses to bring the total of all course work to 60-70 transferable units.

4. Removal of any subject or grade deficiencies incurred in high school. Anyone who is unable to enroll in a four-year college or university because of low grades or course deficiencies may remedy these problems while attending Golden West College.

While students are advised to complete all of their transfer requirements during their freshman and sophomore years, they may be completed at the four-year colleges in most instances. Exceptions to this will be found in the admission requirements for the particular college or university and/or the major department.

Golden West College offers the first two years of a transfer program. Students should consult a counselor for lower division major requirements. Major advisement information is also available at the Transfer Center and the Counseling Center. Transfer information is available via the internet at www.gwc.info. NOTE: Four year colleges and universities often make changes in their requirements for majors and general education. Students are encouraged to meet regularly with a counselor to develop a student educational plan (SEP) and keep updated on admission and major requirements. Students are also encouraged to visit the campuses they are considering for transfer.

California State University Admission Requirements
Each campus accepts applications until capacities are reached. Some campuses accept applications up to a month prior to the opening day of the term. Many campuses will close individual programs earlier. Applications for admission and information about campuses accepting applications in a particular major area are available in the Transfer Center.

Eligibility For Transfer
Lower Division Transfer Requirements — If you have completed fewer than 56 transferable semester (84 quarter) units, you will qualify for admission if you have a grade point average of 2.0 (C) or better in all transferable units attempted, are in good standing at the last college or university attended, and meet the admission requirements for first-time freshmen, i.e., you have completed with a grade of C or better each of the courses in the comprehensive pattern of college preparatory subject requirements and have a qualifiable eligibility index. If you did not complete all the subject requirements in high school, appropriate college courses may be made to make up the missing subjects. Nonresidents must meet the eligibility index for nonresidents.

Upper Division Transfer Requirements — You will meet minimum admission eligibility if you have completed at least 56 transferable semester (84 quarter) units, have a grade point average of 2.0 (C) or better in all transferable units attempted (nonresidents must have a grade point average of 2.4), and are in good standing at the last college or university attended, and have completed or will complete prior to transfer at least 30 semester units (45 quarter units) or courses equivalent to general education requirements with a grade of C or better. (Please note that starting Fall 2003 San Diego State is now requiring a minimum of 60 transferable units.) The 30 units must include all of the general education requirements in communication in the English language (English composition, oral communication, and critical thinking) and at least one course of at least 3 semester units required in college-level mathematics. These 4 courses are commonly referred to as the “golden four.” NOTE: Some CSU campuses will admit transfer students based on courses “in Progress,” and some will not. Please consult the specific campus(es) or their published and internet materials for specific campus information.

Notes: The number of transfer units from community colleges is governed by the California Administrative Code, Title 5: “A maximum of 105 quarter (70 semester) units earned in a community college may be applied toward the degree.” No upper division credit is allowed for courses taken in a community college.

Students transferring with certification of general education requirements are assured that they have met up to 39 of the 48-unit minimum requirements for the bachelor’s degree. Students transferring without certification of general education must complete the pattern of courses required of “native” students, as outlined in the catalog of the particular state university. The course pattern which Golden West College uses to certify that students have met the 39 semester units of general education is described in this Catalog under Associate in Arts Degree Requirements, Option II.

Some majors, such as business administration, computer science and engineering may be impacted at some campuses, i.e., more applications are received during the initial filing period than can be accommodated. In such cases, campuses use supplementary admissions criteria such as grade point average, required subjects or test scores to screen applications. Applications for admission to an impacted program must be filed during the initial admission application filing period of Oct 1 – Nov 30th for Fall 2004. To be considered in impacted programs at two or more campuses, applications must be filed to each. Information about screening criteria is available in the Counseling Office.

The CSU will announce during the fall or winter which programs are impacted through its newsletter for counselors, the CSU Review on the internet at: www.csureview.com.

Some campuses, e.g., San Luis Obispo, San Diego, are impacted in all majors. Students must apply during the priority filing periods in order to be considered for admission. See the Counseling Office for dates of priority filing periods.

California State University General Education Requirements

CSU Education-Breadth Requirements
As part of the requirements for a bachelor’s degree, all students must meet general education requirements. A minimum of 48 semester units is required for GE-Breadths: 37-39 of lower division and at least 9 upper division courses. All of the lower division courses for GE-Breadth may be completed at a California Community College before transferring to a CSU campus.

There are two GE-Breadth patterns that California Community College students can complete:

1. The GE-Breadth Requirements is a lower division 39-unit pattern. Student must take specified courses in the areas A-F (Option II).

Up to 39 lower division GE-Breadth units required can be transferred from and certified by a California Community College or other certifying institution. Students who are certified with 39 semester units of lower-division GE-Breadth units will be required to complete a minimum of 9 semester units of upper division general education work after transfer.

It is important that you request that your California Community College certify completion of California Community College coursework that meets CSU general education requirements. Certification means that CSU will accept these courses to meet the CSU GE-Breadth areas designated by your California Community College.
2. The Intersegmental General Education Transfer Curriculum (IGETC or Option III) is the other pattern that California Community College students can use to fulfill all lower-division general education requirements at any CSU, or University of California campus. The IGETC requires completion of a minimum of 37 semester or 49 quarter units of lower division work with a C grade or better in each course. (C- is not allowed. GWC does not use + or – grade option. This applies to courses from other campuses.) If you complete all IGETC requirements and your courses are certified, you will be required to complete at least 3 semester units of upper division general education work after transfer to a CSU campus. IGETC for the CSU requires that the student complete all of Area 1, including oral communication. IGETC for the UC does not require oral communication. See a counselor to review the different rules when using IGETC for the CSU or the UC.

Because the IGETC is accepted by both CSU and University of California, it is a good option if you are undecided about the system to which you will transfer. If you are enrolled in a major that requires extensive lower-division preparation, you may not be able to complete all the IGETC requirements prior to transfer.

You should consult with your counselor to determine which general education program is most appropriate for you.

You can visit the website for CSU Admissions at: http://www.csumentor.edu/

What Is Certification?

Courses taken at the community college may be used to satisfy general education requirements for graduation from CSU schools. However, such courses must be specifically identified and verified by the community college before they will be recognized by the CSU campus. This process is called certification.

CSU certification is automatic for students who complete the requirements and submit the “Petition for Associate in Arts Degree” form for the GWC Option II, AA Degree or Option III, AA Degree. It is available at the GWC Records office. All other students must request certification from the GWC Records Office when the request for sending their final transcript to the CSU campus is made.

Students requesting certification must complete at least 12 units at GWC.

Students who complete all of the requirements of Options II and III are considered to be fully certified by the community college. (See the Intersegmental General Education Transfer Curriculum section for more information).

Note: Students transferring without certification of general education must complete the pattern of courses required of “native” students, as outlined in the catalog of the particular state university.

What Courses Can Be Certified?

Courses taken at any fully accredited U.S. college or university, including GWC, may be certified. GWC students who complete all their general education courses at GWC can have those courses certified. Courses taken at another California Community College must be applied to the subject area in which they are listed by the college at which they were taken. For example, if a Psychology 100 course is taken at Orange Coast College where it is listed in Area D, it will be certified in Area D. This is referred to as “pass-along”. Also, courses can only be certified if they were on the college’s CSU or IGETC approved list at the time they were taken by the student. (Students in the Coast Community College District who take courses at Orange Coast and/or Coastline Colleges must make sure that the courses are in the areas they need to meet general education requirements. The General Education patterns from all three district colleges are different.) Courses taken at other accredited colleges and/or universities, such as independent or “out of state” colleges and universities, can be certified if they meet the criteria established by the California State University. The decision to certify these courses is made by the Golden West College faculty.

ARTICULATION

Some majors require or recommend introductory or prerequisite courses, most of which are offered in community colleges. These pre-major requirements are described in CSU and UC campus catalogs. Most campuses have “articulation agreements” with several community colleges specifying coursework taken at California Community Colleges that can satisfy lower-division requirements for the major. Check the articulation agreement to be sure your courses will be accepted toward the degree at the campus you plan to attend. You can obtain articulation agreements for specific majors from your counselor, transfer center or on the internet at www.assist.org. ASSIST provides access to the most current articulation agreements between UC, CSU and California Community Colleges. ASSIST includes information about credit for general education/breadth requirements, major preparation, transferable course agreements (TCAs), and IGETC. Articulation agreements may be updated throughout the year, so check ASSIST periodically to ensure that you have the most current information about transfer credit.

UNIVERSITY OF CALIFORNIA ADMISSION REQUIREMENTS

Students can meet the University’s minimum admission requirements for transfer students, as described below. The path you use depends on the degree to which you satisfied U.C.'s minimum eligibility requirements for freshmen at the time you graduated from high school. In all cases, you must have at least a C (2.0) average in all transferable coursework.

1. If you were eligible for admission to the University when you graduated from high school – meaning you satisfied the Subject, Scholarship and Examination requirements, or were identified by the University during your senior year in high school as eligible under the Eligibility in the Local Context (ELC) program – you are eligible to transfer if you have a C (2.0) average in your transferable coursework.

2. If you met the Scholarship Requirement but did not satisfy the Subject Requirement, you must take transferable college courses in the missing subjects, earning a C or better in each required course, and have an overall C average in all transferable coursework to be eligible to transfer.

3. If you were not eligible for admission to the University when you graduated from high school because you did not meet the Scholarship Requirement, you must:
   A. Complete 90 quarter units or 60 semester units of transferable college credit with a grade point average of at least 2.4 (no more than 14 semester/21 quarter units may be taken Pass/Not Pass), and;
   B. Complete the following course pattern requirement, earning a grade of C or better in each course: two transferable college courses (3 semester or 4.5 quarter units each) in English composition, and; one transferable college course (3 semester or 4.5 quarter units) in mathematical concepts and quantitative reasoning, and; four transferable college courses (3 semester or 4.5 quarter units each) chosen from at least two of the following subject areas: the arts and humanities, the social and behavioral sciences, and the physical and biological sciences.

(Website for UC admissions: http://www.ucop.edu/pathways/)

Courses which are transferable to the University of California system are identified where they are described in the Courses of Instruction section of this catalog. For a complete listing of UC transferable courses consult the Counseling Office or a counselor at Golden West College.
INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

The IGETC is a pattern of courses that community college students can use to satisfy lower division general education requirements at any CSU or UC campus. It is not an admission requirement. The following are exceptions to IGETC certification (2003-2004).

Completion of IGETC will permit a student to transfer from a community college to a campus in either the California State University or the University of California system (except Revelle and Eleanor Roosevelt at UCSD) without the need, after transfer, to take additional lower division, general education courses to satisfy campus general education requirements. It should be noted that all CSU schools require at least nine additional units of junior/senior level general education courses for the baccalaureate degree. Also, students should be aware that individual colleges at particular campuses, e.g., Engineering at UCLA, may require general education courses that are not specified by IGETC. Completion of the IGETC is not a requirement for transfer to a CSU or UC, nor is it the only way to fulfill the lower-division, general education requirements of the CSU or UC prior to transfer. Students may find it advantageous to take courses fulfilling CSU’s general education requirements or those of a particular UC campus. All courses must be completed with grades of “C” or better.

The Intersegmental General Education Transfer Curriculum (IGETC) must be completed in its entirety before transferring or students will be subject to the general education requirements of the campus to which they transfer.

The IGETC is a series of courses prospective California community college transfer students may complete to satisfy the lower division breadth/general education requirements at the University. It is not an admission requirement. The following are exceptions to IGETC certification (2003-2004).

UCB Applicants: The Colleges of Engineering, Environmental Design, Chemistry, Natural Resources and the Haas School of Business have extensive, prescribed major prerequisites. Moreover, the IGETC requirements generally exceed the college-specific breadth requirements (but do not supersede the major requirements). In general, IGETC is not appropriate preparation for majors in these colleges.

UCD Applicants: Anyone preparing for a bachelor of science is advised not to pursue the IGETC, and instead to concentrate on major-specific preparatory work.

UCLA Applicants: The School of Engineering does not accept IGETC.

UCM Applicants: The Divisions of Engineering and Natural Sciences do not recommend IGETC.

UCR Applicants: The Marlan and Rosemary Bourns College of Engineering and the College of Natural and Agricultural Sciences do not accept the IGETC, although any courses taken to satisfy the IGETC may be applied toward the college’s breadth pattern. The College of Humanities, Arts, and Social Sciences accepts the IGETC.

UCSD Applicants: The IGETC is accepted by John Muir, Thurgood Marshall, Earl Warren and sixth colleges only. Students pursuing IGETC are welcomed at Eleanor Roosevelt and Revelle colleges; however, they must fulfill the specific general education requirements of those colleges. All majors offered at San Diego are available to you regardless of your college affiliation.

UCSB Applicants: In general, IGETC is not appropriate preparation for transfer into the College of Engineering (or the B. A. Computer Science major in the College of Letters and Sciences). Engineering transfers may use IGETC only to substitute for lower division breadth/general education requirements. These students will be required to complete at least two upper division general education courses after transfer.

In some exceptional circumstances, students may be eligible to transfer with a maximum of two IGETC courses not completed. Please make an appointment with a GWC counselor for waiver petition and more information.
TRANSFER REQUIREMENTS AND INFORMATION

THE CALIFORNIA STATE UNIVERSITY

1. HUMBOLDT STATE UNIVERSITY (1913) • Semester enrollment 7,122
Admissions and Records Office, Arcata 95521-4957 • (707) 826-4402

2. CALIFORNIA STATE UNIVERSITY, CHICO (1887) • Semester enrollment 14,706
1st and Normal Streets, Chico 95929-0720 • (916) 896-6321

3. SONOMA STATE UNIVERSITY (1960) • Semester enrollment 6,551
1801 East Cotati Avenue, Rohnert Park 94928 • (707) 664-2778

4. CALIFORNIA MARITIME ACADEMY (1929) • Semester enrollment 490
200 Maritime Academy Drive, Vallejo 94590 • (707) 648-4222

5. CALIFORNIA STATE UNIVERSITY, SACRAMENTO (1947) • Semester enrollment 23,316
6000 J Street, Sacramento 95819 • (916) 278-6111

6. SAN FRANCISCO STATE UNIVERSITY (1867) • Semester enrollment 14,706

23. CALIFORNIA STATE UNIVERSITY, CHANNEL ISLANDS

714-892-7711 Golden West College 2003-2004 Catalog
ACCOUNTING

ACCOUNTING 100 - 4 Units
Accounting Elements
A beginning course in practical accounting as applied to merchandising firms, professional individuals and to personal service operations. Students become familiar with practical accounting procedures by completing weekly assignments based on lectures and text readings. Successful completion of this course is strongly recommended before enrolling in Accounting 101. Letter grade only. Transferable to CSU.

ACCOUNTING 101 - 4 Units
Financial Accounting
An introductory study of financial accounting theory and practice. The basic accounting cycle is introduced, along with its application to service and merchandising operations. The corporate form of business is stressed. The course content includes explanation and preparation of accounting forms, entries and financial statements, including the Income Statement, and Balance Sheet. A computerized practice set is prepared by each student. Letter grade only. Transferable to CSU; UC. (CAN BUS 2) (ACCT 101 + 102 = CAN BUS SEQ A)

ACCOUNTING 102 - 4 Units
Managerial Accounting
An advanced study of accounting information, including financial accounting information, used by managers in making decisions that affect the operations of a business. The course provides an introduction to cost concepts and terms, budgeting, responsibility accounting, statement analysis, capital budgeting, decision making and other management related topics. Some problems will be prepared by students on computers. Letter grade only. Transferable to CSU; UC. (CAN BUS 4) (ACCT 101 + 102 = CAN BUS SEQ A)

ACCOUNTING 110 - 3 Units
Payroll Accounting and Taxation
This course will present a review of the underlying theory and application of various state and federal payroll taxes. Payroll preparation, payroll forms, and recent payroll legislation are covered in detail. Letter grade only. Transferable to CSU; UC.

ACCOUNTING 111 - 3 Units
Income Tax - Federal
(Same as: Business 111)
A review of the theory and application of federal income tax regulations. The course explains the preparation of federal personal income tax returns with minor emphasis on individual returns. Actual forms are used when appropriate. Optional credit/no credit or grade. Transferable to CSU.

ACCOUNTING 113 - 3 Units
Business Income Tax
(Same as: Business 113)
Advisories: Business 111
Study of Federal Income Tax as it relates to small businesses, including recent and proposed tax changes. Optional credit/no credit or grade. Transferable to CSU. May not be offered each semester.

ACCOUNTING 115 - 3 Units
Issues in Taxation for Accounting & Business
This course covers theory & application utilizing Internal Revenue Service income tax publications. Topics will include Basis, Property Transactions, Contributions to a Partnership, Partnership Inside & Outside Basis, Corporate Formation, Corporate Liquidations and Redemptions, and Capital Gains & Losses. Knowledge of generally accepted accounting principles is strongly encouraged. This course is designed to meet the requirements of the Enrolled Agent Tax Specialist Certificate. Optional credit/no credit or grade. Transferable to CSU.

ACCOUNTING 117 - 3 Units
Taxation/Enrolled Agent Preparation
A basic course designed to cover theory and application of selected chapters of Internal Revenue Service income tax publications with special emphasis on Circular No. 230. Course includes the following topics: Practice Before the IRS; Income Tax Preparers and Penalties; Representation; Individual Retirement Arrangements; Gross Estate Allowable Deductions Under Estate Tax (including Expenses, Indebtedness, and Taxes, Deductions for Losses, Charitable Deduction, Marital Deduction); Taxable Gifts; Deductions; Valuation; Computation of Tax; in depth discussion of Circular No. 230. An understanding of the generally accepted accounting principles and/or tax preparation experience is strongly encouraged. This course is designed to meet the requirements of the Enrolled Agent Tax Specialist Certificate. Optional credit/no credit or grade. Transferable to CSU.

ACCOUNTING - 1 Unit
Tax Software Preparation
A basic tax preparation course utilizing Turbo Tax (or similar) software. Topics will include understanding the flow of input to output in tax software; preparation of basic to complex 1040 tax returns; understanding how to access and use the ancillary software features; very basic programming logic; accessing software updates via Internet patches. While TurboTax software will be utilized the student will learn issues and topics generic to all commercial brands of tax software. Optional credit/no credit or grade. Transferable to CSU.

ACCOUNTING 130 - 4 Units
Computerized Accounting
Reinforcement of the concepts and principles of Accounting 101 using a computerized accounting program. Students work weekly in a hands-on computer environment to learn the usefulness of the computer in performing accounting tasks. Letter grade only. Transferable to CSU.

ACCOUNTING 210 - 3 Units
Cost Accounting
A study of accounting concepts and principles as they apply to the needs of business. The course includes the determination of costs for manufacturing firms, the study of job-order and process cost accounting, the analysis of costs and decision making. Letter grade only. Transferable to CSU. May not be offered each semester.
ANTHROPOLOGY
ANTHROPOLOGY 100 - 3 Units
Introduction to Cultural Anthropology
An introduction to a broad comparative study of human society and human culture within contemporary and historical settings. This course considers the similarities and differences among human societies on a world-wide basis. Studies of large societies, as well as small, less complex cultures are included. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN ANTH 4)

ANTHROPOLOGY 120 - 3 Units
Introduction to Physical Anthropology
An inquiry into the biological nature of man, heredity, and the principles of evolutionary change; methods of analysis and interpretation; evidence for the development of prehistoric humans; biological variation among modern humans; the concepts of race. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN ANTH 2)

ANTHROPOLOGY 130 - 3 Units
Introduction to Archaeology
An introduction to the field of archaeology emphasizing a broad survey of world prehistory; the nature of culture change; contemporary issues. Techniques of data collection, analysis and interpretation are also considered. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

ANTHROPOLOGY 135 - 3 Units
Vietnamese Culture
(Same as: Social Science 135)
An analysis of major factors and elements of Vietnamese culture, past and present. The impact of American culture on Vietnamese American life and traditions. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

ANTHROPOLOGY 136 - 3 Units
History and Culture of the Chicano American
(Same as: History 136, Social Science 136)
A study of the Mexican-American people and the influence of U.S. institutions on Chicano life. The course will survey the history, varying philosophies, artistic and literary achievements, sociological and psychological perspectives of Chicanos. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

ANTHROPOLOGY 150 - 3 Units
Indians of North America
An examination of native American Indian cultures and their environments. The class will examine the major culture areas of Native North America in an attempt to analyze the mechanisms and causation of culture change and adaptation. The class will review the subsistence, religion, art, social organization and environment of specific case studies and relate the data to theoretical models. Optional credit/no credit or grade. Transferable to CSU; UC.

ANTHROPOLOGY 180 - 3 Units
American & Asian Perspectives: Southeast Asian Culture
(Same as: Social Science 180)
A study of the history and cultures of Southeast Asia with particular emphasis on Indochina (Vietnam, Laos, Cambodia), and the Philippines. Patterns of Southeast Asian immigration and adaptation/adjustment to American life will also be examined. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

ARABIC
ARABIC 060 - 3.0 Units
Arabic for Beginners
This course will emphasize the recognition and production of the sounds and 28 letters of the Arabic alphabet. Emphasis will also be placed on basic listening, speaking and reading skills and idiomatic expressions within an authentic, cultural context and through extensive drills and accompanying video and audio tapes. Optional credit/no credit or grade.

ARABIC 061 - 3 Units
Practical Arabic, Intermediate
Prerequisites: Arabic 060
This course is a continuation of Arabic 060. Further development of language communication skills: listening, speaking, reading and writing. Texts and dialogues are presented phonetically, accompanied by audio cassettes. The emphasis is on fluent everyday conversation using more basic structures and idiomatic expressions. Optional credit/no credit or grade.

ARABIC 180 AB - 5 Units
Elementary Arabic
This is a basic Arabic language course for beginners. The main emphasis is on listening, speaking, reading and writing standard Arabic through the use of authentic texts and accompanying audio and video media. Students are also introduced to the main differences between spoken and formal Arabic, as well as to a wide range of vocabulary items and grammatical structures. Optional credit/no credit or grade. Transferable to CSU; UC.

ARCHITECTURAL TECHNOLOGY
ARCHITECTURAL TECHNOLOGY 020 AB - 3 Units
Residential Architecture
Preparation of a set of plans for a home, including floor plan, foundation plot plan, elevations, perspectives and details necessary for the issuance of a building permit. Uniform Building Code, State Housing Act, building terminology. Letter grade only.

ARCHITECTURAL TECHNOLOGY 070 AB - 1 Unit
Architectural Technology Laboratory
Corequisites: Students enrolled in Architecture 070A must be concurrently enrolled in one of the following: Architecture 020AB or 120 or 130 or 140. Students enrolled in Architecture 070B must be concurrently enrolled in one of the following: Architecture 150 or 160AB or 170 or 185. This course is designed for first year architectural students to supplement the Architectural Technology classes where more laboratory work is desired in specific classes. The student will perform exercises which will be illustrated in one of the first year architectural classes. Optional credit/no credit or grade.

ARCHITECTURAL TECHNOLOGY 075 AB - 1 Unit
Architectural Technology Laboratory
Corequisites: Students enrolled in Architecture 075A must be concurrently enrolled in one of the following: Architecture 020 AB or 100 AB or 125 or 135 or 145. Students enrolled in Architecture 075 B must be concurrently enrolled in one of the following: Architecture 155 or 160 AB or 175 or 190. For second year architectural students, this course is designed to supplement the Architectural Technology classes where more laboratory work is desired in specific classes. The student will perform exercises which will be illustrated in one of the second year architectural classes. Optional credit/no credit or grade.
ARCHITECTURAL TECHNOLOGY 100 AB - 1.5 Units
Introduction to Architectural Graphics and Drafting
This introductory course is for students interested in a career in architecture, i.e., basic graphic skills for environmental design, architecture, urban planning, landscape architecture, interior design or other related design professions. The course surveys the roles of architects: emphasis is placed on the study of architectural lettering, line value, architectural terminology and the use of drawing tools, equipment and drafting supplies for architecturally related design professions. Students draw construction plans for a house and also learn the methods of reproducing drawings. Optional credit/no credit or grade. Transferable to CSU.

ARCHITECTURAL TECHNOLOGY 120 - 2 Units
Materials/Principles of Construction
Corequisites: Architecture 130 and 140
The course is designed to give actual building experience to the architectural drafting student, relating to residential construction. Emphasis is on foundation systems, wall framing, roof framing systems and shop drawings. Study includes the Uniform Building Code, application of building materials and relationship of factory-built housing. Letter grade only. Transferable to CSU. Offered fall semester only.

ARCHITECTURAL TECHNOLOGY 125 - 2 Units
Basic Architecture Design
Prerequisites: Architecture 130 and 140
Corequisites: Architecture 135 and 145
Study of visual design phenomena as applied to elementary composition dealing with line, area, color, texture, etc. Introduction to study models as used in 3-dimensional design. Involvement includes both individual and design team participation. Students will develop design presentation skill through currently used mediums. Each student will produce a personal design portfolio of studio work. Letter grade only. Transferable to CSU; UC. Offered spring semester only.

ARCHITECTURAL TECHNOLOGY 130 - 2 Units
Architectural Rendering: Perspective and Shade/Shadows
Corequisites: Architecture 120 and 140
The first of a two-semester series, dealing with basic techniques used in architectural graphic communication. Introduction to orthographic, isometric, mechanical perspective and shade and shadows. Final sections of semester work used to introduce color theory and rendering skills used in Architectural Technology 135. Letter grade only. Transferable to CSU; UC. Offered fall semester only.

ARCHITECTURAL TECHNOLOGY 135 - 2 Units
Architectural Rendering: Color Presentations
Prerequisites: Architecture 130
Corequisites: Architecture 125 and 145
This course is a continuation of Architectural Technology 130. Application and production of architectural presentations using a variety of drawing media. Includes color and use of rendering skills and materials used in the profession. Advanced experiences introduced in Architectural Technology 130. Exploratory skills development for employment or transfer requiring rendering experiences. Letter grade only. Transferable to CSU. Offered spring semester only.

ARCHITECTURAL TECHNOLOGY 140 - 5 Units
Architectural Drafting: Wood Frame Residence
Corequisites: Architecture 120 and 130
A basic course with a concentration of drafting skills as they apply to working drawings for a single story, wood frame dwelling. Emphasis is placed on lettering, line work, dimensioning, and the use of architectural symbols and conventions. Study includes the Uniform Building Code, materials, products and equipment used in residential construction. Letter grade only. Transferable to CSU. Offered fall semester only.

ARCHITECTURAL TECHNOLOGY 145 - 5 Units
Architectural Drafting: Two-Story Concrete Block Multi-Family
Prerequisites: Architecture 140
Corequisites: Architecture 125 and 135
This course is a continuation of Architectural Technology 140. The course deals with a two story concrete masonry condominium building. Emphasis is on schematic layout, stairways and relationship of working drawings. Study includes the Uniform Building code, materials, products and methods used in concrete masonry construction. Letter grade only. Transferable to CSU. Offered spring semester only.

ARCHITECTURAL TECHNOLOGY 150 - 3 Units
Brick and Steel Construction
Prerequisites: Architecture 145
Corequisites: Architecture 170
An advanced course dealing with the principles of architectural drafting as applied to a commercial two-story building constructed of brick and steel. Emphasis is placed on code requirements as applied to site development, off-street parking and group occupancy. Study includes principles and methods of construction, field trips and rendering presentations. Letter grade only. Transferable to CSU. Offered fall semester only.

ARCHITECTURAL TECHNOLOGY 155 - 3 Units
Concrete Tilt-Wall Construction
Prerequisites: Architecture 150 and 170
Corequisites: Architecture 175
An advanced course dealing with the principles of architectural drafting as applied to commercial concrete tilt wall structures. Emphasis is placed on code requirements as applied to site development, off-street parking, and construction techniques. Rendering and delineation for project presentations is also required. Study includes field trips, on-site surveying, topo maps, study models, products and methods of concrete construction. Letter grade only. Transferable to CSU. Offered spring semester only.

ARCHITECTURAL TECHNOLOGY 160 - 3 Units
Introduction to Computer-Assisted Drafting for Architecture (AUTO-CAD)
Prerequisites: Architecture 100 or 140
An introductory course in computer-assisted drafting for architecture. A study of the organization, components, and concepts of CAD and its applications in the architectural profession. Includes use of IBM ‘AUTO-CAD’ software for architectural drafting and design drawings. Optional credit/no credit or grade. Transferable to CSU.

ARCHITECTURAL TECHNOLOGY 170 - 2 Units
Architectural Design, Commercial Office Building
Prerequisites: Architecture 125 and 135
Corequisites: Architecture 150
The development of students graphic communication skills for presentation of conceptual ideas, analysis and design concepts of architectural forms and structure and organization as applied to the design of a commercial office building. Each student will prepare a multi-board design package and study model of their solution. Letter grade only. Transferable to CSU.
ARCHITECTURAL TECHNOLOGY 175 - 2 Units
Architectural Design, Industrial Building
Prerequisites: Architecture 150 and 170
Corequisites: Architecture 155
Architectural design experiences and assignments dealing with concepts pertaining to physical and architectural relationship of the environment (climate and geophysical forces to project design of an industrial building). Also a continuing development of student graphic communication skills for presentation of conceptual analysis of architectural form and structural organization. Each student will prepare a multi-board design package and study model of their solution. Letter grade only. Transferable to CSU.

ARCHITECTURAL TECHNOLOGY 185 - 2 Units
Introduction to the Profession
Corequisites: Architecture 150 and 170
Familiarization with the professional fields of architecture, consulting engineering and city planning. Introduction to an exploration of the design process through guest speakers from the profession. Knowledge of prevalent philosophies within the profession as related to the design process. Letter grade only. Transferable to CSU. Offered fall semester only.

ARCHITECTURAL TECHNOLOGY 190 AB - 2 Units
Architectural Model Building
Prerequisites: Architecture 100 or 140
An introductory course in precision scale model building for architecture. Students will become familiar with current tools, materials, methods and professional standards used in industry for model construction. Students will construct a 3-D study model. First year students should take 190A. Second year students should take 190B. Letter grade only. First year students should take 190A. Second year students should take 190B. Transferable to CSU.

ART
ART 082 - 2 Units
Basic Airbrush
(Same as: Drafting 082)
This course introduces basic airbrush art techniques currently used in technical illustration, architectural rendering, graphic arts, photography and specialty auto painting. Airbrushes are provided along with instruction in care and maintenance of equipment. Optional credit/no credit or grade.

ART 084 - 2 Units
Advanced Airbrush
(Same as: Drafting 084)
Students will receive instruction in airbrush techniques, exploration opportunities in using airbrush to solve various art problems relating to technical illustration and architectural technology, photography, graphic arts and specialty auto painting. Optional credit/no credit or grade.

ART 100 - 3 Units
Introduction to Art
(Same as: Humanities 102)
An introductory course for both the general interest and art major student. A survey of the nature and role of the visual arts in society. Art theory, art practices and an overview of art history will be covered. The medias of art will also be explored. Field trips are required. Optional credit/no credit or grade. Field trips required. Transferable to CSU; UC.

ART 101 - 2 Units
Business of Art
An exploration of various career opportunities in the visual arts concerning current employment conditions. Learn how to make career choices in a variety of specific interest areas. The general career tracks studied are advertising, graphic design, photography, fine arts, and computer graphics. There will also be specific information on how to run an art business, both as a consultant or as an employee. In class lectures on time management, billing techniques, proposal preparation, interviewing procedures, project and tax records, portfolio assembling, self promotional activities, and other art business practices will be presented. This is a necessary class to complete the other side of an art career, the business side. Optional credit/no credit or grade. Transferable to CSU.

ART 102 AD - 1.5 Units
Art Museum and Gallery Field Studies
(Same as: Humanities 116 AD)
Weekly lectures and field trips to art museums, galleries, and current traveling art exhibitions in Southern California. Critical viewing of original art with emphasis on historical and stylistic context. Group discussions of art reviews and selected text. All transportation provided. Optional credit/no credit or grade. An eight week course. Transferable to CSU.

ART 104 - 3 Units
History of Modern Art
(Same as: Humanities 114)
A survey of the history of modern art, beginning at 1900 and concluding with contemporary art of today. Painting, sculpture, printmaking, architecture, photography, video, and ceramics are studied as an integral part of cultural patterns and developments in twentieth century art. The course will include illustrated lectures, readings, and field trips to current exhibitions. Optional credit/no credit or grade. Transferable to CSU; UC.

ART 105 - 3 Units
History and Appreciation of Art
(Same as: Humanities 100)
A survey of prehistoric art to the Renaissance period, stressing the basic principles and history of art demonstrated in painting, sculpture, and architecture. Illustrated lectures, reading, and museum reports are part of the course. Study assignments involve at least one visit to the Los Angeles County Art Museum and assigned slide viewing in the Multi-Media Center. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN ART 2) (ART 105 + 106 = CAN ART SEQ A)

ART 105 HONORS - 3 Units
History and Appreciation of Art, Honors
(Same as: Humanities 100 Honors)
The focus of this course is a survey of art, beginning with Prehistoric art and concluding with Gothic art. We will study painting, sculpture and architecture as an integral part of cultural patterns and development. Slide accompanied lectures, reading and written assignments are included in this course. Study assignments involve visits to major art museums and current exhibitions. The honors course intensifies the focus on research, exploration and critical thinking. Most enhancements to the regular Art 105/Humanities 100 are qualitative rather than quantitative. While there is additional reading and writing, the intensified focus on critical thinking holds students to a higher standard: all their oral and written work must manifest a commitment to, and a capacity for, academic excellence. Letter grade only. Transferable to CSU.
ART 106 - 3 Units  
**Art History and Appreciation**  
(Same as: Humanities 110)  
A survey of the history of art beginning with the Italian Renaissance and concluding with modern art. Painting, sculpture, and architecture are studied as an integral part of cultural patterns and developments. Illustrated lectures, reading, and field trips to current exhibitions. Study assignments involve at least one visit to a major art museum and assigned slide viewing in the Multi-Media Center. Optional credit/no credit or grade. **Transferable to CSU; UC.** (CAN ART 4)  
(ART 105 + 106 = CAN ART SEQ A)

ART 106 HONORS - 3 Units  
**History and Appreciation of Art, Honors**  
(Same as: Humanities 110 Honors)  
This course is a survey of the history of art, beginning with the Italian Renaissance and concluding with modern art. We will study painting, sculpture, and architecture as an integral part of cultural patterns and development. Illustrated lectures, reading and field trips to current exhibitions are included in the course. Study assignments involve at least two visits to major art museums. The Honors course intensifies the focus on research, exploration and critical thinking. Most enhancements to the regular Art 106/Humanities 110 are qualitative rather than quantitative. While there is additional reading and writing, the intensified focus on critical thinking holds students to a higher standard: all their oral and written work must manifest a commitment to, and a capacity for, academic excellence. Letter grade only. Transferable to CSU; UC.  

ART 107 - 3 Units  
**Two Dimensional Design**  
A basic course in the application and appreciation of the art principles and art elements as they relate to two dimensional design. Selected problems using line, color, shape, value, and texture. Required for art majors. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC. (CAN ART 14)

ART 109 - 3 Units  
**Three Dimensional Design**  
A basic course in three dimensional design developing knowledge, skills, appreciation and aesthetic judgment. A series of problems shall necessitate the exploration and comprehension of the visual elements and principles. Required of art majors. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN ART 16)

ART 116 - 3 Units  
**Drawing I**  
Beginning drawing of natural and man-made forms from observation and imagination. Experimentation with media processes and composition. Required of art majors. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC. (CAN ART 8)

ART 117 - 3 Units  
**Drawing II**  
A continuing of drawing skills and techniques begun in Art 116. Emphasis on developing the student’s own style and interest. Projects will be related to the individual student’s needs as much as possible. More time is allotted for drawing on location and experimentation with various media. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC.

ART 118 AB - 3 Units  
**Life Drawing I**  
Figure drawing from male and female models. Study of volumes, perspective, and composition of the human form. Field trips and criticism. Required of art majors. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC.

ART 119 AB - 3 Units  
**Life Drawing II**  
Continuing observation and drawing of the human form to help create broader revelations and attitudes concerning drawing and the self. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC.

ART 120 - 2 Units  
**Rendering I**  
A study in the use of pencil or ink drawings to evolve proposed sketches into completed renderings. These renderings are the basis for client approval or project clarification. The work is done as representational art to solve graphic visual needs in preparation for the final camera ready illustration. The class explores line art techniques, layout and composition, and useful art materials. Drawing skills are practiced in a variety of general studies and selected subjects. Class assignments are given on class handouts to include all reference material and suggested line art techniques. This class is required of all design majors and recommended for all art majors. Optional credit/no credit or grade. Transferable to CSU.

ART 121 AB - 3 Units  
**Ceramics I**  
Introduction to handbuilding techniques in the design, forming, glazing, and firing of ceramic materials. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC. (CAN ART 6)

ART 122 AB - 3 Units  
**Ceramics II**  
Introduction to the potter’s wheel with emphasis on design problems of ceramic materials. Continued work with handbuilding, clay, glazes, and firing processes. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC.

ART 125 AB - 2 Units  
**Introduction to Drawing and Painting**  
A course for the non-art major. This course offers both a survey and introduction to the basic skills, theory and mediums of drawing and painting. The class will use pencil, charcoal and conte as well as painting media. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC.

ART 130 AD - 1-3 Units  
**Painting I**  
A basic study in the fundamentals of composition and painting techniques using a variety of painting media and materials (acrylics, oils). Emphasis on development of painting skills and appreciation through painting experience, library reference, demonstration and lecture. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC. (CAN ART 10)
ART 131 AB - 3 Units
Painting II
Advanced course with emphasis on creative and interpretive expression. Development and exploration of painting skills related to 20th century painting. Painting media will include oils and acrylics. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC.

ART 132 AD - 3 Units
Watercolor I
Prerequisites: Art 116
A course in developing skills and creative application of transparent watercolor techniques and methods using a variety of subject matter. Paintings will be done in the studio and on location. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC.

ART 133 AC - 1 Unit
Watercolor Workshop
A short course concentrating on developing skills and techniques in transparent watercolor. Emphasis is on methods of wet-into-wet, dry brush, wash and glaze, calligraphy, textures and experimentation. Subject matter includes still life, abstraction, figure, but mainly landscapes. Optional credit/no credit or grade. An eight week course. UC Credit limitations. See counselor. Transferable to CSU; UC.

ART 134 AD - 3 Units
Watercolor II
Prerequisites: Art 132
Course in continuing to develop skills using transparent watercolor media. Emphasis is on application of basic techniques and methods in more complex projects. Paintings will be done in the studio and on location using a variety of subject matter including multi-cultural. Optional credit/no credit or grade. Transferable to CSU; UC.

ART 140 AD - 3 Units
Beginning Life Painting
This is a beginning course in figure paintings. Emphasis will vary from a portrait approach to nude studies. A thorough explanation of color theory and painting methods will be given. Mediums include oils and acrylics. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC.

ART 141 AB - 3 Units
Life Sculpture
Exploration of sculptural materials and concepts, with instruction in techniques of direct molding, and build up techniques. Figurative source for sculpturing. Clay must be furnished by student, purchased from GWC Bookstore. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC.

ART 142 AB - 3 Units
Sculpture
Exploration of a variety of sculptural materials—experiences with aggregate materials (plaster, soft stone carving) and clay. Class stresses Twentieth Century abstract art concepts. Students will supply all materials and will be responsible for attending field trips. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC. (CAN ART 12)

ART 143 AB - 3 Units
Advanced Sculpture Workshop
Exploration of a variety of sculptural materials experiences with plaster and cement, clay. Class stresses Twentieth Century abstract art concepts. Students will supply all materials and will be responsible for attending field trips. Optional credit/no credit or grade. Transferable to CSU; UC.

ART 144 AB - 2 Units
Introduction to Mixed Media
Exploration in wood, clay, metal, and related craft materials. The course explores craft techniques as well as how to plan a good design for various crafts that are skillfully made and express the individual’s creativeness. Optional credit/no credit or grade. Transferable to CSU.

ART 150 AD - 3 Units
Introduction to Printmaking
An exploratory course designed to introduce and give studio experience in etching, relief and lithography printmaking. This course will include etching, aquatinting, photo etching, woodcuts, linocuts, stone and metal plate lithography printmaking, and multi-color printmaking. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC. (CAN ART 20)

ART 152 AD - 3 Units
Silkscreen Printmaking
An exploratory course designed to introduce and give studio experience in lithography and silkscreen printmaking. This course will include stone and plate lithography, basic silkscreen printing and photo silkscreen, and multi-color printmaking. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC.

ART 154 AC - 2 Units
Printmaking Workshop
A course in a variety of experimental printmaking techniques: monoprintmaking, calligraphs, photo printmaking, embossing, relief and others. The course also offers the student with some background in printmaking the option of concentrating in one or two areas of printmaking. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC.

ART 156 AD - 3 Units
Jewelry Design
This course will present an exploration and examination of design, materials, and processes as they apply to jewelry. Metal fabrication and casting will be explored, in addition to non-metal materials. Lecture, lab, demonstration. Optional credit/no credit or grade. Transferable to CSU.
ART 170 - 3 Units
Graphic Design Principles
(Same as: Digital Arts 170)
Advisories: Digital Arts 135AB
Introduction to visual communication principles as practiced in the graphic design profession. These principles relate to the choice, placement, organization and theme management of graphic elements. These graphic elements are illustrations, photographs, symbols, blocks of type and decorative accessories. Class projects are fashioned after real world projects encountered in the first years of professional work. These projects are produced on computers in the Macintosh Lab using important computer applications encountered in most job sites. The class introduces process selection, problem solving, client relations, production techniques, and print or multi media connections. Required of all graphic design majors. Optional credit/no credit or grade. Transferable to CSU.

ART 171 - 2 Units
Advanced Graphic Design
Advanced exploration of visual problem solving in commercial art. Emphasis on conceptual planning and presentation techniques using the computer for actual production. Assignments are based on portfolio preparation and student career goals. Class taught in the Mac computer lab using a variety of software. Required of all graphic design majors. Optional credit/no credit or grade. Transferable to CSU.

ART 173 AB - 2 Units
3D Graphics Production
(Same as: Broadcast & Video Production 164 AB)
Introduction to the preparation of graphic arts for television. Emphasis upon planning and requesting of graphic needs by the producer and the design and production of graphics. Course covers on-air graphics, computer graphic concepts, set design, special effects, animation concepts, and development of promotional materials. Optional credit/no credit or grade. Transferable to CSU.

ART 174-1 AD - 3 Units
Introduction to Page Layout & Design-Adobe InDesign
(Same as: Business Data Processing 174-1 AD)
Advisories: Business Data Processing 110
An introduction to electronic page layout and design using today’s popular software such as Adobe InDesign. This course includes beginning principles of document design combined with detailed software instruction that will enable the student to master basic principles of topography and publishing. Optional credit/no credit or grade. Transferable to CSU.

ART 174-2 AD - 3 Units
Introduction to Page Layout & Design Adobe PageMaker
(Same as: Business Data Processing 174-2 AD)
Advisories: Business Data Processing 110
An introduction to electronic page layout and design using today’s popular software such as Adobe PageMaker. This course includes beginning principles of document design combined with detailed software instruction that will enable the student to master basic principles of topography and publishing. Optional credit/no credit or grade. Transferable to CSU.

ART 175 AD - 2 Units
Cartooning
A study of cartoon illustration and all its uses in the commercial art field. From print advertising and editorial art, through film or computer animation, this course emphasizes the development of characters and the creation of personalities. There is, in this course, a review and practice of basic drawing techniques to create human, animal or object cartoons. There is also a series of projects in a variety of cartoon illustration outlets such as greeting cards, book illustrations, story boards, game layouts, packaging, etc. Along with the work with humorous, exaggerated, or satirical drawings, this class will also explore computer animation, special effects and multimedia applications. Optional credit/no credit or grade. Transferable to CSU.

ART 176 AD - 3 Units
Desktop Publishing Using QuarkXpress
(Same as: Business Data Processing 176 AD)
Advisories: Digital Arts 100
Desktop publishing using the current version of QuarkXpress. The student will learn how to combine word processing documents, typesetting, page layout, drawing, image control, color control, and document construction in a single program, to create other promotional materials. Optional credit/no credit or grade. Transferable to CSU.

ART 177 AB - 3 Units
Graphic Design Principles on the Computer
(Same as: Business Data Processing 177 AB)
A studio format class in the new computer lab where students use their acquired graphic techniques and talents to prepare portfolio quality graphic design. Using a variety of software programs the course combines graphics, illustration, lettering, and photography to communicate ideas and concepts clearly and effectively. Optional credit/no credit or grade. Transferable to CSU.

ART 178 AB - 3 Units
Introduction to Web Page Design
(Same as: Business Data Processing 178 AB)
A basic introduction into what graphic designers need to know about designing and preparing images and media for the Web. Learn how to make interesting and dynamic looking Web sites and Web graphics with popular applications, Dreamweaver, Photoshop, and Illustrator. Learn to identify your audience, determine appropriate content and how to assemble your Web site. The class will cover classic principles of design, how the principles apply to Web design, and the issues and constraints of designing complex, multi-layered sites. Optional credit/no credit or grade. Transferable to CSU.

ART 179 AD - 3 Units
Prepress
Advisories: Business Data Processing/Art 174 or Business Data Processing/Art 176
Preparing documents for output for both commercial printing and online distribution presents its own set challenges. This advanced Publishing & Prepress course is designed to use today’s software such as QuarkXpress, or Adobe InDesign to prepare not only a commercially acceptable portfolio, but to prepare the student to output professional quality documents for use in both print media and electronic media, using software with built-in support for both HTML and PDF files. Optional credit/no credit or grade. Transferable to CSU.
ART 187 AB - 1 Unit
Sketching
A studio course to develop skills in sketching and composition. The class will meet on location and in the studio. A variety of media will be used in learning composition, perspective, value, and light as they relate to the environment. Optional credit/no credit or grade. Transferable to CSU.

ART 222 AB - 3 Units
Digital Imaging
(Same as: Business Data Processing 222)
An introduction to digital imaging techniques with an emphasis on commercial subject matter. This course covers basic concepts, processes, and aesthetic interpretation of making digital imagery. It includes an overview of various computer applications using illustrative techniques as well as image and photographic manipulation. Two hours lecture, two hours non-lecture a week. Optional credit/no credit or grade. Optional credit/no credit or grade. Transferable to CSU.

ASTRONOMY
ASTRONOMY 100 - 3 Units
Introduction to Astronomy
An introduction to the models and nomenclature of modern Astronomy. This includes the solar system, the Milky Way, and the universe. The historical perspective is emphasized. A survey of the methods of astronomical observation is also presented. Letter grade only. Transferable to CSU; UC.

ASTRONOMY 100L - 1.0 Units
Elementary Astronomy Laboratory
Prerequisites: Mathematics 030
Corequisites: Astronomy 100
An introduction to a cross section of the concepts and models used by astronomers to elucidate the nature of planets, stars, and galaxies. The practical application of methods involving the analysis of electromagnetic radiation will be emphasized. Optional credit/no credit or grade. This course with Astronomy 100, satisfies the general education natural science requirement. Transferable to CSU; UC.

AUTOMOTIVE COLLISION REPAIR
AUTOMOTIVE COLLISION REPAIR 051 - 5 Units
Beginning Body and Fender Repair
Fundamental operations of auto sheet metal straightening. Development of basic welding, soldering and body unit replacement. Properties of materials used in preparation for spot and overall painting. Letter grade only.

AUTOMOTIVE COLLISION REPAIR 052 AC - 6 Units
Advanced Body and Frame Repair
Prerequisites: Automotive Technology 051
A continuation of basic skill development in sheet metal repair. Shop experience in the repair of damaged automobiles, replacement of window glass (including alignment), fenders, hoods, door skin. Letter grade only.

AUTOMOTIVE COLLISION REPAIR 054 AD - 3 Units
Auto Body Collision Repair
This course covers fundamental operations and applications used for repairing sheet metal damage on automotive collision projects. Students will develop skills in the proper use of hand tools, oxygen, acetylene and metal inert gas (mig) welding equipment. Safe shop procedures are emphasized. Also included are properties of materials used in the repair of metals and preparation for painting. Optional credit/no credit or grade.

AUTOMOTIVE COLLISION REPAIR 055 AD - 3 Units
Customizing and Restoration
This course includes fundamental operations and applications of metal repair used for customizing and restoring automotive vehicles. Optional credit/no credit or grade.

AUTOMOTIVE COLLISION REPAIR 070 AD - 3 Units
Automotive Refinishing
A course for the beginning auto painter. There will be no body work done in this class. All cars will have had the body work done before painting class work will begin. Students will learn to prepare bare metal, old paint, and primer where necessary, and will repaint body sections or parts. They will learn how to clean spray guns and maintain equipment. Letter grade only.

AUTOMOTIVE COLLISION REPAIR 072 AD - 1.50 Units
Automotive Spot Paint Repair
This lab course for the beginning or advanced auto painter teaches spot preparation and painting skills. Students will practice sanding, masking, priming and block sanding of new panels in preparation for painting. They will also learn to spray primers, spot painting with blending of color paint, clear coating and buffing for the finished shine. The use and maintenance of power tools used in auto refinishing are covered as well as the filling out of Rule 1151 Volatile Organic Compounds, V.O.C. charts and job reports. Letter grade only.

AUTOMOTIVE TECHNOLOGY
AUTOMOTIVE TECHNOLOGY 008 - 8 Units
Brakes, Suspension, and Steering
A course in skills and techniques with related information on the repair and replacement of brakes, shock absorbers, suspension and steering components. Also includes use of the brake drum lathe and disc motor reconditioning, front-end alignment, tire repair, wheel balancing, power steering and steering service. Training for the State brake license is also included. Students are required to provide their own set of basic hand tools, work clothing and safety equipment. Letter grade only.

AUTOMOTIVE TECHNOLOGY 010 - 8 Units
Engine Repair
A vocational course of study designed to provide the student with the knowledge and skills necessary to perform minor and major service on late model passenger car gasoline powered engines. Instruction is given in engine diagnosis, removal, disassembly, inspection, assembly and installation techniques. Students are required to provide their own set of basic hand tools, work clothing and safety equipment. Letter grade only.
AUTOMOTIVE TECHNOLOGY 012 - 8 Units
Automatic/Manual Drive Train and Axles
A complete course in basic principles and overhaul of the modern automotive transmission basic 400, 350, torque-flight, C-6 and C-4 powerglides and imports. Students are required to provide their own set of basic hand tools, work clothing and safety equipment. Letter grade only.

AUTOMOTIVE TECHNOLOGY 014 - 8 Units
Engine Performance
A comprehensive course of study dealing with the diagnosis and repair of the following systems as they relate to engine performance: engine mechanical testing, ignition systems, fuel injected and carbureted fuel performance. Step by step diagnostic techniques will be stressed using test instruments and equipment presently used by industry technicians. Students are required to provide their own set of basic hand tools, work clothing and safety equipment. Letter grade only.

AUTOMOTIVE TECHNOLOGY 020 (1-4) - 3 Units
Brakes, Suspension and Steering
Course will include theory, operation, maintenance, repair procedures and problem diagnosis for tire and wheel concerns, automotive braking systems and suspension systems. 4-wheel computerized alignment equipment will be used for instruction in wheel alignment. This course will prepare the student for the Automotive Service Excellence. Brakes and Suspension and Steering examinations. Letter grade only.

AUTOMOTIVE TECHNOLOGY 021 AB - 4 Units
Electrical/Electronic Systems
A Vocational course of study designed to provide the student with an understanding of electrical/electronic terms, electrical circuit concepts, failure diagnosis and repair techniques used by the automotive repair technician. Classroom instruction and hands-on training is provided on how to use electrical wiring diagrams, component locators, digital multimeters, digital storage oscilloscopes and specialized automotive test equipment. Students are required to provide basic hand tools, appropriate work clothing and personal safety equipment. Letter grade only.

AUTOMOTIVE TECHNOLOGY 023-1 AB - 4 Units
Basic Engine Performance - Part 1
A vocational course of study in the theory, operation, maintenance, diagnosis and repair of basic automotive engine performance related systems which include engine mechanical condition evaluation, engine starting and charging systems, distributor ignition, carburetor and fuel injection systems, emission control and OBD I electronic engine control. Letter grade only.

AUTOMOTIVE TECHNOLOGY 023-2 AB - 4 Units
Engine Performance - Part 2
Prerequisites: Automotive Technology 023-1AB
A vocational course of study that builds on the knowledge and skills learned in AUTO TECH 023 - Part 1. This course expands to cover the theory, operation, maintenance, diagnosis and repair of modern computerized engine performance related systems that include: distributor less ignition, digital fuel injection systems, electronic emission control and OBD II electronic engine control. Letter grade only.

AUTOMOTIVE TECHNOLOGY 025-1 AB - 1.5 Units
Introduction to High Performance Automotive Systems, Part 1
Advisories: Automotive Technology 101
This course is the first of a two-part introductory course on high performance automotive technology. Part 1 of this course will give students a basic understanding of automotive principles, techniques and applications, including engine, transmission/transaxles, suspension, brakes, exhaust and other high performance systems. Optional credit/no credit or grade.

AUTOMOTIVE TECHNOLOGY 025-2 AB - 1.5 Units
Introduction to High Performance Automotive Systems, Part 2
Advisories: Automotive Technology 025-1 AB
This course is part 2 of a two part introductory course on high performance automotive technology systems. It will include advanced concepts and continuation of high performance automotive systems principles, techniques and applications. Part 2 of this course will expand upon areas covered in Part 1 and include exposure to more advanced automotive performance technology. Optional credit/no credit or grade.

AUTOMOTIVE TECHNOLOGY 027 (1-2) - 3 Units
Heating and Air Conditioning
A vocational course of study on the theory, operation, maintenance, diagnosis, and repair of automotive air conditioning systems. It will include cooling systems, air conditioning servicing, component replacement, manual heaters, manual air conditioner, and automatic systems. Letter grade only.

AUTOMOTIVE TECHNOLOGY 040 - 6.5 Units
Automatic Transmissions & Transaxles
This course covers information pertaining to principles and hydraulics of automotive automatic transmissions. Service, repair, overhaul and troubleshooting will be offered on current domestic and foreign automobiles and light trucks. Letter grade only.

AUTOMOTIVE TECHNOLOGY 043 AB - 4 Units
Electronic Fuel Injection
Advisories: Basic DC electricity/tuneup experience.
Principles of operation, maintenance, failure diagnosis, and repair of passenger car and light duty truck gasoline fuel injection systems. Diagnostic techniques and tools are demonstrated on popular domestic and import gasoline fuel injection systems. Students are required to provide their own set of basic hand tools, work clothing, and safety equipment. Letter grade only.

AUTOMOTIVE TECHNOLOGY 045 - 2.50 Units
BAR Clean Air Car Course (CACC)
Prerequisites: Prospective students must complete an application verifying a minimum of one year work experience or education in Engine Performance and Electricity/Electronics required per Bureau of Automotive Repair (BAR) requirements. This Clean Air Car Course (CACC) includes coverage of emission testing areas related to BAR 90 (Bureau of Automotive Repair). Successful completion of this course must occur before submitting an application to become a licensed “Advanced Emission Specialist” by the California Bureau of Automotive Repair. Students are advised that automotive engine performance, electrical and fuel system management topics are not included. Letter grade only. An eight-week course.
AUTOMOTIVE TECHNOLOGY 047 AB - 1.5 Units
BAR Advanced Clean Air Car Course
This course is a combination of the previous update-training course titled ‘Advanced Emissions/Update Training’ and the ‘Bureau of Automotive Repair (BAR) 97 Transition’ course. Successful completion of this course partially satisfies the education requirements for the ‘Advanced Emission Specialist’ license. Students who complete all course assignments and pass the final examination with a score of 70% or above will receive a certificate of completion. Credit/no credit only. A four-week course.

AUTOMOTIVE TECHNOLOGY 048 AB - 1.5 Units
California Bar OBDII Training Course
The Bureau of Automotive Repair (BAR) has approved this update training course as meeting the standard required to demonstrate this knowledge. After 1/31/01 all initial and renewal applicants for a California Emissions Technician license will be required to demonstrate their knowledge of On Board Diagnostics Generation II (OBDII) operation. Students that score 70% and above on the course final examination will be awarded credit/certification for the course. Credit/no credit only.

AUTOMOTIVE TECHNOLOGY 049 - .5 Units
BAR Smog Check Program Update 2003
Smog check technicians with licenses that expire after January 1, 2003 are not required to take a smog check examination to renew their smog license. To renew the smog license, technicians are required to successfully complete this Smog Check Program Update 2003 training course. This course is designed to discuss new material added to the Smog Check Inspection Manual and to address some of the common misunderstandings仍有待修复的，并对这些误解进行澄清。Credit/no credit only. This is a one week course.

AUTOMOTIVE TECHNOLOGY 101 - 3 Units
Introduction to Automotive Technology
This class is designed to inform the student about the operation and maintenance of the modern automobile with emphasis on the theory of basic operating systems, i.e., engine, electrical, chassis and drive line. Letter grade only. Transferable to CSU.

BIOLOGY

BIOLOGY 100 - 4 Units
Introduction to Biology
A survey course emphasizing basic concepts of cell biology, animal and plant physiology, genetics and evolution, and plant, animal and human ecology. This course is specifically designed for non-science majors and is recommended to meet the general education breadth requirements. A traditional format may be followed on lectures, demonstrations, and laboratories may be integrated into the learning system. Letter grade only. UC Credit limitations. See counselor. Transferable to CSU; UC.

BIOLOGY 100 HONORS - 4 Units
Introduction to Biology, Honors
As in the regular course, Honors students will survey basic concepts of cell biology, animal and plant physiology, genetics and evolution, as well as plant, animal and human ecology. This course is specifically designed for non-science majors and meets the general education breadth requirements. We will follow either a traditional format or integrate lectures, demonstrations, and laboratories into a learning system equivalent to three ours lecture and three hours laboratory per week. In addition to the usual laboratory exercises, Honors students will complete additional projects and assignments. Letter grade only. UC Credit limitations. Transferable to CSU; UC.

BIOLOGY 104 - 3 Units
Marine Life
A study of the marine environment, interaction of species, populations and communities, including geology of ocean basins, physical and chemical characteristics of the ocean basins. A survey of marine plants and animals through invertebrates, fish, reptiles, birds and mammals. The renewable and nonrenewable resources from the ocean realm. The influence of humans on the health of the marine environment. Letter grade only. Transferable to CSU; UC.

BIOLOGY 104L - 1 Unit
Marine Life Laboratory
Corequisites: Enrollment in or completion of Biology104
A course in many of the basic principles of the life sciences taking its examples from the sea. The ecological relationship between humans and the sea is emphasized. This course is designed for non-science majors and is recommended to meet the general education breadth requirements, or the natural science requirement with Biology 104. Letter grade only. Transferable to CSU; UC.

BIOLOGY 110 - 3 Units
Ecology and Field Biology
A survey course that integrates lectures, laboratory experiences and field trips to emphasize the natural environments of Southern California. This course is recommended to meet the laboratory requirement for an associate in arts degree. Letter grade only. Transferable to CSU; UC.

BIOLOGY 120 - 3 Units
Man and Disease
An introduction to the study of human anatomy, physiology and the kinds of diseases which affect man. Diseases will be studied from historical and contemporary points of view, with particular references to causes, means of transmission, normal and abnormal functioning of the body. Letter grade only. Transferable to CSU; UC.

BIOLOGY 155 - 4 Units
Introduction to Anatomy and Physiology
The elements of human structure and function are described and related. Topics explored are: the body system, cell structure and function, the maintenance of physiological balance and equilibrium (e.g., fluid and electrolytes, blood pressure, acid base levels), and the physiology of nutrition and exercise. Designed for non-science majors (including some para-medical majors) and is recommended to meet the general education breadth requirement. Letter grade only. UC Credit limitations. See counselor. Transferable to CSU; UC.

BIOLOGY 160 - 3 Units
Physiology and Disease Mechanisms
Prerequisites: Biology 175
This course will discuss and utilize the principles of physiology to analyze the symptoms and signs of disease. Among the subjects to be studied are cardiovascular disease, respiratory disease, renal diseases; also disorders of genetics, reproduction, and the endocrine system. Letter grade only. Transferable to CSU.
BIOLOGY 170 - 4 Units
Anatomy
A course in basic human anatomy, covering the major body systems and including topics of both gross and microstructure of the organ systems. Designed for paramedical biology majors (nursing, X-ray technicians, etc.) and physical education majors. Will not satisfy transfer requirements for biological science majors. Letter grade only. Will not satisfy transfer requirements for biological science majors. UC Credit limitations. See counselor. Transferable to CSU; UC. (CAN BIOL 10) (BIOL 170 + 175 = CAN BIOL SEQ B)

BIOLOGY 175 - 4 Units
Human Physiology
Prerequisites: Biology 170
This course covers physiological function of the basic systems of the human body. Emphasis will be on integration of body systems and the inter-relationships for maintaining body homeostasis. Designed for paramedical biology majors (nursing, X-ray technicians, etc.) and physical education majors. Will not satisfy transfer requirements for biology majors. Letter grade only. UC Credit limitations. See counselor. Transferable to CSU; UC. (CAN BIOL 2) (BIOL 170 + 175 = CAN BIOL SEQ B)

BIOLOGY 180 - 5 Units
Principles of Biology
Prerequisites: Chemistry 130
This course is designed as the first in a three-course sequence for students desiring to major in biology. The topics to be covered in this course are among those which serve to unify the science of biology. Included in these concepts are: molecular biology, cell theory, genetics, biotechnology, ecology and evolution. Letter grade only. Transferable to CSU; UC. (CAN BIOL 2) (BIOL 180 + 185 + 190 = CAN BIOL SEQ A)

BIOLOGY 185 - 4 Units
Principles of Zoology
Prerequisites: Biology 180
The principles of animal biology; the ecological and taxonomical survey of animal groups with emphasis on the anatomy and physiology of representative invertebrates and vertebrates. Letter grade only. Transferable to CSU; UC. (CAN BIOL 4) (BIOL 180 + 185 + 190 = CAN BIOL SEQ A)

BIOLOGY 190 - 4 Units
General Botany
Advisories: Biology 180
This course is an introductory survey of the plant kingdom and organisms, which at some time in history have been considered plants, such as certain Fungi, photosynthetic Bacteria, and seaweeds or Protista. Topics include: biology of the plant cell; energy in respiration and photosynthesis; plant genetics; diversity of photosynthetic organisms; plant morphology; plant physiology and growth. This course is designed for science majors, including biology, pharmacy, forestry, agriculture, wildlife management and horticulture. Letter grade only. Transferable to CSU; UC. (CAN BIOL 6) (BIOL 180 + 185 + 190 = CAN BIOL SEQ A)

BIOLOGY 200 - 3 Units
Pharmacology - Medications and Drugs
Prerequisites: Biology 175
Basic principles of pharmacology; classification of drugs, methods and routes of administration, distribution, absorption, excretion; desired and toxic effects; indication and contraindication for use. Letter grade only. Transferable to CSU.

BIOLOGY 210 - 5 Units
General Microbiology
Prerequisites: Biology 100
Major concepts of general microbiology are discussed, including 1) procaryotic and eucaryotic cell types, 2) structural organization of cells, 3) cellular metabolism, regulation of metabolism, and genetics, 4) host-parasite relationships, 5) microorganisms in human health and disease, 6) immunology and serology, 7) recombinant DNA technology, 8) growth of microbial cells, 9) controlling growth by chemical and physical means. Bacteria, fungi, algae, protozoa, and viruses are studied. Laboratory skills include: microscopy, staining techniques cultivation techniques, and aseptic techniques. Letter grade only. Transferable to CSU; UC. (CAN BIOL 14)

BROADCAST & VIDEO PRODUCTION
BROADCAST & VIDEO PRODUCTION 100 - 3 Units
The Business of Television
(Formerly known as: Television Production and Operations 100)
A comprehensive overview of cable, industrial television broadcast, independent and educational television production. Also included is station management, distribution, marketing and budgeting. This course covers the entire spectrum of television usage. Producing, distributing television, as well as sales techniques, are explored in depth. Optional credit/no credit or grade. Transferable to CSU.

BROADCAST & VIDEO PRODUCTION 101 - 3 Units
History of Radio/TV
(Formerly known as: Television Production and Operations 101)
(Same as: Humanities 101)
Overview of the development and nature of radio, television, and motion pictures and their social, political, economic, and cultural implications. Distribution systems, regulation, programming, non-commercial broadcasting, international aspects. Letter grade only. Transferable to CSU.

BROADCAST & VIDEO PRODUCTION 103 AD - 3 Units
Introduction to After Effects
Prerequisites: Broadcast & Video Production 160AB
Advisories: Students should possess basic computer skills, i.e. ability to create folders, save to drives, rename files, operate mouse, save to zip disk and use keyboard shortcuts.
This is an introductory course to the basic functions of Adobe After Effects. Students will learn basic After Effect skills, which will enable them to edit, composite, animate and add special effects to video projects. The course is designed for the individual who is a film or video producer who requires special effects, the digital photographer, graphic artist or animator. Optional credit/no credit or grade. Transferable to CSU.

BROADCAST & VIDEO PRODUCTION 110 - 3 Units
Writing & Producing for Television and News Media
(Formerly known as: Television Production and Operations 110)
Study of pre-production principles and procedures common to all media producers. Emphasis on scripting and other skills unique to audio, video and film. Consideration of budgeting, casting, legal clearances and other production problems. Optional credit/no credit or grade. Transferable to CSU.
BROADCAST & VIDEO PRODUCTION 111 - 3 Units
Writing for News Media
(Formerly known as: Television Production and Operations 111)
(Same as: Journalism 185)
Students will develop the skills which are needed to organize and write stories for print and broadcast media, including newspapers, radio, television and magazines. This includes extensive exercises in writing, interviewing and other skills, including working with sound and pictures recorded in the field. Students will also develop knowledge of the ethics and law of print and broadcast news. Credit/no credit only. Transferable to CSU.

BROADCAST & VIDEO PRODUCTION 112 (1-4) - 3 Units
Broadcast News: Writing, Reporting and Producing
(Formerly known as: Television Production and Operations 112 (1-4))
An introduction to the principles and practices used in producing, writing, and reporting news for broadcast. Topics include interview techniques, research practices, rewriting wire copy, shooting, and editing news packages and features, producing newscasts and features, computer-assisted reporting, cover beats, journalistic ethics and law, writing and producing packages and investigative reporting. Students will produce a weekly local and national cable news program. Optional credit/no credit or grade. Transferable to CSU.

BROADCAST & VIDEO PRODUCTION 113 AB - 3 Units
Introduction to ScreenWriting for Television and Film
(Formerly known as: Television Production and Operations 113) This course is an introduction to screenwriting for television and film. The focus of the course is on writing screenplay drama (narrative), not comedy. The course covers basic screenwriting topics such as the nature of screenplay narrative, plotting, structure, conflict, dialog and character development. Students will learn correct screenplay formatting using computer based scriptwriting software. During the course students will develop a treatment, outline and complete the writing of the first act of a screenplay. Optional credit/no credit or grade. Transferable to CSU.

BROADCAST & VIDEO PRODUCTION 120 AB - 3 Units
Introduction to Television Production
(Formerly known as: Television Production and Operations 120 AB) An intensive introduction of the fundamental techniques of multi-camera video production. Through lectures, interactive multimedia exercises and hands-on practice in the KOCE studio, students will practice production procedures used in multi-camera video. All phases of multi-camera production will be explored in this basic course including camera operation, principles of video engineering, audio, computer graphics, non-linear record, edit and storage mediums, lighting, TelePrompTer, technical directing and stage managing. No prior television knowledge required for this course. Optional credit/no credit or grade. Transferable to CSU.

BROADCAST & VIDEO PRODUCTION 121 AD - 3 Units
Producing and Directing Multi-Camera Productions
(Formerly known as: Television Production and Operations 121 AD)
Prerequisites: Broadcast and Video Production 120 AB
An intensive lecture and lab course which students practice principles of producing and directing multiple camera (studio) productions. The course provides students with the opportunity to produce and direct multiple camera studio projects including news, talk/public affairs programs, and dramatic scenes. Class members form teams to collaborate on pre-producing, shooting and editing selected scripts. Course covers principles of directing multi-camera productions, working with crew and talent and managing each aspect of the pre-production, production and post production process. The course includes lectures by industry professionals and field trips to multi-camera productions. Two hours lecture and three hours non-lecture. Optional credit/no credit or grade. Transferable to CSU.

BROADCAST & VIDEO PRODUCTION 122 AD - 3 Units
Television Production Workshop
(Formerly known as: Television Production and Operations 122 AD)
Prerequisites: Broadcast and Video Production 120 AB
An advanced course which incorporates basic television production skills with multi-camera remote production techniques. Students will develop skills in the setup and operation of remote multi-camera productions vehicle. Course includes instruction in all phases of remote multi-camera video productions including pre-production, production, and postproduction. Students will produce live and taped multi-camera remote productions using the Golden West College television production vehicle. Students will produce a wide range of remote multi-camera productions including sports, events, public affairs programs, and dramatic presentations. Students will receive instruction and hands-on lab experiences in producing and directing sports, public affairs and events for broadcast. Optional credit/no credit or grade. Transferable to CSU.

BROADCAST & VIDEO PRODUCTION 130 AB - 3 Units
Introduction to Electronic Movie Making
(Formerly known as: Television Production and Operations 130 AB)
Prerequisites: Broadcast and Video Production 158AB
This course provides students with an introduction to the principles, techniques and practices used in single camera video production. Through lectures, demonstrations and working with video cameras, students become familiar with each of the aspects involved in single camera video production, including operation of camera, composition, lighting, audio, pre-production, production and postproduction. Equipment is provided or students may use own equipment. Optional credit/no credit or grade. Transferable to CSU.

BROADCAST & VIDEO PRODUCTION 131 AD - 3 Units
Advanced Digital Movie Making
(Formerly known as: Television Production and Operations 131AD)
Prerequisites: Broadcast & Video Production 130 AB
This advanced film style production course incorporates lectures, discussions with guest speakers (including producers, directors, cinematographers, and editors), hands-on single camera production and nonlinear editing. After an introduction to screen writing and nonlinear editing principles participants will write and produce a mini documentary, and video short subject (live action). Participants will learn and apply advanced principles of pre-production, film style camera techniques and nonlinear editing, including time code recording, window burns, edit decision lists, batch digitizing, making window burns and advanced special effect and audio techniques. The course includes lectures on principles of directing and working with talent. Two hours lecture and two hours non-lecture per week. Optional credit/no credit or grade. Transferable to CSU.
BROADCAST & VIDEO PRODUCTION 150 AB - 3 Units
Introduction to Broadcast Announcing
(Formerly known as: Television Production and Operations 150)
This is an introductory course to the basic skills required for on-camera performers. Students will practice on camera broadcast skills including reading teleprompter, delivering news and sports, interviews (studio and stand-ups), commercials, demonstrations and adlibbing. Assignments are videotaped and critiqued in class by instructor. The course also covers writing copy and producing. During the course, students will produce an interview program for broadcast. Optional credit/no credit or grade. Transferable to CSU; UC.

BROADCAST & VIDEO PRODUCTION 152 - 3 Units
Acting for the Camera
(Formerly known as: Television Production and Operations 152)
(Same as: Theater Arts 110)
Instruction in acting for the camera. The course will discuss basic acting techniques when using the media. While television will be our media of format, we will also apply acting techniques to film as well. The course will also discuss in depth the business of show business and the information the actor needs to succeed in the industry. Letter grade only. Transferable to CSU; UC.

BROADCAST & VIDEO PRODUCTION 153 (1-4) - 3 Units
Introduction to Sportscasting
(Formerly known as: Television Production and Operations 153-1)
Designed to provide comprehensive lecture and on-air practice in all phases of sport broadcasting. Topics include writing and reporting sports, interview technique and skills, producing sports features and packages, play by play and color commentary, stand-ups and adlibs, shooting and editing sports and preparing and producing sportscast and athletic events. Students will prepare and deliver on cable television sports reports, provide play by play and color commentary for local high school and college teams. Optional credit/no credit or grade. Transferable to CSU.

BROADCAST & VIDEO PRODUCTION 158 AB - 3 Units
Introduction to Videotape Editing
(Formerly known as: Television Production and Operations 156)
This course provides the student with an introduction to basic principles and practices of videotape editing. The course covers the basic components, concepts and practices required in editing. Students work on cuts only videotape editing systems with supplied footage. Through lectures and hands on labs, students will gain skill and proficiency in basic cuts-only videotape editing concepts, procedures and practices. Optional credit/no credit or grade. Transferable to CSU.

BROADCAST & VIDEO PRODUCTION 160 AD - 3 Units
Introduction to Non-Linear Editing
(Formerly known as: Television Production and Operations 160)
Prerequisites: Broadcast & Video Production 158 AB
This course provides the student with an introduction to the basic principles and practices of non-linear editing. The course covers the basic components and practices of editing required for editing in a digital environment. Using Adobe Premier, nonlinear editing software students will attend lectures and practice importing and managing clips, editing source clips, creating a program and editing in a timeline. Optional credit/no credit or grade. Transferable to CSU.

BROADCAST & VIDEO PRODUCTION 162 - 3 Units
Digital Non Linear Editing
(Formerly known as: Television Production and Operations 162)
A course of advanced videotape editing techniques designed for students intending to go directly into the field time code, advanced audio mixing and sweetening, effects, and other advanced components will be taught. Optional credit/no credit or grade. Transferable to CSU.

BROADCAST & VIDEO PRODUCTION 164 AB - 2 Units
3D Graphics Production
(Formerly known as: Television Production and Operations 164AB)
(Same as: Art 173 AB)
Introduction to the preparation of graphic arts for television. Emphasis upon planning and requesting of graphic needs by the producer and the design and production of graphics. Course covers on-air graphics, computer graphic concepts, set design, special effects, animation concepts, and development of promotional materials. Optional credit/no credit or grade. Transferable to CSU.

BROADCAST & VIDEO PRODUCTION 167 AD - 3 Units
Introduction to AVID Editing
Prerequisites: Broadcast & Video Production 160AD
This is an introduction to editing with AVID DV-Express, non-linear editing software. The course is designed for the beginning to intermediate student. Course covers the basic elements of the AVID systems including the interface, editing, importing and exporting, effects, trimming and outputting. Class sessions consist of lecture, demonstrations and hands on editing with the AVID, DV Express. Optional credit/no credit or grade. Transferable to CSU.

BROADCAST & VIDEO PRODUCTION 170 - 3 Units
Digital Audio Editing
This is an introduction to editing with Pro Tools, digital audio editing software. Students will develop editing skills for the creation and production of audio and sound tracks for television and multimedia projects. The course provides an overview of recording, editing, and mastering of audio in digital environments. Prerequisite: Music Production 102.

BROADCAST & VIDEO PRODUCTION 172 - 3 Units
Sound Design
This course focuses on the design and implementation of soundscapes and audio elements in broadcast media, including radio, television, and digital audio environments. Students will learn techniques for creating immersive audio experiences, including mixing, mastering, and sound design for multimedia projects. Prerequisite: Digital Audio Editing.

BUSINESS

BUSINESS 100 - 3 Units
Introduction to Business
A basic background for the various fields of business. Fundamental vocational information; guidance information; exploration of management, production, marketing and finance in business; consideration of specialized areas of business planning, organizing, staffing, directing and control. Exposure to business in small—medium—large organizations. Letter grade only. Transferable to CSU; UC.

BUSINESS 108 - 3 Units
Legal Environment of Business
This course provides an introduction to principles of law, which influence and reflect the ethical, social, and political environments in which modern business operates with emphasis given to the federal and state judicial system, constitutional law, administrative law, torts, crimes, contracts, product liability, business organizations, agencies, employment law, antitrust law, securities regulation, environmental law, and international law. This course is designed to conform to the scope of course content of comparable courses at California State University at Fullerton (Mgt 246) and San Diego State University. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC. (CAN BUS 12)
BUSINESS 110 - 3 Units  
Business Law  
An introduction into the legal environment in which businesses and individuals operate. Emphasis is placed on: Courts and their jurisdiction, legal procedure, torts, warranties, product liability, contract and remedies, agency, and employment. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC. (CAN BUS 8)

BUSINESS 111 - 3 Units  
Income Tax - Federal  
(Same as: Accounting 111)  
A review of the theory and application of federal income tax regulations. The course explains the preparation of federal personal income tax returns with minor emphasis on individual returns. Actual forms are used when appropriate. Optional credit/no credit or grade. Transferable to CSU.

BUSINESS 112 - 3 Units  
Real Estate Legal Aspects  
(Same as: Real Estate 120)  
An introduction into law dealing with the ownership and use of real estate in California. Emphasis will be placed on the problems commonly encountered in the purchase, sale, lease of real estate, and the rights and liabilities of the parties. Letter grade only. Transferable to CSU. May not be offered each semester.

BUSINESS 113 - 3 Units  
Business Income Tax  
(Same as: Accounting 113)  
Advisories: Accounting 111 or Business 111  
Study of Federal Income Tax as it relates to small businesses, including recent and proposed tax changes. Optional credit/no credit or grade. Transferable to CSU. May not be offered each semester.

BUSINESS 114 - 3 Units  
Personal Finance  
(Same as: Marketing 121)  
An introductory course in financial affairs involving management of expenditures. The course includes the budgeting process, using consumer loans and credit, savings on taxes, decisions on transportation and home buying, insurance planning, investments, financial planning, career planning, retirement and estate transfer decisions. Letter grade only. Transferable to CSU.

BUSINESS 115 - 3 Units  
Business English  
A review and reinforcement of basic grammar, punctuation, vocabulary, proofreading skills, spelling, word division, capitalization, sentence construction, and dictionary usage. Emphasis is on more effective communication by providing an accurate knowledge and precise application of standard English in both verbal and written professional communications. Optional credit/no credit or grade. Transferable to CSU.

BUSINESS 116 - 3 Units  
Business Communication  
(Same as: Management 126)  
Students must possess a good-to-excellent command of the English language and an ability to construct well-written sentences and paragraphs to successfully complete this course. Knowledge of keyboarding and word processing helpful. Instruction and practice in solving business problems through written communication skills. Emphases will be placed on the communication process, correspondence composition, and informal report writing. Optional credit/no credit or grade. Transferable to CSU.

BUSINESS 117 - 3 Units  
Management Communication  
(Same as: Management 127)  
Instruction and practice in solving business problems through both oral and written communications. Emphases will be placed on understanding the communication process by effectively composing correspondence, completing an employment portfolio, and preparing and delivering oral presentations, conducting interviews and meetings, and researching and writing both formal and informal business reports. Students must possess a good-to-excellent command of the English language (both oral and written) to successfully complete this course. Knowledge of keyboarding and word processing helpful. Optional credit/no credit or grade. Transferable to CSU.

BUSINESS 120 - 3 Units  
Business Mathematics  
Review of math with business and financial applications, including discounts, payroll computations, simple and compound interest, markup, taxes, insurance, depreciation inventory valuation methods, I.R.A.’s, Savings and Loan, banking, and use of algebraic principles in business. Optional credit/no credit or grade.

BUSINESS 121 - 3 Units  
Machine Calculation  
This course is designed to provide the student practice in using an electronic calculator in the solving of business problems. Optional credit/no credit or grade.

BUSINESS 122 - 1 Unit  
Machine Calculation, Advanced  
Advisories: Business 161  
This course provides additional practice in the use of the electronic calculator in the solving of advanced business problems. Optional credit/no credit or grade.

BUSINESS 123 - 3 Units  
Survey of International Trade  
(Same as: Marketing 180)  
A survey of global business operations, including international trade theory and practice, trade and investment, economic environments and institutions, legal and political environments, cross cultural management, marketing research, methods of market entry, physical distribution and finance. Optional credit/no credit or grade. Transferable to CSU.

BUSINESS 124 - 1.5 Units  
International Payments and Collections  
(Same as: Management 183)  
An overview of methods of payment in international trade, including cash, open account, documentary collection and letters of credit, the role of banks and other services providers, and the Uniform customs and Practice for Documentary Credits, UCP 50 Optional credit/no credit or grade. An eight-week course. Transferable to CSU.
### BUSINESS 184 - 1 Unit
**Mexico and NAFTA: A Business Perspective**  
(\textit{Same as: Management 184})  
An introductory course in doing business in Mexico after NAFTA. Including a country profiles, marketing products and services, Mexican business and culture, understanding NAFTA, the NAFTA Rules of Origin and import export procedures between the United States and Mexico, and NAFTA resources. Optional credit/no credit or grade. A six-week course. \textit{Transferable to CSU}.

### BUSINESS 185 - 3 Units
**International Marketing**  
(\textit{Same as: Marketing 185})  
An examination of the environment and operations of global marketing, including the international marketing mix; product, pricing, placement and promotion, as well as emerging issues in international trade, such as the globalization of markets, standardization vs. adaptation and the cultural environment of business. Optional credit/no credit or grade. \textit{Transferable to CSU}.

### BUSINESS 186 - 0.5 Units
**International Marketing and the Internet**  
(\textit{Same as: Marketing 186})  
An examination of the International trade opportunities on the Internet, held in a seminar format in a computer lab, on locating and using public and private resources relating to export import, marketing, trade leads, transportation, regulation and finance, industry and country libraries, and job opportunities. Optional credit/no credit or grade. \textit{Transferable to CSU}.

### BUSINESS 190 - 3 Units
**Import Export Procedures**  
(\textit{Same as: Management 190})  
An overview of contemporary import and export procedures including business start-up, negotiating, terms of sale, payments, logistics, documentation, insurance, trade agreements, regulation and the role of government agencies in international trade, and local sources and agencies. Optional credit/no credit or grade. \textit{Transferable to CSU}.

### BUSINESS 210 - 3 Units
**Securities and Investments**  
Principles of investments, risks/reward analysis, characteristics of stocks and bonds, overview of investment alternatives, role of mutual and money market funds. Optional credit/no credit or grade. \textit{Transferable to CSU}.

### BUSINESS DATA PROCESSING

#### BUSINESS DATA PROCESSING 110 - 3 Units
**Introduction to Macintosh Computers**  
An introductory course in the fundamental operations of the Macintosh computer system. The student will be introduced to certain applications in graphics, word processing, spreadsheets, data bases, hypercard, and business computer programs. Optional credit/no credit or grade. \textit{Transferable to CSU}.

#### BUSINESS DATA PROCESSING 174-1 AD - 3 Units
**Introduction to Page Layout & Design - Adobe InDesign**  
(\textit{Same as: Art 174-1 AD})  
Advisories: Business Data Processing 110  
An introduction to electronic page layout and design using today’s popular software such as Adobe InDesign. This course includes beginning principles of document design combined with detailed software instruction that will enable the student to master basic principles of topography and publishing. Optional credit/no credit or grade. \textit{Transferable to CSU}.

#### BUSINESS DATA PROCESSING 174-2 AD - 3 Units
**Introduction to Page Layout & Design - Adobe PageMaker**  
(\textit{Same as: Art 174-2 AD})  
Advisories: Business Data Processing 110  
An introduction to electronic page layout and design using today’s popular software such as Adobe PageMaker. This course includes beginning principles of document design combined with detailed software instruction that will enable the student to master basic principles of topography and publishing. Optional credit/no credit or grade. \textit{Transferable to CSU}.

#### BUSINESS DATA PROCESSING 176 AD - 3 Units
**Desktop Publishing Using QuarkXpress**  
(\textit{Same as: Art 176 AD})  
Advisories: Digital Arts 100  
Desktop publishing using the current version of QuarkXpress. The student will learn how to combine word processing documents, typesetting, page layout, drawing, image control, color control, and document construction in a single program, to create other promotional materials. Optional credit/no credit or grade. \textit{Transferable to CSU}.

#### BUSINESS DATA PROCESSING 177 AB - 3 Units
**Graphic Design Principles on the Computer**  
(\textit{Same as: Art 177 AB})  
A studio format class in the new computer lab where students use their acquired graphic techniques and talents to prepare portfolio quality graphic design. Using a variety of software programs the course combines graphics, illustration, lettering, and photography to communicate ideas and concepts clearly and effectively. Optional credit/no credit or grade. \textit{Transferable to CSU}.

#### BUSINESS DATA PROCESSING 178 AB - 3 Units
**Introduction to Web Page Design**  
(\textit{Same as: Art 178 AB})  
A basic introduction into what graphic designers need to know about designing and preparing images and media for the Web. Learn how to make interesting and dynamic looking Web sites and Web graphics with popular applications, Dreamweaver, Photoshop, and Illustrator. Learn to identify your audience, determine appropriate content and how to assemble your Web site. The class will cover classic principles of design, how the principles apply to Web design, and the issues and constraints of designing complex, multi-layered sites. Optional credit/no credit or grade. \textit{Transferable to CSU}.
CHEMISTRY

CHEMISTRY 110 - 5 Units
Introduction to Chemistry
Prerequisites: Mathematics 010 or appropriate score on the Math Placement Assessment.
An introduction to some of the basic principles of inorganic, organic and biochemistry. Lectures, demonstrations and laboratories are integrated into a learning system equivalent to three hours lecture, four hours lecture-laboratory a week. Letter grade only. Not intended for students planning to take Chemistry 180. UC Credit limitations. See counselor. Transferable to CSU; UC. (CAN CHEM 6)

CHEMISTRY 130 - 4 Units
Introduction to Chemical Principles
Prerequisites: Mathematics 030 or appropriate score on the Math Placement Assessment.
An introduction to the principles and calculations of chemistry. Practice in basic laboratory techniques. It is designed specifically for students planning to take Chemistry 180 (General Chemistry). Letter grade only. UC Credit limitations. See counselor. Transferable to CSU; UC.

CHEMISTRY 180 - 5 Units
General Chemistry
Prerequisites: Chemistry 130 and Mathematics 030 or appropriate score on the Math Placement Assessment.
An introduction to stoichiometry, solution chemistry, atomic and molecular structure, chemical bonds, liquid, solid, and gas phases. Letter grade only. Transferable to CSU; UC. (CAN CHEM 2) (CHEM 180 + 185 = CAN CHEM SEQ A)

CHEMISTRY 185 - 5 Units
General Chemistry
Prerequisites: Chemistry 180
An introduction to kinetics, principles and types of chemical equilibria, acids and bases, thermochemistry, electrochemistry, coordination compounds, nuclear chemistry and nomenclature of organic compounds. Letter grade only. Transferable to CSU; UC. (CAN CHEM 4)

CHEMISTRY 220 - 5 Units
Organic Chemistry
Prerequisites: Chemistry 185
A study of the compounds of carbon and their reactions with emphasis upon structure/reactivity relationships and mechanisms. The laboratory emphasizes standard organic techniques for synthesis and spectroscopic methods for identification. Letter grade only. Transferable to CSU; UC. Offered fall semester only.

CHEMISTRY 225 - 5 Units
Organic Chemistry 225
Prerequisites: Chemistry 220
A continuation of Chemistry 220 with continued emphasis on structure/reactivity relationships and mechanisms. Includes part II of the acyl family, amides, aromatic compounds, photochemistry, polymer chemistry and chemistry related to biological systems. Laboratory includes reaction and workup design, analysis of an unknown mixture. The laboratory work includes multistep synthesis. Letter grade only. Transferable to CSU; UC. Offered spring semester only.

CHINESE

CHINESE 180 - 5 Units
Elementary Chinese
Fundamentals of Chinese grammar, reading, writing and speaking simple Chinese. Native speakers are eligible for Chinese 180 only by permission of instructor. Optional credit/no credit or grade. Transferable to CSU; UC. (Chinese 180 + 185 = CAN CHIN SEQ A)

CHINESE 185 - 5 Units
Elementary Chinese
Prerequisites: Completion of one semester of Chinese.
This course represents further language training in both oral and written Chinese language. It emphasizes more intensive practice on the written style of the language as well as on the spoken language. It stresses the daily usage of the language. Optional credit/no credit or grade. Transferable to CSU; UC. (Chinese 180 + 185 = CAN CHIN SEQ A)

CHINESE 280 - 4 Units
Intermediate Chinese
Prerequisites: Chinese 185
This course offers Chinese vocabulary, dialogues, reading, writing and translation of simple stories and essays. Emphasis on grammar, composition, and conversation. An additional 150 characters to the 100 from Chinese 185. The Mandarin dialect will be emphasized with minor attention given to the Cantonese and Shanghai dialects. Optional credit/no credit or grade. Transferable to CSU; UC.

COLLEGE

COLLEGE 100 - 3 Units
Becoming A Successful Student
Advisories: English 010
This performance-oriented course is designed to increase success in college. Students will develop their own success plan through self-evaluation and by learning and applying specific techniques and resources. Topics that will be covered include attitude and personal commitment, goal setting, problem solving and decision making, time management, college resources, study methods, library use. Optional credit/no credit or grade. Transferable to CSU; UC.

COMPUTER BUSINESS APPLICATIONS

COMPUTER BUSINESS APPLICATIONS 003 - 0.5 Units
Basic Letter Writing Skills
This course briefly reviews basic grammar, punctuation, capitalization, and spelling skills necessary in effective business communication. Basic principles of word selection and sentence construction are also covered. Letter organization for good news, routine, and bad news letters will be discussed. Basic letter formats will also be reviewed. Credit/no credit only. A total of nine hours. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 005 - 0.1 Units
Telephone Techniques
Improper telephone contacts can result in the loss of business or a sale. This course introduces the dynamics of telephone personality for business and professional use. Credit/no credit only. A total of three hours.
COMPUTER BUSINESS APPLICATIONS 012 - 0.3 Units
Computers for Writing
Advisories: Basic computer keyboarding skills recommended. Hands-on experience using word processing software as a tool to input, revise, format, and print writing assignments. Credit/no credit only. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 040 AD - 1 Unit
Computer Office Applications Lab
Corequisites: Any Computer Business Applications Class
Advisories: Basic Shorthand skills
This course provides an opportunity for additional hands-on computer time for students concurrently enrolled in a Computer Business Applications course. Through this practice the student will be able to work toward developing greater confidence, competence, and skill proficiency in using Windows software. Credit/no credit only. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 045 AC - 1-3 Units
Shorthand Projects
Advisories: Basic Shorthand skills
This course provides an opportunity for specialized and specific shorthand practice which is outside or beyond the scope of Computer Business Applications 090, 110, 116, or 118. An individualized practice plan will be developed for each student using the facilities and resources available in the Office Skills Center. Credit/no credit only. This class is equivalent to approximately 36 hours a unit.

COMPUTER BUSINESS APPLICATIONS 075 - 4 Units
Administrative Office Procedures
Advisories: Completion of 15 units of Computer Business Applications courses or equivalent office experience.
This course is designed to prepare the student for employment as an administrative assistant in any type of business office. Specialized ‘in-basket’ practice is given in the knowledge and skills which will prepare the student for eventual entrance into top-level secretarial positions and for working closely with management. Familiarity with a general business vocabulary is emphasized. Topics will include travel arrangements, payroll and tax duties, investment records, mail processing, and supervision of details of meetings. Optional credit/no credit or grade. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 080 AD - 3 Units
CPS/CAP, Part 1
This course is designed for students and/or administrative assistants who are preparing to take the Certified Professional Secretary exam. Others who may not be planning to take the CPS exam but who wish to study the topics covered in order to increase or update their knowledge may also benefit from this class. This course is designed for students and/or administrative assistants who are preparing to take the CPS exam but who wish to study the topics covered in order to increase or update their knowledge may also benefit from this class. Topic reviewed is Behavioral Science in Business. Optional credit/no credit or grade. A six-week course. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 080-2 AD - 1 Unit
CPS/CAP: Business Law, Part B
This course is designed for students and/or administrative assistants who are preparing to take the Certified Professional Secretary exam. Others who may not be planning to take the CPS exam but who wish to study the topics covered in order to increase or update their knowledge may also benefit from this class. Topic reviewed is Business Law. Optional credit/no credit or grade. A six-week course. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 080-3 AD - 1 Unit
CPS/CAP: Economics and Management, Part C
This course is designed for students and/or administrative assistants who are preparing to take the Certified Professional Secretary exam. Others who may not be planning to take the CPS exam but who wish to study the topics covered in order to increase or update their knowledge may also benefit from this class. Topics reviewed are Economics and Management. Optional credit/no credit or grade. A six-week course. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 081 AD - 3 Units
CPS/CAP, Part 2
This course is designed for students and/or administrative assistants who are preparing to take the Certified Professional Secretary exam. Others who may not be planning to take the CPS exam but who wish to study the topics covered in order to increase or update their knowledge may also benefit from this class. Topics reviewed will include three of the following: Behavioral Science in Business, Business Law, Economics and Management, Accounting, Office Administration and Communications, or Office Technology. Optional credit/no credit or grade. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 081-1 AD - 1 Unit
CPS/CAP: Accounting, Part D
This course is designed for students and/or administrative assistants who are preparing to take the Certified Professional Secretary exam. Others who may not be planning to take the CPS exam but who wish to study the topics covered in order to increase or update their knowledge may also benefit from this class. Topic reviewed is Accounting. Optional credit/no credit or grade. A six-week course. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 081-2 AD - 1 Unit
CPS/CAP: Office Administration and Communications, Part E
This course is designed for students and/or administrative assistants who are preparing to take the Certified Professional Secretary exam. Others who may not be planning to take the CPS exam but who wish to study the topics covered in order to increase or update their knowledge may also benefit from this class. Topics reviewed are Office Administration and Communications. Optional credit/no credit or grade. A six-week course. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 081-3 AD - 1 Unit
CPS/CAP: Office Technology, Part F
This course is designed for students and/or administrative assistants who are preparing to take the Certified Professional Secretary exam. Others who may not be planning to take the CPS exam but who wish to study the topics covered in order to increase or update their knowledge may also benefit from this class. Topic reviewed is Office Technology. Optional credit/no credit or grade. A six-week course. May not be offered each semester.
COMPUTER BUSINESS APPLICATIONS 090 - 2 Units
Shorthand Review
Advisories: Completion of one or more semesters of Gregg shorthand or equivalent experience.
This course provides an intensive review of Gregg shorthand theory for those who wish to build dictation confidence and speed prior to enrolling in more advanced shorthand courses. The course includes 60 to 80 words a minute dictation tests and basic transcription practice. Credit/no credit only.

COMPUTER BUSINESS APPLICATIONS 100 - 3 Units
Computer Keyboarding, Introduction—Parts 1, 2 and 3
(Same as: Computer Business Applications 101, 102 and 103)
A basic computer keyboard presentation using ‘touch’ techniques and an introduction to table preparation, letter formatting, memos, and manuscript report preparation including endnotes and footnotes. The student will learn some basic word processing concepts to make keyboarding quick and easy. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 101 - 1 Unit
Computer Keyboarding, Introduction, Part 1
(Same as: first third of Computer Business Applications 100)
A basic computer keyboard presentation using ‘touch’ techniques including an introduction to symbol-key reaches. This course assumes that the student has never had a formal keyboarding class or does not know ‘touch’ techniques. The student will learn some basic word processing concepts to make keyboarding quick and easy. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 102 - 1 Unit
Computer Keyboarding, Introduction, Part 2
(Same as: middle third of Computer Business Applications 100)
Advisories: Computer Business Applications 101
A review of all computer keyboarding reaches; ‘touch’ techniques; letter formatting; and report, memo, and table preparation. The student will learn some basic word processing concepts to make keyboarding quick and easy. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 103 - 1 Unit
Computer Keyboarding, Introduction, Part 3
(Same as: last third of Computer Business Applications 100)
Advisories: Computer Business Applications 102
A review of all computer keyboarding reaches; ‘touch’ techniques; table preparation, letter formatting, memo preparation, and manuscript report preparation including endnotes and footnotes. The student will learn some basic word processing concepts to make keyboarding quick and easy. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 104 AD - 1 Unit
Computer Keyboarding Speed and Accuracy Development
Advisories: Computer Business Applications 103
A review of all computer keyboard reaches using ‘touch’ techniques and a presentation of skill development methods and prescriptive drills for increasing speed and controlling accuracy. Includes numerous 5-minute timed proficiency tests to prepare the student for ‘pre-employment’ testing. Credit/no credit only. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 105 - 3 Units
Computer Keyboarding, Intermediate, Parts 1, 2 and 3
(Same as: Computer Business Applications 106, 107 and 108)
Advisories: Computer Business Applications 100 or 103
Development of production computer keyboarding skills to include business letter styles, tables, business forms, and manuscript reports as well as further development of speed and accuracy skills. The student will learn some basic word processing concepts to make keyboarding tasks quick and easy. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 106 - 1 Unit
Computer Keyboarding, Correspondence, Part 1
(Same as: first third of Computer Business Applications 105)
Advisories: Computer Business Applications 100 or 103
Development of production computer keyboarding skills to include a variety of business communications as well as further development of speed and accuracy skills. Emphasis will be placed on letter styles and letters with special features. The student will learn some basic word processing concepts to make keyboarding tasks quick and easy. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 107 - 1 Unit
Computer Keyboarding, Tables and Business Forms, Part 2
(Same as: middle third of Computer Business Applications 105)
Advisories: Computer Business Applications 100 or 103
Development of production computer keyboarding skills to include memos, tables, and business forms as well as further development of speed and accuracy skills. The student will learn some basic word processing concepts to make keyboarding tasks quick and easy. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 108 - 1 Unit
Computer Keyboarding, Manuscript Reports, Part 3
(Same as: last third of Computer Business Applications 105)
Advisories: Computer Business Applications 100 or 103
Development of production computer keyboarding skills to include manuscript reports as well as further development of speed and accuracy skills. The student will learn some basic word processing concepts to make keyboarding tasks quick and easy. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 109 - 3 Units
Alphabetic Shorthand
Advisories: Computer Business Applications 100 or 101 or 102 or 103 or keyboarding speed of 20 words a minute.
Individualized instruction of principles of alphabetic shorthand theory presented by audiotape. Alphabetic shorthand is an all-longhand, abbreviated writing system for persons wishing to take class notes, field notes, etc. This shorthand system can also be typed and is suitable for police officers, journalists, etc., who need to take notes quickly for report writing. Credit/no credit only. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 110 - 4 Units
 Gregg Shorthand Principles, Parts 1, 2, 3 and 4
(Same as: Computer Business Applications 111, 112, 113, and 114)
Advisories: Computer Business Applications 100 or 101 or 102 or 103 or keyboarding speed of 20 words a minute.
Individualized instruction of principles of Gregg shorthand theory presented by videotape permitting the student to progress at his/her own rate. Emphasis is placed on the shorthand writing principles (theory), with introduction to dictation and transcription practice. Optional credit/no credit or grade.
COMPUTER BUSINESS APPLICATIONS 111 - 1 Unit
Gregg Shorthand Principles, Part 1
(Same as: first quarter of Computer Business Applications 110)
Advisories: Computer Business Applications 100 or 101 or 102 or 103 or keyboarding speed of 20 words a minute.
Individualized instruction of principles of Gregg shorthand theory presented by videotape permitting the student to progress at his/her own rate. Emphasis is placed on the shorthand writing principles (theory), with introduction to dictation and transcription practice. Credit/no credit or grade.

COMPUTER BUSINESS APPLICATIONS 112 - 1 Unit
Gregg Shorthand Principles, Part 2
(Same as: second quarter of Computer Business Applications 110)
Advisories: Computer Business Applications 111
Individualized instruction of principles of Gregg shorthand theory presented by videotape permitting the student to progress at his/her own rate. Emphasis is placed on the shorthand writing principles (theory), with introduction to dictation and transcription practice. Optional credit/no credit or grade.

COMPUTER BUSINESS APPLICATIONS 113 - 1 Unit
Gregg Shorthand Principles, Part 3
(Same as: third quarter of Computer Business Applications 110)
Advisories: Computer Business Applications 113
Individualized instruction of principles of Gregg shorthand theory presented by videotape permitting the student to progress at his/her own rate. Emphasis is placed on the shorthand writing principles (theory), with introduction to dictation and transcription practice. Optional credit/no credit or grade.

COMPUTER BUSINESS APPLICATIONS 114 - 1 Unit
Gregg Shorthand Principles, Part 4
(Same as: fourth quarter of Computer Business Applications 110)
Advisories: Computer Business Applications 113
Individualized instruction of principles of Gregg shorthand theory presented by videotape permitting the student to progress at his/her own rate. Emphasis is placed on the shorthand writing principles (theory), with introduction to dictation and transcription practice. Optional credit/no credit or grade.

COMPUTER BUSINESS APPLICATIONS 115 - 3 Units
Filing & Records Management
An introduction to the field of records management for both manual and automated records systems. Emphasis will be placed on the efficient control of business records including the principles governing storage, requisition, retrieval, charge out, transfer, and retention or disposal. The student will complete a job simulation practice set covering alphabetic, subject, numeric, and geographic methods of filing. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 116 - 4 Units
Shorthand Dictation
Advisories: Students should have completed Computer Business Applications 110 or 114 or equivalent, which can be any shorthand system, and should have completed Computer Business Applications 105 or 106 or 107 or 108 or have a keyboarding speed of 40 words a minute. Business 125 recommended.
An individualized course designed to combine the skills of shorthand, keyboarding, and English grammar in the process of dictation and keyboard transcription. Emphasis is placed on building shorthand speed and expanding vocabulary through intensive practice and shortcutting techniques. Dictation begins at 50 words a minute. Optional credit/no credit or grade.

COMPUTER BUSINESS APPLICATIONS 117 - 3 Units
Proofreading Skills
Advisories: Computer Business Applications 100 or 101 or 102 or 103 or have a keyboarding speed of 20 words a minute. Business 125 recommended.
This course is designed to develop or improve proofreading skill for business or personal use. Includes units in proper use of the dictionary, proofreading for typographical errors, and proofreading for effective communication. Also includes exercises in proofreading for errors in spelling, word division, format, capitalization, expression of numbers, punctuation, grammatical construction, and word usage. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 118 - 4 Units
Shorthand Transcription
Advisories: Computer Business Applications 116 and Computer Business Applications 105, 106, 107 or 108 or a keyboarding speed of 45 words a minute.
An individualized course designed to meet the vocational needs of students who desire to achieve high-level marketable skills in shorthand dictation and transcription. Emphasis is on transcription of mailable letters and development of transcription speed. Dictation begins at 70 words a minute. Training includes exercises in proofreading, editing, and correct format of business documents. Optional credit/no credit or grade.

COMPUTER BUSINESS APPLICATIONS 119 - 3 Units
Administrative Business Procedures
Advisories: Computer Business Applications 101 or keyboarding speed of 35 words a minute. It would be helpful to have completed several software applications classes such as WORD and EXCEL.
This course is designed to prepare a student for an entry-level office support position as a receptionist, office clerk, or secretary. Current office procedures will be stressed. Topics will include handling written correspondence, business records, and office equipment; making travel arrangements; using reference sources to prepare simple reports; and assisting with meeting and conference preparation. Optional credit/no credit or grade. Transferable to CSU. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 120 - 1.5 Units
QuickBooks Pro
QuickBooks Pro is designed for individuals, business entrepreneurs, and home-based businesses, who wish to control their finances, investments, and other money matters. Entrepreneurs will be able to produce payroll documents and checks. Optional credit/no credit or grade. An eight-week course. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 125 - 0.3 Units
Introduction to Computers Quick Course
Learn basic personal computer concepts and skills. This course will provide an introduction to the hardware components of a personal computer, Windows skills and techniques, popular software applications, and the Internet. This course will provide a broad information base for a greater awareness of personal computers and confidence when using computers. Credit/no credit only. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 126 - 0.3 Units
Windows Quick Course, Introduction
Learn the basics of the Windows operating system. This course will provide you basic operations of Windows, such as starting Windows; exploring the desktop; getting help; working with windows, programs, files and disks, and the Internet; and customizing Windows. This hands-on course is designed for a quick orientation to or review of the Windows operating system environment. Credit/no credit only. Transferable to CSU.
COMPUTER BUSINESS APPLICATIONS 127 - 0.3 Units
WORD Quick Course, Introduction
Learn to use Microsoft WORD word processing software to navigate documents; apply editing techniques; format characters, paragraphs, and pages; use tabs; create tables; and use proofing tools. This hands-on course is designed for a quick orientation to or review of the basics of using WORD. Credit/no credit only. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 128 - 0.3 Units
WORD Quick Course, Intermediate
Learn to use Microsoft WORD word processing software to manage files and customize WORD, refine documents, create and format columns, work with styles and templates, perform mail merge, use additional table options, create charts and diagrams, and integrate information. This hands-on course is designed for a quick familiarization with some of the more advanced concepts of using WORD. Credit/no credit only. Transferable to CSU. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 129 - 0.3 Units
Word Quick Course, Advanced
Learn to use the advanced features of Microsoft WORD to collaborate on documents, automate the work, use drawing tools, create forms, perform an advanced mail merge, insert document references, create supplemental document components, and create web pages. This hands-on course is designed for a quick understanding of the advanced features of WORD. Credit/no credit only. Transferable to CSU. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 130 - 0.3 Units
EXCEL Quick Course, Introduction
Learn to use Microsoft EXCEL spreadsheet software to navigate and format documents, apply formulas, work with ranges and functions, edit data, check spelling, print, and understand the workbook environment. This hands-on course is designed for a quick orientation to or review of the basics of using EXCEL. Credit/no credit only. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 131 - 0.3 Units
EXCEL Quick Course, Intermediate
Learn to use Microsoft EXCEL spreadsheet software to create, modify, and format charts and sort and filter data. This hands-on course is designed for a quick familiarization with some of the more advanced concepts of using EXCEL. Credit/no credit only. Transferable to CSU. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 132 - 0.3 Units
EXCEL Quick Course, Advanced
Learn to create pivot tables for effortless analysis of worksheet data, outline and consolidate worksheets to get results quickly and automate common procedures by using macros. This hands-on course is designed for a quick familiarization with some of the more advanced concepts of using EXCEL. Credit/no credit only. Transferable to CSU. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 133 - 0.3 Units
ACCESS Quick Course, Introduction
Learn to use Microsoft ACCESS, a database application that allows the creation and use of database objects including tables, queries, forms, and reports. Designed primarily for students with prior Windows computer experience who desire a quick introduction to ACCESS or who want to begin using ACCESS on the job. Credit/no credit only. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 134 - 0.3 Units
ACCESS Quick Course, Intermediate
Increase your knowledge of Microsoft ACCESS in this intermediate course. Students will learn how to enhance the design of a database by using the principles of data normalization and table relationships and how to query multiple tables for data that are used in customized forms and reports. This class is designed primarily to give students a quick familiarization with some of the more advanced concepts of using ACCESS. Credit/no credit only. Transferable to CSU. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 135 - 0.3 Units
PowerPoint Quick Course, Introduction
Learn to use Microsoft PowerPoint to create, illustrate, format, and revise live and/or Web presentations using OFFICE art, WordArt, and PowerPoint tools including masters. This class is designed primarily for students with prior Microsoft Windows computer experience who desire a quick introduction to PowerPoint or who are using PowerPoint on the job. Credit/no credit only. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 136 - 0.3 Units
OFFICE Quick Course
Learn to use the Microsoft OFFICE Suite of application software. This course will provide students with a quick introduction to an overview of the essential OFFICE skills. Students will learn how to use WORD to create a variety of documents; EXCEL to organize and calculate data and create charts and graphs; ACCESS to store, retrieve, and report on information; and PowerPoint to create dynamic on-screen presentations. Credit/no credit only. Transferable to CSU. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 138 - 0.3 Units
Internet Quick Course, Introduction
Learn to navigate the Internet with confidence; learn how to bookmark and revisit web sites, work with advanced web pages, create web pages using Netscape Composer, and search the Internet using a variety of search tools. E-mail will not be covered. This hands-on course is designed for a quick familiarization with some of the basic concepts of using the Internet. Credit/no credit only. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 139 - 0.3 Units
E-Mail Quick Course
Learn basic operation of e-mail programs including setting up, composing, reading, replying, handling the address book and attachments, and organizing and sorting mail. This hands-on course is designed for a quick orientation to or review of e-mail, its features, and its use. Credit/no credit only. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 141 - 0.2 - 0.3 Units
Outlook Quick Course, Introduction
Learn to use Outlook as a PIM (personal information manager) to manage your personal contacts lists, tasks, calendar, activities, and notes. You will also learn how to use Outlook to manage all of the e-mail messages that you send and receive. This hands-on course is designed for a quick familiarization of the activities that you can manage in Outlook. Credit/no credit only. Transferable to CSU. May not be offered each semester.
COMPUTER BUSINESS APPLICATIONS 144 - .3 Units
Visual Basic for Applications Quick Course, Introduction
Advisories: Intermediate to advanced WORD/EXCEL skills.
Students will learn to create, edit, and run Word and Excel macros and write general purpose procedures to customize macros using Visual Basic for Applications. The class will also include an introduction to variables, basic program structures in macros, and ActiveX controls in Excel. Credit/no credit only. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 145 - 1.5 Units
Introduction to Computers
Basic introduction to computer usage and terminology with hands-on use of software applications. Optional credit/no credit or grade. Eight-week course. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 150 - 1.5 Units
Windows, Introduction
Introduction to Windows operating system. Hands-on experience to manage folders and files, prepare disks, launch multiple applications with Windows Explorer and My Computer, customize the Windows working environment, locate information on local disks and on the Web. Optional credit/no credit or grade. Eight-week course. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 151 - 1.5 Units
Windows, Intermediate
Advisories: Computer Business Applications 150
This course will provide the fundamental skills to use at the intermediate level. Receive hands-on experience to find files and data; use Internet search services to find information by query and subject; work with graphics in documents; use object linking and embedding; work with hardware, printers, and fonts; explore network resources; and define and perform disk maintenance. Optional credit/no credit or grade. Eight-week course. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 155 - 1.5 Units
WORD, Introduction
Advisories: Keyboarding experience would be helpful.
Students will learn to create documents, select and edit text, format characters using fonts, use writing tools such as Spelling and Grammar checks, format paragraphs, and set and change margins and tabs. Students will also learn to work with tables, wizards, templates, Mail Merge, styles, outlines, and long documents. This course uses MOS (Microsoft Office Specialist) certified courseware. Optional credit/no credit or grade. Eight-week course. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 156 - 1.5 Units
WORD, Intermediate
Advisories: Keyboarding experience would be helpful.
Build on a knowledge of the basic features of WORD to learn advanced features such as newsletter creation using the drawing toolbar, clip art, columns, typography, and object linking and embedding. This course uses MOS (Microsoft Office Specialist) certified courseware. Optional credit/no credit or grade. Eight-week course. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 157 - 1 Unit
WORD, Advanced: Desktop Publishing
Advisories: Computer Business Applications 156
Build on a knowledge of the basic and advanced features of WORD to produce agendas, letterheads, envelopes, business cards, compact disk covers, calendars, flyers and announcements, brochures, and other specialty documents. Learn to work with templates, wizards, page layout, graphic features, Mail Merge, WordArt, and layout design to create desktop publishing documents. This course uses MOS (Microsoft Office Specialist) certified courseware. Optional credit/no credit or grade. Eight-week course. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 160 - 1.5 Units
EXCEL, Introduction
Students will learn the basic features of creating spreadsheets using EXCEL. Students will learn how to create, edit, name, and save EXCEL workbooks; develop professional-looking worksheets; and create charts. This course uses MOS (Microsoft Office Specialist) certified courseware. Optional credit/no credit or grade. Eight-week course. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 161 - 1.5 Units
EXCEL, Intermediate
Advisories: Computer Business Applications 160
Students will build on their knowledge of the basic features of EXCEL. Students will have hands-on experience learning how to work with EXCEL lists; integrate EXCEL with other Windows programs and the World Wide Web; develop an EXCEL application work with multiple worksheets and workbooks; and work with and use data tables and scenario management. This course uses MOS (Microsoft Office Specialist) certified courseware. Optional credit/no credit or grade. Eight-week course. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 165 - 1.5 Units
ACCESS, Introduction
Introduction to database terminology, the ACCESS window, and basic characteristics of a database. Learn to use ACCESS to design and create tables, forms, queries, and reports. Learn to query a database using the select query window and maintain a database using the design and update features of ACCESS. Designed primarily for students with basic keyboarding skills and prior Windows experience. This course uses MOS (Microsoft Office Specialist) certified courseware. Optional credit/no credit or grade. Eight-week course. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 166 - 1.5 Units
ACCESS, Intermediate
Advisories: Computer Business Applications 165
Students will enhance their knowledge of ACCESS by learning how to define and implement various types of relationships in the design of a database; create main and subforms; and create queries based on multiple tables. Students will also create and modify switchboards; link tables; create macros to automate an application; and be introduced to VBA (Visual Basic for Applications) in creating an ACCESS application. This course uses MOS (Microsoft Office Specialist) certified courseware. Optional credit/no credit or grade. Transferable to CSU.
COMPUTER BUSINESS APPLICATIONS 170 - 1.5 Units
PowerPoint, Introduction
Learn to use PowerPoint to create professional presentations including slides, handouts, and speaker notes. Students will use templates, color schemes, backgrounds, slide masters, footers, clip art, charts, slide transitions, animation schemes, annotation pen, meeting minder etc. This course is designed for students who wish an in-depth introduction to PowerPoint presentation software. Previous Windows computer experience would be helpful. This course uses MOS (Microsoft Office Specialist) certified courseware. Optional credit/no credit or grade. Eight-week course. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 171 - 1.5 Units
PowerPoint, Intermediate
Advisories: Computer Business Applications 170
This course is designed for students with basic PowerPoint knowledge and skill who wish to become more proficient in using this software. Students will create and refine PowerPoint presentations using styles, clips, bitmap images, WordArt, AutoShapes, fill effects, 3-D effects, and shadow effects. Advanced features such as comments, attachment sending, online broadcasts, and customizations will also be presented. Internet experience would be helpful. This course uses MOS (Microsoft Office Specialist) certified courseware. Optional credit/no credit or grade. Eight-week course. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 175 - 1.5 Units
FrontPage, Introduction
This course is designed for students who wish to create professional looking web pages using Microsoft FrontPage software. Students will learn to create templates, design forms, and edit existing pages and will modify HTML code and image maps. Web page features such as frames, themes, bullets, tables, hotspots, e-mail links, radio buttons, check boxes, and thumbnails will be covered. Previous Windows computer experience would be helpful. Optional credit/no credit or grade. Eight-week course. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 177 - 1.5 Units
PUBLISHER, Introduction
This course is designed for students who wish to create professional documents using Microsoft PUBLISHER software. Students will learn to create brochures including the tri-fold format, newsletters, advertising flyers, letterheads, business cards, and logos. Special document effects such as ClipArt, WordArt, and color will also be presented. Previous Windows computer experience would be helpful. Optional credit/no credit or grade. Eight-week course. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 181 - 3 Units
OFFICE
Advisories: Computer Business Applications 150 and 155 or 160 or 165
Receive hands-on experience with the popular programs commonly used in today’s businesses. Learn how to create text documents using WORD, analyze data using EXCEL, track information using ACCESS, and create presentations using PowerPoint. Learn how to integrate files and data among WORD, EXCEL, ACCESS and PowerPoint. This course uses MOS (Microsoft Office Specialist) certified software. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 182 - 1.5 Units
OFFICE, Introduction
This course is designed for students who wish an introductory hands-on experience with the popular Microsoft OFFICE programs commonly used in today’s businesses. Students will learn how to create and edit a WORD document, create a worksheet using Excel, create a database using the Design and Datasheet Views in ACCESS, and use a design template and Autolayouts to create presentations in PowerPoint. This course uses MOS (Microsoft Office Specialist) certified courseware. Optional credit/no credit or grade. Eight-week course. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 185 AD - 1 Unit
Computer Applications Projects
Advisories: Any Computer Business Applications advanced computer application course
Advanced computer applications simulating on-the-job projects or to review or upgrade knowledge of software program. Credit/no credit only. Eight-week course. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 190 - 1.5 Units
Internet, Introduction
Advisories: Computer Business Applications 150
Hands-on experience designed for office and home use of the Internet. Emphasis includes using the Internet, e-mail, job listings, browsing the World Wide Web, locating government and business information, using office management resources, downloading information and software, and researching products and services. Optional credit/no credit or grade. Eight-week course. Transferable to CSU.

COMPUTER BUSINESS APPLICATIONS 195 - 1.5 Units
Acrobat, Introduction
Adobe Acrobat has become the essential tool for universal electronic document exchange. Learn to use Adobe Acrobat to convert existing documents to an interactive multi-platform Portable Document Format (PDF) file that can be distributed electronically. You can publish any document in PDF, preserving the exact look and content of the original and making its content available to any user utilizing a free Acrobat Reader computer program readily available through the Internet. Optional credit/no credit or grade. Eight-week course. Transferable to CSU. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 197 - 1.5 Units
Software MultiMedia Concepts
This course is designed for students who wish an introductory experience with the key elements of software multimedia concepts including the design principles and management skills necessary to develop dynamic, interactive multimedia products. Concepts and theories of multimedia such as sound, animation, video, text, and graphics will be discussed. Students will learn the various hardware and software components needed to develop and view multimedia titles. Optional credit/no credit or grade. Eight-week course. Transferable to CSU. May not be offered each semester.

COMPUTER BUSINESS APPLICATIONS 900 - 0 Units
Skills Practicum
This course provides an opportunity for specialized practice in one or more office skills. Through this practice the student will be able to work toward developing greater confidence, competence, and skill proficiency using the facilities and resources of the Computer Business Applications Center to complete course requirements. (Not applicable to A.A. degree.) No credit. Not transferable, not degree applicable.
COMPUTER SCIENCE

COMPUTER SCIENCE 101 - 3 Units
Computer Literacy
This course is designed to provide students with a brief overview of computing concepts and terminology. It will acquaint the student with the social implications of pervasive computer technology in our society. A good course for the student who wants a first experience in computing. Optional credit/no credit or grade. Transferable to CSU; UC.

COMPUTER SCIENCE 102 - 3 Units
Introduction to Computer Science
This course will introduce students to the basic principles of Computers and Computer Science. Computer architecture concepts and principles of operation, operating systems basics, file management, and software development principles will be discussed, demonstrated, and practiced. Common programming languages, including Java, C, C++, and Visual Basic will be discussed and small programs in each language will be implemented. Recommended course for all GWC software development and operating systems classes. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER SCIENCE 130 - 4 Units
Survey of Computer Science/Information Technology
A survey of Computer Science and Information Technology with emphasis on business applications in the computer environment. The student will be introduced to information systems concepts, operating systems, computer hardware, terminology, networking, and computer application software, such as word processing, spreadsheets, database and some BASIC programming. The student will complete projects in a micro computing environment. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN BUS 6)

COMPUTER SCIENCE 145 - 4 Units
Computer Programming in C Language
This course may be required for transferring Engineering/Math/Science Majors. Study of structured programming and systematic software development using the C language. Various data types, arrays, pointers, structures and functions will be used to implement data tables, string functions, and interface algorithms. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN CSCI 16)

COMPUTER SCIENCE 151 - 4 Units
Programming with Visual Basic, Introduction
This course will cover the fundamentals of programming using Microsoft Visual Basic as the development tool. The basic programming concepts, constructs and methodologies will be discussed to include: variables, constants, looping, branching, functions, sub programs, parameters, arrays, records, modules, objects, components, algorithms, and prototyping. Optional credit/no credit or grade. Transferable to CSU; UC.

COMPUTER SCIENCE 152 - 4 Units
Programming with Visual Basic, Advanced
This course will cover advanced software development principle using Microsoft Visual Basic as the development tool. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

COMPUTER SCIENCE 153 - 4 Units
Introduction to Programming with Java
Advisories: Computer Science 130
This course will cover the fundamentals of software development using the Java Language. The process of software development will be discussed to include: designing, writing the source code, compiling, linking, executing, and debugging. Data types, arithmetic/logical expressions, debugging, looping, branching, modularization, static and dynamic memory allocation, classes and objects will be discussed and practiced in class projects. Various forms of Java such as script, applets, and applications will be discussed and practiced. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC.

COMPUTER SCIENCE 154 - 4 Units
Java Data Structures, Advanced
Advisories: Computer Science 153
Advanced programming techniques and Object Oriented Programming principles in Java will be exploited in learning the concepts of data structures. Students will gain theoretical and hands-on experience with the implementation of typical data structures (e.g., arrays, queues, stacks, linked-lists, trees, hashing, and graphs) used in programming applications. Principles of recursion, sorting, searching, optimization, classes, objects, inheritance, and polymorphism will be explored and practiced. Optional credit/no credit or grade. Transferable to CSU; UC.

COMPUTER SCIENCE 158 - 4 Units
Visual Studio.NET
Advisories: Computer Science 175
The Visual Studio.NET platform will be researched and explored. The student will gain theoretical and hands-on experience with C#, VB.NET (Visual Basic), ASP.NET (Active Server Pages), ADO.NET (ActiveX Data Objects), Web Services, SOAP (Simple Object Access Protocol), and XML (eXtensible Markup Language). Optional credit/no credit or grade. Transferable to CSU.

COMPUTER SCIENCE 171 - 4 Units
Introduction to SQL
Advisories: Computer Science 145 or 153
This course will cover the fundamentals of database development using Structured Query Language (SQL). Using Access and Microsoft SQL Server, students will create databases, tables, indexes, rules, triggers, stored procedures, views, users, groups, and various other database objects. Complex SQL queries and transactions will also be discussed and implemented. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER SCIENCE 174 - 4 Units
Programming with Java, Introduction
Advisories: Computer Science 150
This course will cover the fundamentals of software development using the Java Language. The process of software development will be discussed. Optional credit/no credit or grade. UC Credit limitations. See counselor. Transferable to CSU; UC.
COMPUTER SCIENCE 175 - 4 Units
Programming with C+
Advisories: Computer Science 130
This course will cover the fundamentals of software development using the C++ Language. The process of software development will be discussed to include: designing, writing the source code, compiling, linking, executing, and debugging. Data types, arithmetic/logical expressions, pointers, debugging, looping, branching, and modularization, classes and objects, static and dynamic memory allocation will be discussed and practiced in class projects. Optional credit/no credit or grade. Transferable to CSU; UC.

COMPUTER SCIENCE 176 - 4 Units
Database Programming with Java
Advisories: Computer Science 154
This course will cover the fundamentals of database programming using Java related technologies such as JDBC and Swing. Multi-tiered client/server and web-based applications will be discussed and created that will utilize Microsoft Access and Microsoft SQL Server databases. Structured Query Language will be discussed and practiced. Principles of distributed software development using J2EE will also be discussed. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER SCIENCE 177 - 4 Units
Visual Basic.NET
Advisories: Computer Science 153 or 175
This course will cover software development in the Microsoft .NET framework. Visual Basic .NET will be used as the development tool to discuss and practice Windows-based applications, Web Services with XML (eXtensible Markup Language) data exchange, components and controls, database interfaces using ADO (ActiveX Data Objects) and SQL (Structured Query Language), and graphics programming. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER SCIENCE 178 - 4 Units
Visual C#.NET
Advisories: Computer Science 153 or 175
This course will cover software development in the Microsoft .NET framework. Visual C#.NET will be used as the development tool to discuss and practice Windows-based applications, Web Services with XML (eXtensible Markup Language) data exchange, components and controls, database interfaces using ADO (ActiveX Data Objects) and SQL (Structured Query Language), and graphics programming. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER SCIENCE 179 - 4 Units
Data Structures with C++
Advisories: Computer Science 175
Advanced programming techniques and Object Oriented Programming principles in C++ will be exploited in learning the concepts of data structures. Student will gain theoretical and hands-on experience with the implementation of typical data structures (e.g., arrays, queues, stacks, linked-lists, trees, hashing, and graphs) used in programming applications. Principles of recursion, searching, optimization, classes, objects inheritance, and polymorphism will be explored and practiced. Optional credit/no credit or grade. Transferable to CSU; UC.

COMPUTER SCIENCE 180 - 4 Units
Windows Programming with MFC
Prerequisites: No
Advisories: Computer Science 175
This course will cover the fundamentals of developing applications for Microsoft Windows using Visual C++ and Microsoft Foundation Classes (MFC). Various C++ development tools and controls will be covered to include: Visual Workbench; AppWizard; AppStudio; Class Wizard; mouse and keyboard handling; dialogs; menus; graphics; and visual objects. Study of Collection Classes, Standard Template Library (STL), Object Linking and Embedding (OLE), Windows Registry, Single and Multiple Document Interface (SDI/MDI), Data Archival, Help file implementation, and Open Database Connectivity (ODBC). Optional credit/no credit or grade. Transferable to CSU.

COMPUTER SCIENCE 185 - 3 Units
World Wide Web
Advisories: Computer Science 130
Discussions will include the history, present status, and future trends of global communications via the Internet; network topologies and communication protocols; and Internet servers (World Wide Web, gopher, etc.). Student will search the Internet’s cyberspace, create HTML (HyperText Markup Language) pages, learn Visual Basic Scripting and Java Scripting, understand e-mail, Gopher, File Transfer Protocol, and various other internet related tools and utilities. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER SCIENCE 186 - 4 Units
Web Programming with .NET
Advisories: Completion of Computer Science 185 and 178 or 177 or 158
Students will study and build eCommerce and eBusiness applications using various tools, languages, & utilities to include: Java Script, Visual Basic .Net, C#, Code Behind, Active Server Pages.Net, ActiveX Data Objects.Net, Structured Query Language (SQL) & Common Gateway Interface. Web services will be discussed and implemented using XML, SOAP, WSDL, & UDDI. Comparisons will be made throughout the course between the .Net architecture & Java 2 Enterprise edition. Optional credit/no credit or grade. Transferable to CSU; UC.

714-892-7711 Golden West College 2003-2004 Catalog
COURSES

COMPUTER SCIENCE 197 - 4 Units
Operating Systems with Windows
Advisories: Computer Science 130 and 145 or 129
This course will cover the basic operational principles of multi-tasking, multi-threading
operating systems using the Microsoft Windows 95 and Windows NT platforms.
Class discussions and lab projects will include operating system internals; resource
sharing; networking protocols; security features; client/server facilities; error trapping
and reporting; user management and auditing; storage management; memory manage-
ment; and OS Services. Optional credit/no credit or grade. Transferable to CSU.

COMPUTER SCIENCE 198 - 4 Units
Enterprise Java Development with J2EE
Advisories: Computer Science 154
This course will cover the fundamentals of enterprise-level, distributed and database-
driven Java applications using J2EE (Java 2 Enterprise Environment). Various J2EE
related technologies will be discussed and practiced including: JavaServer Pages (JSP),
Enterprise JavaBeans (EJB), IDBC (Java Database Connectivity), Servlets, Applets,
JNDI (Java Naming and Directory Interface), Jars, XML (Extended Markup
Language), session and state management. Optional credit/no credit or grade. Transferable to CSU.

COOPERATIVE WORK EXPERIENCE

COOPERATIVE WORK EXPERIENCE 100 AD - 1 Unit
Personal Career Seminar
(Formerly known as: Cooperative Work Experience 089 AD)
Prerequisites: Student must have: (1) Consent of Program Coordinator or designee. (2)
Working in a job directly related to college major or career goal. (3) Must be initially
enrolled in a minimum of seven (7) units including Work Experience.
This Career Seminar is designed for employed Cooperative Work Experience students
who wish to gain higher levels of occupational competence. Students will complete a
job portfolio. Topics will be explored that expressly relate to actual work experience
learning, activities and issues. Veterans may utilize this course to obtain V.A. educa-
tional benefits for the related Cooperative Work Experience credit. Optional credit/no
credit or grade. Transferable to CSU. May not be offered each semester.

COOPERATIVE WORK EXPERIENCE 101 AD - 104 AD - 1 Unit
Cooperative Work Experience
(Formerly known as: Cooperative Work Experience 091 AD - 094 AD)
Prerequisites: Student must have: (1) Consent of Program Coordinator or designee. (2)
Working in a job directly related to college major or career goal. (3) Must be initially
enrolled in a minimum of seven (7) units including Work Experience.
Designed to offer students the opportunity to earn credit for learning experiences iden-
tified in their job. Employment must relate to the student’s educational or career goals.
The learning value will be identified through the use of job related objectives. Letter
grade only. Transferable to CSU.

COSMETOLOGY

COSMETOLOGY 001 - 2 Units
Related Theory, Freshman Level I
Corequisites: Cosmetology 002
Course in cosmetology that acquaints the beginning student with basic scientific theo-
ry in anatomy, chemistry, physiology of hair and nails, bacteriology, sterilization, cytol-
ogy, myology, and California State Board rules and regulations. Letter grade only. A
nine-week course.

COSMETOLOGY 002 - 6 Units
Cosmetology, Freshman Level I
Corequisites: Cosmetology 001
A beginning course in cosmetology which acquaints the student with basic principles
of wet-hair dressing, hair cutting, hair tinting, manicuring, permanent waving, scalp
and facial massage and makeup. Letter grade only. A nine-week course.

COSMETOLOGY 003 - 2 Units
Related Theory, Intermediate Level II
Prerequisites: Cosmetology 001 and 002
Corequisites: Cosmetology 004
An intermediate course in cosmetology which acquaints the students with basic scien-
tific theory in chemistry, physiology of hair and nails, bacteriology and sterilization as
it relates to the practical manipulative skills. Letter grade only. A nine-week course.

COSMETOLOGY 004 - 6 Units
Cosmetology, Intermediate Level II
Prerequisites: Cosmetology 001 and 002
Corequisites: Cosmetology 003
An intermediate course in cosmetology where the students will continue the practice of
hair cutting, styling and permanents on manikins and live models in order to perfect
their skills. Letter grade only. A nine-week course.

COSMETOLOGY 005 - 2 Units
Related Theory, Advanced Level III-A
Prerequisites: Cosmetology 003 and 004
Corequisites: Cosmetology 006
An advanced course in cosmetology that acquaints the student with basic scientific the-
ory in anatomy; chemistry; physiology of hair and nails; sterilization and electricity as
they apply to cosmetology; neurology; osteology; disorders of the skin, scalp and hair;
and salon management. Letter grade only. A nine-week course.

COSMETOLOGY 006 - 6 Units
Cosmetology, Advanced Level III-A
Prerequisites: Cosmetology 003 and 004
Corequisites: Cosmetology 005
An advanced course in cosmetology in which the student engages in manipulative train-
ing and practices these manipulative skills on patrons from the community in a beauty
salon atmosphere. Letter grade only. A nine-week course.

COSMETOLOGY 007 - 2 Units
Related Theory, Advanced Level III-B
Prerequisites: Cosmetology 005 and 006
Corequisites: Cosmetology 008
An advanced course in cosmetology that acquaints the student with basic scientific the-
ory in anatomy; chemistry; physiology of hair and nails; sterilization and electricity as
they apply to cosmetology; neurology; osteology; disorders of the skin, scalp and hair;
and salon management. Letter grade only. A nine-week course.

COSMETOLOGY 008 - 6 Units
Cosmetology, Advanced Level III-B
Prerequisites: Cosmetology 005 and 006
Corequisites: Cosmetology 007
An advanced course in cosmetology in which the student engages in manipulative train-
ing and practices these manipulative skills on patrons from the community in a beauty
salon atmosphere. Letter grade only. A nine-week course.
COSMETOLOGY 009 - 2 Units
Related Theory, Advanced Level III-C
Prerequisites: Cosmetology 007 and 008
Corequisites: Cosmetology 010
A course in Cosmetology which acquaints the students with the State Board of Cosmetology examination and preparation for job interview skills. Letter grade only. A nine-week course.

COSMETOLOGY 010 - 6 Units
Cosmetology, Advanced Level III-C
Prerequisites: Cosmetology 007 and 008
Corequisites: Cosmetology 009
An advanced course in cosmetology in which the student engages in manipulative training and practices these manipulative skills on patrons from the community in a beauty salon atmosphere. Letter grade only. A nine-week course.

COSMETOLOGY 077 - 16 Units
Esthetician
This course is designed to prepare the student for a vocation in Esthetics. The students will be trained in skin analysis, massage techniques, hair removal, use of electrical modalities, as well as basic and corrective make-up. Students will practice their knowledge and skills on other students and clients in a salon atmosphere. Students enrolling in this program should be prepared to purchase a textbook and kit which costs approximately $600.00. No transfers accepted from other programs. Letter grade only.

COUNSELING
COUNSELING 100 - 1.5 Units
Career Planning
A course designed to assist students in developing intelligent career decisions. Standardized assessments, discussions and assignments will enable the student to clarify values, interests, abilities and personality characteristics that fit with possible career options. Credit/no credit only. An eight-week course Transferable to CSU.

COUNSELING 103 - 1 Unit
Educational Planning for Student Success
This course is designed to assist students in taking charge of their educational experience. Students will receive important information about college programs and success services, academic policies and procedures, an exploration of higher education in California and educational planning. Each student will develop an individualized student educational plan to meet their educational goals. Credit/no credit only. A six-week course. Transferable to CSU.

COUNSELING 104 - 3 Units
Career and Life Planning: A Holistic Approach
This is an extensive career and life-long planning course within the broad perspective of psychological, sociological, and physiological theory. Students will explore careers that are in alignment with their values, interests, and personality by utilizing assessments, discussions, designed activities, and assignments. Discussion of psychological, sociological, and physiological theory will then be applied to their career choice. Within the context of these theories an emphasis will be placed on self-esteem, gender, stress, sleep, and holistic health issues. Students will learn how to apply motivational techniques and cognitive techniques to the process of successfully preparing to enter a specific career field. This course is similar to the usual career course and yet is dissimilar in that it places career in the broader perspective of life-long learning. Letter grade only. Transferable to CSU.

COUNSELING 199 AD - 0.5-2 Units
Counseling Topics
Presentation, discussion and study of personal development issues. Topics may include employability skills, motivation, values clarification, decision making, self-esteem and current issues. Units will vary depending on topic and number of meetings scheduled. Intended for students wishing to deal with issues relating to their own personal development and/or helping others with these issues. Credit/no credit only. Transferable to CSU.

CRIMINAL JUSTICE
CRIMINAL JUSTICE 001-1 - 1 Unit
Community Oriented Policing for LASD Deputies
Prerequisites: Criminal Justice 064
This course is designed to teach the underlying principles of Community Oriented Policing (COP) to in-service deputies. It emphasizes professional values, principles, ethics, positive intervention, communication, and problem solving skills. Its focus is on pro-active rather than reactive policing in communities served by the Los Angeles County Sheriff’s Department (LASD). Optional credit/no credit or grade. A three-day course.

CRIMINAL JUSTICE 001-2 - 0.5 Units
Drug/Alcohol Abuse Awareness
Prerequisites: Criminal Justice 064
This course is designed to teach law enforcement supervisors to recognize symptoms of alcohol/drug abuse and how to evaluate and document an employee’s job performance as it relates to the abuse. It includes drug/alcohol influence and paraphernalia, department disciplinary trends, supervisory responsibilities, and psychological services. Credit/no credit only. An eight-hour course.

CRIMINAL JUSTICE 001-3 - 0.25 Units
Intoximeter IR-300
Prerequisites: Criminal Justice 064
This course is designed to teach the proper usage of the Intoximeter IR-300 Breath Machine and the proper administration of the breath test on a human subject. Students will also learn technical aspects of the machine, such as alcohol absorption to time ratio etc. Credit/no credit only. A four-hour course.

CRIMINAL JUSTICE 001-4 - 2 Units
Background Investigation LASD
Prerequisites: Criminal Justice 064
This course is designed to teach the process for conducting a police background investigation on prospective law enforcement officers. It includes legal and psychological aspects, analytical interviewing techniques and the role of the background investigator. Training in the use of polygraph results and credit reports to determine the eligibility of applicants interested in law enforcement. Optional credit/no credit or grade. A five-day course.

CRIMINAL JUSTICE 001-5 - 2 Units
First Aid/CPR/Safety
Prerequisites: Criminal Justice 064
This course is designed to teach Los Angeles Sheriff’s Department (LASD) deputies to train others to recognize and respond to medical emergencies. It includes legal issues, disease transmission, shock, environmental, breathing, cardiac, medical and obstetrical emergencies. First aid topics include: fractures, dislocations, sprains, bites, stings, burns and first aid kits, disaster preparedness and swift water rescue. Optional credit/no credit or grade. A five-day course.
CRIMINAL JUSTICE 046 - 4 Units
Police Civilian Supervisor Course
P.O.S.T. certified course providing newly appointed or experienced civilian supervisors with formal training in the concepts, techniques and practical application of basic supervisory skills as they pertain to police operations. An eighty hour course. Credit/no credit only. A two-week course.

CRIMINAL JUSTICE 048 AD - 3 Units
Marine Safety Course - Lifeguard I
This course is designed to provide Ocean Lifeguard I training and certification as mandated by the United States Lifesaving Association. It includes basic rescue techniques, safety procedures, first aid, and communication methods. This course involves active participation in ocean swimming and training in existing environmental conditions. Credit/no credit only.

CRIMINAL JUSTICE 050 AD - 0.25-0.5 Units
Advanced Officer/Job Specific Training
Continuing professional training for in-service officers that is intended to meet the new legislative mandated training requirements. This section deals with arrest and control techniques in the areas of carotid holds, take down and arrest procedures, handcuffing, etc. Credit/no credit only.

CRIMINAL JUSTICE 050-01 AD - 0.25-0.5 Units
Community Oriented Police Training
Prerequisites: Criminal Justice 064
This course is designed to fulfill the Peace Officer Standards and Training requirements for continuing professional training for in-service officers. This section introduces continuing professional training in the area of community oriented policing. Credit/no credit only. One-week course.

CRIMINAL JUSTICE 050-02 AD - 0.25-0.5 Units
Tactical Training
Prerequisites: Criminal Justice 064
This course is designed to fulfill the Peace Officer Standards and Training requirements for continuing professional training for in-service officers. This section introduces continuing professional training in the area of tactical training. Credit/no credit only. One-week course.

CRIMINAL JUSTICE 050-03 AD - 0.25-0.5 Units
Legislative Mandates
Prerequisites: Criminal Justice 064
This course is designed to fulfill the Peace Officer Standards and Training requirements for continuing professional training for in-service officers. This section specifically pertains to those subject areas that are legislatively mandated by the Penal Code. Credit/no credit only. One-week course.

CRIMINAL JUSTICE 050-04 AD - 0.25-0.5 Units
Firearms Training
Prerequisites: Criminal Justice 064
This course is designed to fulfill the Peace Officer Standards and Training requirements for continuing professional training for in-service officers. This section deals with firearms training, i.e. new weapons, new techniques, new procedures. Credit/no credit only. One-week course.

CRIMINAL JUSTICE 050-04-1 AD - .5 Units
Firearms/Handgun Training Update
Prerequisites: Criminal Justice 064
Continuing professional training for in-service officers. Training deals with specific liability issues, technical updates, safety rules, procedures and technical qualifications. Credit/no credit only.

CRIMINAL JUSTICE 050-05 AD - 0.25-0.5 Units
Arrest and Control Techniques
Prerequisites: Criminal Justice 064
Continuing professional training for in-service officers that is intended to meet the new legislative mandated training requirements. This section deals with arrest and control techniques in the areas of carotid holds, take down and arrest procedures, handcuffing, etc. Credit/no credit only. One-week course.

CRIMINAL JUSTICE 050-06 AD - 0.25-0.5 Units
Impact Weapons Training
Prerequisites: Criminal Justice 064
This course is designed to fulfill the Peace Officer Standards and Training requirements for continuing professional training for in-service officers. This section deals with the use of straight stick and side handle batons. Credit/no credit only. One-week course.

CRIMINAL JUSTICE 050-07 AD - 0.25-0.5 Units
EMS Requirements
Prerequisites: Criminal Justice 064
Continuing professional training for in-service officers that is intended to meet the new legislative mandated training requirements. This section teaches the most current EMS First Aid and CPR lifesaving techniques. Credit/no credit only. One-week course.

CRIMINAL JUSTICE 050-08 AD - 0.25-0.5 Units
Legal/Penal Code Updates
Prerequisites: Criminal Justice 064
Continuing professional training for in-service officers that is intended to meet the new legislative mandated training requirements. This section deals with current and the newest Legal and Penal Code updates and laws pertaining to law enforcement requirements. Credit/no credit only. One-week course.

CRIMINAL JUSTICE 050-09 AD - 0.25-0.5 Units
Health and Safety
Prerequisites: Criminal Justice 064
Continuing professional training for in-service officers that is intended to meet the new legislative mandated training requirements. This section introduces training in new laws and techniques pertaining to health and safety codes. Credit/no credit only. One-week course.

CRIMINAL JUSTICE 050-10 AD - 0.25-0.5 Units
Investigative
Prerequisites: Criminal Justice 064
Continuing professional training for in-service officers that is intended to meet the new legislative mandated training requirements. This section deals with investigative procedures such as interrogation, interviewing and surveillance techniques. Credit/no credit only. A one-week course. Four or eight lecture hours.
CRIMINAL JUSTICE 050-13 AD - 0.25-0.5 Units
Chemical Agents
Prerequisites: Criminal Justice 064
Continuing professional training for in-service officers that is intended to meet the new legislative mandated training requirements. This section deals with chemical agents, i.e. Oleoresin Capsicum (Pepper Spray). Credit/no credit only. A one-week course. Four or eight lecture hours.

CRIMINAL JUSTICE 050-16 - 0.5-1 Units
ASP-Basic Expandable Baton
Prerequisites: Graduate of a POST Basic Academy class and sworn peace officer.
This course is designed to provide sworn peace officers with the skills and hands-on experience necessary to deploy the expandable baton. It introduces theoretical concepts to provide a thorough understanding of potential alterations and how to diffuse the predictable escalation in order to avert possible violence. It includes hands-on instruction in the technical and operational aspects of the expandable baton and use of force concepts. Credit/no credit only. Eight to sixteen-hour course.

CRIMINAL JUSTICE 050-17-1 AD - 0.5 Units
Department of Consumer Affairs, Investigator Update Course
Prerequisites: Criminal Justice 090
This 8-hr. course is a brief review/update that meets the basic requirements of the State of California relating to recent statutory or regulation changes dealing with the department of Consumer Affairs. This course is designed for investigators of the Division of Investigation (DOI), the law enforcement branch of the Department of Consumer Affairs of the State of California. The Division of Investigation (DOI) provides investigative/peace services to regulatory boards, programs and bureaus under the jurisdiction of the Department of Consumer Affairs (DCA) of the State of California. CRIMINAL JUSTICE 050-18 AD - 1.5 Units
Identity Theft Investigation
Prerequisites: Criminal Justice 064
This course is designed to train patrol officers to recognize, understand, and properly investigate (at the patrol level,) identity-theft and related crimes. The officer will learn the elements of crimes, modes of commission, victim support, and related reporting and evidence issues. Credit/no credit only.

CRIMINAL JUSTICE 050-19 AD - 1.5 Units
Dispatcher Update
This course offers continuing professional training for in-service dispatchers. This training deals with interpersonal communication skills in the workplace, recognition and management of dispatch stress symptoms, communication techniques in crisis management, and preparation for courtroom testimony and internal affairs investigations. Credit/no credit only.

CRIMINAL JUSTICE 050-20 - 2 Units
Radar Operator Recertification Course
(Formerly known as: Criminal Justice 059 AD)
Prerequisites: Criminal Justice 064
This course is designed to provide an update on the legal and technical use of radar. It includes an overview of the characteristics and functions of radar components, effects of radar use, and calibration techniques.

CRIMINAL JUSTICE 053 - 1 Unit
Specialized Investigators’ Basic Course Orientation
This course is designed to familiarize the student with the Specialized Investigators’ Basic Course training program and provide an understanding of the mental, physical, academic, and legal requirements and commitments that must be considered. The comprehensive program will assess the suitability and employability of potential specialized investigator students. Students will be required to complete job-related tests to determine eligibility for the Specialized Investigators’ Basic Course and a career as a state investigator. Credit/no credit only. A two-week course.

CRIMINAL JUSTICE 054 AD - 2 Units
Police Academy Orientation
This course is designed to familiarize the student with the police academy training program and provide a better understanding of the requirements and commitments that must be considered. This comprehensive program will assess the suitability and employability of potential academy recruits. Students will be required to complete job-related tests in preparation for the police academy and a career as a police officer. Credit/no credit only. A four-week course.

CRIMINAL JUSTICE 056 - 2 Units
Basic Traffic Accident
Prerequisites: Criminal Justice 064
In an age of increasing criminal and civil litigation, it is imperative that officers have the skills and knowledge to properly investigate and document traffic accidents. This course provides officers with the basic requirements for investigating a traffic accident and for completing a standard traffic accident report. Credit/no credit only. A one-week course.
CRIMINAL JUSTICE 060 - 2 Units
Field Training Officer
This Field Training Officers Course is designed to provide the understanding of the goals and objectives of the Peace Officers Standards and raining (POST) approved field training programs as they apply to the training of newly assigned patrol officers. It is designed for the orientation and training of the newly selected Field Training Officer (FTO) and to assist him/her to become a fair and competent field training officer for his/her agency. Credit/no credit only.

CRIMINAL JUSTICE 064 - 25 Units
Police Basic Course
Prerequisites: Criminal Justice 054AD
This course provides the fundamentals of basic police training in compliance with the minimum standards established by the California Commission on Peace Officer Standards and Training (POST). The training includes community based policing concepts, techniques, and observation of application. Student will be graded and evaluated on academic accomplishment, physical skills, handgun proficiency, and demeanor. Letter grade only.

CRIMINAL JUSTICE 067 AD - 1.5 Units
Advanced In-Service Training
New laws and court decisions, arrest, search and seizure, changes in enforcement policy, new concepts in police technology, community relations, police ethics and integrity. Credit/no credit only.

CRIMINAL JUSTICE 069 - 0.5 Units
F.A.T.S. Interactive Fire Arms Training
Prerequisites: Criminal Justice 064 or 071AD or 090 or any law enforcement background.
This course is designed to sharpen the student’s basic shooting fundamentals by participating in simulated scenarios depicting deadly force encounters. Also includes lectures on Use of Force, Threat Recognition, Command Presence and Voice Commands. All practical scenarios are simulations. Credit/no credit only. An eight-hour course.

CRIMINAL JUSTICE 070 - 4 Units
Police Supervisory Academy
P.O.S.T. certified 80-hour course. Fundamentals of police supervision and management, including training, supervision and evaluation. Credit/no credit only.

Introduction to Criminal Justice (CP1)
History and philosophy of criminal justice administration as it evolved in the United States; in-depth study of the justice system components; nature and extent of crime in America; concepts of crime causation. The roles and role expectations in theory and in reality of criminal justice personnel; system interrelationship with society, punishments and incarceration alternatives. Letter grade only. Transferable to CSU; UC. (CANAJ 2)

CRIMINAL JUSTICE 141 - 3 Units
Criminal Law I (CP2)
Historical development and philosophy of law, constitutional provisions, definitions, and classification of crimes. Explores defenses and preliminary crimes. Letter grade only. UC Credit limitations. See counselor. Transferable to CSU; UC.
CRIMINAL JUSTICE 142 - 3 Units
Criminal Law II (CP3)
Prerequisites: Criminal Justice 141
Emphasizes general criminal statutes, crime against persons, crimes against property, crimes against children, sex crimes, crimes against the justice system, and weapons violations. Letter grade only. UC Credit limitations. See counselor. Transferable to CSU; UC.

CRIMINAL JUSTICE 146 - 3 Units
Police Report Writing
Advisories: Criminal Justice 142
Techniques communicating facts, information and ideas in an effective, simple, clear and logical manner, as they are applied to various types of reports and memoranda used in the criminal justice system. Emphasis is on criminal justice technology, interviewing techniques, the proper use of English, organization of information, and practical application of these areas in note taking, proper completion of felony and misdemeanor crime reports, memos and routine forms, and the presentation of testimony in court. Letter grade only. Transferable to CSU.

CRIMINAL JUSTICE 150 - 3 Units
Introduction to Corrections
This course is designed to introduce students to corrections-based systems. It covers all aspects of corrections and how they relate to the entire criminal justice system. Students will study probation, parole, jail and prison programs currently in use in the United States. Incarceration trends will be analyzed, and how political environments effect the prosecution and sentencing process. Students will explore different institutional programs, including the use and effectiveness of community based corrections programs. Students will gain an understanding of the issues related to managing inmates in institutions and the constitutional issues that surround the corrections system. Letter grade only. Transferable to CSU.

CRIMINAL JUSTICE 151 - 3 Units
Practical Aspects of Corrections
Prerequisites: Criminal Justice 150
This course is a follow-up course to Criminal Justice 150 (Introduction to Corrections) and explores practical aspects of the modern correctional environment. It includes concepts of correctional ideology including professionalism, victimology, restorative justice, sentencing, diversion, juveniles in the adult system, and issues related to inmates with special needs. This course also studies the characteristics and needs of male, female, and juvenile inmates, and explores constitutional issues related to these inmate classifications. Letter grade only. Transferable to CSU.

CRIMINAL JUSTICE 160 - 3 Units
Introduction to Forensics (and Evidence Technology)
This course provides an introduction to forensic investigations and their application to the criminal investigative process. Topics include history and development of forensic science, forensic science careers, legal aspects of investigation, crime scene processing and methods of evidence collection, identification, and preservation, photography/videoography, body fluids, drugs, alcohol, fingerprints, documents, arson, and death investigations. Letter grade only. Transferable to CSU.

CRIMINAL JUSTICE 161 - 3 Units
Introduction to Fingerprint Identification
This course is designed to provide the student with a detailed understanding of the fingerprint identification process. The student will learn fingerprint development, comparison, and identification techniques. The student will be required to demonstrate learned techniques. Letter grade only. Transferable to CSU.

CRIMINAL JUSTICE 165 - 3 Units
Forensic Photography
This course provides an introduction to the applications of photography in the criminal investigative process. General topics include camera equipment operation, digital photography, daylight and night scene photography. Specific topics include crime scene documentation, fingerprints, tire tracks, shoe prints, corporal injuries, and autopsies. This course introduces the student to firearm, arson, and homicide investigations, and to the presentation of photographic evidence in court. Students enrolling in this course must have access to a single lens reflex camera, or digital camera, with a manually adjustable lens and shutter speed. Letter grade only. Transferable to CSU.

DANCE

DANCE 100 AD - 1-1.5 Units
Beginning Modern Dance
Instruction and practice in fundamental modern dance techniques, improvisation and composition. Development of an understanding and appreciation of modern dance as an art form. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 105 AD - 1 Unit
Dance Conditioning and Stretches
Instruction and practice in fundamental stretching techniques, strength conditioning and correction of body alignment. Students will learn stretch combinations on the floor, with partners and at the ballet barre. There will be discussions of anatomical theories and exercises leading to correct body alignment. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 110 AD - 1.5 Units
Introduction to Dance: Ballet, Modern and Jazz
A course designed to introduce students to the basic dance techniques of modern dance, jazz dance and ballet. Recommended for students without recent dance experience. Recommended as a course to be taken preceding Dance 100, 120 or 125. Optional credit/no credit or grade. Transferable to CSU; UC.

Transferable to CSU.

DANCE 115 AD - 1 Unit
Beginning Tap Dance
Instruction and practice in beginning tap techniques. The course will include an analysis of basic skills in tap dance movement and its relationship to the musical accompaniment. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 120 AD - 1-1.5 Units
Beginning Ballet
Instruction and practice in fundamental ballet techniques. Students will learn basic alignment, warm-ups, barre work, enter floor adage, and allegro dance combinations including discussions on ballet terminology. Optional credit/no credit or grade. Transferable to CSU; UC.
DANCE 125 AD - 1-1.5 Units
Beginning Jazz Dance
Instruction and practice in the techniques and styles of jazz dance. A course designed to develop jazz dance techniques using resource and movement materials. Experience in the creation, development and performance of jazz dance using jazz and rock music as the accompaniment. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 130 AD - 1 Unit
Dance for Musical Theater
A course designed to acquaint the students with basic dance movements and techniques for musical stage productions. Students will learn choreography from famous stage and film musicals. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 135 AD - 0.5-1 Units
Mid-Eastern Dance
A technique course emphasizing the social and stage dances from the region designated as the Near and Middle East. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 136 AD - 0.5-1 Units
Intermediate/Advanced Mid-Eastern Dance
Advisories: Dance 135AD
This is a technique course emphasizing the social and stage dances from the region designated as the Near and Middle East which incorporates choreography, improvisation, movement, vocabulary, styling, veil work, and finger cymbal playing. Instruction at the intermediate and advanced levels is offered. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 145 AD - 1-1.5 Units
Intermediate Modern Dance
Instruction and practice in intermediate level modern dance technique. Students will learn modern dance warm-up exercises and combinations choreographed to live and recorded accompaniment. Students will have the opportunity to improvise and choreograph their own dance studies. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 150 AD - 1 Unit
Rhythm Tap Styles
Instruction and practice in intermediate tap dance techniques. A thorough study of many rhythms and tempos, using tap sounds as the medium for the composition. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 155 AD - 1-1.5 Units
Intermediate Ballet
Instruction and practice in intermediate ballet techniques. Classroom participation in barre work, complex center practice and intermediate adage and allegro ballet combinations. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 160 AD - 1-1.5 Units
Commercial Dance Styles
Instruction and practice in intermediate jazz exercise techniques, jazz dance combinations, and complete jazz dances choreographed to jazz, rock and musical theater music. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 200 AD - 1-1.5 Units
Advanced Modern Dance
A course designed to develop advanced dance skills in modern dance techniques, improvisation and composition, and to give performance and repertoire experience. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 215 AD - 1 Unit
Advanced Tap Dance
Introduction and practice in advanced tap dance techniques. A thorough study into the execution of movement phrases using tap sounds of varying intensity, quality and rhythm. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 220 AD - 1-1.5 Units
Advanced Ballet
Advanced level ballet techniques. Classroom participation in barre work, complex center practice and advanced adage and allegro combinations. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

DANCE 225 AD - 1-1.5 Units
Advanced Jazz Dance
Instruction and practice in advanced jazz dance techniques. Students will learn jazz warm-up exercises, jazz combinations and complete dances choreographed to jazz, rock, and musical theater music. Current styles, staging, and composition of jazz dances will be included. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 230 AD - 2 Units
Choreography
Instruction and practice of the elements of dance and the theories of choreography. Students will improvise and choreograph their own solo and group studies. There will be a variety of performance opportunities. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 235 AD - 2 Units
Modern Dance Ensemble
A course designed for the dance student to learn new or previously choreographed modern dance works. These dances will be learned in their entirety and perfected to performance level. Students will perform the work at public performances during the semester. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

DANCE 240 AD - 1-2 Units
Tap Dance Ensemble
A performance group for the advanced tap dancer. Students will learn and perfect several new or previously choreographed tap works. Students will be expected to perform publicly during the semester. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 245 AD - 1-2 Units
Performance Ensemble
A performance group for the intermediate and advanced dancer. Students will learn and perfect several new or previously choreographed works. Students will be expected to perform publicly during the semester. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.
DANCE 250 AD - 1-2 Units
Studio Production and Performance
Prerequisites: Retention based upon successful audition
Corequisites: Enrollment in intermediate technique class such as Dance 145, 150, 155 or 160
This course is designed to instruct students interested in producing original choreography and performing in the dance studio at GWC and elsewhere in the community. They may also perform in an instructors choreography. All aspects of the production are studied: Choreography lighting, costuming, publicity, music, scenery design, and staging. Optional credit/no credit or grade. Transferable to CSU; UC.

DANCE 260 AD - 2-3 Units
Dance Production and Performance
A course designed to prepare students for the creation and performance of dance with all the aspects of the dance production, i.e., choreography, lighting, costuming and music. Practical experience is obtained through college and community dance performances such as the annual student dance concert in the Golden West College Theater. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

DANCE 270 AD - 0.5 Units
Dance Workshop
An intensive dance experience with a guest dance artist. The movement material for this class will be from the guest artist’s repertoire and will be designed for intermediate and advanced level dance students. Optional credit/no credit or grade. Transferable to CSU; UC.

DIESEL TECHNOLOGY

DIESEL TECHNOLOGY 068 - 3 Units
Marine Diesel Engine Operation and Maintenance
Basic diesel engine theory and maintenance techniques for ‘do-it-yourself’ mariners. Preventive maintenance and minor repair of fuel, lubrication, cooling and electrical systems. Letter grade only.

DIESEL TECHNOLOGY 071 (1-4) - 8 Units
Diesel Engine Overhaul
This course is designed to provide the necessary knowledge and skills required for maintenance and overhaul of two and four cycle diesel engines. Laboratory experience is provided in rebuilding and repair work typical of that found in industry. The student will be expected to provide some hand tools and personal safety equipment. Letter grade only. May not be offered each semester.

DIESEL TECHNOLOGY 072 (1-4) - 8 Units
Diesel Fuel Systems
This course covers the principles of fuel injection, fuel pumps and injector systems. The student will overhaul and repair fuel injection equipment using testing and diagnostic equipment common to industry. Students will be expected to provide some hand tools and personal safety equipment. Letter grade only. May not be offered each semester.

DIESEL TECHNOLOGY 073 (1-4) - 4 Units
Heavy Duty Electrical/Electronic Systems
A vocational course study designed to provide the student with an understanding of electrical/electronic terms, electrical circuit concepts, heavy duty applications for generating units, failure diagnosis and repair techniques used by diesel repair technician. Classroom instruction and hands-on-training is provided on how to use electrical wiring diagrams, components locators, digital multimeters, digital storage oscilloscopes and specialized automotive test equipment. Students are required to provide basic hand tools, appropriate work clothing and personal safety equipment. Letter grade only. May not be offered each semester.

DIESEL TECHNOLOGY 074 (1-4) - 6 Units
Heavy Duty Drivetrain
This course provides theory and development of skills necessary for overhaul and repair of the specialized multispeed transmission and differential components common to diesel-powered equipment. Additional training in maintenance and repair of heavy-duty air brake systems and hydraulics is provided. Students will be expected to provide some hand tools and personal safety equipment. Letter grade only. May not be offered each semester.

DIESEL TECHNOLOGY 074-2 - 6 Units
Heavy Duty Drivetrain
This course provides theory and development of skills necessary for overhaul and repair of the specialized multispeed transmission and differential components common to diesel-powered equipment. Additional training in maintenance and repair of heavy-duty air brake systems and hydraulics is provided. Students will be expected to provide some hand tools and personal safety equipment. Letter grade only. May not be offered each semester.

DIESEL TECHNOLOGY 074-3 - 6 Units
Heavy Duty Drivetrain
This course provides theory and development of skills necessary for overhaul and repair of the specialized multispeed transmission and differential components common to diesel-powered equipment. Additional training in maintenance and repair of heavy-duty air brake systems and hydraulics is provided. Students will be expected to provide some hand tools and personal safety equipment. Letter grade only. May not be offered each semester.

DIESEL TECHNOLOGY 074-4 - 6 Units
Heavy Duty Drivetrain
This course provides theory and development of skills necessary for overhaul and repair of the specialized multispeed transmission and differential components common to diesel-powered equipment. Additional training in maintenance and repair of heavy-duty air brake systems and hydraulics is provided. Students will be expected to provide some hand tools and personal safety equipment. Letter grade only. May not be offered each semester.

DIESEL TECHNOLOGY 080 (1-4) - 4 Units
Diesel Tune-up and Troubleshooting
This course is designed to provide the necessary knowledge and skills required for troubleshooting and tune-up of diesel two- and four-cycle diesel engines. Laboratory experiences include tune-up procedures and troubleshooting techniques typically found in industry. Students will be expected to provide some hand tools and personal safety equipment. Letter grade only.
DIGITAL ARTS

DIGITAL ARTS 100 - 3 Units
Introduction to Digital Arts
This course is an introduction to the Mac OS. This hands-on course will also explore an introductory use of the scanner, digital cameras, and printers as digital design tools. This course also introduces the student to an array of today’s popular software used in the Digital Arts. Optional credit/no credit or grade. Transferable to CSU.

DIGITAL ARTS 103 - 3 Units
Digital 2D Design
This course is an introduction to the basic visual vocabulary used by visual artists and designers. Using Macintosh computers and software programs such as Illustrator, PhotoShop and Painter, students will explore the use of the computer as a design tool. Students will explore the concepts of line, mass, texture, color, light, harmony, composition, perspective, pattern, and illusion to develop an awareness of elements used to indicate form. Hue, value and saturation will be explored as an introduction to color theory. Students will learn ways to observe details in the environment around them and are encouraged to create meaningful art utilizing the visual elements of design. Optional credit/no credit or grade. Transferable to CSU.

DIGITAL ARTS 115 - 3 Units
Typography
(Formerly known as: Art 115)
Advisories: Business Data Processing 135 AB
This course explores the history and application of typography and its many applications. Students will gain experience with a number of computer applications in the creation of type for a variety of projects. Optional credit/no credit or grade. Transferable to CSU.

DIGITAL ARTS 135 AB - 3 Units
Introduction to Adobe Illustrator
This course provides an introduction to the computer application Adobe Illustrator, a vector based computer graphic program. This application has become the industry standard in computer 2D graphic projects. The class explores all facets of this computer program using the most recent edition. Optional credit/no credit or grade. Transferable to CSU.

Digital Arts 150 AB - 3 Units
Using Photoshop, Beginning
(Formerly known as: Business Data Processing 150 AB)
Introduction to the use of Adobe Photoshop for digital composting, typography, image repair, and construction as used in Business and the Web. Consideration is given to PhotoShop terms, legal “rules” for image usage, the PhotoShop digital working environment, the tools and the basic functions of the software. Optional credit/no credit or grade. Transferable to CSU.

DIGITAL ARTS 152AB - 3 Units
Using Photoshop, Intermediate
(Formerly known as: Business Data Processing 152 AB)
Advanced usage of Adobe Photoshop for digital composting, filter usage, typography and outputting as used in Business and the Web. Consideration is also given to photo-shop terms, modes, color balance, shadows/reflectations, light sources, the photoshop digital working environment, the tools and the advanced functions of the software. Optional credit/no credit or grade. Transferable to CSU.

DIGITAL ARTS 170 - 3 Units
Graphic Design Principles
(Same as: Art 170)
Advisories: Business Data Processing 135 AB
Introduction to visual communication principles as practiced in the graphic design profession. These principles relate to the choice, placement, organization and theme management of graphic elements. These graphic elements are illustrations, photographs, symbols, blocks of type and decorative accessories. Class projects are fashioned after real world projects encountered in the first years of professional work. These projects are produced on computers in the Macintosh Lab using important computer applications encountered in most job sites. The class introduces process selection, problem solving, client relations, production techniques, and print or multi media connections. Required of all graphic design majors. Optional credit/no credit or grade. Transferable to CSU.

DIGITAL ARTS 180 AB - 3 Units
Introduction to Web Animation Using Flash
This is a basic introduction into what web designers and multimedia developers need to know to develop highly interactive content for the web and multimedia utilizing the software program Flash. This authoring tool enables the creation of highly interactive and fast-loading web and multimedia content. Optional credit/no credit or grade. Transferable to CSU.

DIGITAL ARTS 200 AB - 3 Units
Advanced Web Design
Advisories: Art/Business Data Processing 178 AB
This course provides students with additional studies and projects in creating web sites with complex functions and multiple links. Students who have begun their work in Internet design will learn advanced techniques in organizing and composing creative web sites. Besides the site creation application, the student will learn additional design functions as performed, for example, in Adobe Photoshop and Adobe Image Ready to produce state of the art commercial web pages. Optional credit/no credit or grade. Transferable to CSU.

DIGITAL ARTS 230 - 3 Units
3D Computer Modeling
Advisories: Digital Arts 103
Using a 3D Modeling program, this course is an introduction to the design and planning of objects and lettering to be built into the wire frame components of computer animation. The student will create the parts that will combine to form such complex forms as wire frame objects, feature characters or title lettering. The objects will then be covered with surface material and rendered as a single frame 3D object for desktop publishing or put into an animated sequence to become a segment in a computer animation project. Optional credit/no credit or grade. Transferable to CSU.

DRAFTING

DRAFTING 035 - 2 Units
Survey/Comp Aided Drafting
A survey of the basic fundamentals of drafting using AutoCAD 2006i. This course is designed for the first time drafting student with no previous CAD experience. The course includes free hand sketching, interpreting blueprints, drawing layout, multiview projection and dimensioning. Letter grade only.
### COURSES

**DRAFTING 048 - 1 Unit**
**Beginning AutoCAD**
An introduction to AutoCAD 2000i. First time students will learn basics of CAD. Also for the experienced CAD drafter wishing to upgrade skills to the latest CAD software available. Optional credit/no credit or grade. A six-week class.

**DRAFTING 050 - 3 Units**
**Introduction to Computer-Aided Drafting (CAD)**
Prerequisites: Architecture 100 AB or 140 or completion of or concurrent enrollment in Drafting 100.
First semester course in Computer-Aided Drafting using AutoCAD 2000i for the experienced drafters & advanced students. Course is designed for a complete transition from board drafting to Computer-Aided Drafting. Letter grade only.

**DRAFTING 051 - 3 Units**
**Intermediate I Computer-Aided Drafting (CAD)**
Prerequisites: Drafting 050
Second semester course in Computer-Aided Drafting using AutoCAD 2000i with emphasis on 3D construction and an introduction to custom Menu, Macro, Visual Basic and other programming languages. Letter grade only.

**DRAFTING 052 - 3 Units**
**Intermediate II Computer-Aided Drafting (CAD)**
Prerequisites: Drafting 051
An intermediate CAD course in Parametric Solid Modeling using Mechanical Desktop 5.0 Power Pack. Emphasis on single part design from solid model to 2D drawings. Letter grade only.

**DRAFTING 053 AB - 3 Units**
**Computer-Aided Drafting (CAD), Advanced**
Prerequisites: Drafting 052
An advanced CAD course in Parametric Assembly Modeling using Mechanical Desktop 5.0 Power Pack. Emphasis on assembly design from single solid models to 2D assembly drawings. Letter grade only.

**DRAFTING 082 - 2 Units**
**Basic Airbrush**
(Also as: Art 082)
This course introduces basic airbrush art techniques currently used in technical illustration, architectural rendering, graphic arts, photography and specialty auto painting. Airbrushes are provided along with instruction in care and maintenance of equipment. Optional credit/no credit or grade.

**DRAFTING 084 - 2 Units**
**Airbrush, Advanced**
(Also as: Art 084)
Students will receive instruction in airbrush techniques, exploration opportunities in using airbrush to solve various art problems relating to technical illustration and architectural technology, photography, graphic arts and specialty auto painting. Optional credit/no credit or grade.

**DRAFTING 090 AD - 0.5-1 Units**
**CAD Drafting Laboratory**
Corequisites: Architecture 160 or Drafting 035 or 050 or 051 or 052 or 053AB
For students desiring or needing extra CAD lab hours. The student will perform exercises which will be assigned in one of the prerequisite classes. Optional credit/no credit or grade.

**DRAFTING 100 - 4 Units**
**Basic Engineering Drafting**
Advisories: Concurrent enrollment in Drafting 050 and/or 059 and 058 recommended for all day school one-year drafting majors.
Course includes lettering, sketching, use of instruments, geometric construction, pictorials, multi view projection, sectioning, revolutions, auxiliary views, descriptive geometry, dimensioning, precision dimensioning, use of drafting standards and introduction to (CAD) computer aided drafting. Optional credit/no credit or grade. First of six drafting courses required to complete the one-year technical drafting major. Transferable to CSU. (CAN ENGR 2)

**DRAFTING 105 AB - 3 Units**
**Basic Engineering Drafting I, Computer Aided Drafting**
The course will cover the study of correct letter styles for drafting, geometric construction, multi-view projection, basic dimensioning, threads & fasteners, isometric drawing and single auxiliary projection. All drafting problems will be drawn using computer aided drafting, (CAD), with AutoCAD software. Letter grade only. Transferable to CSU.

**DRAFTING 110 - 3 Units**
**Basic Engineering Drafting II, Computer Aided Drafting**
Prerequisites: Drafting 105 AB
The course will cover precision dimensioning, threads & fasteners, working drawings and assemblies, isometric drawing, single and secondary auxiliary projection, basic descriptive geometry and writing resumes. All drafting problems will be drawn using computer aided drafting, (CAD) with AutoCAD software. Letter grade only. Transferable to CSU.

**ECOLOGY**

**ECOLOGY 100 - 3 Units**
**People and Their Environment**
An investigation of the current problems of man’s relationship with the environment and possible solutions to these problems. Optional credit/no credit or grade.
Transferable to CSU; UC.

**ECONOMICS**

**ECONOMICS 110 - 3 Units**
**American Economic Problems**
The application of economic theory to solution of the problems of the American economy. Both traditional and topical problems will be considered. Optional credit/no credit or grade. Transferable to CSU; UC.

**ECONOMICS 120 - 3 Units**
**Economic History of the United States**
(Also as: History 110)
A survey of the economic transformation of the U.S. from colonial times to the present. Emphasis is on the social and political consequences of economic development and change as well as Americas’ involvement in international economic interdependency. Optional credit/no credit or grade. Transferable to CSU; UC.
ECONOMICS 180 - 3 Units
Micro Economics
An introduction to the tools and methods of economic analysis. The course deals with the principles of economic analysis, supply and demand, costs, micro-economic models, and production. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN ECON 4)

ECONOMICS 285 - 3 Units
Macro-Economics
Prerequisites: Economics 180
A continuation of the study of the tools of economic analysis and the application of these tools to the issues of macro-economics. The course includes a study of capital theory, national income, money and the banking system, inflation, and the role of the government in monetary and fiscal policy. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN ECON 2)

EDUCATION
EDUCATION 102 - 1 Unit
Teaching Diverse Contemporary Classrooms
Introduction to teaching and learning skills for potential teachers. This course will address the qualities of an effective teacher, components and purposes of an effective professional portfolio and critical issues in diverse contemporary classrooms. Course includes 10 hours of arranged fieldwork. Optional credit/no credit or grade. Transferable to CSU.

EDUCATION 103 - 2 Units
Technology Proficiencies for Teachers I
Advisories: Computer Business Applications 101
This course is based on the Technology Standards for a California K-12 Preliminary Teaching Credential. The class focuses on the proficiencies credential candidates are required to master before they can be issued a preliminary Multiple or Single Subject Credential. The curriculum and course represent a working partnership between the California Technology Assistance Project (CTAP), Region IX and the Coast Community College District’s TEACh3 Program. Students enrolled in the class will complete a portfolio in all the State mandated proficiencies and will receive certification as a Preliminary (Level I) Technology Proficient Educator. All skills are transferable between the Macintosh and Windows environments. Optional credit/no credit or grade. Transferable to CSU.

EDUCATION 150 - 3 Units
Reading for Early Childhood
This course teaches the research-based principles and practices for providing children birth through age 5 a strong foundation in early reading and writing within a developmentally appropriate approach. The course is delivered in three parts, each consisting of seven 3-hour sessions and on-site observations. Optional credit/no credit or grade. One unit per module, three units total. Transferable to CSU.

EDUCATION 180 - 3 Units
Family, Community and School in a Diverse Society
This course is designed to introduce students to various and current family, school, and community partnership models and approaches. Students will explore issues of educational equity and access for underrepresented groups in U.S. public schools, i.e., families of racial, ethnic and linguistic minorities and families of children with disabilities. The course will focus on theories and practices that foster new ways of viewing and establishing partnerships with these families and communities of diverse backgrounds. Optional credit/no credit or grade. Transferable to CSU.

EDUCATION 200 - 3 Units
The Teaching Profession
This course examines the opportunities, requirements, responsibilities and rewards in teaching, as well as the skills needed and problems encountered in the classroom. Optional credit/no credit or grade. Course includes 40 hours of assigned fieldwork. Transferable to CSU; UC.

ENGINEERING TECHNOLOGY
ENGINEERING TECHNOLOGY 100 - 4 Units
Electrical Fundamentals: AC-DC Circuits
A first course in a series of courses designed to fit the needs of an electronic engineering technician. Behavior of resistive, inductive, and capacitive devices, passive electrical networks, and a study of circuit theorems is covered. A supporting lab experience with use of basic test equipment is included. Letter grade only. Transferable to CSU.

ENGINEERING TECHNOLOGY 110 - 4 Units
Electronic Fundamentals: Active Devices & Circuits
A second course in electronic fundamentals covering semiconductor devices and related circuitry. Theory & behavior of power supplies, amplifiers, oscillators, switching, and regulation will be evaluated and tested during hands-on lab experience. Letter grade only. Transferable to CSU.

ENGINEERING TECHNOLOGY 120 - 4 Units
Digital Principles and Circuits
Introduction to Boolean Algebra and Number Systems. Combinational and sequential circuits such as decoders, multiplexers, registers and counters are designed, constructed and analyzed. An emphasis is placed on experience with typical test equipment, such as Oscilloscopes, Digital Probes and Logic Analyzers. Letter grade only. Transferable to CSU.

ENGINEERING TECHNOLOGY 125 - 3 Units
Introduction to Microprocessors
A study of microprocessor and computer architecture as they apply to PC’s and PLC’s. Theory and lab session include: logic circuitry, computer elements, interfacing and associated circuits. The course includes experience using software utilities to diagnose and differentiate between hardware and software problems. Letter grade only. Transferable to CSU.

ENGINEERING TECHNOLOGY 130 - 3 Units
Introductory Electronics
A course in basic principles of electricity and electronics for non-majors who need supporting knowledge essential to other technical areas such as science labs and Recording Arts majors. Theory covered in lecture will be further amplified in lab experiences. Optional credit/no credit or grade. Transferable to CSU.

ENGINEERING TECHNOLOGY 135 - 3 Units
Electronic Systems Servicing
Offers theory & laboratory experiences needed to achieve a basic knowledge of test equipment & procedures used in repairing typical electronic devices. Includes use of the schematic diagram, wiring, connectors, trouble shooting, and repair skills. Optional credit/no credit or grade. Transferable to CSU.
ENGINEERING TECHNOLOGY 140 - 3 Units
Microprocessor Applications
The theory and application of computers used to control and measure processes and systems. Theory and lab include: closed and open loop control systems, digital to analog conversion, system diagrams, flow charts, ladder logic and data acquisition programming. Class projects use SLC 500 controllers and Lab View DAQ systems. Lab experiences in microprocessor and the minicomputer are included. Letter grade only. Transferable to CSU.

ENGINEERING TECHNOLOGY 150 - 3 Units
Measuring Principles and Process Control
A study of industrial instrumentation: devices, processes and control systems. Theory and lab experience include circuits and devices used to sense and control electrical and mechanical force. Pressure, flow, liquid level, temperature, stress, strain, speed, and distance. Lab experience interfacing Programmable Logic Controllers (PLC's) and Data Acquisition (DAQ's) systems with sensors and control elements. Letter grade only. Transferable to CSU.

ENGINEERING TECHNOLOGY 280 - 3 Units
Statics
Prerequisites: Mathematics 185 and Physics 280
Calculus based vector mechanics, covering force diagrams, moment of a force, centroids, beams, trusses, friction, and moments of inertia. Letter grade only. Transferable to CSU; UC. (CAN ENGR 8)

ENGLISH

ENGLISH 009 - 3 Units
Developemental Reading and Writing
This course is designed for students with native fluency in English who need extensive reading and writing preparation for college level work. Reading components of this course promote student confidence by focusing on comprehension, vocabulary, and retention to promote student success and confidence. Writing components focus on sentence, paragraph, and short-essay writing. Students will concentrate on writing main ideas that are adequately supported by clear explanations, details, and examples. Some students may need additional assistance from the Writing Center. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 010 - 3 Units
Reading and Writing Essentials
Prerequisites: English 009 or English as a Second Language 071 or Placement Test
This course is designed for students who need additional reading and writing preparation for entry into English 100. It includes paragraph and essay writing, critical reading, and some grammar review. Some students may need additional support from the Writing Center. Letter grade only.

ENGLISH 024 AB - 0.5 Units
Guided Reading Development
(Same as: English as a Second Language 024A-B)
A course for the development of reading, writing and vocabulary skills for students of all levels: beginning ESL to native speakers. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 030 AB - 0.5 Units
Writing Coherent Sentences
This course reviews basic sentence patterns and includes some grammar and punctuation principles. Students progress at their own rate. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 031 - 2 Units
Building Vocabulary Skills I
Through several types of practice, controlled feedback, and testing, students will learn to use context clues to master over 200 frequently used words and 40 word parts. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 032 AB - 0.5 Units
Writing Effective Sentences
This course will provide students with the knowledge and skills to recognize and understand complicated sentence structures and to revise their own writing for clarity and effectiveness. This course presupposes mastery of skills, concepts, and terms taught in English 011. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 033 - 2 Units
Building Vocabulary Skills II
Through several types of practice, controlled feedback, and testing, students will learn to use context clues to master over 200 frequently used words and 40 word parts. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 034 AB - 0.5 Units
Writing the Unified Paragraph
This course instructs students in the process of developing a unified paragraph. It includes sections on developing a topic sentence, support and, finally, a unified paragraph. Students progress at their own rate. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 036 AB - 1 Unit
Writing a Unified Essay
This course instructs students in the process of developing a unified essay. Students should be able to write effective introductory, support, transition and concluding paragraphs. The completed essay that students may write in this course is not comparable to the essays written in English 100. Students progress at their own rate. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 037 AB - 0.5 Units
Answering Essay Questions
This course is designed to help students develop skills necessary to understand and to answer essay questions. The skills include analyzing different types of essay questions, practicing pre-writing techniques, developing organization, and proofreading the answer. Students progress at their own rate. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 038 AB - 0.5 Units
Reading Comprehension, Summary, and Response
Designed for students who desire to improve their reading and writing skills through a careful reading and summarization of short essays, and writing of responses to essay questions. Credit/no credit only. Not transferable, not degree applicable.
ENGLISH 039 AB - 0.5 Units
The Writing Process: Reading Comprehension and Response
Designed for students who wish to improve their understanding of the writing process, as well as their reading and writing skills through written responses to short reading assignments. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 040 AD - 0.5 Units
Active Reading for College Success
For native speaking students and advanced ESL students who desire college level reading skills. This lab course is designed to complement all academic courses that require advanced reading skills by increasing reading comprehension, context, vocabulary, retention, and speed. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 042 - 3 Units
Developmental Reading
Advisories: English 040 AD
A course designed to prepare students for college level work by bringing their reading ability to college proficiency. This course focuses on comprehension, vocabulary, retention, and speed in order to promote student success and confidence. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 045 - .18 Units
Writing the Essay for the University of California Application
This short course guides students through the process of writing the Personal Statement required with the University of California application. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 049 AD - Units
Developing Reading Skills
(Same as: English as a Second Language 049AD)
This reading course will best serve English as a Second Language students at the 030/040/050 levels. It focuses on developing key reading strategies within the context of authentic newspaper articles. The exercises that accompany the readings emphasize pre-reading and predicting outcomes, comprehension, scanning, recognizing main ideas, making inferences, and understanding and using contextualized vocabulary. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 050 AB - 1 Unit
Intermediate Reading Strategies
This course is for students who want to build stronger foundational reading skills. This Writing Center lab course is designed around the PLATO reading software program, a computer based curriculum. This course covers a variety of reading skills, encourages active reading, and develops critical thinking skills. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 060 AB - 1 Unit
Advanced Reading Strategies
This course is for students who want to build advanced college reading skills across several content areas, such as literature, social sciences, history, and science. This computer based lab course is designed around PLATO reading software and will help students develop reading comprehension and critical thinking skills. Students will learn specific strategies necessary to read college-level material in a variety of disciplines. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 070 - 3 Units
Great Ideas in Literature
Advisories: Not open to students enrolled in or having completed English 170. The course is designed to challenge and enrich the student by providing reading and discussion of the works of some of the great twentieth and seventeenth century writers. Comparisons are made between twentieth century and seventeenth century world views. Taught concurrently with English 170. Optional credit/no credit or grade.

ENGLISH 081 AB - 3 Units
Creative Writing: Prose
This is a course for those who enjoy writing and want to concentrate on same form or forms of prose: the short story, magazine articles, screen play, stage play, autobiography, personal essay, etc. Course activities include creation of original student works and informal discussion and criticism of student work by instructor and the class. Optional credit/no credit or grade. Meet with English 281, for students planning to transfer to a University.

ENGLISH 097 AD - 0.18-0.5 Units
Writing Conference I
This is a self-paced, variable unit course offering individualized instruction designed to meet your specific needs in areas such as getting started, development and organization of ideas, grammar, punctuation and ESL. This writing course may be either self-select- ed or recommended by your instructor in another course that requires written assignments. Credit/no credit only.

ENGLISH 098 AD - 0.5 Units
Writing Conference II
This course continues the individually tailored writing instruction begun in English 097 and can be taken in connection with any college course requiring writing assignments. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH 100 - 3 Units
Freshman Composition
Prerequisites: English 010 or Placement Test
Composition and revision of essays, critical thinking, critical reading and documentation. Recommended for all liberal arts majors and those planning to transfer to a four-year college or university. Instructor may recommend up to one additional hour per week in the Writing Center Letter grade only. Transferable to CSU; UC. (CAN ENGL 2) ( ENGL 100 + 110 = CAN ENGL SEQ A)

ENGLISH 100 HONORS - 3 Units
Freshman Composition, Honors
Prerequisites: English 010 or Placement Test
The Golden West Honors program offer highly motivated students an enriched academic experience, challenging them with stimulating, rigorous assignments leading them to advanced level of critical thinking. Most enhancements to the standard English 100 course are qualitative rather than quantitative. While there is additional reading, some on a fairly high level, the intensified focus on critical thinking holds students to a higher standard: all their oral and written work must manifest a commitment to, and a capacity for, academic excellence. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.
ENGLISH 110 - 3 Units
Critical Thinking, Reading and Writing through Literature
Prerequisites: English 100
An introduction to literature and further study of composition, emphasizing critical thinking and analysis and evaluation of fiction, poetry and drama. Recommended for English majors and prospective teachers. Letter grade only. Transferable to CSU; UC. (CAN ENGL 4) (ENGL 100 + 110 = CAN ENGL SEQ A)

ENGLISH 110 HONORS - 3 Units
Critical Thinking, Reading, and Writing through Literature, Honors
Prerequisites: English 100
Honors students participate in enrichment activities, plus engage in more intensive reading, research and critical thinking about literature than in the standard course. Reading thematically linked works in a variety of genres, students will develop their ability to write interpretive papers analyzing fiction, poetry and drama. The course focuses on the ways styles create meaning, both in the authors studied and in our own writing. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.

ENGLISH 111 - 3 Units
Analytical and Academic Reading for College
A course designed for students of all disciplines to develop critical thinking skills, critical reading skills, and the speed needed for academic success. The course concentrates on the ability to read, understand, and respond to college level texts across the curriculum. Letter grade only. Transferable to CSU. May not be offered each semester.

ENGLISH 112 - 3 Units
Appreciation of Literature
For transfer students interested in a broad introduction to literary genres, elements and techniques in cultural/historical context. Literary works will be chosen from all three genres and various historical periods and will illustrate various genres, cultures, historical contexts and the relationships between them. Optional credit/no credit or grade. Transferable to CSU; UC.

ENGLISH 114 - 3 Units
Great Myths and Legends
A survey of the famous myths and legends of many diverse cultures, East and West. Familiarity with myths and legends provides insights into the human mind throughout the ages, and adds dimension to the study of history, psychology, literature and anthropology. Optional credit/no credit or grade. Transferable to CSU; UC.

ENGLISH 114 HONORS - 3 Units
Great Myths and Legends, Honors
Prerequisites: English 100
Honors students will examine myths and legends dealing with such archetypes as the hero; motifs of the quests; the nature of the gods; passages into young adulthood, marriage, and death; the relationship between gods and people. The course of study will feature more reading from original sources, more intense focus on views of reality, embedded in different cultures’ myths and styles, plus more attention to the assumptions implicit in different approaches myth. The course will also intensify the focus on research and critical thinking. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.

ENGLISH 115 - 3 Units
Introduction to Children’s Literature
A study of pre-teen and adolescent literature, this course focuses on poems and longer works of fiction, exploring themes of initiation, physical maturation, fantasy, and education. Letter grade only. Transferable to CSU; UC.

ENGLISH 143 - 3 Units
Major American Authors
Prerequisites: English 100
A study of selected writers in American literature through the Civil War. Letter grade only. Transferable to CSU; UC. (CAN ENGL 14) (ENGL 150 + 155 = CAN ENGL SEQ C)

ENGLISH 150 - 3 Units
Major American Authors
Prerequisites: English 100
A study of selected writers in American literature since the Civil War. Letter grade only. Transferable to CSU; UC. (CAN ENGL 16) (ENGL 150 + 155 = CAN ENGL SEQ C)

ENGLISH 155 - 3 Units
Asian/American Literature
Prerequisites: English 100
A study of modern Asian/American Literature with emphasis on the rich Asian heritage, immigrant plight, and second-generation struggles with bi-culturalism as revealed in prominent literary works by Asian/American writers. Letter grade only. Transferable to CSU; UC.

ENGLISH 156 - 3 Units
Great Ideas in Literature
A study of great ideas presented in works of the 20th and 21st century. Letter grade only. UC credit limitations. See counselor.

ENGLISH 160 - 3 Units
Masterpieces of World Literature
Prerequisites: English 100
A study of world masterpieces through the European Renaissance. The important contributions and achievements from the literature of both Western and Eastern countries and eras are studied for their artistic merit and for their influences on modern thought. Letter grade only. Transferable to CSU; UC.

ENGLISH 165 - 3 Units
Masterpieces of World Literature
Prerequisites: English 100
A study of world masterpieces since the Renaissance. The important contributions and achievements from the literature of various countries and eras are studied for their artistic merit and their influence in our time. Letter grade only. Transferable to CSU; UC.

ENGLISH 170 - 3 Units
Great Ideas in Literature
Prerequisites: English 100
For transfer students, the course is designed to challenge and enrich the student by providing reading and discussion of the works of some of the great twentieth and seventeenth century writers. Comparisons are made between twentieth century and seventeenth century world views. Three papers required. Letter grade only. Transferable to CSU; UC. May not be offered each semester.
**ENGLISH 171 - 3 Units**  
Great Ideas in Literature  
Prerequisites: English 100  
The course will focus on the mavericks, rebels and ‘outsiders’ in literature who, for reasons of conscience or conviction, have acted in defiance of custom, authority, or accepted community standards. For transfer students, the course is designed to challenge and enrich the student by providing reading and discussion of selections from such writers as Ibsen, Shaw, Camus, Thurban, Hawthorne and Melville. Three papers required. Letter grade only. Transferable to CSU; UC. May not be offered each semester.

**ENGLISH 180 - 3 Units**  
Shakespeare  
Prerequisites: English 100  
Introduction to a range of Shakespeare’s plays - selected from tragedy, comedy, history and romance. Emphasis on literary values, theater background, historical context, and live productions. Letter grade only. Transferable to CSU; UC.

**ENGLISH 280 - 3 Units**  
Creative Writing  
Prerequisites: English 100  
A course for those who enjoy writing. Creation of original student work of any type—poetry, story, essay, drama. Informal discussion and criticism of student writing by the class and instructor. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN ENGL 6)

**ENGLISH 281 AB - 3 Units**  
Creative Writing: Prose  
Prerequisites: English 100  
A course for those who enjoy writing and want to concentrate on some form of forms of prose: the short story, magazine article, screen play, stage play, autobiography, personal essay, etc. Informal discussion and criticism of student work by the instructor and the class. Optional credit/no credit or grade. Transferable to CSU; UC.

**ENGLISH 290 - 3 Units**  
Major British Authors  
Prerequisites: English 100  
A study of selected writers in English literature to 1800. Letter grade only. Transferable to CSU; UC. (CAN ENGL 8) (ENGL 290 + 295 = CAN ENGL SEQ B)

**ENGLISH 295 - 3 Units**  
Major British Authors  
Prerequisites: English 100  
A study of selected writers in English literature from 1800 to present. Letter grade only. Transferable to CSU; UC. (CAN ENGL 10) (ENGL 290 + 295 = CAN ENGL SEQ B)

**ENGLISH 926 - 0 Units**  
Writing Center Practicum Using Computers  
Using computers, the Writing Center course is designed to provide practice and experience in a wide variety of basic English skills, including essay and paragraph writing, sentence structure, grammar, and mechanics. Students’ workload will vary, depending on individual need as determined by individualized diagnosis by Writing Center staff and/or referral by English Department instructors. No credit. Open entry/open exit. Not transferable, not degree applicable.

**ENGLISH AS A SECOND LANGUAGE**

**ENGLISH AS A SECOND LANGUAGE 001 AD - 4 Units**  
Beginning English Language I  
Advisories: ESL Assessment process.  
An introduction to and practice of the basic sounds and structure of English, emphasizing the listening comprehension and oral communication skills as well as the elementary reading and writing skills necessary for college work. Credit/no credit only. The units earned for this course may not be applied toward the 60 units for graduation. Not transferable, not degree applicable.

**ENGLISH AS A SECOND LANGUAGE 002 AD - 4 Units**  
Beginning English Language II  
Prerequisites: ESL 001 AD or ESL Placement Test  
A high beginning course emphasizing listening comprehension, oral communication, introductory reading skills and vocabulary building, grammar principles, common usage patterns, and written sentence construction. Credit/no credit only. The units earned for this course may not be applied toward the 60 units for graduation. Not transferable, not degree applicable.

**ENGLISH AS A SECOND LANGUAGE 003 AD - 4 Units**  
Intermediate English Language I  
Prerequisites: ESL 002 AD or ESL Placement Test  
A low intermediate course emphasizing listening comprehension, oral communication, basic reading skills and vocabulary building, grammar principles, and the written construction of compound and complex sentences. Credit/no credit only. The units earned for this course may not be applied toward the 60 units for graduation. Students may be required to spend two additional hours in the Writing Center. Not transferable, not degree applicable.

**ENGLISH AS A SECOND LANGUAGE 004 AD - 4 Units**  
Intermediate English Language II  
Prerequisites: ESL 002 AD or ESL Placement Test  
Designed for high intermediate students of English as a Second Language, this course promotes continued practice in listening comprehension and oral communication and emphasizes critical reading skills, vocabulary extension, and the writing process, with particular focus on clear, coherent expository and argumentative paragraphs and longer forms, all using a variety of appropriate sentence structures. Credit/no credit only. Students may be required to spend two additional hours per week in the Writing Center. Not transferable, not degree applicable.

**ENGLISH AS A SECOND LANGUAGE 011 - 6 Units**  
ESL Core Course, Level I  
Prerequisites: Placement by ESL assessment process.  
Advisories: Concurrent enrollment in ESL 013  
This is the first in a series of seven levels. Beginning ESL core course for students who are learning basic skills in English reading, writing, listening, speaking, and grammar. In this course, students will be introduced to simple present, simple past, simple future and present progressive verb tenses and basic English word order patterns. At the completion of the course, they will be able to read very basic English prose and engage in rudimentary conversations. No previous study of English is required. Credit/no credit only. Not transferable, not degree applicable. May not be offered each semester.
ENGLISH AS A SECOND LANGUAGE 012 - 3 Units  
**ESL Reading/Writing, Level I**  
Prerequisites: Placement by ESL assessment process.  
This is a beginning discrete skills course designed to give intensive practice in reading, writing, and grammar as it relates to reading comprehension. Students will develop the ability to write with a simple concrete vocabulary and read simple descriptive narrative, and informative materials with understanding. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH AS A SECOND LANGUAGE 013 - 3 Units  
**ESL Listening/Speaking, Level I**  
Prerequisites: Placement by ESL assessment process.  
Advisories: Concurrent enrollment in ESL 011  
Beginning ESL listening/speaking course designed to give intensive practice in listening, speaking and pronunciation in spoken grammar. At the completion of the course, students will be able to understand simple spoken English and engage in rudimentary conversations. Not applicable to AA degree. Credit/no credit only. Not transferable, not degree applicable. May not be offered each semester.

ENGLISH AS A SECOND LANGUAGE 021 - 6 Units  
**ESL Core Course, Level 2**  
Prerequisites: ESL 011 and 113 or placement by ESL assessment process.  
Advisories: ESL 022 and ESL 023  
Second in a series of seven levels. High beginning ESL core course for students who are learning basic skills in English reading, writing, listening, speaking, and grammar. In the course, students will focus on simple and progressive verb tenses and basic sentence patterns. At the completion of the course, they will be able to read and write basic English sentences, and engage in simple oral communication. Credit/no credit only. Not transferable, not degree applicable. May not be offered each semester.

ENGLISH AS A SECOND LANGUAGE 022 - 3 Units  
**ESL Reading/Writing, Level 2**  
Prerequisites: Placement by ESL assessment process.  
Advisories: ESL 011 and/or concurrent enrollment in ESL 021 and ESL 023  
A high beginning discrete skills course designed to give intensive practice in reading, writing, and grammar. Students will develop the ability to write with a concrete vocabulary and read simple descriptive narrative, and informative materials with understanding. Credit/no credit only. Not transferable, not degree applicable. May not be offered each semester.

ENGLISH AS A SECOND LANGUAGE 023 - 3 Units  
**ESL Listening/Speaking, Level 2**  
Prerequisites: ESL 013 or placement by ESL assessment process.  
Advisories: ESL 011 and/or concurrent enrollment in ESL 021 and/or ESL 022  
A high beginning discrete-skills course designed to give intensive practice in listening, speaking, and pronunciation in spoken grammar. Students will develop confidence in conversation with a limited vocabulary on everyday matters. Credit/no credit only. Not transferable, not degree applicable. May not be offered each semester.

ENGLISH AS A SECOND LANGUAGE 024 - 0.5 Units  
**Guided Reading Development**  
(Same as: English 024)  
A course for the development of reading, writing and vocabulary skills for students of all levels: beginning ESL to native speakers. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH AS A SECOND LANGUAGE 028 - 0.25 Units  
**Verb forms, Part 1: Simple and Progressive**  
This is a Writing Center course which teaches ESL students when and how to use the simple and progressive verb tenses. Students work at their own pace by following a video presentation, writing exercises, and receiving one-on-one instruction. Credit/no credit only. Open entry/open exit. Not transferable, not degree applicable.

ENGLISH AS A SECOND LANGUAGE 031 - 5 Units  
**ESL Core Course, Level 3**  
Prerequisites: ESL 021 and 023 or placement by ESL assessment process.  
Advisories: ESL 032 and/or ESL 033  
Third in a series of seven levels. Low intermediate ESL core course in English reading, writing, speaking, listening, and grammar. In the course, students will focus on mastery of simple and progressive verb tenses, simple passive voice, indirect object patterns, modals, idiomatic expressions, and simple subordination. At the completion of the course, students will be able to use simple time and space orders in sentences and paragraphs and use correct word order in conversation. Credit/no credit only. Not transferable, not degree applicable. May not be offered each semester.

ENGLISH AS A SECOND LANGUAGE 032 - 3 Units  
**ESL Reading/Writing, Level 3**  
Prerequisites: Placement by ESL assessment process.  
Advisories: ESL 021 and/or ESL 022 and/or concurrent enrollment in ESL 031 and/or ESL 033.  
An low intermediate discrete skills course designed to give intensive practice in reading, writing, and grammar. Students will read selections ranging from simple information to high-interest stories and develop the ability to write short narrative and descriptive paragraphs on familiar topics, using a variety of simple verb tenses, simple subordination and coordination. Credit/no credit only. Not transferable, not degree applicable. May not be offered each semester.

ENGLISH AS A SECOND LANGUAGE 033 - 3 Units  
**ESL Listening/Speaking, Level 3**  
Prerequisites: ESL 021 and 023 or placement by ESL assessment process.  
Advisories: ESL 032 and/or ESL 033  
A high intermediate discrete-skills course designed to give intensive practice in listening, speaking, and pronunciation. Students will engage in social dialogues, role playing and conversations in response to TV, video and class lectures. Stress on pronunciation of vowel sounds and end consonant clusters. Credit/no credit only. Not transferable, not degree applicable. May not be offered each semester.

ENGLISH AS A SECOND LANGUAGE 038 - .25 Units  
**Verb forms, Part 2: Future and Past**  
This is a course which teaches ESL students when and how to use the simple and progressive verb forms in past, present, and future. Students work at their own pace by following a video presentation, writing exercises, and receiving one-on-one instruction. Credit/no credit only. Open entry/open exit. Not transferable, not degree applicable.
ENGLISH AS A SECOND LANGUAGE 041 - 4 Units
ESL Core Course, Level 4
Prerequisites: ESL 031 and ESL 033 or placement by ESL assessment process.
Advisories: Concurrent enrollment in ESL 042 and/or ESL 043
Fourth in a series of seven levels. Intermediate ESL core course in English reading, writing, speaking, listening, and grammar. In the course students will focus on present perfect tense and on compound and complex sentences, expository writing forms, appropriate levels of diction, and topic sentence ideas. At the completion of the course, they will be able to write simple process, reason, and results pieces with control of sentence word order; they will also be able to distinguish central ideas and supporting details in structured readings. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH AS A SECOND LANGUAGE 042 - 3 Units
ESL Reading/Writing, Level 4
Prerequisites: Placement by ESL assessment process.
Advisories: ESL 031 and/or ESL 032 and/or concurrent enrollment in ESL 041 and/or ESL 043
An intermediate discrete skills course designed to give intense practice in reading, writing, and grammar. Students will read expository pieces requiring the ability to find main ideas and details, make inference, recognize transitional devices, and distinguish levels of generality. They will develop the ability to write simple expository paragraphs, with and emphasis on using transitional devices to coordinate ideas. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH AS A SECOND LANGUAGE 043 - 3 Units
ESL Listening/Speaking, Level 4
Prerequisites: ESL 033 or placement by ESL assessment process.
Advisories: ESL 031 and/or concurrent enrollment in ESL 041 and/or ESL 043
This is a course in which ESL students study when to change verb tenses and use various transition words, phrases, and clauses to show those changes in paragraphs. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH AS A SECOND LANGUAGE 048 - 0.25 Units
Verb forms, Part 3: The Perfect Tenses
This is a course which teaches ESL students the present, past and future perfect verb tenses and the subordination of clauses which use a variety of verb tenses. Students work at their own pace by following a video presentation, writing exercises, and receiving one-on-one instruction. Credit/no credit only. Open entry/open exit. Not transferable, not degree applicable.

ENGLISH AS A SECOND LANGUAGE 049 - 1 Unit
Developing Reading Skills
(Same as: English 049)
This reading course will best serve English as a Second Language students at the 030/040/050 levels. It focuses on developing key reading strategies within the context of authentic newspaper articles. The exercises that accompany the readings emphasize pre-reading and predicting outcomes, comprehension, scanning, recognizing main ideas, making inferences, and understanding and using conceptualized vocabulary. Credit/no credit only. Not transferable, not degree applicable.

ENGLISH AS A SECOND LANGUAGE 051 - 5 Units
ESL Core Course, Level 5
Prerequisites: ESL 041 and ESL 043 or placement by ESL assessment process.
Advisories: Concurrent enrollment in ESL 052 and/or ESL 053
Fifth in a series of seven levels. High intermediate ESL core course in English reading, writing, speaking, listening, and grammar. In the course the students will focus on the more difficult adjectival and adverbial clauses; past and future perfect tenses; expository writing patterns, such as cause and effect and comparison and contrast; inference and tone in reading; and listening without visual clues. At the completion of the course, they will have emerging control of expository forms, of tone, and of providing contextual clues. Letter grade only. Not transferable, not degree applicable.

ENGLISH AS A SECOND LANGUAGE 052 - 2 Units
ESL Reading/Writing, Level 5
Prerequisites: Placement by ESL assessment process.
Advisories: ESL 041 and/or concurrent enrollment in ESL 051 and/or ESL 053
A high intermediate discrete skills course designed to give intense practice in reading, writing, and grammar. Students will read multi-paragraph pieces of wide general interest and of abstract topics; they will distinguish between main and subordinate ideas and recognize major differences in tone. They will develop the ability to write transitional phrases between simple expository paragraphs and use a variety of compound and complex sentence patterns in subordination and coordination. Letter grade only. Not transferable, not degree applicable.

ENGLISH AS A SECOND LANGUAGE 053 - 2 Units
ESL Listening/Speaking, Level 5
Prerequisites: ESL 043 or placement by ESL assessment process.
Advisories: ESL 041 and/or concurrent enrollment in ESL 051 and/or ESL 052
A high intermediate discrete skills course designed to give intensive practice in listening, speaking, and pronunciation. Students will begin elementary guided note taking in response to a variety of simple lectures. Emphasis on presenting short reports and using a variety of stress and intonation patterns to convey meaning. Letter grade only. Not transferable, not degree applicable.

ENGLISH AS A SECOND LANGUAGE 058 - 0.25 Units
Verb forms, Part 4: Mixing Tenses
This is a course in which ESL students study when to change verb tenses and use various transition words, phrases, and clauses to show those changes in paragraphs. Students work at their own pace by following a video presentation, writing exercises, and receiving one-on-one instruction. Credit/no credit only. Open entry/open exit. Not transferable, not degree applicable.

ENGLISH AS A SECOND LANGUAGE 061 - 4 Units
ESL Core Course, Level 6
Prerequisites: ESL 051, 052 and 053 or ESL 004AD or placement by ESL assessment process.
Advisories: Concurrent enrollment in ESL 062 and/or ESL 063
Sixth in a series of seven levels. Low advanced ESL core course in English reading, writing, speaking, listening, and grammar. In the course students will focus on sophisticated adverbial and noun clauses, adverbial transformations, and participial forms, basic essay form, and a range of developmental readings. At the conclusion of the course students will be able to write and converse about these materials in predominantly correct standard English. Letter grade only. Not transferable, not degree applicable.
ENGLISH AS A SECOND LANGUAGE 062 - 2 Units
ESL Reading/Writing, Level 6
Prerequisites: ESL 004AD or ESL 052 or placement by ESL assessment process.
Advisories: ESL 051 and/or concurrent enrollment in ESL 061
A low advanced discrete skills course designed to give intensive practice in reading, writing, and grammar. Students will develop the ability to read and analyze a range of selected essays, articles, and fictional pieces and to write fully developed paragraphs of cause/effect, classification, problem/solution and simple essays based on these readings. Letter grade only. Not transferable, not degree applicable.

ENGLISH AS A SECOND LANGUAGE 063 - 2 Units
ESL Listening/Speaking & Study Skills I
Prerequisites: ESL 004 AD or ESL 053 or placement by ESL assessment process.
Advisories: ESL 051 and/or concurrent enrollment in ESL 061
A low advanced discrete-skills course designed to give intensive practice in listening, speaking, and study skills. Guided note-taking from lectures and discussion. Conversations about a variety of topics with emphasis on appropriate vocabulary, syntax, and register. Letter grade only. Not transferable, not degree applicable.

ENGLISH AS A SECOND LANGUAGE 068 - 0.25 Units
Verbs forms, Part 5: The Conditional
This is a course which teaches ESL students when and how to use conditional real and unreal clauses. Students work at their own pace by following a video presentation, writing exercises, and receiving one-on-one instruction. Credit/no credit only. Open entry/open exit. Not transferable, not degree applicable.

ENGLISH AS A SECOND LANGUAGE 071 - 4 Units
ESL Core Course, Level 7
Prerequisites: ESL 061 and 063 or placement by ESL assessment process.
Advisories: Concurrent enrollment in ESL 073.
Last in a series of seven levels. High advanced ESL core course in English reading, writing, speaking, listening, and grammar. In the course students will focus on analytic reading skills, essay writing, and refining their use of English syntax. At the conclusion of the course they will have the skills to fulfill the entry requirements for English 010. Letter grade only. Not transferable, not degree applicable.

ENGLISH AS A SECOND LANGUAGE 073 - 2 Units
ESL Listening/Speaking & Study Skills II
Prerequisites: ESL 063 or placement by ESL assessment process.
Advisories: ESL 061 and/or concurrent enrollment in 071
An advanced discrete-skills course in listening, speaking and study skills. Guided and free note-taking from lectures and discussions. The major focus of this class is to develop students’ listening proficiency, particularly for listening to lectures and note taking, but some emphasis will be placed on speaking practice with the aim of developing linguistic proficiency. Letter grade only. Not transferable, not degree applicable.

ENVIRONMENTAL STUDIES
ENVIRONMENTAL STUDIES 100 - 3 Units
Introduction to Environmental Studies
An interdisciplinary course designed to give the student a general overview of the environmental studies field. A basic understanding of issues related to the environmental compartments of air, soil and water; historical events, economic, political, and cultural concepts, regulations, and technology will be presented. An overview of career opportunities and paths within the environmental industry will be presented. Optional credit/no credit or grade. Transferable to CSU/UC.

ENVIRONMENTAL STUDIES 110 - 3 Units
Waste Stream Generation/Reduction/Treatment
The study of industrial processes and their generation of waste streams in seven selected industries: electroplating, metal finishing and printed circuit board production, oil refining and chemical production, steel production, general manufacturing, printing and graphic reproduction, agriculture and consumer services. The course will center on various raw materials and chemicals used in industry, examining the changes that occur as they move through the industrial process, and understanding the material balance concept of inventory. Throughout the course, discussion of applicable regulations will be included, and the importance of waste minimization/treatment concepts will be stressed. Home hazardous waste generation and reduction will also be considered. Optional credit/no credit or grade. Transferable to CSU.

ENVIRONMENTAL STUDIES 130 - 3 Units
Environmental Health and Hygiene
This course covers the acute and chronic health effects produced by exposure to chemical, physical, and biological agents. Emphasis will be on those hazardous materials commonly associated with industrial operations, waste disposal and remediation sites. Topics will include routes of entry, toxic effects, risk evaluation, permissible exposure limits, medical surveillance, control methods for reducing exposure, and understanding an MSDS. Optional credit/no credit or grade. Transferable to CSU.

ENVIRONMENTAL STUDIES 150 - 3 Units
Hazardous Waste Management Applications
This course provides an overview of hazardous waste regulation with emphasis on generator compliance, site investigation and remediation, permitting, enforcement, and liability. The lecture portion of the course explains the hazardous waste regulatory framework, introduces the student to the wide variety and types of environmental resources available, and develops research skills in the hazardous waste area. The laboratory portion of the course complements the lecture by providing ‘hand-on’ application of the regulations at the technician level. Proper methods of preparing a hazardous waste manifest, labeling of storage containers, sampling and analysis, preparing a Phase I Environmental Audit, and selecting consultants are among the many skills developed in the laboratory. Optional credit/no credit or grade. Transferable to CSU.

ENVIRONMENTAL STUDIES 180 AD - .5-3 Units
Ecotourism Destinations
The course will introduce students to the concepts, principles, planning and management of ecotourism destination activities, which promote cultural and environmental awareness while providing beneficial economic opportunities to the local community. Destination activity guidelines will be presented including the practical skills, and techniques necessary for assisting communities in the development of an ecotourist itinerary, educational program and marketing plan. Optional credit/no credit or grade. Field activities will be a major component of the program. This course can be repeated for a maximum of four destinations. This course will be offered as a variable unit value according to the complexity of the focused destination(s). Transferable to CSU.

ENVIRONMENTAL STUDIES 190 AD - 1.5-3.5 Units
Environmental Studies Practicum
Designed to provide environmental studies learners with a practicum cooperatively planned by a private, public or non-profit agency and the environmental studies faculty. Focus is on providing students with an opportunity to apply environmental studies theory in a realistic work setting. The course includes classroom/online discussion of issues directly related to the practicum. Optional credit/no credit or grade. Student’s practicum can take place locally, nationally or internationally. This course can be repeated and taken for a maximum of 12 units. One and one half hours lecture, ten-thirty hours non-lecture per week. Transferable to CSU.
ENVIRONMENTAL STUDIES 200 - 4 Units  
Hazardous Materials Management Applications
A study of the requirements and applications of federal, state and local laws and regulations relating to hazardous materials. The course will emphasize compliance with Department of Transportation, Occupational Safety & Health Administration (OSHA) Hazard Communication, Superfund Amendments and Reauthorization Act of 1986 (SARA) Title III Community Right-To-Know, Underground Tank, Asbestos, Proposition 65, and Air Toxics Regulations. The lecture portion of the course will provide the student with and understanding of the legal framework of hazardous materials laws; the laboratory portion will focus on applications of these laws, such as: proper labeling, shipping, and handling of hazardous materials; obtaining and interpreting Material Safety Data Sheet (MSD’s); permitting and monitoring functions, as well as planning and reporting functions. Optional credit/no credit or grade. Transferable to CSU.

ENVIRONMENTAL STUDIES 230 - 4 Units  
Safety and Emergency Response
This course is designed to provide students with hands-on instruction in safety and emergency response to chemical and physical exposures in industrial and field settings. Topics include: hazard analysis, contingency planning, housekeeping and safety practices including proper use and selection of Personal Protective Equipment (PPE), site control and evaluation, handling drums and containers, field sampling and monitoring, proper use of instruments, incident response planning, emergency response including field exercises in the use of Powered Air Purifying Respirator (PAPR) and Self Contained Breathing Apparatus (SCBA), and an understanding of the Incident Command System (ICS). Optional credit/no credit or grade. This course satisfies the requirements for generalized employee training under Occupational Safety & Health Administration (OSHA) (1910.120). Transferable to CSU.

ENVIRONMENTAL STUDIES 230-1 - 2 Units  
Hazardous Waste Operations and Emergency Response
This course is designed to provide students with hands-on instruction in safety and emergency response to chemical and physical exposures in industrial field settings. Topics include: hazard analysis, contingency planning, housekeeping and safety practices including proper use and selection of Personal Protective Equipment (PPE), site control and evaluation, handling drums and containers, field sampling and monitoring, proper use of instruments, emergency response including field exercises in the use of Powered Air Purifying Respirator (PAPR) and Self Contained Breathing Apparatus (SCBA), confined space entry Optional credit/no credit or grade. This course satisfies the requirements for generalized employee training under OSHA (Occupational Safety & Health Administration, 1910.120). Transferable to CSU.

ENVIRONMENTAL STUDIES 230-2 - 2 Units  
Hazardous Waste Operations and Emergency Response
This course is designed to provide students with hands-on instruction in safety and emergency response to chemical and physical exposures in industrial field settings. Topics include: hazard analysis, safety practices including proper use and selection of PPE (Personal Protective Equipment), incident response planning, emergency response including field exercises in the use of PAPR (Powered Air Purifying Respirator) and SCBA (Self Contained Breathing Apparatus), confined space entry, and an understanding of the ICS (Incident Command System). Optional credit/no credit or grade. This course satisfies the requirements for generalized employee training under CAL/OSHA (California/Occupational Safety & Health Administration, Title 8, sections 5156-5159 and 5192). Transferable to CSU.

FLORAL DESIGN  

FLORAL DESIGN 010 - 2 Units  
Basic Floral Design
Introduction to vocational floristry. Background information, current trends and techniques with emphasis on product care and handling and flower identification. Detailed instruction and demonstrations are given on line arrangements and body flowers. Students are given design lab time. After evaluation of the completed project, it may be taken home. Letter grade only.

FLORAL DESIGN 011 - 2 Units  
Floral Business Practicum I
Prerequisites: Floral 010
This course reinforces basic floral knowledge and introduces additional designs and techniques. Care and handling of fresh flowers and greens, flower classification and flower identification are reviewed. Vocational design techniques and color concepts are reinforced as students create floral arrangements and corsages. Emphasis is on creating confidence, sharpening basic skills and creating cost/profit awareness. In addition to design, students will explore the relationship between a floral designer and a shop operator as a result of pricing for profit, selling and salesmanship, merchandising and management, and accommodating the customer through wire service. The intent is to prepare students to design as well as to operate a successful flower shop. Letter grade only.

FLORAL DESIGN 015 - 2 Units  
Advanced Floral Design-Wedding Designs
Prerequisites: Floral 010
Advanced techniques in designing and executing flower arrangements for weddings. Emphasis is placed on bouquets, hair pieces and church decor. All phases of covering and planning weddings will be covered. Letter grade only.

FLORAL DESIGN 020 - 2 Units  
Advanced Floral Design-Tributes and International Traditions
Prerequisites: Floral 010
Globalization has changed floral focus to include intercontinental design techniques and imported products. This course will increase awareness and appreciation of cultural influence and country specific designs. Retail practices in the handling of floral tributes applicable to funerals and transferable to decorating will also fit into the study of customs and cultures in this international scope. Letter grade only.

FLORAL DESIGN 025 - 2 Units  
Advanced Floral Design-Event Planning and Display
Prerequisites: Floral 010
Selling and designing special event flowers has will be prepared by advanced students who seek knowledge and professionalism in the floral industry as specifically related to party work. This class includes comprehensive information regarding planning, organizing, managing, and delivering designs for special occasions. Party props, room decor, table treatments, and display elements are emphasized along with art principles and creative thematic approaches to floral design. Letter grade only.

FLORAL DESIGN 027 - 2 Units  
Creativity and Competition
Prerequisites: Floral 010
Individualized, non-standard, contemporary flower arrangements emphasizing the use of the student’s own imagination and creative talent. Students execute unconventional designs with guidelines rather than patterns. Letter grade only.
FLORAL DESIGN 032 - 2 Units
Permanent and Seasonal
Prerequisites: Floral 010
Silk and dry arrangements will be executed with emphasis on preservation of natural plant material. Selection of containers and holding medium for decor will be clarified. Advanced techniques featuring hand-wrapped silks complete the course. Letter grade only.

FLORAL DESIGN 050 - 2 Units
Floral Placement and Productions Practicum II
Prerequisites: Floral 010
Emphasis in this course will be focused towards providing students opportunities to gain proficiency by developing skills in an industrial environment. Instructor will assist students to prepare for and locate suitable entry level positions in industry. Evaluation of job preparation as well as on-site performance in cooperation with work site supervisors will occur. Letter grade only.

FRENCH
FRENCH 060 - 3 Units
Practical French, Beginning
Development of basic skills in the language. Practice in pronunciation and comprehension of French and introduction of basic structural patterns. Optional credit/no credit or grade.

FRENCH 061 - 3 Units
Practical French, Intermediate
Prerequisites: French 060
A continuation of French 060. Pronunciation, diction, oral practice and minimum grammar for conversation. The student will be able to recognize important phrases, ask questions using these phrases, develop an acceptable accent, become familiar with cultural background, and develop the ability to carry on a conversation. Optional credit/no credit or grade.

FRENCH 180 - 5 Units
Elementary French
Students learn to understand, speak, read, and write basic French. A proficiency-oriented course to acquire French for real life situations. Classes are essentially conducted in French. Native speakers are eligible by permission of the instructor only. Optional credit/no credit or grade.

FRENCH 185 - 5 Units
French, Elementary
Prerequisites: French 180
A continuation and completion of French 180. Further development emphasizing reading ability. Optional credit/no credit or grade.

FRENCH 200 AB - 2 Units
Conversational French, Advanced
Prerequisites: French 185
The course will focus on improving listening comprehension and oral competency to facilitate communication. Reading, writing, and cultural components will be included. Optional credit/no credit or grade.

FRENCH 280 - 4 Units
French, Intermediate
Prerequisites: French 185
A thorough review of essentials of French grammar with wide readings in French on civilization and literature. Optional credit/no credit or grade.

FRENCH 285 - 4 Units
French, Intermediate
Prerequisites: French 280
Further development of language competencies such as listening, speaking, reading and writing. Extensive exposure to French and Francophone cultures through authentic materials and group discussions on a variety of topics ranging from current events to global issues. Optional credit/no credit or grade.

GEOGRAPHY
GEOGRAPHY 100 - 3 Units
World Regional Geography
An introduction to geography through a regional study of a variety of environments with emphasis on the ways humans have adapted to and/or changed them. The regions studied will include the Americas, Eurasia, Africa, Australia and islands and oceans. Optional credit/no credit or grade.

GEOGRAPHY 104 - 3 Units
Introduction to Geography: Cultural Geography
Recommended for transfer students majoring in anthropology, economics, history, geography or sociology. An introduction to geography through a topical study of the patterns of human occupation and land use over the earth’s surface and the correlation with the natural environment. Particular emphasis will be given to population, agriculture, politics, language, religion, folk and popular culture, urbanization and industrialization. Optional credit/no credit or grade.

GEOGRAPHY 180 - 3 Units
Introduction to Geography: Physical Geography
Recommended for transfer students majoring in anthropology, economics, geography, sociology and the natural sciences. A study of the basic physical elements of the geographical environment, with particular attention to the earth as a planet, its structural features, landforms, meteorological and climatological phenomena, vegetation, soils and environmental regions. Optional credit/no credit or grade.
GEOL 2 - 4 Units
General Geology
An introductory survey of physical geology recommended to meet the general education requirements for a laboratory science course. All aspects of physical geology are covered, including the internal and surface processes which shape the Earth along with the composition and resources of the Earth. Mineral, rock, map and photo exercises are included in laboratory work. Letter grade only. Transferable to CSU; UC. (CAN GEOL 2)

GEOLOGY 100 - 4 Units
Physical Geology
An introductory survey of physical geology recommended to meet the general education requirements for a laboratory science course. All aspects of physical geology are covered, including the internal and surface processes which shape the Earth along with the composition and resources of the Earth. Mineral, rock, map and photo exercises are included in laboratory work. Letter grade only. Transferable to CSU; UC. (CAN GEOL 2)

GEOLOGY 105 - 3 Units
General Geology
A course designed specifically for non-science majors desiring a three unit non-laboratory survey course in geology to meet general education requirements. Includes coverage of both the physical and historical aspects of geology with emphasis on recent discoveries of sea floor spreading and continental drift. Along with topics from physical geology such as minerals, rocks, surface processes, structure and interior processes, there will also be coverage of such historical topics as the fossil record, Earth history and evolution. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.

GEOLOGY 106 - 4 Units
Earth Science for Teachers
This lecture/laboratory study of introductory Earth Science includes physical and historical geology, physical oceanography, and meteorology. The subjects covered are part of the state of California science standards for K-12 classes. Emphasis will be placed on how these topics should be addressed by teachers within the California Science Framework. A field trip will be required. Letter grade only. Transferable to CSU.

GERMAN 185 - 5 Units
Elementary German
Prerequisites: German 180
Continuation of German 180. Completion of elementary grammar essentials. Reading, conversation, diction and composition. Optional credit/no credit or grade. Transferable to CSU; UC. (GERMAN 180 + GERMAN 185 = CAN GERM SEQ A)

GERMAN 280 - 4 Units
German, Intermediate
Prerequisites: German 280
A thorough review of grammar. Selected readings in German literature, including newspaper and scientific material. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN GERM 8) (GERMAN 280 + 285 = CAN GERM SEQ B)

GERMAN 285 - 4 Units
German, Intermediate
Prerequisites: German 280
Continuation of German 280. Selected readings of contemporary, literary, historical interest provide the focus for more advanced discussions and writings. Brief review of grammar and idioms. Optional credit/no credit or grade. Transferable to CSU; UC. (GERMAN 280 + 285 = CAN GERM SEQ B)

HEALTH EDUCATION 100 - 3 Units
Health Education
A course designed to provide students with the knowledge to lead a healthy life. Areas covered include wellness, emotional health, stress management, aging, physical well-being, nutrition and weight control, drugs, sexuality (parenting and reproduction), diseases and consumer health. Optional credit/no credit or grade. Transferable to CSU; UC.

HEALTH EDUCATION 104 - 1 Unit
Introduction to Wellness
Identification and analysis of disease risk factors for atherosclerosis, hypertension, obesity, addiction, cancer and hypokinesis in order to improve health and well being. Optional credit/no credit or grade. Transferable to CSU.

HEALTH EDUCATION 107 - 3 Units
It's Your Choice-Drugs, Health and Society
This course will explore drugs from legal, over-the-counter types to illegal ones. Drugs and their relationships to a person's health and his view of society will also be included. Students will learn that use of any drug IS YOUR CHOICE. The motivation to use drugs, addiction, family concerns, recognition and intervention will be a part of the offering. Optional credit/no credit or grade. Transferable to CSU; UC.

HEALTH EDUCATION 120 - 1 Unit
Basic Cardio-Pulmonary Resuscitation
A basic course in mouth-to-mouth resuscitation and cardio-pulmonary resuscitation. Completion of this course leads to certification in basic cardio-pulmonary resuscitation through the American Red Cross. Optional credit/no credit or grade. Transferable to CSU.
HEALTH EDUCATION 125 - 2 Units
First Aid/Cardio-Pulmonary Resuscitation
Standard first aid and basic cardio-pulmonary resuscitation. A course in emergency care of the ill and injured, including cardio-pulmonary resuscitation. American Red Cross first aid certificates and American Red Cross and American Heart Association CPR cards are awarded to students who complete the course. Optional credit/no credit or grade. Transferable to CSU; UC.

HEALTH EDUCATION 201 - 3 Units
Health Education for Teachers
This course is based on the requirements of the California Teacher Credentialing Preliminary Level I Health Science requirements. The course explores the common causes of and the interrelationships between the prevention of morbidity and mortality among children and youth. The focus is on the prevention and the promotion of sound effective health concepts and practices. The connections between learning and the continuum of health will also be explored. Letter grade only. Transferable to CSU.

HISTORY
HISTORY 110 - 3 Units
Economic History of the United States
(Same as: Economics 120)
A survey of the economic transformation of the U.S. from colonial times to the present. Emphasis is on the social and political consequences of economic development and change as well as America’s involvement in international economic interdependence. Optional credit/no credit or grade. Transferable to CSU; UC.

HISTORY 120 - 3 Units
Asian Civilizations
(Same as: Interdisciplinary Studies 120)
An analysis which contrasts and compares Asian cultures. The course will deal with geographic and demographic patterns and the dynamics of primitive, modern and transitional societies. It will also include treatment of Asian religions, rituals and thought. Emphasis will be given to the three major cultural units, Hinduism, Buddhism and Islam as observed in India, China, Japan and Southeast Asia. Optional credit/no credit or grade. Transferable to CSU; UC.

HISTORY 124 - 3 Units
Vietnam: History & Civilization
(Same as: Interdisciplinary Studies 124)
A survey of Vietnamese history and civilization from the earliest time to the present with emphasis on Vietnam’s responses to foreign influences and the Vietnam War. Optional credit/no credit or grade. Transferable to CSU; UC.

HISTORY 125 - 3 Units
History of China
A course on the political and social history of the Modern China. Emphasis will be on the influences which have shaped contemporary China, including traditional Chinese beliefs, the Communist party, and international events. China-America relations will be a consideration throughout the course. Optional credit/no credit or grade. Transferable to CSU; UC.

HISTORY 126 - 3 Units
History of Latin America
(Same as: Interdisciplinary Studies 160)
A survey of the political, economic, social, religious and intellectual activities of African civilizations, ancient to modern. The course also focuses on the influence of Africa and its people on the Caribbean area, South America and the United States. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

HISTORY 127 - 3 Units
History of Britain and Ireland I
This course is a survey of British and Irish history from the Neolithic Age to the 17th century. It explores how various cultures (Celtic, Pictish, Roman, Anglo-Saxon, Scandinavian, and Norman-French) struggled for supremacy and survival over several thousand years culminating in the ascendancy of England. Major topics include Celtic culture, Roman imperialism, Viking impact, Norman conquest and the reigns of the Tudors and Stuarts. Optional credit/no credit or grade. Transferable to CSU; UC.

HISTORY 128 - 3 Units
History of Britain and Ireland II
This course is a survey of British and Irish history from the 17th century to the present day. Content spans the major political, economic, social, cultural and intellectual forces that have shaped the UK and Eire. Historical emphasis is placed on constitutional development, the preconditions and process of Industrial Revolution, Scottish Highland Clearances, Irish potato famine, Irish partition, the origins and consequences of British imperialism, World Wars, and contemporary British and Irish cultural life. Optional credit/no credit or grade. Transferable to CSU; UC.

HISTORY 130 - 3 Units
History of the United States
(Same as: Anthropology 136, Social Science 136)
A study of the Mexican-American people and the influence of U.S. institutions on Chicano life. The course will survey the history, varying philosophies, artistic and literary achievements, sociological and psychological perspectives of Chicanos. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

HISTORY 132 - 3 Units
History of Britain and Ireland I
This course is a survey of British and Irish history from the Neolithic Age to the 17th century. It explores how various cultures (Celtic, Pictish, Roman, Anglo-Saxon, Scandinavian, and Norman-French) struggled for supremacy and survival over several thousand years culminating in the ascendancy of England. Major topics include Celtic culture, Roman imperialism, Viking impact, Norman conquest and the reigns of the Tudors and Stuarts. Optional credit/no credit or grade. Transferable to CSU; UC.

HISTORY 135 - 3 Units
History of Britain and Ireland II
This course is a survey of British and Irish history from the 17th century to the present day. Content spans the major political, economic, social, cultural and intellectual forces that have shaped the UK and Eire. Historical emphasis is placed on constitutional development, the preconditions and process of Industrial Revolution, Scottish Highland Clearances, Irish potato famine, Irish partition, the origins and consequences of British imperialism, World Wars, and contemporary British and Irish cultural life. Optional credit/no credit or grade. Transferable to CSU; UC.

HISTORY 136 - 3 Units
History and Culture of the Chicano American
(Same as: Anthropology 136, Social Science 136)
A study of the Mexican-American people and the influence of U.S. institutions on Chicano life. The course will survey the history, varying philosophies, artistic and literary achievements, sociological and psychological perspectives of Chicanos. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

HISTORY 140 - 3 Units
California History
Recommended for transfer students. A background in American history is helpful. A survey of California’s social, economic and political development with concentration on recurring and current issues. The period following the gold rush to the present is emphasized. Optional credit/no credit or grade. Recommended for transfer students. A background in American history is helpful. Transferable to CSU; UC.

HISTORY 150 - 3 Units
History of Latin America
A survey of Latin American history from pre-Columbian times to the present. Emphasis is placed on the interplay of Iberian, African, and Indian influences upon social and cultural evaluation. Also stressed are Latin American relations with the United States in the 19th and 20th centuries. Optional credit/no credit or grade. Transferable to CSU; UC.

HISTORY 160 - 3 Units
African Civilization
(Same as: Interdisciplinary Studies 160)
A survey of the political, economic, social, religious and intellectual activities of African civilizations, ancient to modern. The course also focuses on the influence of Africa and its people on the Caribbean area, South America and the United States. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.
HISTORY 165 - 3 Units  
History of American Women  
Explores the historical role of the American woman, comparing the images developed in our culture with the reality of women’s lifestyles and contributions to economic, political and social change. Emphasis will be on the twentieth century woman. Optional credit/no credit or grade. Transferable to CSU; UC.

HISTORY 170 - 3 Units  
History of the United States to 1876  
A survey of American historical development from the founding of English colonies through Reconstruction. The course emphasizes the evolution of political, economic and social institutions and ideas. Optional credit/no credit or grade. Recommended for transfer students. Essential for history and political science majors. Transferable to CSU; UC. (CAN HIST 8) (HIST 170 + 175 = CAN HIST SEQ B)

HISTORY 175 - 3 Units  
History of the United States since 1876  
A survey of American history since the Civil War. The course emphasizes the development of the modern American society and economy, and American participation in world affairs. Optional credit/no credit or grade. Recommended for transfer students. Essential for history and political science majors. Transferable to CSU; UC. (CAN HIST 10) (HIST 170 + 175 = CAN HIST SEQ B)

HISTORY 180 - 3 Units  
History of Western Civilization  
A study of Near Eastern and European cultures from their inception to the sixteenth century which considers their social, cultural and intellectual contributions to contemporary Western civilization. Special attention is given to the rise of Classical Greece, Christianity and the Renaissance. Optional credit/no credit or grade. Recommended for all transfer students majoring in the liberal arts, the humanities or the social sciences. Transferable to CSU; UC. (CAN HIST 2) (HIST 180 + 185 = CAN HIST SEQ A)

HISTORY 180 HONORS - 3 Units  
History of Western Civilization Part I, Honors  
The Golden West Honors program offers highly motivated students an enriched academic experience, challenging them with stimulating, rigorous assignments leading them to advanced levels of critical thinking. Most enhancements to the standard History 180 course are qualitative rather than quantitative. There is no definitive statement in History. Each generation re-writes it according to its values, beliefs and prejudices. What makes a good historian is an inquiring mind. History should be interrogated by minds trained in a discipline of attentive disbelief! Each class involves a quest for answers to historical questions. These learning objectives are divided into five equal course units or modules. They define the material to be presented in class and tested periodically. Unit #1 deals with the Roots of Western Civilization in Mesopotamian, Egyptian and Hebrew cultures. Unit #2 examines Ancient and Classical Greece with special reference to philosophical, literary and artistic achievements. Unit #3 explores Cosmopolitanism by study of the Hellenistic Age and the transition of the Roman Republic into the Roman Empire. Unit #4 looks at the Transformation of the Roman World into the realms of Roman and Byzantine Christianity and also at the world of Islam. Unit #5 deals with the Rise of Western Europe: manorialism and feudalism; city-states and universal empires; and the concept of Renaissance. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.

HISTORY 185 - 3 Units  
History of Western Civilization  
A study of the nature of Western civilization from the sixteenth century to the present which traces the development of institutions and ideas formative to it. Special attention is given to the Reformation, Marxism and Nazi Germany. Optional credit/no credit or grade. Recommended for all transfer students majoring in the liberal arts, the humanities or the social sciences. Transferable to CSU; UC. (CAN HIST 4) (HIST 180 + 185 = CAN HIST SEQ A)

HISTORY 185 HONORS - 3 Units  
History of Western Civilization Part II, Honors  
As in the standard course students will explore the period from the Reformation (1500’s) to the later 20th century. Special attention is given to the concepts of enlightenment, industrial revolution, evolution and total war. Most enhancements are qualitative rather than quantitative. Honors students will evaluate challenging primary and secondary sources of evidence to develop insights. Integral to this process is an appreciation of historiography. The objective is to challenge students with stimulating, rigorous assignments to inspire advanced levels of critical reading and thinking. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.

HISTORY 190 - 3 Units  
World History to 1500  
A broad survey of the early development of civilizations around the world. The course examines geographic and human influences and compares the differences and similarities in the early civilizations. The survey goes up to the period of broad cultural contacts of the 15th century. Optional credit/no credit or grade. Recommended for transfer students. Transferable to CSU; UC. (CAN HIST 14) (HIST 190 + 195 = CAN HIST SEQ C)

HISTORY 195 - 3 Units  
World History since 1500  
A broad survey of the interactions of the diverse cultural, political and economic systems on earth and how that interaction has affected most of these societies. Optional credit/no credit or grade. Recommended for transfer students. Transferable to CSU; UC. (CAN HIST 16)

HUMANITIES 100 - 3 Units  
History and Appreciation of Art  
(Same as: Art 105)  
A survey of prehistoric art to the Renaissance period stressing the basic principles and history of art demonstrated in painting, sculpture and architecture. The approach to this course is not directed towards dates and small details. This course will include illustrated lectures, reading, and museum reports and study assignments. At least one visit to the Los Angeles County Art Museum and assigned slide viewing in the Multi-Media Center. Optional credit/no credit or grade. Art majors planning to transfer should enroll in Art 105. Transferable to CSU; UC. (CAN ART 2)
HUMANITIES 100 HONORS - 3 Units
Honors Art History & Appreciation
(Same as: Art 105 Honors)
The focus of this course is a survey of art, beginning with Prehistoric art and concluding with Gothic art. We will study painting, sculpture and architecture as an integral part of cultural patterns and development. Slide accompanied lectures, reading and written assignments are included in this course. Study assignments involve visits to major art museums and current exhibitions. The honors course intensifies the focus on research, exploration and critical thinking. Most enhancements to the regular Art 105/Humanities 100 are qualitative rather than quantitative. While there is additional reading and writing, the intensified focus on critical thinking holds students to a higher standard: all their oral and written work must manifest a commitment to, and a capacity for, academic excellence. Letter grade only. UC credit limitations. See counselor. Transferable to CSU.

HUMANITIES 101 - 3 Units
History of Radio, Television and Broadcasting
(Same as: Broadcast & Video Production 101)
This course is designed for students interested in the history of the motion picture, television programs and radio programs. Documentary films, experimental films, feature-length motion pictures and television shows will be shown in class. The new generation of public broadcast radio programs will be studied in addition to listening to classic selections from the period in radio history known as ‘The Golden Years of Radio.’ In addition to viewing and hearing landmark examples from these three areas which will provide the historical overview, students will learn to recognize and understand the great sociological and psychological influences these three media have had on our daily lives. Designed as a general interest course for all students. Optional credit/no credit or grade. Highly recommended for theater, commercial music and journalism majors. Transferable to CSU.

HUMANITIES 102 - 3 Units
Introduction to Art
(Same as: Art 100)
An introductory course for both the general interest and art major student. A survey of the nature and role of the visual arts in society. Art theory, art practices and an overview of art history will be covered. The medias of art will also be explored. Optional credit/no credit or grade. Required field trips. Transferable to CSU; UC.

HUMANITIES 103 - 3 Units
Worlds of Music
(Same as: Music 103)
An introduction to selected classical and folk musics of the Americas, Europe, Near-middle-Far East, Southeast Asia, sub-Saharan Africa and Oceania. Filmed, videotaped and audio-recorded examples introduce the student to instrumental and vocal techniques, musical structures and performance contexts. Interactions between music cultures will be included. Optional credit/no credit or grade. Transferable to CSU; UC.

HUMANITIES 104 - 3 Units
History and Appreciation of Opera and Related Forms
(Same as: Music 104)
This course is a guide to attending and understanding performances of opera and related forms. It examines the history of opera, from its inception in Florence, Italy, during the transition from the Renaissance to the Baroque era around 1600 up to modern times. In addition, the course reviews the predecessors of opera, the cultural currents that led to the invention of opera, and musical genres related to or descended from opera, such as: operetta, musical theatre, oratorio and cantata. Review of three live performances is required for transferability. Optional credit/no credit or grade. Transferable to CSU; UC.

HUMANITIES 108 - 3 Units
History and Appreciation of the Musical Theater
(Same as: Theater Arts 108, Music 108)
A course in all of the elements which make the Musical Theater one of the premier art forms of the 20th Century. The student will explore the history of the form as well as examine the roles of composer, bookwriter, lyricist, performer, and others relative to writing and mounting a production. Videos and live performances will be utilized to enhance the learners knowledge of the medium. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

HUMANITIES 110 - 3 Units
History and Appreciation of Art
(Same as: Art 106)
A survey of the history of art beginning with the Italian Renaissance and concluding with modern art. Painting, sculpture and architecture are studied as an integral part of cultural patterns and developments. Illustrated lectures, reading and field trips to current exhibitions. Study assignments involve at least one visit to a major art museum and assigned slide viewing in the Multi-Media Center. Optional credit/no credit or grade. Art majors planning to transfer should enroll in Art 106. Transferable to CSU; UC. (CAN ART 4)

HUMANITIES 110 HONORS - 3 Units
History and Appreciation of Art, Honors
(Same as: Art 106 Honors)
This course is a survey of the history of art, beginning with the Italian Renaissance and concluding with modern art. We will study painting, sculpture, and architecture as an integral part of cultural patterns and development. Illustrated lectures, reading and field trips to current exhibitions are included in the course. Study assignments involve at least two visits to major art museums. The Honors course intensifies the focus on research, exploration and critical thinking. Most enhancements to the regular Art 106/Humanities 110 are qualitative rather than quantitative. While there is additional reading and writing, the intensified focus on critical thinking holds students to a higher standard: all their oral and written work must manifest a commitment to, and a capacity for, academic excellence. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.
HUMANITIES 114 - 3 Units
History of Modern Art
(Same as: Art 104)
A survey of the history of modern art, beginning at 1900 and concluding with contemporary art of today. Painting, sculpture, printmaking, architecture, photography, video and ceramics are studied as an integral part of cultural patterns and developments in twentieth century art. The course will include illustrated lectures, readings and field trips to current exhibitions. Optional credit/no credit or grade. Transferable to CSU; UC.

HUMANITIES 116 AD - 1.5 Units
Art Museum and Gallery Field Studies
(Same as: Art 102 AD)
A nine-week course of weekly lectures and field trips to art museums, galleries, and current traveling art exhibitions in Southern California. Critical viewing of original art with emphasis on historical and stylistic context. Group discussions of art reviews and selected text. All transportation provided. Optional credit/no credit or grade. Transferable to CSU.

HUMANITIES 120 - 3 Units
History and Appreciation of Music
(Same as: Music 101)
This course is designed to help you enjoy listening to all styles of music with emphasis on what to listen for in music. This course emphasizes a historical survey of popular music of yesterday, today and tomorrow known as European and American 'classical' music, and includes brief introduction to several other styles as well. Supported by films, videotapes, DVD's, recordings, and listening assignments. Attendance at least one live concert is required. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

HUMANITIES 120 HONORS - 3 Units
History and Appreciation of Music, Honors
(Same as: Music 101 Honors)
Honors students will expand their study of European and American classical music to include the worldwide diaspora of West European ‘Classical’ music, the African and European roots of worldwide diaspora of American popular music and jazz, the Asian and Middle Eastern origins of symphonic and popular musical instruments, and the impact of technology on contemporary music composition, including the new internationalism. Letter grade only. Transferable to CSU; UC.

HUMANITIES 122 - 3 Units
History and Literature of Music
(Same as: Music 165)
A survey of western art music from approximately 1700 to the present. Formal analysis and examination of the musical styles of music from the Baroque, Classic, Romantic and Modern eras, with listening examples of typical masterworks from each. A course for music majors and minors who come to the course with previous formal music study, or considerable informal listening and concert attendance. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

HUMANITIES 130 - 3 Units
Introduction to History and Literature of the Theater
(Same as: Theater Arts 101)
This course involves the general nature of dramatic presentation including elements of dramatic structure, types of drama, and the contributions of the playwright, actor, director, designer, technician and audience. The course includes an introduction to the important eras in theater history and a study of several well-known plays. The student is required also to view at least two college productions. Optional credit/no credit or grade. Transferable to CSU; UC.

HUMANITIES 132 - 3 Units
Introduction to the Theater
(Same as: Theater Arts 100)
A course designed for those who wish to explore more thoroughly the performing arts with special attention given to a survey of all the contributing elements. An examination through lecture, demonstration, laboratory participation, small group discussion, guest performers and speakers from all areas of theater production. Designed to prepare the student for other course offerings in the theater curriculum. Students are required to attend two (2) college productions. Optional credit/no credit or grade. Transferable to CSU; UC.

HUMANITIES 135 - 3 Units
History and Appreciation of the Cinema
(Same as: Theater Arts 102)
This course is designed for students who want to develop an appreciation for and obtain a perspective on the cinema, including its historical, artistic, cultural and myth-making aspects. The Hollywood film will be explored, as well as its relationship to world cinema. Topics will include film genres, filmmaking techniques (e.g., what does a director do? what is editing?), film language, narrative devices, themes, film theory and criticism, film studios and the star system, relationship between film and literature, and other subjects. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

HUMANITIES 137 - 3 Units
Introduction to Drama and Acting
(Same as: Theater Arts 105)
An introductory course in drama for the non-theater major. Equal stress is given to both a broad survey of theater including history, make-up, costuming and literature and an introduction to acting. The course will include lectures, field trips and acting exercises. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

HUMANITIES 140 - 3 Units
Jazz: A History and Appreciation
(Same as: Music 136)
An in-depth study of the only purely American musical art form, with emphasis on the important cultural contributions of the black people in America. The class will study jazz from the blues and field music to jazz rock and the ‘new thing’ of today. Live demonstrations during class whenever possible. Lecture-demonstrations will include two evening concerts or field trips. Optional credit/no credit or grade. Three hours lecture, one and one-half hours listening in Multi-Media Center a week. Transferable to CSU; UC.
HUMANITIES 145 - 3 Units  
History of Rock Music  
(Same as: Music 185)  
In depth study of rock music; emphasis includes rock roots, blues/R & B, Elvis & early rock. Also Beatles and 60’s rock, metal, “New Wave,” punk, alternative, rap, 90’s “grunge,” industrial, techno and other musical and social topics. Optional credit/no credit or grade. Transferable to CSU; UC.

HUMANITIES 160 - 3 Units  
Introduction to Mass Communications  
(Same as: Journalism 160)  
Study and analysis of the skills, techniques and standards involved in communicating information through the mass media; application of this knowledge to a study of the media (especially newspaper, magazines, radio, TV). Optional credit/no credit or grade. Transferable to CSU; UC. (CAN JOUR 4)

HUMANITIES 170 - 3 Units  
Views of Humanity  
Art, film, literature, music, architecture and philosophy express and condition our response to life. How they do that is the focus of this course. By looking at these forms of human expression from different periods in history, we develop a given historical moment. We learn how we might respond to many art forms and we see how the art of all times shapes our thoughts and feelings in the present. Designed for general enrichment. Optional credit/no credit or grade. Transferable to CSU; UC.

HUMANITIES 190 HONORS - 3 Units  
Honors Seminar  
Prerequisites: English 010  
This course introduces students to the Honors Program. It provides the basics of critical inquiry and multi-disciplinary approaches. It also guides students’ fulfillment of the eighteen hours service requirement of the Honors Program. Letter grade only. Transferable to CSU.

INFORMATION TECHNOLOGY 111 - 3 Units  
A + PC Hardware and Software  
Advisories: Information Technology 115-1  
Hands-on PC hardware and software course in preparation for the A+ hardware and operating systems industry certification exams including installation, configuration, upgrading, diagnosis, repair, maintenance, and safety of PC systems. Optional credit/no credit or grade. An eight-week course. Transferable to CSU.

INFORMATION TECHNOLOGY 112-1 - 1.5 Units  
Introduction to PC Networking Fundamentals  
An introductory course in PC networking with an emphasis in terminology, communication concepts, network components, cabling, internet working, network design (topologies), and administration. Part 1 and 2 must be completed to articulate with Coastline’s CST 128 course. Optional credit/no credit or grade. An eight-week course. Transferable to CSU.

INFORMATION TECHNOLOGY 112-2 - 1.5 Units  
Networking Essentials  
Advisories: Information Technology 128-1  
Hands-on PC networking course with an emphasis in network administration, service and support, solving network problems, and using various testing equipment and resources. This class will examine career opportunities and networking certificate programs in this demanding field. Part 1 and 2 must be completed to articulate with Coastline’s CST 128 course. Optional credit/no credit or grade. An eight-week course. Transferable to CSU.

INFORMATION TECHNOLOGY 131 - 3 Units  
Fundamentals of Securing Computer Systems  
Hands on introduction to computer network security for students including terminology and operation used in a networking environment. Emphasis includes intrusions, cryptography, computer, network and Internet security threats. This course will address firewall design techniques, hardware, and software solutions used for protecting computers. Optional credit/no credit or grade. Transferable to CSU.

INFORMATION TECHNOLOGY 141 - 3 Units  
Server Hardware Specialist (Server+) Certification  
Hands on advanced PC networking course with emphasis in network administration, service and support, problem solving and using various testing equipment and resources. This course will examine career opportunities and Server+ certification exam preparation in the Information Technology field. Optional credit/no credit or grade. Transferable to CSU.

INFORMATION TECHNOLOGY 151 - 3 Units  
Linux Fundamentals  
This hands-on course is designed for the individual who wants to learn the basic skills needed for installing, configuring and maintaining a Linux network. Optional credit/no credit or grade. Transferable to CSU.
INFORMATION TECHNOLOGY 161 - 3 Units
Internetworking with Transmission Control Protocol (TCP/IP)
This course is designed for students who want to broaden their networking skills by configuring Transmission Control Protocol/Internet Protocol (TCP/IP) on several network platforms. This TCP/IP course covers the underlying applications, components, protocols and what is essential to link to a network. In this hands-on course you will install and configure network interface cards (NIC); master subnetting, set up a network for remote access and implement network security. Optional credit/no credit or grade. Transferable to CSU.

INFORMATION TECHNOLOGY 201 - 1.5 Units
Cisco Networking 1
Advisories: Information Technology 115-2 and 117 and 128-1
Class one-of-four from Cisco’s Approved Curriculum providing hands-on Cisco training designed to prepare students to become a CCNA (Certified Cisco Networking Associate). Emphasis includes basic networking components, networking topologies, OSI reference model, IP addressing, and industry standards. Optional credit/no credit or grade. An eight-week course. Transferable to CSU.

INFORMATION TECHNOLOGY 202 - 1.5 Units
Cisco Networking 2
Prerequisites: Information Technology 201
Class two-of-four from Cisco’s Approved Curriculum providing hands-on Cisco training designed to prepare students to become a CCNA (Certified Cisco Networking Associate). Emphasis includes Cisco router setup, configuration, protocols, management, and troubleshooting. Optional credit/no credit or grade. An eight-week course. Transferable to CSU.

INFORMATION TECHNOLOGY 203 - 2.5 Units
Cisco Networking 3
Prerequisites: Information Technology 202
Class three-of-four from Cisco’s Approved Curriculum providing hands-on Cisco training designed to prepare students to become a CCNA (Certified Cisco Networking Associate). Emphasis includes LAN (Local Area Network) design, VLAN (Virtual LAN) operations, topology, LAN Switching, routing, traffic patterns, and documentation. Optional credit/no credit or grade. Transferable to CSU.

INFORMATION TECHNOLOGY 204 - 2.5 Units
Cisco Networking 4
Prerequisites: Information Technology 203
Class four-of-four from Cisco’s Approved Curriculum providing hands-on Cisco training designed to prepare students to become a CCNA (Certified Cisco Networking Associate). Emphasis includes LAN (Local Area Network), and WAN (Wide Area Network) switching, WAN design, PPP (Point-to-Point Protocol), ISDN (Integrated System Device Network), and Frame Relay. Optional credit/no credit or grade. Transferable to CSU.

INFORMATION TECHNOLOGY 253 AD - 4 Units
Internet Expert Certification
This course is designed for students who want to prepare for the written Certified Internetwork Expert exam #350-001. The course topics include: Device Operations, General Networking Theory Bridging & LAN Switching, Internet Protocol, Internet Protocol (IP) Routing Protocols, Desktop Protocols, Performance Management, WAN, LAN Security, and Multiservice. Optional credit/no credit or grade. Transferable to CSU.

INTERDISCIPLINARY STUDIES
INTERDISCIPLINARY STUDIES 105 - 3 Units
Critical Reasoning
This course is designed for all students interested in the causes and explanations of events both in the natural and social sciences. The course will examine methodologies to use in understanding this world we live in. Letter grade only. Transferable to CSU; UC.

INTERDISCIPLINARY STUDIES 110 - 3 Units
Contemporary Cultural Connections
This course deals with the complex issues of American society from 1945 through the present, as seen through the humanities (literature, film, art, history, philosophy, the social sciences, etc.). Contemporary Cultural Connections focuses on issues relating to self-identity, the relation of the self to others, and the impact the evolution of values has on the individual. Guest lectures. Optional credit/no credit or grade. Transferable to CSU; UC.

INTERDISCIPLINARY STUDIES 120 - 3 Units
Asian Civilizations
(Same as: History 120)
An analysis which contrasts and compares Asian cultures. The course will deal with geographic and demographic patterns and the dynamics of primitive, modern and transitional societies. It will also include treatment of Asian religions, rituals and thought. Emphasis will be given to the three major cultural units: Hinduism, Buddhism and Islam as observed in India, China, Japan and Southeast Asia. Optional credit/no credit or grade. Transferable to CSU; UC.

INTERDISCIPLINARY STUDIES 124 - 3 Units
Vietnam: History & Civilization
(Same as: History 124)
A survey of Vietnamese history and civilization from the earliest time to the present with emphasis on Vietnam’s responses to foreign influences and the Vietnam War. Optional credit/no credit or grade. Transferable to CSU; UC.

INTERDISCIPLINARY STUDIES 133 - 3 Units
The West: Myth and Reality
An examination of an historical period, the American West, through its filmic image. The codes and conventions generated by this specific historical time are discussed in terms of how filmmakers have manipulated them to make value statements. Three basic issues are explored from this perspective: the nature and source of good and evil; the relationship of the individual to society; and the nature and role of violence in human affairs. Optional credit/no credit or grade. Transferable to CSU; UC.

INTERDISCIPLINARY STUDIES 160 - 3 Units
African Civilization
(Same as: History 160)
A survey of the political, economic, social, religious and intellectual activities of African civilizations, ancient to modern. The course also focuses on the influence of Africa and its people on the Caribbean area, South America and the United States. Optional credit/no credit or grade. Transferable to CSU; UC.
INTERDISCIPLINARY STUDIES 175 - 3 Units
Science and Human Values
An interdisciplinary course utilizing a philosophical approach to the development of scientific achievements and the impact of these on man’s progress throughout the ages. Traces the advancement of human ideas in relationship to the natural forces of the universe and the continuing emergence of civilization. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

INTERDISCIPLINARY STUDIES 180 - 3 Units
Global Studies
A course that considers issues of global significance from the perspective of a wide variety of disciplines. Issues vary according to topicality and timeliness, but might include over-population, emigration, environmental degradation, the status of women and minorities, international peacekeeping, global economic competitiveness, and others. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

INTERPRETING

INTERPRETING 030 - 3 Units
Basic Voice to Sign
Advisories: Sign 280
A beginning course for those who have completed two semesters of sign language and wish to become interpreters. Emphasis will be upon interpreting simultaneously from spoken English into American Sign Language. Students will study interpreter theory and technique. Letter grade only.

INTERPRETING 035 - 3 Units
Advanced Voice to Sign
Prerequisites: Interpreting 030
An advanced course in interpreting from spoken English into American Sign Language. Students will study the special requirements of interpreting in various settings. Letter grade only.

INTERPRETING 055 - 3 Units
Basic Sign to Voice
Prerequisites: Sign 280
Corequisites: Sign 280
A beginning course for those who have completed two semesters of sign language and wish to become interpreters. Emphasis will be upon interpreting from sign language into spoken English. Letter grade only.

INTERPRETING 060 - 3 Units
Advanced Sign to Voice
Prerequisites: Interpreting 055
An advanced course in interpreting from American Sign Language into spoken English. Concurrent enrollment in Interpreting 090 is recommended. Letter grade only.

INTERPRETING 090 AC - 3 Units
Situational Interpreting/Practicum
Prerequisites: Interpreting 090 or 055
A course to address the specific vocabulary and ethical factors in interpreting in all settings, i.e., classroom, medical, social service, job interviewing, religious and performing arts. Letter grade only. Offered spring semester only.

ITALIAN

ITALIAN 180 - 5 Units
Elementary Italian
Fundamentals of Italian grammar; hearing, speaking, reading and writing simple Italian. Reading of cultural sections focusing on contemporary Italy and Italian life. Optional credit/no credit or grade. Transferable to CSU; UC. (ITAL 180 + 185 = CAN ITAL SEQ A)

ITALIAN 185 - 5 Units
Elementary Italian
Prerequisites: Italian 180
Continuation of Italian 180. Further development and completion of elementary grammar essentials with major emphasis on conversation. Continuation of cultural readings. Optional credit/no credit or grade. Transferable to CSU; UC. (ITAL 180 + 185 = CAN ITAL SEQ A)

ITALIAN 199 AD - 1-5.0 Units
Current Topics and Issues in Italian
Develop skills in using Italian in oral and written form. Study and discussion of major current social, economical, and political issues in Italy and their impact on Italian traditions through a historical perspective. Optional credit/no credit or grade. Transferable to CSU.

ITALIAN 280 - 4 Units
Italian, Intermediate
Prerequisites: Italian 185
The development of increased fluency in the oral, aural and written use of Italian. The completion of the study of basic Italian usages and principles of grammar. The introduction of conversational and cultural readings giving students a general view of Italian life and culture, as well as the use of Italian in daily conversation and in more formal prose. Optional credit/no credit or grade. Transferable to CSU; UC. (ITAL 280 + 285 = CAN ITAL SEQ B)

ITALIAN 285 - 4 Units
Italian, Intermediate
Prerequisites: Italian 280
A comprehensive review of grammar. The class will focus upon cultural, social and contemporary issues of provide subjects for discussion, conversation and composition. Optional credit/no credit or grade. Transferable to CSU; UC. (ITAL 280 + 285 = CAN ITAL SEQ B)

JAPANESE

JAPANESE 060 - 3 Units
Conversational Japanese
A conversational course for beginners. The course is designed for those people who want to acquire basic Japanese conversation skill and some cultural understanding, thereby preparing themselves for a trip to Japan and/or meeting people from Japan. Optional credit/no credit or grade.

JAPANESE 180 - 5 Units
Elementary Japanese
Beginning course in listening (comprehending), speaking, reading and writing Japanese, study of the fundamentals of grammar, vocabulary, culture and society. Optional credit/no credit or grade. Transferable to CSU; UC.
JAPANESE 185 - 5 Units  
Elementary Japanese II  
Prerequisites: Japanese 180  
Further development of listening (comprehending), speaking, reading and writing Japanese, study of grammar, vocabulary, culture and society. Optional credit/no credit or grade. Transferable to CSU; UC.

JOURNALISM  
JOURNALISM 157 - 3 Units  
Documentary Journalism  
(Also as: Photography 157)  
Prerequisites: Journal 150  
An advanced class for students interested in the taking of photographs in the photojournalistic traditions of Life, National Geographic and the New York Times. The course will cover all aspects including: war, street, foreign travel and sports photography. No story writing involved. Optional credit/no credit or grade. Transferable to CSU.

JOURNALISM 160 - 3 Units  
Introduction to Mass Communications  
(Also as: Humanities 160)  
Study and analysis of the skills, techniques and standards involved in communicating information through the mass media; application of this knowledge to a study of the media (especially newspapers, magazines, radio, TV). Optional credit/no credit or grade. Transferable to CSU; UC.

JOURNALISM 185 - 3 Units  
Writing for News Media  
(Also as: Broadcast & Video Production 111)  
Students will develop the skills which are needed to organize and write stories for print and broadcast media, including newspapers, radio, television and magazines. This includes extensive exercises in writing, interviewing and other skills, including working with sound and pictures recorded in the field. Students will also develop a knowledge of the ethics and law of print and broadcast news. Optional credit/no credit or grade. Transferable to CSU.

JOURNALISM 284 AD - 2 Units  
Newspaper Production  
Class members will help produce The Western Sun. All class members required to attend regular staff meetings. May not be taken concurrently with Journalism 285AD. Optional credit/no credit or grade. Newspaper Production courses may be taken for a maximum of four semesters. Therefore, the following courses may not be taken more than four semesters singularly or in combination: Journalism 284, 285, 286 and 288. To determine if any individual course may be taken more than one time, check for A-B, A-C, OR A-D designator. Transferable to CSU.

JOURNALISM 285 AD - 3 Units  
Newspaper Practicum  
Class members will produce The Western Sun. All class members are required to attend regular staff meetings, Editors, in addition, attend editorial meetings and proofread at print shop on day prior to publication. Optional credit/no credit or grade. Newspaper Production courses may be taken for a maximum of four semesters. Therefore, the following courses may not be taken more than four semesters singularly or in combination: Journalism 284, 285, 286 and 288. To determine if any individual course may be taken more than one time, check for A-B, A-C, OR A-D designator. Transferable to CSU.

LEARNING  
LEARNING 005 - 2 Units  
How to Survive in College  
Designed to orient new students to Golden West College, its services, and the unique features of its learning systems. Also provides students an overview of learning skills needed to succeed in college and ways to acquire them. Credit/no credit only. Transferable to CSU.  

LEARNING SKILLS  
LEARNING SKILLS 920 - Units  
Tutorial Services  
Provides tutorial assistance to students requesting educational support to increase the probability of their succeeding in course work. No credit. Enrollment open all semester. May be repeated as necessary. Hours by arrangement. Not transferable, not degree applicable.
LIBRARY
LIBRARY 110 - 1 Unit
Introduction to Library Resources
This is an eight-week, independent study course, with no formal meetings designed to help students become familiar with the library’s resources. Students come to the Library to complete a workbook. Eight lessons with worksheets and a final examination give hands-on experience using the library computers, periodical and newspaper indexes, dictionaries, encyclopedias and reference books. Credit/no credit only. An eight-week course. Transferable to CSU.

LIBRARY 120 - 1 Unit
Libraries and the Internet
An introduction to the world of on-line library research. Students will learn how to search the computerized book and periodical catalogs of a variety of college and university libraries. This course includes how to use the Internet as well as CD-ROM tools to find research materials. Business use of the Internet will be highlighted. Optional credit/no credit or grade. An eight-week course. Transferable to CSU.

MANAGEMENT
MANAGEMENT 110 - 3 Units
Elements of Management
Emphasis will be placed on the traditional, behavioral, situational and contingency approaches to management. Includes an in-depth study of the role of the manager in planning, organizing, influencing and evaluating as it applies to the private and public sectors. Letter grade only. Transferable to CSU.

MANAGEMENT 111 - 3 Units
Human Resources Management
Employment, wages and salary, and labor relations are explored from the viewpoint of employees and first-line supervision. Practical handling of a variety of typical personnel problems encountered in business and industry are simulated through the use of role playing. An objective of this course is to provide an unbiased consideration of labor and management problems in industry and to show the need for cooperation. Letter grade only. Transferable to CSU.

MANAGEMENT 115 - 3 Units
Behavioral Management
Emphasis will be placed on the application of behavioral science approach to management and employer/employee relationships. Various psychological principles which affect employee motivation and productivity will be explored in depth. Also included will be experiential exercises and role-playing. Letter grade only. Transferable to CSU.

MANAGEMENT 118 - 3 Units
Organizational Leadership
This course presents a comprehensive survey of the theories and research on leadership and managerial effectiveness in formal organizations with practical suggestions for improving leadership skills. Optional credit/no credit or grade. Transferable to CSU.

MANAGEMENT 119 - 3 Units
Business Communication
(Same as: Business 127)
Students must possess a good-to-excellent command of the English language and an ability to construct well-written sentences and paragraphs to successfully complete this course. Knowledge of keyboarding and word processing helpful. Instruction and practice in solving business problems through written communication skills. Emphasis will be placed on the communication process, correspondence composition, and informal report writing. Optional credit/no credit or grade. Transferable to CSU.

MANAGEMENT 120 - 1 Unit
Organization and Professional Values/Ethics
This course introduces students to the ethical concepts that are relevant to resolving moral issues in business, including development of reasoning and analytical skills needed to apply ethical concepts to business decisions. Identification of the moral issues involved in the management of specific problem areas in business and an examination of the social and natural environments within which moral issues in business arise are also emphasized. Optional credit/no credit or grade. A twelve-week course. Transferable to CSU.

MANAGEMENT 126 - 3 Units
Small Business Ownership and Management
Concepts and techniques related to the ownership/management problems of a small firm from the utilization viewpoint of a present or potential business owner. The basics of locating, financing, merchandising, buying, pricing, inventory and credit control, public and personnel relations will be presented. Letter grade only. Transferable to CSU.

MANAGEMENT 127 - 3 Units
International Payments and Collections
(Same as: Business 183)
An overview of methods of payment in international trade, including cash, open account, documentary collection and letters of credit, the role of banks and other services providers, and the Uniform Customs and Practice for Documentary Credits, UCP 500. Optional credit/no credit or grade. An eight-week course. Transferable to CSU.
MANAGEMENT 184 - 1 Unit
Mexico and NAFTA: A Business Perspective
(Same as: Business 184)
An introductory course in doing business in Mexico after NAFTA. Including a country profiles, marketing products and services, Mexican business and culture, understanding NAFTA, the NAFTA Rules of Origin and import export procedures between the United States and Mexico, and NAFTA resources. Optional credit/no credit or grade. A six-week course Transferable to CSU.

MANAGEMENT 190 - 3 Units
Import Export Procedures
(Same as: Business 190)
An overview of contemporary import and export procedures including business start-up, negotiating, terms of sale, payments, logistics, documentation, insurance, trade agreements, regulation and the role of government agencies in international trade, and local sources and agencies. Optional credit/no credit or grade. Transferable to CSU.

MARKETING
MARKETING 100 - 3 Units
Principles of Marketing
A survey of the functions of business activity relative to the distribution of goods and services. Studies include retail and wholesale distribution channels, market functions, policies, promotion, pricing, research, product development, and consumer behavior. Letter grade only. Transferable to CSU.

MARKETING 121 - 3 Units
Personal Finance
(Same as: Business 121)
An introductory course in financial affairs involving management of expenditures. The course includes the budgeting process, using consumer loans and credit, savings on taxes, decisions on transportation and home buying, insurance planning, investments, financial planning, career planning, retirement and estate transfer decisions. Letter grade only. Transferable to CSU.

MARKETING 135 - 3 Units
Retail Management
(Formerly known as: Principles of Retailing)
Studies dealing with the operations of an established retail business. Problems of merchandising (buying, pricing, stock control, credit control, public and personnel relations) are considered. Emphasis is upon solution of actual retail problems using the case method. Letter grade only. Transferable to CSU. May not be offered each semester.

MARKETING 140 - 3 Units
E-Commerce
This course examines electronic commerce, how it is being conducted and managed, its major opportunities, limitations, issues and risks. Electronic commerce is an interdisciplinary topic and is of importance to managers and professional in any functional area of the business world. Optional credit/no credit or grade. Transferable to CSU.

MARKETING 180 - 3 Units
Survey of International Trade
(Same as: Business 180)
A survey of global business operations, including international trade theory and practice, trade and investment, economic environments and institutions, legal and political environments, cross cultural management, marketing research, methods of market entry, physical distribution and finance. Letter grade only. Transferable to CSU. May not be offered each semester.

MARKETING 185 - 3 Units
International Marketing
(Same as: Business 185)
An examination of the environment and operations of global marketing, including the international marketing mix; product, pricing, placement and promotion, as well as emerging issues in international trade, such as the globalization of markets, standardization vs. adaptation and the cultural environment of business. Optional credit/no credit or grade. Transferable to CSU.

MARKETING 186 - 0.5 Units
International Marketing and the Internet
(Same as: Business 186)
An examination of the International trade opportunities on the Internet, held in a seminar format in a computer lab, on locating and using public and private resources relating to export import, marketing, trade leads, transportation, regulation and finance, industry and country libraries, and job opportunities. Optional credit/no credit or grade. Transferable to CSU.

MATHEMATICS
MATHEMATICS 005 - 3 Units
Basic Mathematics
Basic Mathematics develops arithmetic concepts and skills in a practical, application oriented, problem solving course for those students seeking employment as well as for entering Mathematics 008. (Not applicable to the A.A. degree.) Optional credit/no credit or grade. Not transferable, not degree applicable.

MATHEMATICS 008 - 3 Units
Prealgebra
Prerequisites: Mathematics 005 or Mathematics Placement Assessment
Prealgebra will develop operations with signed numbers, exponents, fractional expressions, factorizations, solution of equations, formulas, word problems, and the rectangular coordinate system. Optional credit/no credit or grade. Not transferable, not degree applicable.

MATHEMATICS 009 AB - 1 Unit
Medication Calculation for Nurses
Prerequisites: Mathematics 008 or Mathematics Placement Assessment
This course offers a review of decimals, fractions and percents as utilized by medical professionals to calculate drug dosages. Dosage calculations are presented using the straightforward method of ‘dimensional analysis.’ Additional applications include conversion between the metric, apothecary and household systems, dosage calculations based on body weight and intravenous calculations. Optional credit/no credit or grade. A six-week course.
MATHEMATICS 010 - 4 Units
Elementary Algebra
Prerequisites: Mathematics 008 or Mathematics Placement Assessment
Topics include properties of real numbers; numeric and variable expressions; polynomials and rational expressions; linear, quadratic, fractional, absolute value and radical equations; inequalities; systems of linear equations; rational exponents and radicals; coordinate geometry. Algebraic applications to word problems permeate the entire course. This course is similar to the first year of high school algebra. Letter grade only.

MATHEMATICS 020 - 3 Units
Plane Geometry
Prerequisites: Mathematics 010 or Mathematics Placement Assessment
Topics include deductive reasoning, congruence, similarity, perimeter, area, volume, right triangle trigonometry, and historical developments. Recommended for all students planning to enroll in trigonometry, math for elementary teachers, and calculus. Should be completed before attempting the CBEST test. Letter grade only.

MATHEMATICS 030 - 4 Units
Intermediate Algebra
Prerequisites: Mathematics 010 or Mathematics Placement Assessment
Development and extension of Mathematics 010 This course is similar to second-year high school algebra. Topics include exponents, roots and radicals, linear and quadratic equations, functions and functional notation, conic sections, logarithms, exponential and logarithmic functions, linear and second-degree systems in two variables, and special algebraic topics. Letter grade only.

MATHEMATICS 100 - 3 Units
Mathematics for Liberal Arts Students
Prerequisites: Mathematics 030 or Mathematics Placement Assessment
A course for the liberal arts college student who has a good background in high school algebra or who has successfully completed intermediate algebra in college. This course is designed not only to meet college general education requirements but to help generate a positive attitude toward and an interest in mathematics. Topics will include a variety of mathematical concepts with emphasis given to the structure of mathematics and its application to various disciplines in the liberal arts. Optional credit/no credit or grade. Transferable to CSU. (CAN MATH 2)

MATHEMATICS 103 - 3 Units
Elementary Teachers Mathematics 3—Probability & Statistics
Prerequisites: Mathematics 030 or Mathematics Placement Assessment
This standards-based activity course in Probability and Statistics is one of three courses designed for prospective K-8 teachers. Probability topics include: counting methods, theoretical probability and relative frequency, multistage experiments, geometrical probability, modeling, simulations, odds, and expected value. Statistics topics include: methods of collecting, representing and analyzing data; measures of central tendency and variability; the normal distribution; introduction to hypothesis testing, correlation, and regression. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.

MATHEMATICS 104 - 3 Units
Mathematics for Elementary Teachers I
Prerequisites: Mathematics 030 or Mathematics Placement Assessment
Topics include problem solving skills, structure of the real number system, other systems, set theory, computers and manipulatives. This course is designed for students planning to be elementary teachers. Letter grade only. Student should complete Mathematics 020 (high school geometry) before taking the CBEST test, or the second math course for elementary teachers at a four-year school. UC credit limitations. See counselor. Transferable to CSU; UC. (CAN MATH 4)

MATHEMATICS 115 - 4 Units
College Algebra
Prerequisites: Mathematics 030 or Mathematics Placement Assessment
Topics include matrices and determinants, theory of equations and systems, polynomial functions, exponential and logarithmic functions and their graphs, counting, series and probability. This course is designed for students needing to improve algebra skills necessary for success in Math 130 and 150 and 16 This course does not prepare a student to enter Mathematics 180 or 185. A graphing calculator is recommended. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.

MATHEMATICS 120 - 3 Units
Trigonometry
Prerequisites: Mathematics 030 or Mathematics Placement Assessment
Advisories: Mathematics 020
Topics include circular and trigonometric functions and their inter-relationship, the inverses of these functions, function values of special angles, use of calculators, uniform circular motion, graphing, solutions to right and oblique triangles with physical applications, conditional equations, identities, and vectors. The concept of a function is stressed. This course is designed to emphasize those topics which are particularly important for students who will continue the study of Mathematics. A graphing calculator is recommended. Letter grade only. Transferable to CSU. (CAN MATH 8)

MATHEMATICS 130 - 4 Units
Survey of Calculus
Prerequisites: Mathematics 030 or Mathematics Placement Assessment
Topics include functions, limits and continuity, differentiation, integration, graphing, two-variable calculus and applications of differential equations. This course is designed for students of business, management, and social science who need only one semester of calculus. This course does not prepare a student to enter Mathematics 180 or 185. A graphing calculator is recommended. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC. (CAN MATH 34)

MATHEMATICS 150 - 4 Units
Finite Mathematics
Prerequisites: Mathematics 030 or Mathematics Placement Assessment
Topics include linear systems, matrices, linear programming, finance, sets, counting, probability. This course is designed for students majoring in business, management, social, behavioral sciences and life sciences. A graphing calculator is recommended. Letter grade only. Transferable to CSU; UC. (CAN MATH 12)
MATHEMATICS 160 - 4 Units
Introduction to Statistics
Prerequisites: Mathematics 030 or Mathematics Placement Assessment
Topics include concepts and procedures of descriptive and inferential statistics, collecting, classifying, tabulating, graphing univariate and bivariate data, calculating measures of central tendencies and variation, percentiles, probability, binomial, normal, T, Chi-square and F distributions, making inferences, decisions and predictions. This course develops statistical thinking without assuming mathematical sophistication, through applications to social, biological, business, sports and consumer topics. The use of graphing calculators and statistical analysis computer programs are integrated into the course. Letter grade only. Transferable to CSU; UC. (CAN STAT 2)

MATHEMATICS 160 HONORS - 4 Units
Introduction to Statistics Honors
Prerequisites: Mathematics 030 or Mathematics Placement Assessment
Honors students will study more extensive techniques of exploratory data analysis, will compare mathematical patterns and deviations, and will study methods, analysis and conclusions of data analysis and statistical procedures as applied in media, science and politics. Students will develop new combinations of skills in developing critical thinking in mathematical studies. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.

MATHEMATICS 170 - 5 Units
Precalculus
Prerequisites: Mathematics 120
This course will cover topics required for studying calculus including complex numbers, sequences and series. Particular emphasis will be on the analysis of polynomial, rational, exponential, logarithmic, trigonometric and inverse functions. Other topics include vectors, analytic geometry, linear systems, matrices, elementary theory of equations, and polar coordinates. This course is essential for those students planning to study Mathematics 180 (Calculus I). A graphing calculator is recommended. Letter grade only. UC credit limitations. See counselor Transferable to CSU; UC. (CAN MATH 16)

MATHEMATICS 180 - 5 Units
Calculus I
Prerequisites: Mathematics 170 or Mathematics Placement Assessment
This is the first course in a three-course sequence designed for mathematics, physics and engineering majors. The topics covered in this course include analytic geometry, functions, limits, continuity, differentiation and integration of functions. Applications of differential and integral calculus are included throughout the curriculum. A graphing calculator is recommended. *The student should plan to complete the first three semesters of calculus at Golden West College to maintain continuity. Letter grade only. The student should plan to complete all three courses at Golden West College to maintain continuity. Letter grade only. UC credit limitations. See counselor Transferable to CSU; UC. (CAN MATH 18)

MATHEMATICS 180 HONORS - 4 Units
Calculus I, Honors
Prerequisites: Mathematics 170 or Mathematics Placement Assessment
Honors students will go beyond the regular course to more deeply study concepts for unifying the five themes of limits, derivatives, integrals, approximations, and problem solving. A goal of Honors Calculus is that students become mathematically fluent, able to translate and communicate mathematics verbally. This goal requires students to develop a depth of understanding that promotes activities leading to solving collaboratively a variety of problems. Another goal is to develop an appreciation of calculus as a significant body of knowledge and human endeavor. Graphing calculators and computer programs will be used as effective tools to assist in problem solving, modeling, interpreting results, and verifying conclusions. Letter grade only. Transferable to CSU; UC.

MATHEMATICS 185 - 5 Units
Calculus II
Prerequisites: Mathematics 180
This is the second course in a three-course sequence designed for mathematics, physics and engineering majors. The topics covered in this course include methods of integration, applications of the definite integral, transcendental functions, polar and parametric functions, indeterminate forms, improper integrals, convergence and divergence of sequences and series including power series, and conic sections. *The student should plan to complete all three courses at Golden West College to maintain continuity. Letter grade only. The student should plan to complete the first three semesters of calculus at Golden West College to maintain continuity. Transferable to CSU; UC. (CAN MATH 20) (MATH 180 + 185 = CAN MATH SEQ B MATH 180 + 185 + 280 = CAN MATH SEQ C)

MATHEMATICS 230 - 4 Units
Introduction to Discrete Mathematics I
Prerequisites: Mathematics 180
Introduction to discrete mathematical concepts and techniques: logic, set theory, functions, number theory, methods of proof, mathematical induction, recursive algorithms, combinatorics, discrete probability. Letter grade only. Transferable to CSU; UC. (CAN CSCI 26)

MATHEMATICS 240 - 4 Units
Discrete Mathematics II
Prerequisites: Mathematics 180
Introduction to discrete mathematical concepts and techniques: Relations, graph theory, trees, Boolean algebra, mathematical models for computing machines. This course may be taken independently of Math 230. Letter grade only. Transferable to CSU; UC.

MATHEMATICS 280 - 5 Units
Calculus III
Prerequisites: Mathematics 185
Topics include vectors in three-dimensional space, curves and surfaces, functions of several variables, partial differentiation, the gradient, the curl, the divergence, multiple integration, Green’s Theorem, Gaus’s (Divergence) Theorem and Stokes’ Theorem. This is third course in a three-course sequence, designed for mathematics, physics and engineering majors. Letter grade only. The student should plan to complete the first three semesters of calculus at Golden West College to maintain continuity. Transferable to CSU; UC. (CAN MATH 22) (MATH 180 + 185 + 280 = CAN MATH SEQ C)
MATHMATICS 285 - 5 Units
Ordinary Differential Equations
Prerequisites: Mathematics 185
An introduction to the theory, techniques and applications of ordinary differential equations. The topics covered include first-order ODE’s, linear ODE’s, infinite series solutions, the method of Frobenius, Laplace transforms, matrix solutions of linear systems (eigenvectors/eigenvalues), linear independence of solutions, and numerical methods. Letter grade only. Transferable to CSU; UC. (CAN MATH 24)

MATHMATICS 290 - 5 Units
Applied Linear Algebra
Prerequisites: Mathematics 185
Fundamentals of matrix algebra, the theory of linear transformations and their applications. The topics covered include matrix solution of systems of linear equations, determinants, Euclidean and abstract vector spaces, bases, eigenvectors and eigenvalues, and inner product spaces. Application to physics, economics and engineering. Letter grade only. Transferable to CSU; UC. (CAN MATH 26) Offered spring semester only.

MULTIMEDIA
MULTIMEDIA 054 AB - 3 Units
Recording Arts/Multimedia-Audio Fundamentals
(Same as: Music 054 AB)
Prerequisites: Music 115
This course covers the fundamentals of multimedia audio including: acoustics and measurement; microphones and speakers; signal flow and processing, and recorders (analog and digital and magneto-optical). Optional credit/no credit or grade.

MULTIMEDIA 055 AB - 3 Units
Recording Arts/Multimedia-Modular Digital Multi-Track/Signal Processing
(Same as: Music 055 AB)
Prerequisites: Music/Multimedia 054AB
In this course, areas of emphasis will be signal processing applications during the tracking and over dubbing phases of the production process including equalization, reverb eration, compressors, limiters, gates and expanders. Intensive lab experiences will include multi-track recording projects using modular digital multi track recording systems. Optional credit/no credit or grade.

MULTIMEDIA 056 AB - 3 Units
Recording Arts/Multimedia-Audio Mixing Techniques
(Same as: Music 056 AB)
Advisories: Music/Multimedia 055AB
This course covers mixing techniques using analog and digital consoles and studio monitor systems. Lab experiences will include numerous mixing projects using both modular digital multi-track and disc based systems. Optional credit/no credit or grade.

MULTIMEDIA 057 AB - 3 Units
Recording Arts/Multimedia-Audio Post Production
(Same as: Music 057 AB)
Prerequisites: Music/Multimedia 054AB
Advisories: Music/Multimedia 055AB and 056AB
This course covers the assembly of various audio elements (dialog, music, and effects) into a play list for synchronization to picture. Non-linear digital video editing systems will be utilized to create finished programs for digital video disc, television, and computer games. Optional credit/no credit or grade.

MUSIC
MUSIC 025 AD - 1-3 Units
Rehearsal & Performance-Band Showmanship
Prerequisites: Retention is based upon successful audition.
This is an enrichment course designed to enhance musical performance and showmanship. Credit/no credit only.

MUSIC 026 AD - 1-3 Units
Survey of Contemporary Band Literature
Prerequisites: Retention is based upon successful audition.
This course will instruct students in music sight reading techniques, the music notation counting system, and develop the student’s music reading skills. Students will be able to apply these techniques to contemporary band music. Optional credit/no credit or grade.

MUSIC 049 - 2 Units
Introduction to Recording Engineering
This course is designed to provide the recording engineering student with an overview of the terminology and practices of the recording industry. Emphasis will be placed on fundamental principles of recording as well as current engineering practice. Optional credit/no credit or grade.

MUSIC 051 AB - 2 Units
Record Producing
A course of study leading to strong competencies in the important field of producing records. The student will learn much inside information, including studio procedures, talent and song writing evaluation, budget analysis, licenses, publishing, promotion and merchandising. Optional credit/no credit or grade.

MUSIC 053 - 2 Units
Producing the Music Video
A course of music video production techniques originating on videotape. This course will emphasize lighting, camera techniques, editing styles and application of special effects unique to music video’s. Pre-production, production and post-production will be taught using student production teams producing music video projects. Optional credit/no credit or grade.

MUSIC 054 AB - 3 Units
Audio Fundamentals
(Same as: Multimedia 054 AB)
Prerequisites: Music 115
This course covers the fundamentals of multimedia audio including: acoustics and measurement; microphones and speakers; signal flow and processing, and recorders (analog and digital and magneto-optical). Optional credit/no credit or grade.

MUSIC 055 AB - 3 Units
Modular Digital Multi-Track/Signal Processing
(Same as: Multimedia 055 AB)
Prerequisites: Music/Multimedia 054AB
In this course, areas of emphasis will be signal processing applications during the tracking and over dubbing phases of the production process including equalization, reverb eration, compressors, limiters, gates and expanders. Intensive lab experiences will include multi-track recording projects using modular digital multi track recording systems. Optional credit/no credit or grade.
MUSIC 056 AB - 3 Units
Audio Mixing Techniques
(Another: Multimedia 056 AB)
Prerequisites: Music/Multimedia 055 AB
This course covers mixing techniques using analog and digital consoles and studio monitor systems. Lab experiences will include numerous mixing projects using both modular digital multi-track and disc based systems. Optional credit/no credit or grade.

MUSIC 057 AB - 3 Units
Audio Post Production
(Another: Multimedia 057 AB)
Prerequisites: Music/Multimedia 054AB
Advisories: Music/Multimedia 055AB and 056AB
This course covers the assembly of various audio elements (dialog, music, and effects) into a play list for synchronization to picture. Non-linear digital video editing systems will be utilized to create finished programs for digital video disc, television, and computer games. Optional credit/no credit or grade.

MUSIC 058 - 3 Units
Live Sound Reinforcement
Designed for commercial musicians and Recording Arts majors. The course includes an introduction to the terminology and practices of the sound reinforcement industry. Emphasis will be placed on practical knowledge and techniques in operating sound equipment on all levels. Optional credit/no credit or grade.

MUSIC 059 AB - 3 Units
Studio Maintenance and Repair
This course in Studio Maintenance and Repair is designed to provide the student with the latest techniques associated with the prevention and/or correction of equipment errors and breakdowns experienced in the daily operation of a recording studio. Each student will develop a consistent and intensive regimen for maintenance and ‘trouble shooting.’ Letter grade only.

MUSIC 060 AD - 3 Units
Singing Solo Pop Songs
This class is aimed toward solo performances and historical studies of the American popular song. The student will perform selected songs with accompaniment in class and in front of live audiences. Emphasis will be placed on correct interpretation of the songs, utilization of microphones, and a strong nucleus of the best in popular song literature. Optional credit/no credit or grade.

MUSIC 064 AB - 3 Units
Commercial SongWriting I
This course is intended to give the student an opportunity to evaluate many types and styles of popular music by its outstanding practitioners (Including Bob Dylan, Paul Simon, Stevie Wonder, Lennon and McCartney, Elton John, Jackson Browne and Randy Newman), and to compose lyrics and music in various song forms that will help them be competitive in today’s musical market place. Selected student’s compositions will be performed and recorded by members of the commercial program. Optional credit/no credit or grade.

MUSIC 065 - 2 Units
Commercial SongWriting II
This course is designed for the advanced songwriter and encompasses copyright, studio demos, radio playlists, the song markets and source materials available to today’s composer. Each songwriter will experience all aspects of the art from creation and evaluation through final polishing, demo tapes and publication. Optional credit/no credit or grade. May not be offered each semester.

MUSIC 066 - 3 Units
Commercial Musicianship
Prerequisites: Music 114 and 115
This one-semester course is designed to bring each commercial performance or arranging student to a minimum level of competency in the harmonic and formal structure of modern commercial music. Topic studies will include triads and added tones, basic chord voicing, melodic construction, the keyboard as a writing tool, planning an arrangement, simple song forms, copying, ear training and simple dictation. Optional credit/no credit or grade.

MUSIC 068 - 4 Units
Commercial Arranging & Orchestration I
Prerequisites: Music 066
This course of study is designed to bring each commercial performance or arranging student to a minimum level of competency in the harmonic and formal structure of modern commercial music. Topic studies will include triads and added tones, basic chord voicing, melodic construction, the keyboard as a writing tool, planning an arrangement, simple song forms, copying, ear training and simple dictation. Optional credit/no credit or grade.

MUSIC 072 AD - 2 Units
Improvisation Workshop
Of utmost importance to all performance and arranging students is the ability to create melodic and harmonic ideas mentally, and to transcribe these ideas into written or played material. Traditional and modern scales, as well as primary and expanded chords, will be used as a basis for creative experimentation. The student will improvise on his/her major instrument. The arranging student will create material at the keyboard. Extensive listening assignments will be an important part of each student’s experiences. Optional credit/no credit or grade.

MUSIC 095 - 3 Units
Managing Your Career in Music
This course is designed for the commercial music major. Personal and business finance, aspects of the law, credit, management and marketing techniques directly and indirectly related to the commercial music industry will be presented and discussed. Letter grade only.

MUSIC 100 AD - 1 Unit
Music Forum
Designed for students interested in all areas of music. The course will present guest lecturers, concert artists in live performances, college transfer information, films and student performances. Credit/no credit only. Transferable to CSU.
### COURSES

#### MUSIC 101 - 3 Units
**History & Appreciation of Music**
(Same as: Humanities 120)
This course is designed to help you enjoy listening to all styles of music with emphasis on what to listen for in music. This course emphasizes a historical survey of popular music of yesterday, today and tomorrow known as European and American 'classical' music, and includes brief introduction to several other styles as well. Supported by films, videotapes, DVD's, recordings, and listening assignments. Attendance to at least one live concert is required. Optional credit/no credit or grade. Transferable to CSU; UC.

#### MUSIC 101 HONORS - 3 Units
**History & Appreciation of Music**
(Same as: Humanities 120 Honors)
Honors students will expand their study of European and American classical music to include the worldwide diaspora of West European 'Classical' music, the African and European roots of worldwide diaspora of American popular music and jazz, the Asian and Middle Eastern origins of symphonic and popular musical instruments, and the impact of technology on contemporary music composition, including the new internationalism. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.

#### MUSIC 103 - 3 Units
**Worlds of Music**
(Same as: Humanities 103)
An introduction to selected classical and folk musics of the Americas, Europe, Near-Middle Far East, Southeast Asia, sub-Saharan Africa and Oceania. Filmed, videotaped and audio recorded examples introduce the student to instrumental and vocal techniques, musical structures and performance contexts. Interactions between music cultures will be included. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

#### MUSIC 104 - 3 Units
**History & Appreciation of Opera**
(Same as: Humanities 104)
This course is a guide to attending and understanding performances of opera and related forms. It examines the history of opera, from its inception in Florence, Italy, during the transition from the Baroque era to the Renaissance to the Baroque era around 1600 up to modern times. In addition, the course reviews the predecessors of opera, the cultural currents that led to the invention of opera, and musical genres related to or descended from opera, such as: operetta, musical theatre, oratorio and cantata. Review of three live performances is required for transferability. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

#### MUSIC 105 AB - 1 Unit
**Beginning Guitar I**
Designed for non-Music majors who have an interest in learning to play the guitar correctly. Students must furnish their own guitars. Optional credit/no credit or grade. An eight-week course offered twice each semester. Transferable to CSU; UC.

#### MUSIC 106 AB - 1 Unit
**Beginning Guitar II**
A continuation of Music 105AB. Concentration on chords and correct finger-picking. Traditional and folk tunes will be studied and performed. Students must furnish their own guitar. Optional credit/no credit or grade. An eight-week course offered twice each semester. Transferable to CSU; UC.

#### MUSIC 108 - 3 Units
**History & Appreciation of the Musical Theater**
(Same as: Humanities 108, Theater Arts 108)
A course in all of the elements which make the Musical Theater one of the premier art forms of the 20th Century. The student will explore the history of the form as well as examine the roles of composer, bookwriter, lyricist, performer, and others relative to writing and mounting a production. Videos and live performances will be utilized to enhance the learners knowledge of the medium. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

#### MUSIC 109 AD - 1 Unit
**Symphonic Band**
Prerequisites: Retention based upon successful audition. The Symphonic Band is a performance ensemble that studies, rehearses, and performs the music of the standard band repertoire. Members of the ensemble are expected to possess a basic mastery of the playing skills of their chosen instrument as well as the fundamentals of musicianship. The ensemble performs frequently. Optional credit/no credit or grade. Transferable to CSU; UC.

#### MUSIC 110 AD - 2 Units
**Golden West Symphonic Band**
Prerequisites: Retention based upon successful audition. The primary performing band representing the college in the community. Emphasis on study and performance of music from standard band repertoire. Performances on campus and away include concerts, outdoor activities and athletic events. A band tour is planned for spring semester. Optional credit/no credit or grade. Transferable to CSU; UC.

#### MUSIC 112 AB - 2 Units
**Sight Singing**
This course is designed to introduce and develop strong fundamental competencies in the singing of simple and complex rhythms, melodies. Optional credit/no credit or grade. Transferable to CSU; UC.

#### MUSIC 115 - 3 Units
**Basic Music**
Advisories: Concurrent enrollment in Music 141 - 142 recommended. A first course in music theory. Required for all music majors. (This requirement may be waived for students passing the qualifying examination in basic music given in the first week of each semester.) Introduction to the materials of music pitch, rhythm, scales, intervals, triads, etc. and their notation. Development of skills in reading music and in aural perception. Optional credit/no credit or grade. Transferable to CSU; UC.

#### MUSIC 116 - 5 Units
**Theory I (Diatonic)**
Prerequisites: Music 115
This course presents the basic techniques and materials, principles and practice of diatonic harmony integrated with musicianship; compositional techniques, using four-part harmony, figured bass, primary-secondary triads, non-harmonic tones; introduction to modulation; analysis of selected forms and compositional devices, integrated with sight singing and ear training (melodic, harmonic, and rhythmic dictation.) Optional credit/no credit or grade. Transferable to CSU; UC. (CAN MUS 2)
MUSIC 120 AD - 1 Unit
Masters Chorale
Prerequisites: Retention based upon successful audition.
A large chorus which performs suitable music from all historical periods. Participation in concerts on campus, field trips, occasional brief section rehearsals and overnight tour in spring semester also required. Schedule of work outside class announced at the beginning of each semester. Each student will provide his own standard performance dress. Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 121 AD - 1 Unit
College Choir
Prerequisites: Retention based upon successful audition.
A large choral group singing music in all styles. Open to beginning through advanced singers with an emphasis in the development of vocal technique and music reading. Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 122 AD - 1 Unit
Chamber Choir
Prerequisites: Retention based upon successful audition.
A select vocal ensemble which performs suitable music from all historical periods. Extensive participation in concerts on campus, field trips. Occasional brief section rehearsals. Schedule of performances announced at the beginning of each semester. Each student must provide his own standard performance dress (except tuxedo). Financial aid available for qualified students who cannot provide their own required items of clothing. Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 124 AD - 1 Unit
Madrigals
Prerequisites: Retention based upon successful audition.
A select vocal/instrumental ensemble which performs suitable music from before 1750. Extensive participation in concerts on campus, field trips. Schedule of performances announced at the beginning of each semester. Each student must provide his own standard performance dress. Financial aid available for qualified students who cannot provide their own required items of clothing. Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 125 AD - 1 Unit
Chamber Ensemble
Prerequisites: Retention based upon successful audition.
A course in the study and performance of chamber ensemble music with emphasis on development of basic skills of ensemble playing. Phrasing, tone and interpretation will be stressed. Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 132 AD - 2 Units
Jazz Ensemble Skills
Study and performance of jazz and commercial music with emphasis on development of basic skills of ensemble playing. Phrasing, tone and improvisation will be stressed. Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 134 AD - 2 Units
Recording Jazz Ensemble
Study and performance of jazz and commercial music with special emphasis on jazz phrasing and tone, ensemble methods and improvisations, off-campus activities and three- or four- day tour. Optional credit/no credit or grade. Transferable to CSU.

MUSIC 136 - 3 Units
Jazz: A History and Appreciation
(Same as: Humanities 140)
An in-depth study of the only purely American musical art form, with emphasis on the important cultural contributions of the black people in America. The class will study jazz from the blues and field music to rock-jazz and the 'new-thing' of today. Live demonstrations during class whenever possible. Lecture-demonstrations will include two evening concerts or field trips. Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 141 AB - 1 Unit
Beginning Keyboard I
Prerequisites: Retention based upon successful audition.
Piano instruction for those with no previous keyboard experience or no previous formal music instruction of any sort. Sight reading, playing by ear, keyboard harmony, scales and keyboard technique. One hour of practice daily is assumed. Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 142 AB - 1 Unit
Beginning Keyboard II
Prerequisites: Retention based upon successful audition.
Continuation of Music 141AB. Reading music, playing by ear, keyboard harmony and scales in minor keys. Regular daily practice is essential for success in this course. Optional credit/no credit or grade. An eight-week course. Transferable to CSU; UC.

MUSIC 145 AB - 2 Units
Basic Voice
Prerequisites: Music 145 AB
Advisories: Concurrent enrollment in Music 115, 121A-B, or 141A-B - 142A-B recommended for those who do not read music.
Beginning singers only, prepares your voice for solo and group singing by improving breathing, vocal tone, range, agility, volume, diction, health, expression and self-confidence. Sing songs from musical theatre, film, folk, popular and classical repertory, in English and students' first languages, memorized from printed music. One hour daily practice and attendance at one approved recital required. Pianist accompanies classes. Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 146 AB - 2 Units
Intermediate Voice
Prerequisites: Music 145 AB
Advisories: Concurrent enrollment in Music 115, 121 AB, or 141 AB or 142 AB recommended for those who do not read music.
Continuation of Music 145A-B for singers with two years of choral experience or one semester of private lessons or voice class. Prepares for solo and group singing by improving breathing, vocal tone, range, agility, volume, diction, health, expression and self-confidence at second semester level. Sing songs from musical theatre, film, folk, popular and classical repertory, in English, Italian and students' first languages, memorized from printed music. One hour daily practice and attendance at one approved voice recital required. Pianist accompanies classes. Optional credit/no credit or grade. Transferable to CSU; UC.
MUSIC 147 AB - 2 Units
Advanced Voice
Prerequisites: Music 146 AB
Advisories: Concurrent enrollment in Music 115, 121A-b, or 141A-B - 142A-B recommended for those who do not read music.
Third and fourth semester continuation of Music 146AB for singers with two semesters of private lessons or voice class. Prepares for solo and group singing by improving breathing, vocal tone, range, agility, volume, diction, health, expression and self-confidence. Sing songs from musical theatre, opera, film, folk, popular and classical repertoire, in English, Italian, German, French, and students’ first languages, memorized from printed music. One hour daily practice and attendance at one approved voice recital required. Pianist accompanies classes. Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 150 AB - 2 Units
Broadway and Opera Singing
(Same as: Theater 146 AB)
Advisories: Music 060 or 121 or 145. Concurrent enrollment in Music 115, 121 AB, or 141 AB - 142 AB recommended for those who do not read music.
A voice class for singers, actors and dancers with previous training. Prepares for solo and ensemble singing by improving breathing, vocal tone, range, agility, volume, diction, health, expression and self-confidence. Songs and arias from musical theater and/or opera, memorized from printed music. One hour daily practice and attendance at an approved musical or opera production required. Pianist accompanies classes. Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 165 - 3 Units
History & Literature of Music
(Same as: Humanities 122)
A survey of western art music from approximately 1700 to the present. Formal analysis and examination of the musical styles of music from the Baroque, Classic, Romantic and Modern eras, with listening examples of typical masterwork’s from each. A course for music majors and minors who come to the course with previous formal music study, or considerable informal listening and concert attendance. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

MUSIC 170 AB - 2 Units
Introduction to Electronic Synthesizer
Designed for the student interested in expanding his knowledge of music to include the elements of electronically produced music. Both analog and digital synthesis will be included, as well as related studio techniques. Students will use the Yamaha DX-7 synthesizer, Kurzweil Sampling Keyboard, TF-Modules, RX-11 Drum Machine, Macintosh computer with Sequencing Software, and related equipment for hands-on projects. Optional credit/no credit or grade. Transferable to CSU.

MUSIC 171 AB - 2 Units
Synthesizer Projects
A continuation of Music 170 AB. Extensive use of the synthesizer laboratory to create recorded projects. Class size will be limited to allow individual experience within the laboratory. Optional credit/no credit or grade. Transferable to CSU.

MUSIC 185 - 3 Units
History of Rock Music
(Same as: Humanities 145)
In depth study of rock music; emphasis includes rock roots, blues/R & B, Elvis & early rock. Also Beatles and 60’s rock, metal, “New Wave,” punk, alternative, rap, 90’s “grunge,” industrial, techno and other musical and social topics. Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 209 AD - 2 Units
Symphonic Band, Advanced Skills
Prerequisites: Music 109 AD
This course is for students who perform at an advanced level on a standard band instrument. Students in this course are expected to develop sophisticated skills beyond standard participation in the Symphonic Band. Performance of solos, the development of score reading abilities, student composition and/or arranging and conducting/leadership roles within the performance ensemble will be explored. Brass, Percussion, and Woodwind sectional rehearsal techniques will be developed. Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 210 AB - 2 Units
Musical Theater Workshop
For student musicians and vocalists to participate in musical theater productions such as musical comedy, musical drama, operetta and opera. Students will participate as members of the pit orchestra, band, as vocalists in the acting company. Students will rehearse and perform the score in production. An open enrollment class. One hundred and eighty hours arranged. Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 216 - 5 Units
Theory II (Chromatic)
Prerequisites: Music 116
A continuation of Music 116. Introduction to chromatic harmony; principles of modulation; secondary dominants; altered chords; augmented sixth chords. Analysis of selected forms and compositional devices, scoring for instruments, integrated with sight singing and ear training (melodic, harmonic and rhythmic dictation and some keyboard application.) Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 241 AB - 2 Units
Intermediate Keyboard I
Second semester of piano study. Reading music at the keyboard. Sight reading. Playing by ear. Chromatic keyboard harmony in more advanced forms. Regular daily practice is essential for success in this course. Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 242 - 2 Units
Intermediate Keyboard II
Continuation of Music 241. Optional credit/no credit or grade. Transferable to CSU; UC.

MUSIC 290 AD - 1 Unit
Applied Music
Designed for the music major or non-major studying privately on a keyboard instrument, voice, guitar, or any standard instrument of the band and orchestra. The course provides a professional atmosphere in which to perform and listen to live performances. One group meeting required each week, with a minimum of fifteen half-hour private lessons per semester. Level of proficiency is determined by faculty adjudication. Optional credit/no credit or grade. Transferable to CSU.
NURSING

NURSING 009 - 2 Units
Introduction to Nursing
Corequisites: Nursing 010
This course is designed to assist nursing students to develop the survival skills essential for success in the educational setting and the clinical environment. Emphasis is on: nursing process, learning style, specific study skills, medical terminology, and nursing responsibilities. Credit/no credit only.

NURSING 070 - 1 Unit
Beginning Arrhythmia and Electrocardiograms (EKG) Interpretation
This course focuses on providing the learner with a basic knowledge of the interpretation of cardiac dysrhythmia and 12 lead electrocardiograms. The material focuses on the essential information needed to interpret basic dysrhythmia, define causes and analyze appropriate treatments. Rhythm strips and electrocardiograms are presented for practice in gaining the necessary skills to interpret dysrhythmia, myocardial infarctions, and other abnormalities. Letter grade only.

NURSING 100 - 10 Units
Nursing Process I
Prerequisites: Acceptance into the Nursing Program. Pre-entrance physical examination. Completion of Biology 170,175 and 210, or equivalent with a minimum grade of “C”.
Concepts of person, environment, health and nursing as related to the Roy Anderson Model of nursing practice are explored. Opportunity for the application of these concepts is provided through simulated clinical experiences in the campus multimedia lab and varied adult clinical settings. Emphasis is placed on critical thinking application of the nursing process, acquiring beginning level nursing skills and developing rationale for nursing actions based on scientific principles. Five hours lecture, eleven hours of clinical practice and four hours of skills lab a week. Letter grade only. Transferable to CSU.

NURSING 150 - 10 Units
Nursing Process II
Prerequisites: Nursing 100; English 100, Biology 200 and Speech 108 or 110 or 112
Study of the interrelated bio-psycho-social behavioral responses of clients to a wide variety of stressors and stimuli in both hospital and community settings. The major focus for the course is Women’s Health and Medical Surgical Nursing. Emphasis is placed on critical thinking application of the nursing process using the Roy Adaptation Model. Includes wellness concerns as well as pathophysiology related to major health problems in all areas of assessment. Letter grade only. Transferable to CSU.

NURSING 190 - 4 Units
Transition to Registered Nursing
Prerequisites: Vocational Nurse License, completion of Biology 175 and 210. Permission required.
Designed to assist the Licensed Vocational Nurse to bridge the theory and clinical practice gaps for the registered nursing program. An eight-week course. Optional credit/no credit or grade. Transferable to CSU.

NURSING 200 - 10 Units
Nursing Process III
Prerequisites: Nursing 150 and Psychology 160
Focuses on nursing management of chronic health issues in multiple clinical settings. Selected students assignments emphasize the application of the nursing process using the Roy Anderson Model to the care of patients with various medical, surgical, geriatric and mental health problems. The student is expected to formulate nursing diagnoses for existing and potential problems, establishing short-term and long-term nursing care goals, intervene appropriately and evaluate the care given to clients with complex problems. Letter grade only. Transferable to CSU.

NURSING 205 AB - 2 Units
Nursing Practicum
Prerequisites: Nursing 150 or 200
Designed to provide the advanced nursing student with a practicum cooperatively planned by an employing agency and the nursing faculty. Focus is on providing practical experience in a realistic work setting in a concentrated period of time; and classroom discussion of issues directly related to the practicum in an acute hospital setting. Credit/no credit only. A four week course. Transferable to CSU.

NURSING 210 AB - 4 Units
Nursing Practicum
Prerequisites: Nursing 150 and Upon approval of affiliating agency
Designed to provide the advanced nursing student with a paid practicum cooperatively planned by an employing agency and the nursing faculty. Focus is on providing practical experience in a realistic work setting in a very concentrated period of time; and a classroom discussion of issues directly related to the practicum in an acute hospital setting. Credit/no credit only. A five-week course. Transferable to CSU.

NURSING 220 - 3 Units
Advanced Physical Assessment for Nursing
Prerequisites: Completion of Nursing 100, or first semester of a registered nursing program, or Registered Nurse Licensure
This course examines the theory and practice of physical assessment required in the practice of registered nursing, emphasizing the analysis and synthesis of subjective and objective data collected to identify health problems. The health assessment process is explored in the context of health promotion, risk factor identification and recognition of common abnormalities of the child and adult throughout the life continuum. Optional credit/no credit or grade. Transferable to CSU.

NURSING 250 - 9 Units
Nursing Process IV
Prerequisites: Nursing 200
Focuses on the student’s role transition for entry into practice. Includes concepts of critical care, advanced pediatric nursing, advanced medical/surgical nursing, and R.N. leadership role. Emphasis is on the application of the nursing process through use of the Roy Adaptation Model and the client’s coping response to complex health problems. Opportunities to practice the management of client care in primary-care and/or team-leading modalities provided in various acute care and community settings. Students are expected to develop skill in making independent nursing judgements and decisions. Legal and ethical responsibilities of the R.N. are emphasized. Letter grade only. Transferable to CSU.
NURSING 260 - 2 Units
Nursing Issues
Focuses on the emergence of nursing students into the professional setting. Content to include history of nursing, professional and ethical responsibilities, career opportunities, current legislation, accreditation in schools of nursing, and effects of women's liberation movement upon nursing. Offers further content on the legal and ethical standards of practice. Letter grade only. Transferable to CSU.

NURSING 299 AB - 5 Units
Pediatric Nursing Care
This course focuses on the student's role transition into pediatric nursing practice. Focuses on the nursing management of the pediatric patient population. Emphasis is placed on critical thinking in the application of the nursing process to the pediatric patient across hospital settings. Students are expected to develop skills in independent nursing decision-making and priority setting. Collaboration and professional responsibilities of the pediatric nurse are emphasized. Credit/no credit only. Transferable to CSU.

PHILOSOPHY

PHILOSOPHY 101 - 3 Units
Introduction to Philosophy
A probing into questions people ask about the universe and their place in it. An examination is undertaken of the range of possible answers developed by leading philosophers in such areas as the meaning of knowledge, scientific method, religion, ethics, aesthetics, history, politics and metaphysics. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN PHIL 2)

PHILOSOPHY 102 - 3 Units
History of Ancient Philosophy
Recommended for all students interested in refining critical thinking faculties. Essential for philosophy majors. The development of the Hellenic mind is explored, with emphasis on analysis of the basic texts of pre-Socrates, Plato and Aristotle. Letter grade only. Transferable to CSU; UC. (CAN PHIL 8) (PHIL 102 + 105 = CAN PHIL SEQ A)

PHILOSOPHY 103 - 3 Units
The Age of Hellenistic Philosophy
An exploration of the philosophies that developed from 300 B.C. to 500 A.D., from the emergence of post-Socratic schools, the Stoics and Agnostics, to the full flowering of Neo-Platonism and its impact on Christianity. Emphasis on the analysis of selected texts and the exploration of its significance to the history of philosophy. Letter grade only. Transferable to CSU; UC. May not be offered each semester.

PHILOSOPHY 105 - 3 Units
History of Modern Philosophy
Recommended for all students interested in refining critical faculties. Essential for philosophy majors. The development of modern philosophy from Descartes to 19th century German Idealism and Positivism. Emphasis on Descartes, Hume and Kant. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN PHIL 10) (PHIL 102 + 105 = CAN PHIL SEQ A) May not be offered each semester.

PHILOSOPHY 106 - 3 Units
Introduction to Contemporary Philosophy
Useful to students desiring to develop their analytical skills, and to prepare for upper division studies in philosophy. An exploration of the doctrines, methods and problems discussed in the Phenomenology, Linguistic Analysis, and Existentialism. Optional credit/no credit or grade. Transferable to CSU; UC.

PHILOSOPHY 110 - 3 Units
Philosophy of the East
Of value to students desiring a broader understanding of the world's religious thought. A critical analysis of the principal documents of the East. Particular attention is given to sacred literature as a sympathetic expression of religious thought and its culture. Letter grade only. Transferable to CSU; UC.

PHILOSOPHY 111 - 3 Units
Philosophy of Religion - Western
Questions regarding the nature of religion, God, and man's relationship to the Divine will be discussed. Emphasis will be upon interpretations of the life, message and meaning of Jesus as the Christ. Modern philosophical methods will be critically applied. Optional credit/no credit or grade. Transferable to CSU; UC.

PHILOSOPHY 115 - 3 Units
Reasoning in Writing
A course designed to develop a mastery of the skills and concepts of logic and critical thinking in and through writing. Contemporary and traditional philosophical, ethical and political issues selected from culturally diverse sources will be used to teach the skills of logical analysis and philosophically argumentative writing. Optional credit/no credit or grade. Transferable to CSU; UC.

PHILOSOPHY 116 - 3 Units
Socratic Inquiry as Philosophical Counseling
Philosophical dialectic as a mode of rational psychotherapy. A detailed exploration of the philosophical counseling and its application to contemporary human problems. The form of counseling, philosophical midwifery, has its origin in the Socratic method of the exploration of an idea. Midwifery is the art of discovering, through a dialectical process, the subject's ideas and hidden assumptions, beliefs, etc., which affect his/her thinking and way of living. Optional credit/no credit or grade. Transferable to CSU; UC.
PHILOSOPHY 120 - 3 Units
Ethics
An examination of the concepts of right and wrong, good and bad, in the light of the writings of classical ethical philosophers. A critical examination of alternative approaches to ethics, with an emphasis upon the question of philosophical foundations. Applications of alternative traditions in ethics to contemporary moral issues. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN PHIL 4)

PHILOSOPHY 130 - 3 Units
Symbolic Logic
Recommended for transfer students who desire rigorous exercise in sharpening their reasoning skills. A study of the methods and principles used in distinguishing correct arguments from incorrect arguments. Arguments will be translated from English into symbolic expressions. These expressions will be examined for correctness using the systematic techniques of propositional and quantification logic. No mathematical background required. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

PHOTOGRAPHY
PHOTOGRAPHY 125 - 1 Unit
Know Your Camera
This is a non-lab course for students who want to develop their visual skills. Through an aesthetic approach, students will acquire the technical and visual means to express ideas photographically. Film and processing expenses for class assignments are the responsibility of the student. Optional credit/no credit or grade. An eight-week course. Transferable to CSU.

PHOTOGRAPHY 150 - 3 Units
Fundamentals of Photography
A basic course to familiarize students with the fundamentals of photography. The students will study cameras and related accessory systems. Picture taking techniques, darkroom techniques, lighting and studio techniques will be studied. Students should provide an adjustable lens camera. Camera and shooting time must be worked into student’s schedule. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN ART 18)

PHOTOGRAPHY 150-1 - 3 Units
Photography Fundamentals and Digital Imaging
A basic course to familiarize students with the fundamentals of photography and digital imaging. Students gain practical experience relating to cameras, film, exposure, light, content, color, composition and presentation. This course introduces the basics of digital imaging including scanning, printing and image editing with Adobe Photoshop. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN ART 18)

PHOTOGRAPHY 151 AB - 3 Units
Color Photography: Positive Materials
Prerequisites: Photography 150
A basic course to introduce students to fundamentals of color photography. Students will become familiar with color theory, subtractive and additive color processes and printing techniques used with both negative and positive materials. Students should possess their own adjustable camera, although some camera equipment is provided for short-term-check-out. Optional credit/no credit or grade. Transferable to CSU.

PHOTOGRAPHY 152 - 3 Units
Digital Darkroom
Prerequisites: Photography 150
This is an intermediate photography course providing in-depth instruction in scanning, printing and using digital imaging software to create a master digital image. Students gain practical experience with digital techniques that furthers their creative exploration of fine art photography. Optional credit/no credit or grade. Transferable to CSU.

PHOTOGRAPHY 154 AB - 3 Units
The Creative Photographer
Prerequisites: Photography 150
Creative photography is designed to provide students with an understanding and appreciation of the artistic approach to photography. Students enrolling in this course should have mastered the basic techniques of photography. Photographic processes and photographic images are approached from the fine arts viewpoint. The course is designed for the student who desires to use photography as an additional medium of expression. Students should have an adjustable lens camera to work with. However, some camera equipment is available for short-term checkout. Optional credit/no credit or grade. Transferable to CSU; UC.

PHOTOGRAPHY 155 AB - 3 Units
Creative Darkroom
Prerequisites: Photography 150
A skill development course for people who have mastered the basic darkroom techniques, such as processing film and making high quality prints. Emphasis is on new laboratory photographic techniques and the development of individual creativity in the darkroom, offering the student an additional medium of expression. The photographer will be able to make better prints from negatives. Creative Darkroom is designed to provide students with an understanding and appreciation of creative photography as art through control of darkroom procedures. Two hours lecture; 1 hour laboratory. UC credit limitations. Optional credit/no credit or grade. Transferable to CSU.

PHOTOGRAPHY 157 AB - 3 Units
Documentary Photography
(Same as: Journalism 157)
Prerequisites: Photography 150
Recommended for transfer students who desire rigorous exercise in sharpening their reasoning skills. A study of the methods and principles used in distinguishing correct arguments from incorrect arguments. Arguments will be translated from English into symbolic expressions. These expressions will be examined for correctness using the systematic techniques of propositional and quantification logic. No mathematical background required. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

PHOTOGRAPHY 158 - 3 Units
History of Photography: An Exploration From the Lab
Prerequisites: Photography 150
In this course, students will explore the history of photography with emphasis on the technical innovations, limitations, and inspiration that helped determine the direction and perception of the photographic image. Through slide lectures and lab based assignments, students will gain skills to recognize specific aesthetic movements, analyze photographs for their historical and conceptual significance, and have a clear understanding of photography’s shift from a utilitarian instrument to a fine arts tool. Optional credit/no credit or grade. Transferable to CSU; UC.

Golden West College 2003-2004 Catalog www.gwc.info
PHOTOGRAPHY 159 AB - 3 Units
Color Photography: Positive Materials
Prerequisites: Photography 151
An advanced course designed to refine color printing skills. The course will include demonstrations and intensive laboratory sessions and will concentrate on producing color photographs using a professional processor. Optional credit/no credit or grade. Transferable to CSU.

PHOTOGRAPHY 160 AB - 3 Units
Special Problems in Photography
Prerequisites: Photography 150
A course in a variety of photographic techniques and materials: color, black and white, xerography, and others. The course is designed to allow the advanced student the opportunity to concentrate on a semester long project in a specialized photographic area. Optional credit/no credit or grade. Transferable to CSU.

PHOTOGRAPHY 165 AB - 3 Units
Portraiture
Prerequisites: Photography 150
A basic study of the problems and techniques in portraiture and figure study photography outside of a formal studio. The student utilizes the studio lighting techniques encountered in photographing the human figure and commercial portraits. These two problems will be approached historically and aesthetically. Optional credit/no credit or grade. Transferable to CSU.

PHYSICAL EDUCATION
PHYSICAL EDUCATION 060 AD - 0.5-3 Units
Sports Conditioning - Football
Prerequisites: Retention is based upon a successful tryout.
A developmental enrichment course in sports conditioning for football. Credit/no credit only. Not transferable, not degree applicable.

PHYSICAL EDUCATION 062 AD - 0.5-3 Units
Sports Conditioning - Basketball
Prerequisites: Retention is based upon a successful tryout.
A developmental enrichment course in sports conditioning for basketball. Credit/no credit only. Not transferable, not degree applicable.

PHYSICAL EDUCATION 064 AD - 0.5-3 Units
Sports Conditioning - Baseball
Prerequisites: Retention is based upon a successful tryout.
A developmental enrichment course in sports conditioning for baseball. Credit/no credit only. Not transferable, not degree applicable.

PHYSICAL EDUCATION 066 AD - 0.5-3 Units
Sports Conditioning - Volleyball
Prerequisites: Retention is based upon a successful tryout.
A developmental enrichment course in sports conditioning for volleyball. Credit/no credit only. Not transferable, not degree applicable.

PHYSICAL EDUCATION 068 AD - 0.5-3 Units
Sports Conditioning - Swimming
Prerequisites: Retention is based upon a successful tryout.
A developmental enrichment course in sports conditioning for swimming. Credit/no credit only. Not transferable, not degree applicable.

PHYSICAL EDUCATION 070 AD - 0.5-3 Units
Sports Conditioning - Water Polo
Prerequisites: Retention is based upon a successful tryout.
A developmental enrichment course in sports conditioning for water polo. Credit/no credit only. Not transferable, not degree applicable.

PHYSICAL EDUCATION 072 AD - 0.5-3 Units
Sports Conditioning - Wrestling
Prerequisites: Retention is based upon a successful tryout.
A developmental enrichment course in sports conditioning for wrestling. Credit/no credit only. Not transferable, not degree applicable.

PHYSICAL EDUCATION 074 AD - 0.5-3 Units
Sports Conditioning - Cross Country
Prerequisites: Retention is based upon a successful tryout.
A developmental enrichment course in sports conditioning for cross country. Credit/no credit only. Not transferable, not degree applicable.

PHYSICAL EDUCATION 076 AD - 0.5-3 Units
Sports Conditioning - Soccer
Prerequisites: Retention is based upon a successful tryout.
A developmental enrichment course in sports conditioning for soccer. Credit/no credit only. Not transferable, not degree applicable.

PHYSICAL EDUCATION 078 AD - 0.5-3 Units
Sports Conditioning - Softball
Prerequisites: Retention is based upon a successful tryout.
A developmental enrichment course in sports conditioning for softball. Credit/no credit only. Not transferable, not degree applicable.

PHYSICAL EDUCATION 080 AD - 0.5-3 Units
Sports Conditioning - Track/Field
Prerequisites: Retention is based upon a successful tryout.
A developmental enrichment course in sports conditioning for track and field. Credit/no credit only. Not transferable, not degree applicable.

PHYSICAL EDUCATION 082 AD - 0.5-3 Units
Sports Conditioning - General
Prerequisites: Retention is based upon a successful tryout.
A developmental enrichment course in sports conditioning for all high school sports. Credit/no credit only. Not transferable, not degree applicable.

PHYSICAL EDUCATION 103 - 2 Units
Exercise for Healthy Living
Advisories: Co-enrolled in any Physical Education activity class (see list in the catalog - CSU General Education, Area E)
The intent of this course is to expose students to a broad range of information related to understanding personal fitness and health. This course will offer students a well rounded examination of lifestyle components elemental to lifelong healthy living. Students will explore a variety of personal choice options for developing and maintaining lifetime wellness from physiological, psychological and sociological perspectives. This course encourages students to participate in a wide variety of physical activities. It provides a comprehensive understanding of elements for successful participation in a variety of physical activities. Letter grade only. UC credit limitations. See counselor Transferable to CSU; UC.
PHYSICAL EDUCATION 105 AD - 1 Unit
Strength and Fitness for the Disabled
Prerequisites: Permission of instructor required.
This strength and fitness course is one of the series available to disabled students. Students will be instructed in the proper use or adaptive use of strength lab equipment. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 108 AD - 1 Unit
Swimming for the Disabled
Prerequisites: Physically disabled but capable of independent propulsion and ability to care for self required.
This course is part of the Adaptive Program. The student will be instructed to achieve safe and independent function within the pool. Swim skills as well as exercises will be adapted to meet the student’s needs and goals. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 109 AD - 1 Unit
Swimming for Fitness
This course is designed for swimmers with intermediate skills. The swimmer will be introduced to the latest techniques and methods for cardiovascular conditioning through swimming. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 110 AD - 0.5-1 Units
Swimming for Fitness
This course is designed for swimmers with intermediate skills. The swimmer will be introduced to the latest techniques and methods for cardiovascular conditioning through swimming. Optional credit/no credit or grade. A three-week course. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 111 AD - 1 Unit
Swimming
This course is designed to make people water safe. Students will receive instruction and practice in the fundamental skills of swimming. The course is recommended for swimmers with little or no previous experience, swimmers who can complete two laps of the pool with coordinated breathing, and swimmers with advanced skills. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 112 AD - 2 Units
Surfing
Prerequisites: Prior to entering surfing class, students must pass Intermediate ARC Swimming test or produce other official verification of their swimming ability at the first class meeting.
This course is designed to give students the knowledge and necessary skills to safely enjoy surfing. Through a structured lecture and laboratory situation, the student will be introduced to the latest techniques and methods of optimum achievement. The course is suited to all levels of ability and is organized to allow for individual instruction. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 114 AD - 1 Unit
Surfing
Prerequisites: Prior to entering surfing class, students must pass Intermediate ARC Swimming test or produce other official verification of their swimming ability at the first class meeting.
This course is designed to give students the necessary knowledge and skills to safely enjoy surfing. Through a structured lecture laboratory situation, the students will be introduced to the latest techniques and methods for optimum achievement. The course is suited to all performance levels and is organized to allow for individual instruction. Credit/no credit only. Transferable to CSU.

PHYSICAL EDUCATION 115 AD - 1 Unit
Swimnastics
Instruction and activity in a cardiovascular fitness program done in water. Variation of movement and tempo in exercises using the resistance and buoyancy of the water. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 129 AD - 1 Unit
Wrestling
Instruction and practice in the fundamental skills basic to successful participation in wrestling. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 131 AD - 1 Unit
Karate
This is an introductory course designed to familiarize the student with the physical and psychological skills inherent to the art and science of Karate-Do. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 134 AD - 1 Unit
Bowling
An introductory course in bowling for men and women, including practice and instruction in the basic techniques of bowling, scoring and rules. The class is conducted as an instructional league. A required fee includes three lines per session, bowling ball, bowling shoes, score sheets, handicap computations and awards. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 135 AD - 0.5-1 Units
Ice Skating
Instruction in the theory and technique of figure, hockey and power ice-skating. Skills will be developed for forward and backward skating as well as turns and maneuvers. An off campus facility will be used for the facilitation of instruction. Credit/no credit only. Transferable to CSU.

PHYSICAL EDUCATION 136 AD - 1 Unit
Rock Climbing
This course is designed so that students will develop mountaineering and rock climbing skills and fitness. Instructional emphasis is on preparation, knowledge of equipment, physical techniques and the mental approach to climbing. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.
PHYSICAL EDUCATION 137 AD - 0.5 Units

Golf
Instruction and practice in the basic skills fundamental to successful performance in golf. Included, with participation, will be instruction in the rules and etiquette of the sport. Credit/no credit only. An eight-week course. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 138 AD - 0.5 Units

Golf Course Play
Development of advanced golf skills through instruction and practice on a local golf course. Course designed for the intermediate/advanced golfer. Credit/no credit only. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 139 AD - 0.5 Units

Intermediate/Advanced Golf
Prerequisites: Physical Education 137
Instruction, development and practice of intermediate through advanced golf skills at an off-campus driving range practice facility. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 140 AD - 1 Unit

Coed Softball - Slow Pitch
A course designed to teach modified softball (slo-pitch) for men and women. The fundamentals of offense, defense, basic skills, and team play will be learned. Optional credit/no credit or grade. Transferable to CSU.

PHYSICAL EDUCATION 141 AD - 1 Unit

Intermediate Rock Climbing
Prerequisites: Physical Education 136
This class is designed so that students will develop and apply rock craft skills in an outdoor environment. Instructional emphasis is on preparation, knowledge of equipment, philosophy and practical application of top rope anchor set up, physical techniques, and safety expectations in an outdoor environment. Letter grade only. Transferable to CSU.

PHYSICAL EDUCATION 149 AD - 0.5 Units

Badminton
This course is designed for men and women who are interested in instruction and practice in the fundamental skills basic to successful performance in badminton. Optional credit/no credit or grade. Transferable to CSU.

PHYSICAL EDUCATION 150 AD - 1 Unit

Badminton
This course is designed for men and women who are interested in instruction and practice in the fundamental skills to successful performance in badminton. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 154 AD - 1 Unit

Racquetball
This course offers instruction and practice in fundamental and advanced skills of strategy and positioning in singles and doubles. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 156 AD - 2 Units

Tennis
A course designed to instruct tennis players in the intermediate skills and knowledge of on-the-court techniques. Instruction will be given on use of spin and consistency of placement on ground strokes, volleys and serves. Strategy of singles and doubles will be taught through use of modified drills and on-court play. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 158 AD - 1 Unit

Tennis
Instruction and practice in the fundamental skills & a basic understanding of scoring, elementary positioning, & strategy of tennis singles & doubles. The more advanced student will receive instruction in the volley, lob and smash, consistency and placement of ground strokes and serves. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

NOTE: Tennis courses may be taken a maximum of four semesters; therefore, Physical Education 156 and 158 may not be taken more than four semesters singularly or in combination. Courses with letter designations indicate the number of times the course may be repeated (AB = 2 and AD = 4).

PHYSICAL EDUCATION 159 AD - 0.5-1 Units

Table Tennis
Introduction to Table Tennis. The course includes practice of stroke skills, the application of rules and etiquette in singles and doubles play. Credit/no credit only. Transferable to CSU.

PHYSICAL EDUCATION 161 AD - 1 Unit

Walking for Fitness
Walking for Fitness
Designed for men and women who are interested in instruction and practice in cardiovascular walking. Activity will be held in a non-competitive atmosphere and will be geared toward developing a higher level of cardiovascular fitness and total health. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 162 AD - 1.5 Units

Exercise Science/Circuit Weight Training
This course is designed for students who want to learn Circuit Weight Training. Students will train vigorously on stack loaded weight lifting machines where the movement between the exercises is performed in a specific sequence on a timed basis. Students will arrange their activity hours in the Golden West College Physical Fitness Center (PFC). Students will receive an exercise prescription for their training based on physical fitness assessments. Students who have medical limitations need to be evaluated prior to participation in the class. When this course is combined with PE 103 Exercise for Healthy Living, students will be able to integrate the psychological, sociological and physiological aspects of lifelong understanding and self-development in order to satisfy the area E of the California State University General Education Requirement. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.
**COURSES**

**PHYSICAL EDUCATION 164 AD - 0.5 - 1.5 Units**

**Aerobics**
Students in this course will strengthen the cardiovascular systems and improve endurance, flexibility and strength. The class combines instruction with strenuous exercise to music. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

**PHYSICAL EDUCATION 165 AD - 2 Units**

**Exercise Science/Comprehensive Fitness**
This course is designed for students who want to learn a comprehensive physical fitness program. Students in this course will be performing vigorous exercise. The exercise will include cardiovascular conditioning, fat reduction, muscular strength and endurance, and flexibility activities. Students will arrange their activity hours in the Golden West College Physical Fitness Center (PFC). Each individual will receive an exercise prescription for their training based on their performance on a battery of physical fitness tests. Students who have medical limitations need to be evaluated prior to participation in the class. When this course is combined with PE 103 Exercise for Healthy Living, students will be able to integrate the psychological, sociological and physiological aspects of lifelong understanding and self-development in order to satisfy the area E of the California State University General Education Requirement. Optional credit/no credit or grade. Transferable to CSU.

**PHYSICAL EDUCATION 166 AD - 0.5-2 Units**

**Circuit Weight Training**
This course is designed as an open laboratory concept. Workouts can be scheduled any time the lab is open on an individual basis. The equipment and routine utilized in this circuit training facility are designed with the non-athlete in mind. Circuit training has proven especially beneficial for women and men not interested in competitive weight training but desiring good muscle tone and cardiovascular fitness. This type of training gives maximum return in a controlled workout that can be accomplished in under 40 minutes. Credit/no credit only. UC credit limitations. See counselor. Transferable to CSU; UC.

**PHYSICAL EDUCATION 167 AD - 1 Unit**

**Super Circuit Training Advanced**
The super circuit physical training program provides the student a combination of strength training with an emphasis on cardio-vascular conditioning for a total body workout. The super circuit is an accelerated circuit training program. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU.

**PHYSICAL EDUCATION 168 AD - 1.5 Units**

**Exercise Science/Strength Training Lab**
This course is designed for students who want to learn to train by performing weight training. Students will train vigorously on stack and plate loaded weight lifting devices three or more times a week. Students will arrange their activity hours in the GWC Physical Fitness Center. Students will receive an exercise prescription for their training based on physical fitness assessments. Students who have medical limitations need to be evaluated prior to participation in the class. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

**PHYSICAL EDUCATION 169 AD - 1 Unit**

**Exercise Science/Individual Program**
The course is designed as an open laboratory concept. The lab is organized to allow individuals to establish their own training programs. It is suited to all levels of fitness and is not limited to any particular group. The lab will serve equally the highly trained person or the person at a low fitness level and is suited for people of all ages. Each participant will be involved at the level his/her test indicates and will not be competing against other individuals. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

**PHYSICAL EDUCATION 170 AD - 2 Units**

**Exercise Science/Individual Program**
This course is recommended for those students wishing to achieve and maintain their optimum level of fitness. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

**PHYSICAL EDUCATION 171 AD - 2 Units**

**Exercise Science/Comprehensive Fitness**
This course is designed for students who want a comprehensive physical fitness program. Students in this course will be performing vigorous exercise. The exercise will include cardiovascular conditioning, fat reduction, muscular strength and endurance, and flexibility activities. Students will arrange their activity hours in Golden West College Fitness Center. Each individual will receive an exercise prescription for their training based on their performance on a battery of physical fitness tests. This class is for healthy individuals of all ages but is not a rehabilitation program. Credit/no credit only. Transferable to CSU.

**PHYSICAL EDUCATION 172 AD - 0.2 Units**

**Strength Training (Nautilus/Strength Lab)**
The course is designed as an open lab experience. Workout times are adjusted to the individual’s schedule. This class is designed to provide instruction and supervision of individualized resistance exercise programs using ‘free’ weights and/or a combination of free weights and nautilus equipment. The lab will serve equally the highly trained or beginning lifter and is suited to all age groups. Recommended for men and women interested in muscle toning, rehabilitation, weight redistribution, body building, power lifting or athletic conditioning. Credit/no credit only. A three-week course. UC credit limitations. See counselor. Transferable to CSU; UC. See note on Physical Education 166A-D

**PHYSICAL EDUCATION 173 AD - 1 Unit**

**Introduction to Weight Training**
A course designed for men and women to help beginners learn how muscles work, proper lifting techniques, safety factors, diet, and how to develop a program to meet specific needs. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.
PHYSICAL EDUCATION 174 AD - 0.5 Units
Circuit Weight Training (Total Fitness Lab)
This course is designed as an open lab concept. Workout can be scheduled any time the lab is open on an individual basis. The equipment and routine utilized in this circuit training facility are designed with the non-athlete in mind. Circuit training has proven especially beneficial for men and women not interested in competitive weight training but desiring good muscle tone and cardiovascular fitness. This type of training gives maximum return in a controlled workout that can be accomplished in under 40 minutes. Credit/no credit only. An eight-week course. UC credit limitations. See counselor. Transferable to CSU; UC. See note on Physical Education 166A-D

PHYSICAL EDUCATION 176 AD - 1 Unit
Total Fitness for Women
A well-balanced program of physical activities designed to enhance endurance, flexibility, strength, cardiovascular efficiency and weight redistribution based on a selected exercise program, par course, circuit training, aerobic work, diet information and coordination. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 177 AD - 1.5 Units
Exercise Science/Cardiovascular
This course is designed for students who want to learn cardiovascular training. Students in this class will be performing vigorous exercise in cardiovascular training including exercises, such as; treadmill walking-jogging-running, rowing, stair climbing, elliptical training, and stationary cycling three or more times a week. Students will arrange their activity hours in the Golden West College Physical Fitness Center (PFC). Students will receive an exercise prescription for their training based on physical fitness assessments. Students who have medical limitations need to be evaluated prior to participation in the class. When this course is combined with PE 103 Exercise for Healthy Living, students will be able to integrate the psychological, sociological and physiological aspects of lifelong understanding and self-development in order to satisfy the area E of the California State University General Education Requirement. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 178 AD - 0.5 - 1.5 Units
Cardiovascular Laboratory
An open laboratory experience designed for those people who desire a cardiovascular workout using a combination of stationary bikes, treadmills, ladders, and rowing machines. This is suited for men and women of all age groups who are interested in achieving a maximal level of cardiovascular fitness. Credit/no credit only. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 180 AD - 2 Units
Strength and Muscle Power Training
This course is designed to provide students instruction and training to develop strength and muscle power. Students will design a systematic training regime using weight machines and ‘free weights’ (bar bells and dumb bells). This class is suited for healthy students of all ages and experience levels, but is not a rehabilitation program. This class is recommended for men and women interested in strength and muscle power training, athletic conditioning, power lifting and body building. Credit/no credit only. UC credit limitations. See counselor. Transferable to CSU; UC. See note on Physical Education 171

PHYSICAL EDUCATION 181 AD - 1 Unit
Muscular Strength Training
This course is designed to provide students instruction and training to develop strength and muscle tone. Students will design a systematic training regime using weight machines and ‘free weights’ (bar bells and dumb bells). This class is suited for healthy students of all ages and experience levels, but is not a rehabilitation program. This class is recommended for men and women interested in strength and muscle toning and athletic conditioning. Credit/no credit only. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 183 AD - 0.5 Units
Muscular Strength Training
This course is designed to provide students instruction and training to develop strength and muscle tone. Students will design a systematic training regime using weight machines and ‘free weights’ (bar bells and dumb bells). This class is suited for healthy students of all ages and experience levels, but is not a rehabilitation program. This class is recommended for men and women interested in strength and muscle toning and athletic conditioning. Credit/no credit only. A four-week course. UC credit limitations. See counselor. Transferable to CSU; UC. See note on Physical Education 171

PHYSICAL EDUCATION 186 AD - 0.5 - 1 Units
Activities - Basketball
Instruction and practice in the fundamental skills basic to successful performance in this activity. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 192 AD - 1 Unit
Soccer
Instruction and practice in the fundamental skills basic to successful performance in this activity. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC. May not be offered each semester.

PHYSICAL EDUCATION 194 AD - 2 Units
Physical Training for Volleyball
Physical training for athletes interested in competitive volleyball. Instruction and practice in skills and fundamentals, as well as cardiovascular conditioning. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 195 AD - 0.50-1 Units
Volleyball
Participation and instruction in all facets of the game of volleyball, from fundamental skills through advanced strategies and techniques. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC. See note on Physical Education 198A-D

PHYSICAL EDUCATION 196 AD - 0.25 - 1 Units
Sand Volleyball
Participation and instruction of all facets of sand volleyball, from fundamentals skills through strategies and techniques. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.
### PHYSICAL EDUCATION 198 AD - 1 Unit
**Volleyball**
Instruction and practice in basic to advanced skills in techniques, positions and strategies. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

**NOTE:** Volleyball courses may be taken a maximum of four semesters; therefore, Physical Education 195 and 198 may not be taken more than four semesters singularly or in combination. Courses with letter designations indicate the number of times the course may be repeated (AB = 2 and AD = 4).

### PHYSICAL EDUCATION 201 AD - 0.5 - 1.5 Units
**Sports Conditioning - Basketball**
A course in sports conditioning for basketball. Credit/no credit only. Transferable to CSU.

### PHYSICAL EDUCATION 202 AD - 0.5 - 1.5 Units
**Sports Conditioning - Baseball**
A course in sports conditioning for baseball. Credit/no credit only. Transferable to CSU.

### PHYSICAL EDUCATION 203 AD - 0.5 - 1.5 Units
**Sports Conditioning - Volleyball**
A course in sports conditioning for Volleyball. Credit/no credit only. Transferable to CSU.

### PHYSICAL EDUCATION 204 AD - 0.5 - 1.5 Units
**Sports Conditioning - Swimming**
A course in sports conditioning for swimming. Credit/no credit only. Transferable to CSU.

### PHYSICAL EDUCATION 207 AD - 0.5 - 1.5 Units
**Sports Conditioning - Cross Country**
A course in sports conditioning for cross country. Credit/no credit only. Transferable to CSU.

### PHYSICAL EDUCATION 209 AD - 0.5 - 1.5 Units
**Sports Conditioning - Softball**
A course in sports conditioning for soccer. Credit/no credit only. Transferable to CSU.

### PHYSICAL EDUCATION 280 AD - 3 Units
**Football Techniques, Advanced**
This course will help students refine football skills. Offensive and defensive fundamentals and techniques will be emphasized. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

### PHYSICAL EDUCATION 282 AD - 0.5 - 1 Units
**Basketball Physical Training, Advanced**
This is a high intensity sport specific advanced conditioning and competition oriented course designed to meet the needs of those students who wish to prepare for varsity basketball. Optional credit/no credit or grade. A one-week course. UC credit limitations. See counselor. Transferable to CSU; UC.

### PHYSICAL EDUCATION 283 AD - 0.5 - 2 Units
**Physical Training, Advanced**
A course designed to meet the needs of those students who wish to gain a high level of fitness in order to participate in some vigorous physical activity such as, but not limited to, varsity athletics. The course is set up to achieve the desired physiological results in a short time through concentrated effort. Due to the time involved and the nature of the experience, it will be offered at times not to conflict with regular semester classes. Optional credit/no credit or grade. A two-week course. Transferable to CSU; UC.

### PHYSICAL EDUCATION 285 AD - 2 Units
**Sports Conditioning - Softball**
Prerequisites: Instructor’s approval and advanced abilities to participate on the collegiate level required.
A course designed to instruct softball players in the advanced skills and knowledge of on the field techniques and strategies. Course recommended for those who wish to develop their skills to the level of a collegiate competitor. Optional credit/no credit or grade. Transferable to CSU; UC.

### PHYSICAL EDUCATION 286 AD - 2 Units
**Track, Advanced**
This course is designed to provide instruction and practice in track and field techniques, track officiating and track coaching skills. Students will be provided with the opportunity to perform in each area those skills which will qualify them for employment in coaching, officiating and recreation jobs. There will be a class project which will include the preparation, officiating and athletic participation in a decathlon meet. Optional credit/no credit or grade. Transferable to CSU; UC.

### PHYSICAL EDUCATION 287 AD - 1 - 2 Units
**Soccer Techniques, Advanced**
A course designed to meet the needs of those students who wish to gain a high level of soccer playing ability. The course will help students to refine the basic skills (technical and tactical) and use them in a competitive game situation. Optional credit/no credit or grade. Transferable to CSU; UC.

### PHYSICAL EDUCATION 288 AD - 2 Units
**Advanced Physical Conditioning for Women's Volleyball**
A course designed to instruct volleyball players in advanced skills and knowledge of on the court techniques. Course recommended only for those who wish to develop their skills to the level of a collegiate competitor. Letter grade only. Transferable to CSU.

### PHYSICAL EDUCATION 289 AD - 2 Units
**Sports Conditioning - Baseball**
A course designed to instruct baseball players in the advanced skills and knowledge of on-the-field techniques. Course recommended only for those who wish to develop their skills to the level of a collegiate competitor. Letter grade only. Transferable to CSU; UC.

### PHYSICAL EDUCATION 290 AD - 2 Units
**Sports Conditioning - Water Polo**
A course designed for intercollegiate/advanced level water polo players. Optional credit/no credit or grade. Transferable to CSU; UC.
INTERCOLLEGIATE ATHLETICS

Enrollment subject to the approval of the coach of the sport in season. Those enrolled in the following courses for credit who fail to qualify for the squad must withdraw from the course and are encouraged to enroll in a regular physical education activity. Students may apply intercollegiate athletic activities to General Education requirements for graduation.

PHYSICAL EDUCATION 240 AC - 2 Units
Baseball Team
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 242 AD - 1-2 Units
Basketball Team
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 244 AC - 2 Units
Cross Country Team - Men
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 246 AC - 2 Units
Football Team
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 248 AC - 2 Units
Golf Team
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 250 AC - 2 Units
Soccer Team - Men
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 252 AC - 2 Units
Swimming Team - Men
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 256 AC - 2 Units
Track Team - Men/Women
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 258 AC - 2 Units
Volleyball Team - Men
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 260 AC - 2 Units
Water Polo Team - Men
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 262 AC - 2 Units
Wrestling Team
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.
PHYSICAL EDUCATION 270 AD - 1-2 Units
Basketball Team - Women
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 272 AC - 2 Units
Cross Country Team - Women
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 273 AC - 2 Units
Soccer Team - Women
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 274 AC - 2 Units
Softball Team - Women
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 275 AC - 2 Units
Swimming Team - Women
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 277 AC - 2 Units
Track Team - Women
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION 278 AC - 2 Units
 Volleyball Team - Women
Corequisites: Students must be enrolled in twelve units during the semester in which they participate. For complete information concerning eligibility rules, contact the athletic director.
Optional credit/no credit or grade. Students may apply intercollegiate activities to General Education requirements for graduation. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICAL EDUCATION – PROFESSIONAL

PROFESSIONAL PHYSICAL EDUCATION 140 - 1 Unit
Defensive Football Theory
This course is designed to teach the skills, knowledge and philosophy of defensive football. Special consideration will be given to skills development of the preteen player. Recommended for those students interested in playing or coaching organized football and for the non-professional coach working outside the school environment. Letter grade only. A nine-week course. UC credit limitations. See counselor. Transferable to CSU; UC.

PROFESSIONAL PHYSICAL EDUCATION 142 - 1 Unit
Offensive Football Theory
This course is designed to teach the skills, knowledge and philosophy of offensive football. Special consideration will be given to skills development of the preteen player. Recommended for those students interested in playing or coaching organized football and for the non-professional coach working outside the school environment. Letter grade only. A nine-week course. UC credit limitations. See counselor. Transferable to CSU; UC.

PROFESSIONAL PHYSICAL EDUCATION 150 - 2 Units
Baseball Sports Theory
Designed for students entering collegiate level baseball participation or the coaching profession. Essential knowledge & skills development principles are learned. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PROFESSIONAL PHYSICAL EDUCATION 160 - 1 Unit
Athletic Training
Technique and theory in prevention and rehabilitation of athletic injuries. Includes taping techniques, use of modalities for therapy, strength and conditioning programs. Optional credit/no credit or grade. Transferable to CSU; UC.

PROFESSIONAL PHYSICAL EDUCATION 180 - 3 Units
The Physical Education Profession
An overview of the physical education profession with an emphasis on career options and employment opportunities. An exploration of career specialties in the areas of health, physical education and recreation. Optional credit/no credit or grade. Transferable to CSU; UC.

PROFESSIONAL PHYSICAL EDUCATION 200 - 2 Units
Water Safety Instruction
Advisories: Intermediate level of swimming
Advanced water skills and the opportunity to qualify for the Red Cross emergency water safety & water safety instructor certificates. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.
PROFESSIONAL PHYSICAL EDUCATION 201 - 4 Units  
Elementary School Physical Education  
This course is based on the California Teacher Credentialing Program Multiple Subject Matter Preparation Program: Physical Education Content Specification Requirement. This course is designed to prepare students to successfully plan and implement physical education programs at the K-12 level. Specific attention will be given to understanding psychomotor, cognitive, social/affective and organic development; concepts and principles related to human movement and motor learning; and concepts related to the design of movement programs that are developmentally appropriate and appropriately challenging for children. Emphasis will be placed on developing an applied understanding of both “how” and “what” to teach in elementary and middle school physical education. Letter grade only. Transferable to CSU; UC.

PHYSICAL SCIENCE  
PHYSICAL SCIENCE 100 - 4 Units  
Introduction to Physical Science  
Not recommended for science or engineering majors. A comprehensive coverage of the physical sciences, including sections or chemistry, geology, astronomy and physics. Emphasis is placed on the relationships between man and his physical environment. A background in the physical sciences is developed starting with chemistry, then enlarging to examine geologic processes, finally expanding to encompass the solar system and on to the universe. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICS  
PHYSICS 110 - 3 Units  
Conceptual Physics: Mechanics and Modern Physics  
A course designed for non-science majors which considers the everyday applications of physics. This course is a non-mathematical approach to the basic concepts of physics. Open to students with or without high school physics, but not open to those who have credit for any college physics course. It covers the subjects of motion, nuclear energy and relativity. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICS 113 - 1 Unit  
Conceptual Physics Lab  
Corequisites: Physics 112  
A laboratory course designed to supplement Physics 112. The student will conduct lab experiments which illustrate some of the phenomena discussed in Physics 112. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

PHYSICS 120 - 4 Units  
General Physics: Mechanics, Heat and Sound  
Prerequisites: Mathematics 030 and 120 or Mathematics Placement Assessment. 
A general physics course in mechanics, heat and sound. Topics studied include force, motion, energy, heat transfer, effects of heat and the nature and properties of waves. Physics 120-125 satisfies most pre-medical and most other pre-professional requirements except science and engineering. Suitable electives in some liberal arts programs. Three hours lecture and demonstration, three hours laboratory a week. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC. (PHYS 120 + 125 = CAN PHYS SEQ A)

PHYSICS 125 - 4 Units  
General Physics: Light, Magnetism, Electricity, Atomic Physics  
Prerequisites: Physics 120  
Continuation of Physics 120. A general physics course in the areas of electricity, magnetism, light and modern physics. Topics studied include electric charges and fields, DC circuits, magnetic fields, electromagnetic induction, reflection, refraction, interference of light, quantum theory, matter waves, radioactivity and nuclear reactions. Three hours lecture and demonstration, three hours laboratory a week. This course may not be offered each semester. UC credit limitations. (PHYS 120 + 125 = CAN PHYS SEQ A) Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC. (PHYS 120 + 125 = CAN PHYS SEQ A) May not be offered each semester.

PHYSICS 185 - 4 Units  
General Physics: Mechanics and Sound  
Prerequisites: Mathematics 180  
An introductory course in physics using calculus. Topics studied include vectors, motion, forces, energy, momentum, oscillators and properties of waves. Physics 185, 280 and 285 are required for students majoring in physics, chemistry or engineering. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC. (CAN PHYS 8) (PHYS 185 + 280 + 285 = CAN PHYS SEQ B)

PHYSICS 280 - 4 Units  
General Physics: Electricity and Magnetism  
Prerequisites: Mathematics 185 and Physics 185  
Topics studied include electric charge, electric fields, potential dielectrics, DC circuits, magnetic fields, magnetic forces, electromagnetic induction, electromagnetic oscillators and waves. Letter grade only. Transferable to CSU; UC. (CAN PHYS 12) (PHYS 185 + 280 + 285 = CAN PHYS SEQ B) May not be offered each semester.
PHYSICS 285 - 4 Units
**General Physics: Fluid Mechanics, Thermodynamics, Optics, Relativity, Modern Physics**
Prerequisites: Mathematics 185 and Physics 185
Topics studied include measurement of heat and temperature, effects of heat, kinetic theory of gases, thermodynamics, propagation of light, reflection, refraction, interference, diffraction, relativity, quantum theory and matter waves. Letter grade only. *Transferable to CSU; UC.* (PHYS 185 + 280 + 285 = CAN PHYS SEQ B) May not be offered each semester.

POLITICAL SCIENCE

POLITICAL SCIENCE 101 - 3 Units
**Survey of Current American Issues**
An introduction to the study of contemporary policy issues confronting American society, focusing on current events related to social and political issues. The course provides students with the tools of analysis for contemporary issues. Optional credit/no credit or grade. *Transferable to CSU; UC.*

POLITICAL SCIENCE 110 - 3 Units
**International Affairs**
Recommended for transfer students interested in international relations, political science and law. The course examines the relations of nations; specifically, the functions of power, diplomacy, organization, law and trade. United States foreign policy, relationships among varied nations; specifically: power, diplomacy, international organizations, law & trade. Students discuss problems related to the United States foreign policy. Optional credit/no credit or grade. *Transferable to CSU; UC.*

POLITICAL SCIENCE 120 - 3 Units
**United Nations - Principles**
This course is an introductory study of the United Nations and related international organizations, focusing on the role of the United Nations in world politics. It will begin by briefly reviewing past international organizations such as the Hague Conferences and the League of Nations. The course will examine the structure and functions of the U.N. principal organs such as the General Assembly, Security Council and others. It will evaluate the success and failure of theories of collective security, settlement of international disputes, as well as timely topics such as human rights issues, U.N. peacekeeping attempts and technological cooperation. When pertinent, students are encouraged to attend a Model United Nations Conference selected by the instructor. This course will be of interest to majors in political science, journalism and international law. Optional credit/no credit or grade. *Transferable to CSU.*

POLITICAL SCIENCE 120 HONORS - 3 Units
**United Nations - Principles, Honors**
Advisories: English Placement Assessment or satisfactory completion of English 010 or equivalent. Eligibility for the Honors Program (see catalog for requirements). The Golden West Honors program offers highly motivated students an enriched academic experience, challenging them with stimulating, rigorous assignments leading them to advanced levels of critical thinking. The honors section engages students in evaluating the functions, structure and problems of the United Nations, international diplomacy and related international organizations such as the World Bank and the International Monetary Fund. Honors students study principle organs of the United Nations (General Assembly, Security Council, Economic and Social Council). Students also examine major issues such as the success and failure of collective security and the settlement of international disputes, as well as timely topics such as human rights issues, U.N. peacekeeping attempts and technological cooperation. A major objective of the course will be to teach students methods of participating and negotiating in international conferences. Honors students will represent various countries or international governmental organizations (IGOs) at local and national Model United Nations (MUN) conferences. MUN is a conference of colleges and universities in which each school assumes the role of a delegation to the United Nations. It is a simulation exercise in which each student plays the role of delegate to the UN General Assembly, the Security Council, the Economic and Social Council, or specialized agencies such as the World Health Organization and the International Court of Justice. The course sharpens the focus on research, critical thinking and interpersonal communication skills. The preparation for the MUN conferences—which includes writing position papers; researching a country’s foreign, economic and social policies; and studying persuasive diplomatic speaking skills—offers a more challenging bibliography of political works than that of the regular course. This class will emphasize current politics in the United Nations and the roles of the member countries in the UN. Optional credit/no credit or grade. b *Transferable to CSU.*

POLITICAL SCIENCE 130 - 3 Units
**Law in American Society**
A general survey of American Law and its English origins intended as an introduction to the legal system and to acquaint the student with elements of law that affect legal relationships. The course revolves around the Constitution of the United States and selected Supreme Court decisions on issues of civil rights and liberties. Optional credit/no credit or grade. *Transferable to CSU; UC.*

POLITICAL SCIENCE 180 - 3 Units
**Introduction to Government (United States)**
An introduction to the principles and problems of government with particular emphasis on the American political systems at all levels. Optional credit/no credit or grade. This course satisfies the CSU requirement on the Constitution of the United States and local government. *Transferable to CSU; UC.* (CAN GOVT 2)

POLITICAL SCIENCE 180 HONORS - 3 Units
**Introduction to Government (United States) Honors**
Honors students will participate in more intensive study and analysis of the principles, structures and problems of American government at all levels. Letter grade only. This course satisfies the CSU requirement on the Constitution of the United States and local government. UC credit limitations. See counselor. *Transferable to CSU; UC.*
POLITICAL SCIENCE 185 - 3 Units
Introduction to Government (Comparative)
Recommended for transfer students interested in foreign governments and politics. A comparative study of governmental structures and popular ideologies in selected Western, Communist and Third World nations, with emphasis on Great Britain, Japan, China and selected developing nations. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

POLITICAL SCIENCE 190 - 3 Units
California State & Local Government
This course is a study of a variety of California governments, including the state government and local governments to include cities, counties, school districts and special districts. Emphasis will be placed on state government in Sacramento and local government in Orange County. There will be guest speakers from state and local governments. Optional credit/no credit or grade. Transferable to CSU.

PSYCHIATRIC TECHNOLOGY
PSYCHIATRIC TECHNOLOGY 010 - 4 Units
Assessment and Intervention 1
Prerequisites: Biology 155 and Mathematics 009 and Psychology 100 and 160
The helping process and the Roy Adaptation Model of health care practice are introduced in this course. Emphasis is on acquiring and applying basic nursing skills in preparation for the care of clients in hospital settings, as well as concepts and techniques for assessment, planning and intervention in preparation for the hospital setting. Letter grade only.

PSYCHIATRIC TECHNOLOGY 020 - 15 Units
Assessment and Intervention 2
Prerequisites: Psychiatric Technology 010
Concepts and techniques for assessing clients, planning and implementing interventions and practicing the role of the Psychiatric Technician in a variety of acute health care settings are introduced. This course is the Medical-Surgical component of the GWC Psychiatric Technology Program. The last four weeks of the course contain an introduction to the care of the client with developmental disabilities. Letter grade only.

PSYCHIATRIC TECHNOLOGY 030 - 8 Units
Assessment and Intervention 3
Prerequisites: Psychiatric Technology 020
Concepts and techniques for assessing, planning and implementing care for developmentally disabled clients. Patient education theory and application of skill will be included. The role of the Psychiatric Technician as a member of the health care team is emphasized. Letter grade only.

PSYCHIATRIC TECHNOLOGY 040 - 14 Units
Assessment and Intervention 4
Prerequisites: Psychiatric Technology 030
Assessment and interventions for clients with mental disorders or chemical dependency is emphasized. The application of the Roy Adaptation Model (RAM) of health care practice to the plan of care for the client who has mental illness in the in-patient or outpatient setting . Letter grade only.

PSYCHOLOGY
PSYCHOLOGY 100 - 3 Units
Introduction to Psychology
An introduction to the scientific study of behavior including research methodology, memory, motivation, emotion, personality, intelligence and psychobiology. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN PSY 2)

PSYCHOLOGY 100 HONORS - 3 Units
Introduction to Psychology Honors
This covers the same topics of the standard Psychology 100 course, including research methodology, psycho-biology, altered states of consciousness, memory, motivation, personality, intelligence, learning, psychotherapy, and social influences. Honors students will study selected important and controversial issues of the course in more depth. Letter grade only. Transferable to CSU; UC.

PSYCHOLOGY 110 - 3 Units
Personal and Social Adjustment
Recommended for transfer students. Of value to students interested in critical self-understanding. A consideration of the principles of adjustment and self-actualization. Contemporary theories of behavior change and growth are examined and their applications discussed. Optional credit/no credit or grade. Transferable to CSU.

PSYCHOLOGY 150 - 3 Units
Child Psychology
Recommended for parents, future parents or teachers, and for majors in education, social service, and recreation. A study of the physical, emotional, mental and social development of the child. Emphasis on relations with parents, peers and teacher. Approaches to discipline and education are considered. Optional credit/no credit or grade. Transferable to CSU; UC.

PSYCHOLOGY 158 - 3 Units
Abnormal Psychology
Prerequisites: Psychology 100
An overview of abnormal behavior as a portion of the continuum of human behavior. The course will cover the field’s historical approaches, the range of psychological disorders, as well as their biological, psychological, social consequences, and treatment. Optional credit/no credit or grade. Transferable to CSU; UC.

PSYCHOLOGY 160 - 3 Units
Human Growth and Development
The course enables the student to understand human development from conception to death. Physical, mental and psychosocial development are explored for each age group. Optional credit/no credit or grade. Transferable to CSU; UC.

PSYCHOLOGY 165 - 3 Units
Human Sexuality - Psychobiological Basis
Recommended for transfer students. This course involves an analysis of the interconnections between psychological experiences and the structure and function of the human sexual body. Topics include growth and development, reproduction and contraception, disabilities, dysfunction and therapy, as well as differing social values attached to each of these processes. Optional credit/no credit or grade. Transferable to CSU; UC.
PSYCHOLOGY 185 - 4 Units
Introduction to Experimental Psychology
Principles of the scientific method and various research designs (experimental and correlational), will be examined. Students will apply these techniques and complete an original research project. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN PSY 10) May not be offered each semester.

PSYCHOLOGY 250 - 3 Units
Psychobiology 250
(Formerly known as: Psychology 190)
Prerequisites: Psychology 100
Recommended for transfer students to develop an appreciation of the psychological, biochemical and genetic factors that affect behavior. This course will give a foundation for further studies in developmental, learning, personality and motivational psychology. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN PSY 10)

REAL ESTATE
REAL ESTATE 110 - 3 Units
Real Estate Principles
An introductory course covering a wide variety of California real estate topics, including: vesting of title, conveyances, real estate contracts, agency, encumbrances, finance, landlord-tenant relations, escrows & taxation among others. This class is required for those persons who intend to take the California Real Estate licensees exam. Letter grade only. Transferable to CSU.

REAL ESTATE 120 - 3 Units
Real Estate Legal Aspects
(Same as: Business 112)
An introduction into law dealing with the ownership and use of real estate in California. Emphasis will be placed on the problems commonly encountered in the purchase, sale, and lease of real estate, and the rights and liabilities of the parties. Letter grade only. Transferable to CSU. May not be offered each semester.

REAL ESTATE 130 - 3 Units
Real Estate Practice
Designed for the real estate salesperson. Client building and maintenance, selling procedures, advertising, closing of sales, financing, appraising, property management, commercial real estate brokering, leasing, etc. A discussion class with group problem solving. Letter grade only. Transferable to CSU. May not be offered each semester.

SIGN
SIGN 180 AB - 4 Units
Beginning American Sign Language I
This is a basic course in American sign language (ASL or Ameslan). Emphasis will be on grammar, syntax, vocabulary and expressive and receptive skills. Optional credit/no credit or grade. Transferable to CSU; UC.

SIGN 185 - 4 Units
Beginning American Sign Language II
Prerequisites: Sign 180
This is a continuation of American Sign language (ASL or Ameslan). Emphasis is on grammar, syntax, vocabulary and expressive and receptive ability. Optional credit/no credit or grade. Transferable to CSU; UC.

SIGN 280 - 4 Units
Advanced American Sign Language I
Prerequisites: Sign 185
This course provides further training in manual alphabet and sign language for purposes of communication with hearing-impaired people. It is designed to help the student increase speed with regard to accuracy, rhythm and comprehension. Optional credit/no credit or grade. Transferable to CSU; UC.

SIGN 285 - 4 Units
Advanced American Sign Language II
Prerequisites: Sign 280
This course combines American Sign Language and Interpreting concepts and methodology. It focuses on the comparisons, contrasts and special relationships between American Sign Language and Interpreting and their expressive and receptive implementation in various interpreting situations. Optional credit/no credit or grade. Transferable to CSU; UC. Offered spring semester only.

SIGN 290 AD - 0.5 Units
Fingerspelling
Current or previous enrollment in a sign or interpreting course. A skills class designed to introduce Sign Language and Interpreting students to the principles and techniques of the American (fingerspelling) Manual Alphabet. Fingerspelling is an important ingredient in conversing with deaf people. Expressive and receptive techniques will be emphasized. Credit/no credit only. Transferable to CSU. Offered fall semester only.

SOCIAL SCIENCE
SOCIAL SCIENCE 125 - 3 Units
History of China
(Same as: HISTORY 125)
A course on the political and social history of the Modern China. Emphasis will be on the influences which have shaped contemporary China, including traditional Chinese beliefs, the Communist party, and international events. China-America relations will be a consideration throughout the course. Optional credit/no credit or grade. Transferable to CSU.

SOCIAL SCIENCE 133 - 3 Units
Racial and Ethnic Relations in America
(Same as: Sociology 133)
A social profile of major American racial/ethnic groups. A special examination of the problems of minority assimilation into an otherwise open society and culture. Letter grade only. Transferable to CSU; UC.

SOCIAL SCIENCE 134 - 3 Units
Chicano Studies
(Same as: Sociology 134)
An overview of the Chicano historical experience and in social development in the United States. The course will survey the Chicano culture, customs, politics, labor conflict, immigration patterns, achievements, and contributions to the American Southwest. Optional credit/no credit or grade. Transferable to CSU; UC.
SOCIAL SCIENCE 135 - 3 Units
Vietnamese Culture
(Same as: Anthropology 135)
An analysis of major factors and elements of Vietnamese culture, past and present. The impact of American culture on Vietnamese American life and traditions. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

SOCIAL SCIENCE 136 - 3 Units
History and Culture of the Chicano American
(Same as: Anthropology 136, History 136)
A study of the Mexican-American people and the influence of U.S. institutions on Chicano life. The course will survey the history, varying philosophies, artistic and literary achievements, sociological and psychological perspectives of Chicanos. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

SOCIAL SCIENCE 180 - 3 Units
American & Asian Perspectives: Southeast Asian Cultures
(Same as: Anthropology 180)
A study of the history and cultures of Southeast Asia with particular emphasis on Indochina (Vietnam, Laos, Cambodia), and the Philippines. Patterns of Southeast Asian immigration and adaptation/adjustment to American life will also be examined. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

SOCIOLOGY 100 - 3 Units
Introduction to Sociology
Recommended for every student interested in human behavior, social interrelationships and group organization, foundations of society, culture, social differentiation and social institutions. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN SOC 2)

SOCIOLOGY 100 Honors - 3 Units
Introduction to Sociology Honors
Honors students will expand their study to include applications of theory, scientific methodology, and the analysis of social problems. These theories, methodologies and sociological problems will be examined from ethnic and cultural perspectives. In addition, students will apply and critique sociological theories at macro and micro levels to assess current social issues in national and global arenas. Students will design and conduct research encompassing literature review, data gathering, and theory application. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.

SOCIOLOGY 110 - 3 Units
Introduction to Marriage and the Family
Prerequisites: Sociology 100
An introduction to the dynamics of marriage patterns, divorce and family life, including an analysis of interpersonal attraction, mate selection, marriage, parenthood, changing male and female roles and patterns of interaction within the family. Optional credit/no credit or grade. Transferable to CSU. (CAN FCS 12)

SOCIOLOGY 112 - 3 Units
Alternative Family Lifestyles
Explores historical and contemporary alternatives to traditional forms of the family. Lectures include discussion of open marriage, cohabitation, marital contracts, common laws, conceptions of love and sexuality, homosexual unions and future family forms. Optional credit/no credit or grade. Transferable to CSU; UC.

SOCIOLOGY 133 - 3 Units
Racial and Ethnic Relations in America
(Same as: Social Science 133)
A social profile of major American racial/ethnic groups. A special examination of the problems of minority assimilation into an otherwise open society and culture. Letter grade only. Transferable to CSU; UC.

SOCIOLOGY 134 - 3 Units
Introduction to Chicano Studies
(Same as: Social Science 134)
An overview of the Chicano historical experience and of social development in the U.S. The course will survey the Chicano culture, customs, politics, labor conflict, immigration patterns, achievements and contributions to the American Southwest. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

SOCIOLOGY 135 - 3 Units
Vietnamese Culture
(Same as: Anthropology 135)
An analysis of major factors and elements of Vietnamese culture, past and present. The impact of American culture on Vietnamese American life and traditions. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

SOCIOLOGY 136 - 3 Units
History and Culture of the Chicano American
(Same as: Anthropology 136, History 136)
A study of the Mexican-American people and the influence of U.S. institutions on Chicano life. The course will survey the history, varying philosophies, artistic and literary achievements, sociological and psychological perspectives of Chicanos. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

SOCIOLOGY 180 - 3 Units
American & Asian Perspectives: Southeast Asian Cultures
(Same as: Anthropology 180)
A study of the history and cultures of Southeast Asia with particular emphasis on Indochina (Vietnam, Laos, Cambodia), and the Philippines. Patterns of Southeast Asian immigration and adaptation/adjustment to American life will also be examined. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

SPANISH
SPANISH 060 - 3 Units
Practical Spanish, Beginning
Prerequisites: Spanish 060
This course is designed to introduce the student to the fundamental skills of spoken Spanish. Students will learn correct pronunciation, basic structural patterns and necessary vocabulary in order to ask and answer questions on everyday topics such as the weather, family, telling time and counting, courtesy phrases, description of home, job, pastimes, personal characteristics and other familiar subjects. Optional credit/no credit or grade.

SPANISH 061 - 3 Units
Practical Spanish, Intermediate
Prerequisites: Spanish 060
A continuation of Spanish 060. Students will acquire a greater vocabulary, perfect pronunciation and intonation, further their knowledge of necessary structural patterns and practice conversation involving everyday topics. Students will also gain valuable insights into the culture and psychology of Spanish-speaking people. Optional credit/no credit or grade.

SPANISH 062 - 3 Units
Practical Spanish, Advanced
Prerequisites: Spanish 061
A continuation of Spanish 061. Students will acquire a more extensive vocabulary and complete the study of the grammatical concepts necessary for effective communication. Students will practice conversation involving everyday topics and will develop a greater appreciation of the life and customs of Spanish-speaking people. Optional credit/no credit or grade. May not be offered each semester.
SPANISH 068 - 3 Units  
**Spanish Health/Medical Personnel**  
A beginning course in Spanish for medical and health personnel, stressing the acquisition of technical vocabulary and the basic structural concepts for communication in a bilingual environment. Three hours lecture per week. This course may not be offered each semester. Optional credit/no credit or grade. May not be offered each semester.

SPANISH 110 - 4 Units  
**Spanish for Native Speaker**  
This course emphasizes the reading of elementary prose and drills in basic writing skills, with an introduction to the basic rules of spelling, accentuation and morphology. Instructional time will be devoted to principles of Spanish orthography, vocabulary enrichment and composition. The course will cover the history, culture, and stories of the Latin American and Chicano writers in the U.S. as well as that of the Spanish-speaking world on a regional basis. This course is not open to students who have completed Spanish 180. Four hours lecture a week. Optional credit/no credit or grade. UC credit limitations. See counselor. Transferable to CSU; UC.

SPANISH 180 - 5 Units  
**Elementary Spanish**  
Fundamentals of Spanish grammar. Reading, writing, hearing and speaking simple Spanish. Native speakers are eligible for Spanish 180 only by the permission of the instructor. Five hours lecture a week plus a minimum of one hour laboratory attendance to be arranged by the student with the instructor. Optional credit/no credit or grade. Credit limitations. See counselor. Transferable to CSU; UC. (CAN SPAN 2) (SPAN 180 + 185 = CAN SPAN SEQ A)

SPANISH 180 HONORS - 5 Units  
**Elementary Spanish, Honors**  
Honors students will study concepts in Spanish language and culture to a greater depth than is typical in this course. Continuation of Spanish 180. The emphasis of this course will be on comprehension, basic oral communication, speaking, reading intermediate material, and writing Spanish correctly. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.

SPANISH 182 AB - 2 Units  
**Elementary Spanish for Teachers**  
Prerequisites: Spanish 180  
Continuation of Spanish 180. The emphasis of this course is for teachers to practice Spanish in realistic contexts. As in Spanish 180, the focus of this course will be on comprehension, basic oral communication, speaking, reading intermediate material, and writing Spanish correctly. Letter grade only. Transferable to CSU.

SPANISH 185 - 5 Units  
**Elementary Spanish**  
Continuation of Spanish 180. The emphasis on this course is on comprehension, basic oral communication, speaking, reading intermediate material, and writing Spanish correctly. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN SPAN 4) (SPAN 180 + 185 = CAN SPAN SEQ A)

SPANISH 185 HONORS - 5 Units  
**Elementary Spanish Honors**  
Prerequisites: Spanish 180  
Honors students will study concepts in Spanish language and culture to a greater depth than is typical in this course. Continuation of Spanish 180 Honors. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.

SPANISH 199 AD - 2 - 5 Units  
**Current Topics and Issues in Spain, Latin America & U.S.A. Through Spanish**  
Develop skills in using Spanish in oral and written form. Study and discussion of topics and issues of current interest in the Hispanic culture - Spain, Latin America and the U.S.A. Units vary according to topics selected and number of meetings scheduled. Optional credit/no credit or grade. One to five lecture hours per week. Course length varies. Transferable to CSU.

SPANISH 280 - 4 Units  
**Intermediate Spanish**  
Prerequisites: Spanish 185  
This course includes further study of Spanish grammar and idioms, intensive and extensive reading in contemporary colloquial Spanish, oral exercises and written composition. The admission of native speakers to Spanish 280 will be at the discretion of the instructor. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN SPAN 8) (SPAN 280 + 285 = CAN SPAN SEQ B)

SPANISH 285 - 4 Units  
**Intermediate Spanish**  
Prerequisites: Spanish 280  
A continuation of Spanish 280, with reading of more difficult literary texts. Increasing stress on spontaneous conversation and free composition. The admission of native speakers to Spanish 285 will be at the discretion of the instructor. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN SPAN 10) (SPAN 280 + 285 = CAN SPAN SEQ B)

SPANISH 290 - 3 Units  
**Mexican Culture and Civilization**  
Prerequisites: Spanish 285  
Conducted in Spanish, this course will survey the art, culture, history and civilization of Mexico dating from the pre-Columbian period to contemporary Mexico. Optional credit/no credit or grade. Transferable to CSU; UC.

SPECIAL EDUCATION  
**SPECIAL EDUCATION 002 AD - 1 Unit**  
**Reading Lab for the Deaf - Reading**  
Prerequisites: Assessment referral and/or instructor referral. Students must be Deaf or Hard of Hearing. Independent Study course taught in the Regional Resource Center for the Deaf. A self-paced lab based on the needed areas of study in Reading. Credit/no credit only. Not transferable, not degree applicable.
SPECIAL EDUCATION 004 AD - 1 Unit
Language Arts Lab for the Deaf - Language Arts
Prerequisites: Assessment referral and/or instructor referral. Students must be Deaf or Hard of Hearing.
Independent Study course taught in the Regional Resource Center for the Deaf. A self-paced lab based on individual needs. Credit/no credit only. Not transferable, not degree applicable.

SPECIAL EDUCATION 006 AD - 1 Unit
Computer Tutor Lab for Deaf - Math
Prerequisites: Assessment referral and/or instructor referral. Students must be Deaf or Hard of Hearing.
Independent Study course taught in the Regional Resource Center for the Deaf. A self-paced lab based on needed areas of study in mathematics. This tutorial is for skill improvement and preparation for classes in the Math department. Credit/no credit only. Not transferable, not degree applicable.

SPECIAL EDUCATION 008 AD - 1 Unit
Essential Living and Working Skills Lab for the Deaf
Prerequisites: Assessment referral and/or instructor referral. Students must be Deaf or Hard of Hearing.
Independent Study course taught in the Regional Resource Center for the Deaf. A self-paced lab based on students’ present ability to live independently. Credit/no credit only. Not transferable, not degree applicable.

SPECIAL EDUCATION 105 - 3 Units
Implications of Deafness
A course about hearing impairment and its consequences. Areas of study include the physiological, audiological, educational, linguistic, psychological and social aspects of deafness. Especially designed for students in Special Education, Audiology, Speech and Hearing, Interpreting, Vocational Rehabilitation. The course is also for families and relatives of the hearing impaired. Optional credit/no credit or grade. Transferable to CSU. Offered fall semester only.

SPEECH COMMUNICATION
SPEECH COMMUNICATION 020 AB - 3 Units
Intermediate Pronunciation Skills for Non-Native Speakers of English
A basic skills course for non-native speakers of intermediate American English whose level of pronunciation skills may prohibit them from participating in and benefiting from classroom instruction. Emphasis on appropriate articulation and intonation of American English sound patterns used in communicating and clarifying oral messages in the classroom, at work, and in personal situations. Students will spend time listening to pronunciation lessons in the Foreign Language Lab and receiving feedback about specific sounds at the Intercultural Center. Optional credit/no credit or grade. Not transferable, not degree applicable.

SPEECH COMMUNICATION 025 AB - 3 Units
American Speaking and Listening, Intermediate—Conversation & Classroom Communication Skills for Second Language Students
Conversation and classroom communication skills class for second language students. This course is designed for students who need practice in developing basic oral communication skills in conversations and classroom interactions. Students will participate in intensive practice in American speaking and listening skills, such as asking questions, giving information, clarifying misunderstandings, and conversation and presentation skills. Designed for intermediate ESL students. Optional credit/no credit or grade. Not transferable, not degree applicable.

SPEECH COMMUNICATION 090 AB - 3 Units
American Speaking and Listening, Advanced—Communication Skills for Second Language Students
This course focuses on more advanced American communications skills valuable for interpersonal and academic success, such as interpersonal, intercultural and group discussion skills, classroom interactions, presentations, job interviewing, etc. Designed for non-native speakers of English who have completed Speech 020, 025, or 027 and who want to improve their communication skills prior to enrolling in transfer level speech courses. Optional credit/no credit or grade. Not transferable, not degree applicable.

SPEECH COMMUNICATION 100 - 3 Units
InterPersonal Communication
Process, analysis and theory of one-to-one speech communication. Content areas include: conversation, listening, perception, nonverbal communication, language, self-concept, self-disclosure and conflict management. During the semester, students demonstrate oral skill competencies in the Speech Center. Lab assignments will be made by the classroom instructor after the class has started. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN SPCH 8)

SPEECH COMMUNICATION 108 - 3 Units
Introduction to Communication
This introductory communication course focuses on interpersonal, task-oriented, public speaking and critical thinking communication competencies in a variety of contexts. Students will study human communication principles and theories and their relationship to competencies in interpersonal, small group, intercultural, persuasive, and public speaking communication. Emphasis is on communicating in two-person, small group and public settings. Optional credit/no credit or grade. Transferable to CSU; UC.

SPEECH COMMUNICATION 110 - 3 Units
Public Speaking
This course focuses on understanding and applying the fundamental principals of public speaking. These speech skills include identifying the purpose, selecting the topic, conducting research, organizing content and outlining the speech, choosing appropriate language, using effective visual aids, adapting to the audience and occasion, and delivering the speech in a manner that is both verbally and nonverbally effective, while also learning to evaluate the speeches of others. Students will learn to present information clearly, reasonably, and persuasively by giving individual speeches and participating in group presentations. Recommended for Speech Communication, Business and Education majors Optional credit/no credit or grade. Transferable to CSU; UC. (CAN SPCH 4)
SPEECH COMMUNICATION 110 HONORS - 3 Units
Public Speaking Honors
This course focuses on understanding and applying the fundamental principals of public speaking. These speech skills include identifying the purpose, selecting the topic, conducting research, organizing content and outlining the speech, choosing appropriate language, using effective visual aids, adapting to the audience and occasion, and delivering the speech in a manner that is both verbally and nonverbally effective, while also learning to evaluate the speeches of others. Students will learn to present information clearly, reasonably, and persuasively by giving individual speeches and participating in group presentations. Readings and assignments for this class will be more rigorous than in the standard course. Recommended for Speech Communication, Business and Education majors. Letter grade only. UC credit limitations. See counselor. Transferable to CSU; UC.

SPEECH COMMUNICATION 112 - 3 Units
Small Group Dynamics
(Formerly known as: Speech Communication 200)
Recommended for all speech majors. Emphasis on the basic principles and skills of discussion in the small group. Helpful to those who may have classes or situations requiring group projects or group study. Consideration of and practice in informative, problem-solving and study groups. Examination of the effects of group dynamics, communication variables on discussion groups. Optional credit/no credit or grade. Transferable to CSU; UC.

SPEECH COMMUNICATION 120 - 3 Units
Oral Interpretation
(Same as: Theater Arts 205)
This course is designed to help students become familiar with the fundamentals and principles of effective oral presentation of prose, drama and poetry. Optional credit/no credit or grade. Transferable to CSU; UC.

SPEECH COMMUNICATION 171 - 1.5 Units
Assertive Communication Skills
Designed for those desiring to become more self-confident and to enhance their perceptions of self worth. Techniques are designed to assist the student in determining specific situations in which unsatisfactory communication occurs and developing appropriate alternatives in order to achieve their personal assertive goals. Develops realizations of personal rights and rights of others. Practice exercises are provided that focus on various types of assertive behavior in specific situations. Optional credit/no credit or grade. An eight-week course. Transferable to CSU.

SPEECH COMMUNICATION 175 - 3 Units
Intercultural Communication
The Intercultural Communication course approaches the study of communication from an intergroup, culture-general perspective. Theories of communication (e.g., uncertainty and anxiety reduction; social penetration processes; expectancy theory) are integrated with theories of cultural difference (e.g., individualism-collectivism; dimensions of cultural variability; low/high context communication style) to explain and predict communication behavior. Communication is examined in both cross-cultural and intercultural settings, with the goal of improving intercultural interactions. Optional credit/no credit or grade. Transferable to CSU; UC.

SPEECH COMMUNICATION 190 - 3 Units
Prejudice, Discrimination and Inclusion: Communication Issues in Group Relations
This course is a survey of the theories, natures, dynamics, and problems of prejudice and discrimination as revealed through personal, interpersonal and mediated communication. Students will analyze how various forms of communication create, reveal or minimize prejudice and discrimination. Emphasis is on attitudes, communication patterns, and consequences of prejudice and discrimination in the interrelationships of race, ethnicity, gender, social class, physical ability, and sexual orientation. Models and concepts for positive change will be explored. Optional credit/no credit or grade. Transferable to CSU; UC.

SPEECH COMMUNICATION 200 AB - 3 Units
Leadership and Communication
This course provides an introduction to study and practice of leadership from a communication perspective. Particular focus will be given to the identification, understanding and practice of communication skills necessary to effective leadership. An examination of leadership concepts and theories in organizational, group and public context will be included. Students will analyze their personal leadership styles and develop leadership communication skills through team projects, classroom exercises and campus or community service. Optional credit/no credit or grade. Transferable to CSU.

SPEECH COMMUNICATION 220 - 3 Units
Essentials of Argumentation
The principles of argumentation including, reasoning, and critical thinking, as well as the analytical skills needed to construct arguments and refutation. Speech assignments to give students an opportunity to put skills into practice. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN SPCH 6) May not be offered each semester.

SPEECH COMMUNICATION 250 AB - 3 Units
Fundamentals of Organizational Communication
This course focuses on understanding and applying the fundamental principles of communication in organizations. These elements include organizational communication models, the role of ethics and diversity, basic communication skills, interviewing skills, communicating in groups and teams, conflict management, leadership, and presentation skills. Students will learn to analyze, adapt, and improve their communication strategies in organizational settings by applying and practicing the knowledge and skills acquired in this course. Optional credit/no credit or grade. Transferable to CSU.
THEATER ARTS 100 - 3 Units
Introduction to the Theater
(Same as: Humanities 132)
A course designed to introduce students to all aspects of theater. This course examines theater history, acting, directing and the technical elements of scenery, lighting, sound, costume and make-up. Lecture, demonstration, laboratory participation, and guest performers will be utilized. Students are required to see college produced plays. Optional credit/no credit or grade. Transferable to CSU; UC.

THEATER ARTS 101 - 3 Units
Introduction to History and Literature of the Theater
(Same as: Humanities 130)
This course involves the general nature of dramatic presentation including elements of dramatic structure, types of drama, and the contributions of the playwright, actor, director, designer, technician and audience. The course includes an introduction to the important eras in theater history, and a study of several well-known plays. Students are required to attend two (2) college productions. Optional credit/no credit or grade. Transferable to CSU; UC.

THEATER ARTS 102 - 3 Units
History and Appreciation of the Cinema
(Same as: Humanities 135)
This course is designed for students who want to develop an appreciation for and obtain a perspective on the cinema, including its historical, artistic, cultural and myth-making aspects. The Hollywood film will be explored, as well as its relationship to world cinema. Topics will include film genres, filmmaking techniques (e.g. what does a director do? what is editing?), film language, narrative devices, themes, film theory and criticism, film studios and the star system, relationship between film and literature, and other subjects. Optional credit/no credit or grade. Transferable to CSU; UC.

THEATER ARTS 103 - 1 Unit
Careers in Entertainment
This course prepares the actor and the technician for a career in the entertainment industry, i.e., stage, film and other entertainment venues. Included in the class are guest speakers, resume and portfolio preparation, audition and interview techniques. Optional credit/no credit or grade. An eight week course. Transferable to CSU.

THEATER ARTS 104 - 3 Units
Improvisation
The rehearsal and performance of individual and group scenes of improvisation. The goal of the course is to help students work with ease on the stage. Letter grade only. Transferable to CSU; UC.

THEATER ARTS 105 - 3 Units
Introduction to Drama and Acting
(Same as: Humanities 137)
An introductory course in drama for the non-theater major. Equal stress is given to both a broad survey of theater including history, make-up, costuming and literature and to an introduction to acting. The course will include lectures, field trips and acting exercises. Optional credit/no credit or grade. Transferable to CSU; UC.

THEATER ARTS 106 - 3 Units
Acting - Fundamentals
An introduction to acting. Units of study include interaction, characterization and emotion. Students are expected to participate in class exercises, prepare memorized scenes and critique the acting techniques employed in two dramatic productions outside of class. Required for theater arts majors. Letter grade only. Transferable to CSU; UC. (CAN DRAM 8)

THEATER ARTS 107 - 3 Units
Acting II
An intermediate course in acting with special focus on characterization, emotion, movement, vocal techniques and scene study. The basis of study will be selected dramatic scenes. Letter grade only. Transferable to CSU; UC. (CAN DRAM 22)

THEATER ARTS 108 - 3 Units
History and Appreciation of the Musical Theater
(Same as: Humanities 108, Music 108)
A course in all of the elements which make the Musical Theater one of the premier art forms of the 20th Century. The student will explore the history of the form as well as examine the roles of composer, bookwriter, lyricist, performer, and others relative to writing and mounting a production. Videos and live performances will be utilized to enhance the learners knowledge of the medium. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

THEATER ARTS 110 - 3 Units
Acting for the Camera
(Same as: Broadcast & Video Production 152)
At the end of the end of the course the student will understand specific concepts and demonstrate those concepts in performance. These concepts in performance are: acting for the camera, and a continual growth and understanding of acting theory. Also, included for the student are lectures, and guest speakers who will discuss the camera business industry for actors. The student will demonstrate critical thinking through examinations and the writing of two papers on professional acting in films. While television will be our media of format, we will also apply acting techniques top film as well. Letter grade only. Transferable to CSU; UC.

THEATER ARTS 114 - 2 Units
Stagecraft
Advisories: Concurrent enrollment in Theater Arts 170 AD
An introduction to the study of stage scenery construction and design. The course includes instruction in making scenery, rigging sets, painting scenery, reading scene design plans and light plots. The course includes lecture and practical laboratory. Student projects are required. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

THEATER ARTS 120 AD - 2 Units
Appreciation of the Theater
Designed to expose students to the full spectrum of plays in performance in Southern California. The class will travel by bus to professional productions every other week; on the week between, a follow-up discussion will be held along with an introduction to the play to be viewed next. The course will enable students to understand, appreciate and evaluate plays in performance. Optional credit/no credit or grade. Transferable to CSU.
THEATER ARTS 130 - 3 Units
Communication and Diction
(Stame as: Speech Communication 103)
This course is directed toward speech improvement in projection, phonation, voice production, resonation, articulation and related oral skills through the study of the physiology and anatomical aspects of speech. Class activities include working with The International Phoenetic Alphabet, voice and diction exercises and oral performance. The course is recommended for acting and speech majors, and other students interested in speaking effectively. Letter grade only. Transferable to CSU; UC. (CAN DRAM 6)

THEATER ARTS 131 - 3 Units
Acting in Voice Theater
Instruction in the use of voice and diction in the classroom and public performance. In the course, special emphasis will be placed on the preparation and performance of oral literature. The student is required to participate in two projects which involve presentations outside of class. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

THEATER ARTS 142 AD - 1 - 2 Units
Theater Workshop
Participation in workshop or experimental productions. Designed to enrich and extend basic theater background established in the beginning acting and technical classes. Emphasis is placed on the development of the production rather than final public performance. During their study, students will be involved in several theater crafts: acting, scenery, costuming, lighting, make-up and publicity. Optional credit/no credit or grade. An open enrollment class. Transferable to CSU; UC.

THEATER ARTS 144 AD - 4 Units
Summer Theater Workshop
The production of major plays and scenes in repertory. During the course students will be assigned in at least two of several different areas of theater acting, scenery, construction and painting, lighting, costuming, make-up and theater management. Optional credit/no credit or grade. Transferable to CSU; UC.

THEATER ARTS 145 - 2 Units
Acting Shakespeare Workshop
This course is an introduction to acting in the Shakespearean play with emphasis on script interpretation, the historical perspective, speaking verse, and physical movement. Students are required and evaluate plays from Shakespeare. Included in the course are performances of scenes and monologues. Letter grade only. An eight-week course. Transferable to CSU; UC. May not be offered each semester.

THEATER ARTS 146 AB - 2 Units
Broadway and Opera Singing
(Same as: Music 150 AB)
Prerequisites: Music 060 or 121 or 145
Advisories: Concurrent enrollment in Music 115, Music 121A-B recommended for those who do not read music.
A voice class for singers, actors and dancers with previous training. Prepares for solo and ensemble singing by improving breathing, vocal tone, range, agility, volume, diction, health, expression and self-confidence. Songs and arias from musical theatre and/or opera, memorized from printed music. One hour daily practice and attendance at an approved musical or opera production required. Pianist accompanies classes. Optional credit/no credit or grade. Transferable to CSU; UC.

THEATER ARTS 147 AD - 1 Unit
Shakespeare Projects
This course is an acting studio in the rehearsal and performance of the scenes and monologues from the plays of Shakespeare. Letter grade only. An eight-week course Transferable to CSU; UC.

THEATER ARTS 150 - 1 Unit
Acting Workshop
The preparation of monologues and scenes for class and public presentation. Stressed in the course are the fundamentals of acting skills, such as interaction, memorization, concentration, characterization and the projection of voice. Students will also study effective movement for the stage. Hours arranged for rehearsal and performance of projects. Students are required to attend two (2) college productions. Optional credit/no credit or grade. An eight-week course. Transferable to CSU; UC.

THEATER ARTS 152 AD - 1 - 2 Units
Acting Workshop, Advanced
Advanced work in the preparation & performance of scenes, monologues, & one-act plays. Optional credit/no credit or grade. Transferable to CSU; UC.

THEATER ARTS 155 - 2 Units
Introduction to Stage Direction
This course introduces the student to the directing process for the stage. Included are units of study in: the use of the stage, casting the play, blocking the action, working with actors, rhythm, and the organization of the rehearsal process. Letter grade only. Transferable to CSU; UC.

THEATER ARTS 157 AD - 1 Unit
Stagecraft Lab
Introduction to stagecraft activities including scenery construction, set painting, light rigging, stage props and theater operations. Letter grade only. An eight-week course Transferable to CSU; UC.

THEATER ARTS 170 AD - 1 Unit
Stage Crew Activity
Participation in the technical preparation and operation of productions presented to the community. The student will be involved in one or more of the following areas of concentration: stage scenery building and painting, stage lighting, make-up, costumes, publicity, house management and acting. Assignments will be given to the student upon enrollment in the course. Optional credit/no credit or grade. An open enrollment class. Transferable to CSU; UC.
THEATER ARTS 171 AD · 1 - 2 Units
Play Production
Participation in the preparation and operation of productions presented to the community. The student will be involved in one or more of the following areas of concentration: stage scenery building and painting, stage lighting, make-up, costumes, publicity, house management and acting. Assignments will be given to the student upon enrollment in the course. All actors will pass audition. Strongly recommended for theater majors. Optional credit/no credit or grade. An open enrollment class. Transferable to CSU; UC.

THEATER ARTS 175 · 3 Units
Stage Scenery
An in-depth study of all the diverse theater crafts: scenery, construction, properties, stage management and organization. A survey study of the theater design arts: scenery design, set construction and publicity. The course will include study of the historical development and major trends of stagework. The student will be expected to prepare a practical project consisting of a scene design or scale model. Required for students planning to transfer to California State University, Long Beach and Fullerton. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN DRAM 12) May not be offered each semester.

THEATER ARTS 176 · 2 Units
Stage Lighting
An introductory course in which the student will study the theories of lighting for stage, film and T.V. course. Includes basic electronics, color, projections, maintenance of lighting equipment and lighting design. Students will participate in the lighting of college productions. Recommended for students interested in television and cinema; required for students planning to transfer to California State University, Long Beach and University of California, Irvine. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN DRAM 10)

THEATER ARTS 177 · 3 Units
Make-up
A practical introduction to the techniques of applying theatrical make-up. Recommended for students of drama interested in gaining a better understanding of the proper uses of theatrical make-up. Required for students planning to transfer to California State University, Long Beach, Fullerton or Dominguez Hills. Optional credit/no credit or grade. Transferable to CSU; UC. (CAN DRAM 14)

THEATER ARTS 178 · 3 Units
Costume Crafts
An introduction to costuming for the theater, television and film. Topics included: fabrics, sewing, wardrobe observations, color coordination, script analysis and basic drawing. Class will design costumes for one Golden West College production and each student will work on the wardrobe crew on the main stage show. Required for students planning to transfer to California State University, Long Beach and Fullerton. Optional credit/no credit or grade. Transferable to CSU; UC.

THEATER ARTS 178 · 3 Units
Body Movements for the Actor
Instruction in the use of the body as an expressive instrument in performance, the use of strength, flexibility, relaxation, control and the relationship of the body to the creative project are concepts which are discussed. Letter grade only. Transferable to CSU; UC. (CAN DRAM 20) May not be offered each semester.

THEATER ARTS 205 · 3 Units
Oral Interpretation
(= Speech Communication 120) This course is designed to help students become familiar with the fundamentals and principles of effective oral presentation of prose, drama and poetry. Optional credit/no credit or grade. Transferable to CSU; UC. May not be offered each semester.

THEATER ARTS 206 · 3 Units
Acting III - Scene Study
Advanced stage techniques based on the study of selected dramatic scenes. Areas of concentration include projection, voice and diction, rhythm and styles of acting. Letter grade only. Transferable to CSU; UC. May not be offered each semester.

THEATER ARTS 207 · 3 Units
Acting IV - Classical Styles
Intermediate acting techniques with particular emphasis on acting for the theater. Units of study include: phonetics, voice projection, vocal quality, dialects, and the application of vocal techniques to dramatic literature. Required of theater arts majors. Letter grade only. Transferable to CSU; UC. May not be offered each semester.

THEATER ARTS 210 AB · 2 Units
Musical Theater Workshop
Participation in musical theater productions such as musical comedy, musical drama, operetta and opera at Golden West College. The course will include study in singing, acting, dancing, lighting, set construction, props, costume construction and makeup. Optional credit/no credit or grade. An open enrollment class. Transferable to CSU; UC.

TUTORING SKILLS

TUTORING SKILLS 020 · 0.5 Units
Tutoring Practicum
This course will provide the tutor with supervised practice in conducting individualized and small-group tutoring sessions with Golden West College students. Enrollment usually open through the end of twelfth week of the semester in the Tutoring Center. Credit/no credit only.

TUTORING SKILLS 107 · 1 Unit
Introduction to Tutoring
Introduces tutors to various aspects of their new roles and their relationships with students. Emphasis is on the first tutoring session. Guidelines are provided for making an initial assessment of the tutee’s learning needs. Credit/no credit only. Transferable to CSU.

TUTORING SKILLS 111 · 0.5 Units
The Tutoring Process
This course will provide the tutors with methods to use in helping students practice, reinforce and review the material they are learning. The tutors will also generate new study aids relevant to the subjects they are tutoring for use during their tutoring sessions. Credit/no credit only. Individualized class equivalent to nine hours. Transferable to CSU.
VIETNAMESE

VIETNAMESE 060 - 3 Units
Practical Vietnamese, Beginning
This course is designed to introduce the student to the fundamental skills of spoken Vietnamese. Students will learn correct pronunciation, basic structural patterns and necessary vocabulary in order to carry on simple conversations. Optional credit/no credit or grade.

VIETNAMESE 180 - 5 Units
Elementary Vietnamese
This course is designed to introduce the student to the fundamental skills of spoken and written Vietnamese. Students will learn correct pronunciation, basic structural patterns, and necessary vocabulary in order to write and understand basic sentences and carry on simple conversations. Optional credit/no credit or grade. Transferable to CSU; UC.

VIETNAMESE 185 - 5 Units
Elementary Vietnamese
Prerequisites: Vietnamese 180
This course is designed to introduce the student to the fundamental skills of spoken and written Vietnamese. Students will learn correct pronunciation, basic structural patterns, and necessary vocabulary in order to write and understand basic sentences and carry on simple conversations. Short and basic texts regarding aspects of Vietnamese culture to be discussed. Optional credit/no credit or grade. Transferable to CSU; UC.

VIETNAMESE 280 - 4 Units
Intermediate Vietnamese
Prerequisites: Vietnamese 185
A Vietnamese language course designed for students with essential basic skills in Vietnamese. These basic skills will be reviewed. The course will provide for further development of vocabulary, introduce idiomatic expressions and practice writing paragraphs in standard Vietnamese. Cultural reading will include Vietnamese history, literature and current affairs. Optional credit/no credit or grade. Transferable to CSU; UC.

VIETNAMESE 285 - 4 Units
Intermediate Vietnamese
Prerequisites: Vietnamese 280
A course in Vietnamese language with initial intermediate skills of the language. Writing of short compositions and further study of idiomatic terms. Further reading of Vietnamese literature, history and general aspects of culture. Optional credit/no credit or grade. Transferable to CSU; UC.

VIETNAMESE 290 - 3 Units
Vietnamese Culture/Civilization
Prerequisites: Vietnamese 285
In addition to further study of the Vietnamese language, this course will survey the art, culture, history and civilization of Vietnam from prehistory to post 1975 Vietnam. This course is conducted in Vietnamese. Optional credit/no credit or grade. Transferable to CSU.
STUDENT CODE OF CONDUCT

Students enrolled at Golden West College assume an obligation to conduct themselves in accordance with the laws of the State of California, the California Education Code, and the policies and procedures of the Coast Community College District. The Code of Conduct has been established by the Coast Community College District Board of Trustees to provide notice to students of the type of conduct that is expected of each student. Being under the influence of drugs and/or alcohol or the existence of other mental impairment does not diminish or excuse a violation of the Code of Conduct.

A Golden West College student found to have violated any of the following regulations that are District or campus related will be subject to the maximum sanction of expulsion.

- Aiding, abetting or inciting. (3.1)
- False report of emergency. (3.2)
- Any action which results in serious injury or death. (3.3, 3.10)
- Infliction of mental harm upon any member of the District community. (3.4)
- Possession of weapons. (3.5)
- Rape/sexual assault. (3.6)
- Sale of Alcohol or Narcotics. (3.7, 3.8)
- Repeat Suspension. (3.9)

A Golden West College student found to have violated any of the following regulations which are District or campus related may be expelled, placed on probation, or given a lesser sanction.

- Abusive behavior. (4.1)
- Assault/battery. (4.3)
- Cheating/plagiarism. (4.4)
- Continued misconduct. (4.6)
- Damaging or stealing library materials. (4.22)
- Destruction of property. (4.7)
- Discrimination. (4.8)
- Disruption of the educational process. (4.9)
- Disruptive behavior. (4.10)
- Disturbing the peace. (4.11)
- Failure to appear before a district official when directed to do so. (4.12)
- Failure to comply or identify. (4.13)
- Failure to obtain permits before participation in an organized protest. (4.14)
- Failure to repay debt or return district property. (4.15)
- Fighting. (4.16)
- Forgery. (4.17)
- Gambling. (4.18)
- Harassment. (4.19)
- Hateful behavior. (4.20)
- Lewd Conduct. (4.21)
- Misrepresentation. (4.23)
- Misuse of college identification. (4.24)
- Possession of alcohol or narcotics. (4.25, 4.26)
- Sexual harassment or the threat of sexual assault. (4.27, 4.30)
- Smoking where prohibited. (4.28)
- Theft. (4.29)
- Unauthorized entry or trespass. (4.31)
- Unauthorized possession of property. (4.32)
- Unauthorized tape recording or use of electronic devices. (4.33, 4.36)
- Unauthorized use of alcoholic beverages. (4.34)
- Unauthorized use of District keys. (4.35)
- Unauthorized use of property or services. (4.37)
- Unreasonable demands. (4.38)
- Violation of District computer usage policy, computer theft, or other computer crime. (4.5)
- Violation of driving regulations. (4.39)
- Violation of health and safety regulations. (4.40)
- Violation of local, state, or federal law, or violation of posted District rules. (4.41, 4.42)

Copies of the Coast Community College District Student Code of Conduct and Disciplinary Procedures which includes complete definitions of the above violations are available the Office of the Vice President of Student Services.

ACADEMIC HONESTY POLICY

Golden West College has the responsibility to ensure that grades assigned are indicative of the knowledge and skill level of each student. Acts of academic dishonesty make it impossible to fulfill this responsibility, and they weaken our society. Faculty, students, administrators, and classified staff share responsibility for ensuring academic honesty in our college community and will make a concerted effort to fulfill the following responsibilities.

Faculty Responsibilities

Faculty have a responsibility to ensure that academic honesty is maintained in their classroom. In the absence of academic honesty it is impossible to assign accurate grades and to ensure that honest students are not at a competitive disadvantage. Faculty members are expected to:

1. Explain the meaning of academic honesty to their students.
2. Conduct their classes in a way that makes cheating, plagiarism and other dishonest conduct nearly impossible.
3. Confront students suspected of academic dishonesty and take appropriate disciplinary action in a timely manner (see “Procedures for Dealing with Academic Dishonesty” which follow).

Student Responsibilities

Students share the responsibility for maintaining academic honesty. Students are expected to:

1. Refrain from acts of academic dishonesty.
2. Refuse to aid or abet any form of academic dishonesty.
3. Notify instructors and/or appropriate administrators about observed incidents of academic dishonesty.

Administration Responsibilities

1. Disseminate the academic honesty policy and the philosophical principles upon which it is based to faculty, students, and staff.
2. Provide facilities, class enrollments, and/or support personnel which make it practical for faculty and students to make cheating, plagiarism and other dishonest conduct nearly impossible.
3. Support faculty and students in their efforts to maintain academic honesty.

Classified Staff Responsibilities

1. Support faculty, students, and administration in their efforts to make cheating, plagiarism and other dishonest conduct nearly impossible.
2. Notify instructors and/or appropriate administrators about observed incidents of academic dishonesty.

EXAMPLES OF VIOLATIONS OF ACADEMIC HONESTY
Academic dishonesty includes, but is not limited to, the following:

Cheating
1. Obtaining information from another student during an examination.
2. Communicating information to another student during an examination.
3. Knowingly allowing another student to copy one’s work.
4. Offering another person’s work as one’s own.
5. Taking an examination for another student or having someone take an examination for oneself.
6. Sharing answers for a take-home examination unless specifically authorized by the instructor.
7. Using unauthorized material during an examination.
8. Altering a graded examination or assignment and returning it for additional credit.
9. Having another person or a company do the research and/or writing of an assigned paper or report.
10. Misreporting or altering the data in laboratory or research projects.

Plagiarism
Plagiarism is to present as one’s own the ideas, words, or creative product of another. Credit must be given to the source for direct quotations, paraphrases, ideas, and facts which are not common knowledge.

Other Dishonest Conduct
1. Stealing or attempting to steal an examination or answer key.
2. Stealing or attempting to change official academic records.
3. Forging or altering grade change cards.
4. Submitting all or part of the same work for credit in more than one course without consulting all instructors involved.
5. Intentionally impairing the performance of other students and/or a faculty member, for example, by adulterating laboratory samples or reagents, by altering musical or athletic equipment, or by creating a distraction meant to impair performance.
6. Forging or altering attendance records.

Collusion
Collusion occurs when any student knowingly or intentionally helps another student perform an act of academic dishonesty. Collusion in an act of academic dishonesty will be disciplined in the same manner as the act itself.

PROCEDURES FOR DEALING WITH VIOLATIONS OF ACADEMIC HONESTY

Action by the Instructor
1. An instructor who has evidence that an act of academic dishonesty has occurred shall, after speaking with the student, take one or more of the following disciplinary actions:
   a. Issue an oral reprimand (for example, in cases where there is reasonable doubt that the student knew that the action violated the standards of academic honesty).
   b. Give the student an “F” grade, zero points, or a reduced number of points on all or part of a particular paper, project, or examination (for example, for a first time occurrence of a relatively minor nature).
   c. Assign an “F” for the course (for example, in cases where the dishonesty is more serious, premeditated, or a repeat offense).
2. For any incident of academic dishonesty which is sufficiently serious for the instructor to take disciplinary action which can lower the student’s grade (for example, an “F” given for all or part of an assignment), the instructor shall report the incident to the Vice President of Student Services on an “Academic Dishonesty Report” form.

NOTE: A grade of “F” assigned to a student for academic dishonesty is final and shall be placed on the transcript. If the student withdraws from the course, a “W” will not replace an “F” assigned for academic dishonesty. Academic disciplinary actions taken by the instructor based on alleged cheating may be appealed as specified in the College’s Instructional Grievance Policy.

Action by the Administration
Upon receipt of the first “Academic Dishonesty Report” form concerning a student, the Vice President of Student Services shall send a letter of reprimand to the student which will inform the student that:

• He/she will be on academic disciplinary probation for the remainder of his/her career at Golden West College.
• Another incident of academic dishonesty reported by any instructor shall result in a one year suspension from the College.

Upon receipt of a second reported incident of cheating by the student, the Vice President of Student Services shall suspend the student for one calendar year (two full semesters and one summer session).

For more serious incidents of academic dishonesty the student shall be suspended from the College on the first offense for one calendar year. Offenses warranting suspension on the first offense include, but are not limited to, the following:

• Taking an examination for another student or having someone take an examination for oneself.
• Altering a graded examination or assignment and returning it for additional credit.
• Having another person or a company do the research and/or writing of an assigned paper or report.
• Stealing or attempting to steal an examination or answer key.
• Altering a graded examination or assignment and returning it for additional credit.
• Another incident of academic dishonesty reported by any instructor shall result in a one year suspension from the College.

If, after a student returns from a suspension for Academic Dishonesty, the Vice President of Student Services receives yet another “Academic Dishonesty Report” form, he/she shall recommend to the Coast Community College District Board of Trustees that the student be expelled from the District.

NOTE: Disciplinary actions taken by the Vice President of Student Services based on alleged cheating may be appealed as specified in the College’s Disciplinary Grievance Policy.

Portions adapted from the academic honesty policies of University of California Irvine, Cypress College, and California State University Long Beach as published in their catalogs.

PROBATION POLICY
A student shall be placed on probation whenever he or she meets one of the two conditions listed below:

1. Academic Probation
   Has attempted at least 12 semester units at Golden West College and
   a. has a grade point average of less than 2.0 in the most recent semester completed, or
   b. has a cumulative grade point average of less than 2.0 in all units attempted.
2. **Progress Probation**

   Has attempted at least 12 semester units at Golden West College and the percentage of units in which the student has been enrolled for which entries of “W”, “I” and “NC” are recorded reaches or exceeds 50 percent.

A student on probation at Golden West College, Orange Coast College or Coastline College shall be on probation at any District college. All probationary students shall be notified of their status and counseling services will be made available.

Title 5, Sections 55754, 55755

**ACADEMIC DISQUALIFICATION POLICY**

A student at Golden West College who is on academic or progress probation shall be disqualified whenever he or she meets one of the two conditions listed below:

1. **Academic Disqualification**

   Any student on academic probation for two consecutive semesters shall be academically disqualified. However, any student on academic probation whose most recent semester grade point average equals or exceeds 2.0, or whose cumulative grade point average equals or exceeds 2.0, shall not be disqualified but shall be continued on academic probation.

2. **Progress Disqualification**

   Any student who is on progress probation for two consecutive semesters shall be disqualified for lack of satisfactory progress. However, any student on progress probation whose most recent semester work indicates fewer than 50 percent units of “W”, “I” and “NC” shall not be disqualified but shall be continued on lack of progress probation.

   **Note:** Based upon recent changes as established and approved by the college, students who have been disqualified two or more semesters must sit out the next regular semester. There is no appeal. Prior to readmission, the student must meet with a counselor to develop an educational contract.

Any student disqualified from a college within the Coast Community College District may be dismissed for a minimum of one semester. A student dismissed from one District college shall not attend another District college during the semester of disqualification.

Title 5, Section 55756

**ACADEMIC RENEWAL POLICY AND PROCEDURE**

This Academic Renewal Policy for Golden West College is issued pursuant to Section 55764 and 55765 of the California Administrative Code (Title 5) regulations. The purpose of this policy is to disregard past substandard academic performance of a student when such work is not reflective of their current demonstrated ability. It is based on the recognition that due to unusual circumstances, or circumstances beyond the control of a student, the past substandard work will negatively affect their academic standing and unnecessarily prolong the rate at which he/she may complete his/her current objectives.

Therefore, under the circumstances outlined below, Golden West College may disregard all considerations associated with requirements for the Certificate of Achievement/Associate in Arts Degree and general education certification up to a maximum of thirty (30) semester units of course work from two semesters taken at any college. These circumstances are:

1. The student has requested the action formally and has presented evidence that work completed in the term(s) under consideration is substandard (less than a 2.0 grade point average) and not representative of present scholastic ability as verified by the current level of performance. Verification must consist of:
   
   a. Completion of a minimum of 12 semester units of course work at any regionally accredited college or university with a minimum cumulative grade point average of at least 2.0 subsequent to the course work to be disregarded.

   b. At least 12 months has elapsed since completion of the most recent course work to be disregarded.

2. Agreement that all units taken during the semester(s) to be disregarded, except those courses required as a prerequisite or to satisfy a requirement, in the student’s “redirected” educational objective.

3. An understanding that the student’s permanent academic record shall be annotated so that it is readily evident to all users of the records that units disregarded, even if satisfactory, may not apply to certificate, degree or general education certification requirements.

4. Agreement that all course work remain legible on the student’s permanent record ensuring a true and complete academic history.

If another accredited college has acted to remove previous course work from Certificate of Achievement, Associate in Arts or Bachelor Degree consideration, such action shall be honored in terms of that institution’s policy. Units disregarded by another institution shall be deducted from the thirty semester units maximum of course work eligible for alleviation at Golden West College.

Students requesting removal of previous course work for certificate or degree consideration shall file a petition at the Admissions and Records Office. The petition shall outline the semesters of course work to be disregarded and shall include evidence verifying (1) that work completed during this period is substandard, and (2) the expiration of at least two years since the end of the last term to be excluded. All official transcripts must be on file at Golden West College.

The Administrative Dean of Student Support Services or his/her designee shall act to approve the petition and make the proper annotation on the student’s permanent record upon verification of the conditions set forth herein.

**STUDENT GRIEVANCE PROCEDURES**

A grievance may rise out of a decision reached or an action taken by a member of the faculty, staff, or administration of Golden West College. A grievable action is an action that is alleged to be in violation of federal or state law, a violation of an applicable district/campus policy or procedure, or that constitutes arbitrary, capricious, or unequal application of written policies or procedures. The purpose of the student grievance procedure is to provide an impartial review process and to ensure that the rights of students are properly recognized and protected. Note: Sexual harassment complaints are handled under a separate grievance process.

Students wishing to express concerns or explore the college’s grievance procedure may seek assistance from one of the following offices:

1. Vice President of Student Services or Vice President of Instruction
2. Student Activities Director
3. Student Advocate
4. College Grievance Officer
5. Director of Disabled Student Services

These resource persons are made available to explain college grievance procedures to students and to make the appropriate forms available.

**Definition of Terminology**

**Student** - A person enrolled in any course, lecture series or workshop offered under the auspices of the college, or it may also be a person formerly enrolled who is in the process of pursuing a grievance.

**College Employee** - That administrator, manager, faculty, or classified employee of the college, against whom a complaint has been lodged.

**Grievance** - A grievance means a complaint written on the Student Grievance Form,
filed by one or more students, which alleges a grievable action.

Grievant - The student who alleges that he or she has been treated unfairly.

Working Day - A working day is any day during a regular semester in which the college is open for business excluding weekends and holidays.

Supervisor - That person charged with the responsibility and authority for job assignment and evaluation of the college employee.

Student Advocate - The elected officer of the Associated Students of Golden West College who has the responsibility to advise, if requested, a student who alleges he or she has been treated unfairly.

Division Dean - The instructional administrator responsible for the discipline in which a specific course is offered.

Statute of Limitations - Grievances will be permitted only through the end of the sixth working day of the semester following the semester or summer session in which the alleged incident occurred.

Campus Advisor - A current student or employee of the Coast Community College District who accompanies one of the parties in the grievance process and provides advice to that party at the hearing before the Grievance Hearing Committee.

Stage One –

Informal Problem Resolution
When a student has a complaint about an employee, the student should make every effort to meet with the employee to resolve the complaint. If the student is unwilling to meet alone with the employee, the student is encouraged to use the services of the Student Advocate or a campus advisor for this meeting, or at any point during the informal resolution level or the formal grievance stage of the process. If a satisfactory resolution is not achieved with the employee, the student must proceed to the immediate supervisor of the college employee against whom the complaint is being lodged in an effort to resolve the issue. If the complaint is against a faculty member, the immediate supervisor will be the Division Dean. The student should confirm with either the Vice President of Student Services or the Vice President of Instruction or the College Grievance Officer as to the appropriate supervisor; or if the violation relates to a college policy or procedure, how to proceed further. Disability related complaints should be directed to the Office of Disabled Student Services.

The supervisor will discuss the issue with the student and the college employee involved, either individually or collectively, in an effort to resolve the issue.

NOTE: By law, the instructor is solely responsible for the grades he/she assigns. No instructor may be directed to change a grade except in certain narrow circumstances authorized by Education Code Section 76224(a), “When grades are given for any course of instruction taught in a community college, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student’s grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetency, shall be final.”

If the complaint cannot be mutually resolved at the informal problem resolution level, then the student may file a written grievance by completing the Student Grievance Form and filing it with the College Grievance Officer within the statute of limitations.

Stage Two -

Administrative Review of the Complaint
Upon receipt of the written and signed Student Grievance Form, the College Grievance Officer shall promptly forward a copy to the person against whom the complaint has been lodged and the person’s supervisor. Upon receipt of the complaint, the College Grievance Officer will make an inquiry into the merits of the complaint for the purpose of screening out spurious and unfounded allegations. Reasonable attempts will be made to contact the parties concerned, either individually or collectively, in order to resolve the issue. In the event the complaint is against the College Grievance Officer, or in the instance where the Grievance Officer has been the supervisor in stage one, the grievance will be handled by either the Vice President of Student Services or Vice President of Instruction.

Within twenty (20) working days, the College Grievance Officer shall make a good faith effort to return a written decision to the student who filed the grievance indicating the resolution with any recommended action. Copies of this decision shall be given to the college employee against whom the complaint has been lodged and the supervisor of that employee.

The College Grievance Officer may determine any one of the following actions:
1. That no future action is necessary nor will the complaint prejudice in any way the individual’s employment status as a member of the college staff.
2. A recommendation that there be some type of action or remediation. In such a case, the written recommendation will be forwarded to the person deemed appropriate for the consideration and/or implementation of the recommendation.

Stage Three -

Request for Review by a Grievance Hearing Committee
If the grievant is dissatisfied with the decision of the College Grievance Officer, he/she may, within five (5) working days of the receipt of the decision, file a written request to either the Vice President of Student Services or the Vice President of Instruction to have a review by a Hearing Committee.

Grievance Hearing Committee Composition
The Hearing Committee shall be composed of one (1) faculty member, one (1) classified employee, one (1) student, and one (1) manager who will serve as the chairperson.

If the grievance is against an instructor, the Hearing Committee will be augmented by one (1) additional faculty member. If the grievance is against a classified employee, one (1) additional classified member will be added. The selection process for the Grievance Hearing Committee is as follows:
1. The manager will be chosen from those employees employed as managers in the College at the time of the hearing.
2. The faculty member(s) will be chosen from a list of at least ten (10) faculty selected each year by the Academic Senate.
3. The classified staff member(s) will be chosen from a list of at least ten (10) classified employees recommended each year by the Classified Connection to the United Federation of Classified Employees (U.F.C.E.).
4. The student will be chosen from a list of no fewer than twenty (20) student names submitted each semester by the President of the Associated Students of Golden West College.
5. The panel shall be selected by either the Vice President of Student Services or the Vice President of Instruction. Either the Vice President of Student Services or the Vice President of Instruction shall provide the names of the Grievance Hearing Committee members to the student and to the employee against whom the grievance is lodged five (5) working days prior to the scheduled hearing date.
6. The panel shall not include any person who was a participant in any events leading to the grievance, nor shall it include any person who has had a past association with the grievant, or any other party to the hearing which could impede the individual’s ability to act in a fair and impartial manner.
7. The student or the employee against whom the grievance is lodged shall have the opportunity to challenge any member of the committee on the basis that the member was a participant in the events from which the grievance arose; or, the member has had a past association with the grievant or any other party to the hearing which could impede that member’s ability to act in a fair and impartial manner. The challenge must be submitted in writing to either the Vice President of Student Services or the Vice President of Instruction at least three (3) days prior to the scheduled hearing date. The written challenge must include the specific reasons...
for the challenge. If the Vice President upholds the challenge, he/she will replace the challenged member(s) with any available person(s) of the same category (manager, faculty, classified staff, student).

Grievance Hearing Committee Process

The Grievance Hearing will be scheduled within fifteen (15) working days of the request for review. The process for the hearing shall be as follows:

1. All members of the Hearing Committee must be present to hear testimony and to consider recommendations.
2. All members of the Hearing Committee will sign a Statement of Confidentiality to ensure that the information heard, the evidence reviewed, and the recommendations made will remain confidential. The statement will include a declaration that the member will act in a fair and impartial manner.
3. All information in the possession of the College Grievance Officer that concerns the formal grievance shall be provided to the Hearing Committee by the Grievance Officer.
4. The Hearing Committee shall discuss issues, hear testimony, examine witnesses and consider all relevant evidence pertaining to the grievance.
5. Arguments about legal validity or constitutionality of the college policies or procedures will not be entertained by the Hearing Committee.
6. Attendance at the hearing shall be limited to the Hearing Committee, the College Grievance Officer, and the active parties in the grievance. The grievant and the employee involved have the right to question witnesses. Both parties have the right to have a campus advisor present during the hearing. The campus advisor may not address the Hearing Committee, examine witnesses, or in any other way participate in the hearing. Witnesses will be present only while testifying.
7. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence, as judged by the Hearing Committee, shall be admitted if it is the sort of evidence on which reasonable persons are accustomed to relying in the conduct of serious affairs.
8. The Hearing Committee shall judge the relevance and weight of testimony and evidence and make its findings of fact. No evidence other than that received at the hearing shall be considered by the Hearing Committee.
9. Following presentation of evidence, the Hearing Committee shall privately consider the evidence and prepare a written report of its recommendation and deliver the same to either the Vice President of Student Services or the Vice President of Instruction. The report, which shall be submitted to the Vice President within five (5) working days of the date of the hearing, shall include the following:
   a. A summary of the facts as found by the Grievance Hearing Committee.
   b. A recommendation that the decision of the College Grievance Officer should be upheld, or
   c. A recommendation that the decision of the College Grievance Officer should be amended and the amendments specified, or
   d. No further action is necessary. The issue has been resolved or found to be unsubstantiated.
10. A tape recording made of the proceedings shall be submitted by the Hearing Committee and kept in a confidential file by either the Vice President of Student Services or the Vice President of Instruction and shall be maintained for at least one year after which time it will be erased. Upon request, either party in the grievance may listen to all or portions of the tape.

Final Action

The Vice President shall review the report of the Hearing Committee and may clarify it with one or more members of the committee. The Vice President may uphold, reverse, or modify the recommendations of the Hearing Committee. The decision of the Vice President and a copy of the Hearing Committee report will be delivered to the grievant, the employee against whom the grievance was filed, and the College Grievance Officer. This ends the student grievance process.
employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Golden West College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

Students directory information is released only upon approval of the Administrative Dean of Student Support Services. Students may request in writing to the Administrative Dean of Student Support Services or his/her designee, that directory information not be released.

Directory information includes one or more of the following: student’s name, birthdate, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, number of units of enrollment, and degrees and awards received.

Golden West College maintains in the Admissions and Records Office the following student record information:

1. Demographic data supplied to the college by the student through the enrollment process.
2. Transcripts of high school work if supplied by the student.
3. Transcripts of college work.
4. Placement test data.
5. Semester class enrollment data.

Additional information maintained in other offices on some students may include:

6. Financial Aid and EOP application information on students who have applied for either program.
7. Work Experience records on students who have taken work experience courses within the past three years.
8. An application file on students who have applied to the Health Professions programs within the year.
9. Instructor evaluations for students enrolled in Health Professions programs.
10. Instructor evaluations for students enrolled in Criminal Justice Academy courses.
11. Records maintained of students who have been disciplined.
12. Medical records on students who have filed a medical inventory form or who have made use of the health services.

Students may review the information contained in items 1-11. For items 1-5, a letter requesting review should be directed to the Admissions and Records Office. Requests for review of information contained in item 6 may be made to the Dean of Special Student Services and information in item 7 may be reviewed by arrangement with the office of Work Experience. Inquiries regarding information contained in items 8, 9, and 10 are to be directed to the Administrative Dean of Student Support Services, the Dean of Health Professions Programs, and the Dean of the Criminal Justice Program, respectively. All requests for review will be honored within 15 days. Medical records are not available to the student. However, the student may request review of the records by his/her physician or appropriate professional of his/her choice. Students may challenge the contents of any records by notifying the administrator associated with the records in question. If the issue is not resolved at the level, the student may use the student grievance procedure.

**ACADEMIC REPORTS TO HIGH SCHOOL**

Golden West College sends academic reports of former high school students who graduated in the last five years to high schools within the Coast Community College District. The purpose is to assist the high schools in academic research. The reports include the I.D. number, classes, grades, grade point average, and major. Any student who prefers to have his/her name deleted from such reports should contact the secretary to the Administrative Dean of Student Support Services.

**ALCOHOL, DRUG ABUSE INFORMATION AND UNAUTHORIZED WEAPONS**

**Statement of Philosophy and Purpose**

It is the intention of the Coast Community College District to provide a drug-free environment that maximizes academic achievement and personal growth. The District recognizes that alcohol and other drug use or abuse pose a significant threat to the health, safety and well-being of the user and the people around them. Substance abuse also interferes with academic, co-curricular, and extra-curricular interests and can lead to health, personal, social, economic and legal problems.

**Information**

GWC offers several classes which offer education on alcohol and drug abuse:

- Health Ed 100 - Health Education
- Psychology 100 - Introductory Psychology
- Psychology 160 - Human Growth & Dev.
- Health Ed 107 - Drugs, Health and Society
- Psychology 250 - Psychobiology
- College 100 - Student Success
- P.E. 103 - Exercise-Healthy Living

**Drug and Alcohol Counseling Resources**

GWC’s Student Health Services offers professional counseling for students by appointment. Call (714) 895-8379.

The County of Orange Health Care Agency, Drug and Alcohol Services, offers therapy and counseling. The office for this area is 14140 Beach Blvd., Suite 200, Westminster, CA 92683, (714) 896-7574.

Call Alcoholics Anonymous at (714) 556-4555 or www.oc-aa.org for meeting times and site information.

The Student Health Center also provides information and referrals to other community resources and support groups.

**State Laws and College Policy**

State laws and the College Code of Conduct specifically prohibit the use and possession, distribution or sale of drugs or alcohol on college property or any college-sponsored activity or event. These rules describe the penalties and disciplinary actions when violations occur. Information on laws and the Code of Conduct are available at Student Health Services.

The Coast Community College District policy prohibits all use of alcohol and illicit drugs on District property, or in District vehicles regardless of location. Furthermore, the use of all tobacco products is prohibited in all District buildings and vehicles.
Unauthorized Weapons

Unless otherwise authorized by the President of the college, or California law, students will be immediately expelled from the District for an indefinite period, and be subject to criminal prosecution for bringing or possessing on or within any property or building owned or controlled by the District, any firearms, knives, dirks, daggers, brass knuckles, slingshots, air rifles, or any other type of weapon capable of inflicting grievous bodily harm.

PARKING

Golden West College maintains a Public Safety Department with personnel available 24 hours a day. A person may report any criminal action or emergency at any time – day or night – by calling (714) 895-8924 or for emergencies (714) 895-8999, or by coming in person to the Public Safety Office located at the west end of the campus at the entrance of the Golden West Street parking lot, 8:00 a.m. to 7:00 p.m. Monday through Thursday and 8:00 a.m. to 5:00 p.m. Friday.

PARKING REGULATIONS AND PENALTIES (BAIL)

<table>
<thead>
<tr>
<th>Article IV</th>
<th>Regulation</th>
<th>Bail</th>
</tr>
</thead>
<tbody>
<tr>
<td>401</td>
<td>No parking is allowed in any area that does not clearly have marked stalls.</td>
<td>$17.00</td>
</tr>
<tr>
<td>402</td>
<td>Vehicles parking within a stall shall not overlap the lines that designate the stall.</td>
<td>$17.00</td>
</tr>
<tr>
<td>403</td>
<td>No persons shall park or leave standing on the campus interior a vehicle on any roadway, landscaped area, driveway, road or field without prior approval from the Public Safety Department.</td>
<td>$17.00</td>
</tr>
<tr>
<td>404</td>
<td>Bicycles must be parked in designated bicycle parking areas.</td>
<td>$17.00</td>
</tr>
<tr>
<td>405</td>
<td>No vehicle shall be backed into diagonal parking stalls.</td>
<td>$27.00</td>
</tr>
<tr>
<td>406</td>
<td>No person shall park or leave standing a motor vehicle blocking traffic lanes on any campus roadway or parking lot.</td>
<td>$27.00</td>
</tr>
<tr>
<td>407</td>
<td>No person shall park or leave standing any vehicle in any area where the curb is painted RED and/or is marked “No Parking”.</td>
<td>$27.00</td>
</tr>
<tr>
<td>408</td>
<td>When signs or markings prohibiting and/or limiting parking are erected or placed upon any street, road, or area, no person shall park or leave standing any vehicle upon such street, road, or area in violation of any such sign or marking.</td>
<td>$27.00</td>
</tr>
<tr>
<td>409</td>
<td>No person shall park in any area marked in blue and identified as “Handicapped Parking” unless a valid handicapped placard/license plate/permit is properly displayed on or within the vehicle.</td>
<td>$42.00</td>
</tr>
<tr>
<td>410</td>
<td>Except as otherwise noted in these regulations, no person shall park in an area posted or marked “STAFF” unless a valid annual, semester, or temporary STAFF parking permit is properly displayed on or within the vehicle.</td>
<td>$17.00</td>
</tr>
<tr>
<td>411</td>
<td>No person shall park any vehicle in any manner or fashion so as to create a traffic hazard.</td>
<td>$17.00</td>
</tr>
</tbody>
</table>

Complete copies of the Parking Rules and Regulations can be obtained from the Public Safety Department.

OFF-CAMPUS TRANSPORTATION

From time to time class assignments or other class activities may take place off campus. When District transportation is provided, students are required to use it. When the location is in southern California, the class or activity may be convened and dismissed at the site. When this occurs, students will be responsible for their own transportation.

In regard to class trips, the student is encouraged to contact the instructor of the course to determine the likely dates, locations, and frequency of such off-campus requirements.

STUDENT AND STAFF E-MAIL

As a form of communication, most e-mail is not secure in the same manner as mail processed by the United States Postal Service and/or other primary carriers. Because of this fact, there should be no expectation of privacy. While the college takes precautions to protect the privacy of your e-mail address as well as your e-mail correspondence, privacy cannot be assured. A good rule to follow when using e-mail, in general, is to treat e-mail correspondence similar to a post card instead of sealed envelope. Because of the manner in which e-mail can be forwarded, it may easily become public information. As a public agency the college may be obligated to release copies of this type of correspondence based on provisions in the Freedom of Information Act and/or a related court order to provide certain records.

Faculty

Thomas Amen  Instructor, Theater  B.A. (Honors), University of California, Irvine M.A., University of Utah.

John W. “Jack” Anderson  Instructor, Accounting  A.A., El Camino College; B.S., University of Southern California; M.B.A., University of Southern California; Certified Public Accountant

Robert J. Angus  Instructor, Philosophy  B.A., Northwestern University; M.A., University of California at Santa Barbara; further graduate study: University of California at Santa Barbara.

Evelyn V. Armstrong  Instructor, Nursing  B.A., M.A., California State University, Long Beach.

Susan Thomas Babb  Associate Professor, Theater Arts  B.A., M.A., California State University at Fullerton.

Michael S. Bach  Instructor, Criminal Justice  B.S., California State University at Long Beach; M.A., University of Southern California. Commission on Peace Officers Standards and Training Master Instructor.

David L. Baird  Dean, Counseling  A.A., Cypress College; B.A., Brigham Young University; M.A., California State University at San Bernardino; Ed.D., University of La Verne.

Lawrence J. Baird  Instructor, Drafting  B.A., M.A., University of California at Los Angeles; further study: National University, San Diego.

Frank A. Baker  Professor, Biology  B.A., M.A., University of California at Los Angeles; further study: National University, San Diego.

Bruce Bales  Professor, Choral Music  B.M.E., Chapman University; M.F.A. University of California, Irvine; D.M.A.: University of Southern California.

David Barrett  Instructor, English  B.A. (Honors), University of Kent at Canterbury, England; M.A., University of Surrey, England.

Dibakar Barua  Professor, English  B.A., (Honors), University of Chittagong; M.A. University of Dhaka; Diploma in Language & Literature (with distinction), University of Edinburgh; Ph.D., State University of New York at Stony Brook.

Jaima Bennett  Assistant Professor, Speech Communications  B.A., M.A., California State University at Fullerton.

Susan R. Berman  Assistant Professor, Librarian  B.A., California State University at Long Beach; M.L.S., San Jose State University; further graduate study: California State University at Fullerton, Loyola Marymount University.

Phillip J. Bernard, Jr.  Professor, Chemistry  B.A., Oregon State University; Ph.D., University of California at Los Angeles.

Joyce L. Bishop  Professor, Psychology  B.A., Washington University; M.S., Loma Linda University; further graduate study: Biola University; University of California at Irvine.

Brian W. Blackburn  Instructor, Automotive Technology  Vocational Education credential.

Dianne M. Booth  Professor, Nursing  A.A., Compton College; B.S., California State University at Los Angeles; M.S., California State University at Los Angeles.

Nancy Boyer  Instructor, ESL  B.A., Oregon State University; M.A., Brigham Young University; Ph.D., University of Southern California.

Nannette D. Brodie  Associate Professor, Dance  B.A., M.A., California State University at Los Angeles; further graduate study: California State University at Long Beach; Nikolais Louis Dance Theatre Lab New York.

Kristina K. Brunning  Professor, Nursing  B.S.N., M.S.N., California State University at Los Angeles.

J. Wesley Bryan  Vice President, Instruction  B.A., M.A., California State University at Long Beach; further graduate study: University of Southern California; Oregon State University.

Huong H. Bush  Counselor  B.A., M.A., California State University at Fullerton; M.S., University of La Verne.

Gail Call  Assistant Professor, Floral Design  Vocational Education Credential, University of California at Los Angeles; Extension, further study: Elva May’s School of Floral Design, Fullerton, CA; Phil Rulloda’s School of Floral Design, Anaheim, CA.

Roger O. Camp  Professor, Photography  B.A., University of California at Santa Barbara; M.A., University of Texas; M.A., M.F.A., University of Iowa; Florsheim Fellow, Fine Arts Work Center, Provincetown.

Elvin H. “Al” Campbell, Jr.  Professor, Computer Science  B.A., M.P.A., California State University at San Diego; further graduate study: California State University at Long Beach; University of California at Irvine; California State University at Fullerton.

Spencer J. Carle  Professor, Economics  (Charter Faculty Member), B.S., M.A., University of California at Los Angeles.

Diana Carmel  Professor, Business & Information Systems  A.A., Golden West College; B.S., University of Redlands; M.A., National University; further graduate study: University of California at Irvine.

Gregg M. Carr  Instructor, Coordinator Learning Resources  B.A., M.P.A., California State University at Fullerton.

Dennis Carrie  Instructor, Mathematics  B.S., California Institute of Technology; M.A., University of Wisconsin, Madison.

Henrietta M. Carter  Professor, Vocal/Music Appreciation/World Music  B.S., Northeastern University; M.Mus., New England Conservatory of Music; M.S. Ed., National University; further graduate study: University of Southern California; Harvard University; Meadowbrook School of Music; University of California at Los Angeles; Philadelphia College of Performing Arts; Chatham College Opera Workshop; University of California at Irvine; Boston University; University of Florida; Claremont Graduate School.

Warren S. Carter  Associate Professor, TV Production and Operations  B.A., Bluffton College; M.A., University of Pittsburgh; further graduate study: California State University at Dominguez Hills; University of California at Los Angeles; University of Southern California.

Jerry B. Castillo  Counselor, Transfer Center Director  B.A., University of California Irvine. M.S.W., San Jose State University.
ADMINISTRATION & FACULTY

Juan T. Cepeda  Associate Dean
Special Student Services

Bachillerato, Instituto Tecnologico de Estudios Superiores de Monterrey, Monterrey, N. L., Mexico; B.V.E. all but Swan Bill review, California State University at Sacramento Extension; B.A., M.A., California State University at Sacramento; TESOL Instruction Certificate, University of California at Davis; further graduate study University of California, Irvine; University of California at Los Angeles.

Thomas A. Chambers  Professor
Political Science and English

B.S., Ph.D., University of Oregon; M.A., Harvard University; M.A., California State University, San Bernardino, further graduate study: University of California at Berkeley.

N. C. Chapman  Associate Professor
Sociology

B.S., M.A., University of California at Riverside, further graduate study: University of California at Riverside.

Maria Chovan-Nelson  Instructor
College Success/Psychology

A.A., El Camino College; B.A., California State University at Dominguez Hills; M.A., Loyola Marymount University.

Sharron A. Clark  Professor
Biology/Life Sciences/Botany

A.A., Phoenix College; B.A. in Ed., Arizona State University at Tempe; M.S., University of Maryland at College Park; further graduate study: University of California at Davis; University of California at Riverside; University of California at Irvine; Doctor of Education, Northern Arizona University at Flagstaff.

Brian E. Conley  Professor
Art

A.A., Sacramento City College; B.A., California State University at Sacramento; M.A., California State University at Fresno; further graduate study: California State University at Sacramento; California State University at Long Beach; Centre Genevios De Gravure Contemporaine, Geneve, Switzerland; University of California at Los Angeles; Pepperdine University; Member Board of Governors, California Community Colleges.

Keisha Cosand  Assistant Professor
English

B.A., M.A., California State University at Fresno.

Michael J. Cox  Professor
Mathematics

Computer Science

B.S., California State University at Long Beach, M.A., California State University at Fullerton; M.S., University of California at Irvine; further graduate study: University of California at Irvine.

Brunilda L. Cronk  Professor
Spanish

B.A., California State University at Dominguez Hills; M.A.T., University of California at Irvine.

Kathryn A. Crown  Professor
English

B.A., University of Maryland; M.A., Georgetown University; further graduate study: University of North Carolina; California State University at Long Beach; University of California at Irvine.

Nadine I. Davis  Professor
Nursing

A.A., Golden West College; R.N., Michael Reese Hospital School of Nursing; B.S.N., California State University at Fullerton; further graduate study: California State University at Dominguez Hills.

Van N. Dees  Associate Professor
ESL

B.A., Hollins College, Virginia; M.A., University of Hawaii at Manoa; TESOL Certificate and further graduate study: University of California at Irvine.

Dale I. Deffen  Professor
Physical Education

A.A., El Camino College; B.A., M.A., California State University at Long Beach.

Paul L. Donaldson  Professor
Art

A.A., Los Angeles City College; B.A., M.A., M.F.A., California State University at Long Beach.

Christopher E. Drover  Professor
Anthropology and Archaeology

A.A., Orange Coast College; B.A., M.A., California State University at Fullerton; Ph.D., University of California at Riverside; further graduate study: Arizona State University.

Raul Duarte  Professor
Physical Education

B.A., M.A., California State University at Long Beach.

Stephanie Dumont  Associate Professor
Counseling

B.A., University of California at Davis; M.S., National University; further graduate study: California Western School of Law.

Darrell D. Ebert  Professor
Art

A.A., Diablo Valley College; B.A., M.A., California State University at San Jose; further graduate study: University of California at Berkeley; University of California at Irvine.

James F. Farris  Professor
Business

B.S., Purdue University; M.B.A., M.A., California State University at Long Beach; Ed.D., University of Southern California; further graduate study: Columbia University; California State University, Long Beach; University of Dayton; University of California, Irvine.

Joseph D. Filson  Professor
Counseling

B.A., M.A., San Diego State University; M.A., Loyola Marymount University; further graduate study: San Diego State University.

Michelle Fiorane  Assistant Professor
Cosmetology

Patricia Fipps  Counselor

Disabled Students Program

B.A., B.S., (Honors), Washington State University; M.A., University of Arizona.

Dorothy M. Fitzgerald  Associate Professor
Mathematics

B.S., Mundelein College; M.A., University of Michigan; further graduate study: Loyola University of Chicago.

Candice G. Francis  Instructor
Cosmetology

Community College Credential, University of California at Los Angeles.

Cecelia Galassi  Assistant Professor
English

B.A., Occidental College; Ph.D., University of California, Irvine.

Albert M. Gasparian  Instructor
Physical Education

B.A., University of California at Los Angeles; M.A., Azusa Pacific College.

Ronald C. Gibson  Professor
Geology

B.S., California State University at Los Angeles; M.S., University of California at Riverside.

Bernard E. Gilpin  Professor
Physics and Geology

B.S., M.S., University of California at Riverside.

Carl Glassford  Professor
Art

B.A., Brigham Young University; M.A., Pepperdine University at Los Angeles; M.A., Pepperdine University at Malibu; further graduate study: Technical Hochschule fur Gestaltung, Duesseldorf, Germany.

Linda Gleason  Instructor
Nursing

B.S., University of Michigan; B.S.N., University of Maryland; M.S.N., and F.N.P., University of California State University at Long Beach.
Rumi Gonthier  
Assistant Professor,  
Nursing  
Diploma, School of Nursing, Osaka National Hospital,  
Japan; B.S.N., University of Phoenix; M.S.N.,  
University of California at Los Angeles.

Michael J. Goodman  
Professor,  
English  
A.A., Los Angeles City College; B.A., M.A., University  
of California at Los Angeles; further graduate study:  
University of Southern California.

John Grajeda  
Professor,  
Counselor  
B.A., California State University at Long Beach; M.S.,  
California State University at Long Beach.

James R. Greenfield  
Professor,  
Physical Education  
B.A., M.A., California State University at Long Beach;  
M.A., Pepperdine University.

Carol J. Grimes  
Professor,  
Chemistry  
B.A., Immaculate Heart College; Ph.D., Northwestern  
University.

Pierre Grimes  
Professor,  
Philosophy  
(Chart Faculty Member), B.A., San Francisco State  
University; M.S., Ph.D., University of the Pacific; fur-  
ther graduate study: New School of Social Research.

Christopher L. Hamilton  
Professor,  
Business  
A.A., Fullerton College; B.A., California State  
University at Fullerton; J.D., Western State University  
College of Law.

Judith Harmer  
Professor,  
Nursing  
A.A., Pasadena City College; B.S.N., M.S.N., Statewide  
Nursing, California State University.

Thomas Hersh  
Professor,  
Engineering Technology/Environmental Studies  
B.S., M.A., California State University at Long Beach.

Helen Higbee  
Instructor,  
English  
B.A., University of California at Berkeley; M.A., San  
Francisco State University; C.Phil., University of  
California at San Diego.

Jacqueline A. Hils-Williams  
Instructor,  
Nursing  
B.S.N., Hunter College, Bellevue School of Nursing;  
M.N., University of California at Los Angeles.

Karen L. Hinton  
Professor,  
Career Counselor  
Re-Entry/CalWORKs  
B.A., California State University at Long Beach; M.A.,  
Loyola Marymount University; further graduate study:  
University of California, Irvine; Loyola Marymount  
University.

Lou Ann H. Hobbs  
Professor,  
Librarian  
B.A., Miami University; M.L.S., University of Hawaii  
at Manoa; further graduate study: University of  
California at Los Angeles; University of California at  
Irvine.

David A. Horowitz  
Professor,  
Mathematics  
B.A., University of California at Santa Cruz; M.A.,  
Ph.D., University of California at San Diego; Academic  
Visitor: Imperial College of Science and Technology,  
London; Honorary Postdoctoral Fellow, University of  
Edinburgh, Scotland; Senior Visitor: University of  

David D. Hudson  
Dean,  
Language Arts  
B.A., M.A., Ph.D., University of Denver; further gradu-  
ate study: University of Hawaii at Manoa; University  
of California at Irvine.

William H. Hyde  
Professor,  
Philosophy  
B.A., Pomona College; M.A., Ph.D., University of  
California, Santa Barbara.

Steven A. Isonio  
Instructor,  
Psychology  
B.A., M.A., California State University, Fresno; Ph.D.,  
University of California, Riverside.

Francis A. Jesse  
Instructor,  
Mathematics  
Robert J. Johnson  
Professor,  
ESL/Special Education  
(Disabled Students Program)  
B.A., M.A., University of Redlands; further graduate  
study: California State University at Long Beach.

Barbara H. Jones  
Assistant Professor,  
Computer Business Applications  
A.A., Riverside Community College; B.V.Ed,  
California State University at San Bernardino; M.B.A.  
University of Redlands.

Cherie S. Kay  
Instructor,  
Physical Education  
B.A., California State University at Long Beach; further  
graduate study: California State University at Long  
Beach.
Américo Lopez-Rodriguez  Professor, Spanish
B.A., M.A., Ph.D., University of California at Santa Barbara; further graduate study: University of California at Irvine.

John C. Lundquist  Professor, English
B.A., University of Southern California; M.A., University of California at Irvine.

Stella Madrigal  Instructor, Speech Communication
A.A., Orange Coast College; B.A., University of California at Santa Barbara; Professional Clear Clad Credential, National University; M.A., California State University at Long Beach; further study: California State University at Long Beach.

Dean W. Mancina  Professor, Learning Resources
B.S., California State University at Long Beach; M.S., National University; further graduate study: California State University at Long Beach.

Earnest “Chip” Marchbank  Counselor
B.A., California State University at Long Beach, NATA Certification in Sports Medicine, M.S., National University; further study: National University; University Southern California.

Robin L. Matthews  Professor, Humanities
B.A., M.A., California State University at Fullerton; further graduate study: California State University at Fullerton.

Doris May  Assistant Professor, Cosmetology
A.A., Orange Coast College; Standard Designated Subject Credential, University of California at Los Angeles.

Marie McGrath  Professor, English
B.A., Deree College; M.A., University of California at Irvine.

Maryann McManus  Professor, Librarian
B.A., M.S.L.S., University of Southern California.

Roger N. Megorden  Professor, Automotive Technology
A.A., Golden West College; B.A., California State University at Long Beach; Certified “Master” Automotive Technician by the National Institute for Automotive Service Excellence; Certified by the California Bureau of Automotive Repair as an instructor, inspector, and installer of emission control systems; Certified as a product service training instructor for General Motors Corp. engine, fuel and emission control systems; further graduate study: California State University at Long Beach.

Louis D. Mikelson  Instructor, Biological Sciences
A.A., Fullerton Junior College; B.S., M.A., California State University at Long Beach.

Donald G. Miller  Professor, Counselor
B.A. Speech, Drama, Communications, California State University at Fullerton, M.S., Counseling Psychology of California State University at Fullerton, Director of Huntington Psychological Services, Director of Miller de la Questa and Associates: Communications Counseling Firm. Licensed Marriage Family Therapist. Minister and Spiritual Advisor at Universal Life Church.

Lois M. Miller  Professor, Mathematics
B.S., Eastern Illinois University; M.A., California State University at Long Beach; Ed.D., Nova University.

Stephen Miller  Assistant Professor, Biology
B.A., Azusa Pacific University; B.S., University of California, Irvine; M.S., California State University at Long Beach.

David W. Moore  Professor, History
B.A. (Honors), University of Greenwich, London England; M.A. University of Newcastle upon Tyne, England; further graduate study: University of Northumbria; University of Newcastle upon Tyne, England.

Sally N. Morgan  Director of Nursing, Associate Professor, Nursing
A.A., Nursing, University of Southern Colorado; B.S.N., Mt. St. Mary’s College, Los Angeles; M.S.N., California State University at Dominguez Hills.

Paula Mucciaco  Instructor, American Sign Language
A.A., Golden West College; Vocational Teaching Certificate, University of California at Los Angeles; further extension courses.

Sharon Murray  Professor, Nursing
B.S., Northern Illinois University, M.S.N., University of California at Los Angeles.

Alice R. Myli  Professor, Nursing
B.S.N., M.S.N., M.S.H.C.M., California State University at Los Angeles, R.N., P.H.N.

Susana Nakamoto-Gonzalez  Professor, Spanish
B.A., Spalding University; M.A., California State University at Fullerton; Ph.D. Claremont Graduate University.

Charlanne T. Nee  Dean, Business & Information Systems, Criminal Justice, Work Experience & Contract Education
A.A., Orange Coast College; B.A., M.A., University of Redlands; M.A., Chapman University; Ed.D., Pepperdine University.

Tri Dinh Nguyen  Professor, Counselor
B.S., University of California at Irvine; M.A., Loyola Marymount University.

Donavan J. Nielsen  Associate Professor, Computer Science
A.A., Harbor College; B.S., California State University at Sacramento; further graduate study: California State University at Sacramento; University of California at Los Angeles.

John D. North  Professor, Drafting
(Charter Faculty Member), Vocational Class “A” Credential, University of California at Los Angeles; B.A., University of Redlands.

Helen A. Norton  Professor, Nursing
R.N., B.S.N., Ohio State University; M.S.N., California State University at Los Angeles.

Tarin Frances Olson  Professor, Career Counseling
B.A., University of California at Los Angeles; M.S., California State University at Long Beach.

Wayne R. Olson  Dean, Technology, Vocational, Health & Physical Education
A.S., Los Angeles Trade Technical College; B.A., M.A., California State University at Long Beach.

Donna L. Oneal  Professor, Cosmetology
A.A., Golden West College; Bachelor Voc. Ed./OCC Studies, California State University at Long Beach; M.A., California State University at Long Beach.

Jeanette Onishi  Professor, Librarian
B.A., University of California at Los Angeles; M.L.S., University of California at Berkeley; TESL Certificate, University of California, Irvine.

Ted A. Palmer  Professor, Architectural Technology
A.A., Orange Coast College; B.A., California State University at Long Beach; M.A., Ed. Admin., Azusa Pacific University.
Kimberly A. Pascoe  Associate Professor, Disabled Student Services  
B.S., California State Polytechnic University; M.A., California State University at Northridge. Further graduate study: Gallaudet University; California State University at Northridge. RID Certified Interpreter-CL CT. 

Lowell G. Pierce  Instructor, Physical Education  
A.A., Golden West College; B.A., Humboldt State College; M.A., Azusa Pacific College; further graduate study: California State University at Long Beach. 

Richard L. Porter  Vice President, Student Services  
B.A., California State University at Fullerton; M.E., Loyola Marymount University. 

Omid Pourzanjani  Associate Professor, Computer Science  
A.A., Santa Monica College; B.S., M.S., California State University at Long Beach; further graduate study: Claremont Graduate School. 

H. Suey Quan  Professor, Mathematics  
B.A., M.A., University of California at Los Angeles. 

Victor R. Quiros  Instructor, Criminal Justice  
B.A., University of California at Irvine; J.D., Western State University College of Law. 

Lia Raileanu  Instructor, French  

James C. Reck  Professor, Geography  
A.A., Citrus College; B.S., California State Polytechnic University at Pomona; M.A., San Diego State University. 

Diane M. Restelli  Professor, Nursing  
A.D.N., Golden West College; B.S.N., California State University at Fullerton; M.S.N., University of Texas at Houston. 

Harvey E. Reynolds  Professor, Mathematics  
B.S., Central State College; M.S., University of Arizona. 

Robert B. Ricewasser  Professor, Automotive Technology  
A.A., Los Angeles City College; B.A., California State University at Los Angeles; M.A., California State University at Los Angeles; Certified Master Automobile Technician by National Institute for Automotive Excellence; further graduate study: California State University at Los Angeles; California State University at Long Beach. 

Bonita L. “Bonnie” Roohk  Professor, Biological Sciences  
B.S., M.S., University of California at Davis; further graduate study: University of California at Los Angeles; University of California at Irvine; Hoag Memorial Hospital Presbyterian. 

Roxana C. Ross  Professor, Librarian  
A.A., Victor Valley College; B.A., University of California, Los Angeles; M.A.L.S., Dominican University (AKA Rosary College); further graduate study: University of California at Los Angeles; University of California at Irvine; Chapman College. 

Richard B. Rowe  Professor, History  
B.A., M.A., Ph.D., University of California at Santa Barbara. 

Michelle Sambrano  Counselor EOPS and CARE Programs  
B.A., University of California at Los Angeles; M.S., California State University at Los Angeles. 

Thomas J. Scardina  Instructor, Mathematics  
B.A., California State University at Fullerton; M.A., California State University at Los Angeles. 

Ray K. Shackleford  Professor, Athletic Director Physical Education (Charter Faculty Member), A.A., Compton College; B.A., M.Ed., University of Arizona; further graduate study: Chapman University; California State University at Los Angeles; Northern Arizona University; California State University at San Diego. 

Michael R. Shaughnessy  Instructor, Physics and Health Education  
A.A., Golden West College; B.A., San Diego State University; M.A., Azusa Pacific University; further graduate study: Chapman University; University of San Diego. 

Elizabeth M. “Betsy” Smith  Professor, Physical Education  
B.A., University of California at Santa Barbara; M.A., Azusa Pacific University; further graduate study: University of Southern California. 

Jane C. Smith  Instructor, Cosmetology  
Cosmetology Instructor license; further graduate study: University of California at Long Beach. 

Mary D. “Marde” Snedeker  Instructor, Cosmetology  
A.A., Golden West College; Vocational Education Life Credential, University of California at Los Angeles. 

Mark A. Souto  Professor, Chemistry  
B.A., Rutgers University; Ph.D., University of California at Los Angeles. 

Konrad M. Stein  Professor, Physics and Astronomy  
B.S., University of California at San Diego; Ph.D., University of California at Riverside. 

Gary R. Stratton  Professor, Physical Education  
A.A., Santa Ana College; B.S., M.S., California State University at Fullerton; further graduate study: Washington State University. 

Sandy Sudweeks  Professor, Speech Communication  
B.S., Regis College, Denver; M.A., Arizona State University. 

Marcia J. Swanson  Professor, Nursing  
A.A., Fullerton College; R.N., B.S.N., California State University at Fullerton; M.S., Loma Linda University; M.A., Claremont College; Ph.D., Claremont College. 

Elizabeth D. Sykes  Instructor, Instructor Information Technology  
B.A., Home Economics (Education and Community Services), California State University, Los Angeles; further graduate study: Loyola Marymount University, Los Angeles, Vocational Education Teaching Credential - Computer Applications, Computer Maintenance and Repair, and Information Systems Management, A+, Network+, Novell CNA, IC3 (Computing and Internet), Cisco IT Essentials I and II Certifications. Pending certificates CCNA and CCNI. 

Abraham Tarango  Instructor, English  
B.A., California State University at Chico; M.A., Washington State University; further graduate study: University of California at San Diego. 

Scott Taylor  Instructor, Physical Education  
A.A., Golden West College; B.A., University of California, Santa Barbara. 

Dagny I. Tennyson  Professor, Counseling  
B.S., St. Olaf College, Minnesota; M.S., California State University at Fullerton.
Russell A. Terry  Professor, Counselor  B.A., M.A., California State University at Fullerton;  M.A., Loyola Marymount University; further graduate study: California State University at Fullerton, Claremont Graduate School.

Anna Marie Thames  Professor, English  B.A., M.A., University of Houston; Ph.D., University of California at Los Angeles.

C. Sheldon Thorne  Professor, History and Humanities  B.A., M.A., University of Oregon; further graduate study: University of California at Los Angeles; Centro de Estudios sobre Historia de Espana, Madrid; Spain; University of Seville, Seville, Spain.

Norman Tornheim  Professor, Art  B.S. Art Center College of Design; M.A., San Diego State College; M.F.A., California State University at Long Beach; further graduate study: Otis University; Pilchuck Glass School; San Francisco Art Institute.

James A. Tortolano  Instructor, Journalism  A.A., Golden West College; B.A., California State University at Long Beach.

Richard R. Ullrich  Instructor, English/ESL  B.A., University of Colorado at Boulder; M.A., Georgetown University; further graduate study: University of Regensburg, West Germany; Instituto Guatemalteco-American, Guatemala.

Nancy C. Viele  Instructor, Cosmetology  Vocational Education Credential, University of California at Los Angeles.

Roberto Villarreal  Instructor, Physical Education  A.A., Azusa Pacific University; B.S., California State University at Fullerton.

Dino Vlachos  Professor, Business  B.S., California State University at Northridge; J.D., Southwestern University, Los Angeles.

John H. Wadhams  Professor, Mathematics  B.A., M.A., California State University at Los Angeles.

David B. Walker  Professor, Diesel Technology  A.A., Los Angeles Trade Technical College; B.A., California State University at Los Angeles; M.A., California State University at Long Beach.

Nina E. Wallace  Professor, Cosmetology  B.A., Santa Clara University; M.A., University of California at Irvine.

Charles A. Whitchurch  Professor, English and Humanities  B.A., University of California at Los Angeles.

Greg Wight  Professor, Design & Drafting  A.A. Santa Monica College; B.A., M.A., California State University at Long Beach. Further graduate study: California State University at Fullerton and California State University at Long Beach.

Evan P. Williams  Instructor, Communications Services Recording Arts  Azusa Pacific College; Biola College.

Lawrence Williams  Instructor, Chemistry  B.S., University of Pittsburgh; M.S., Ph.D., Carnegie-Mellon University; further graduate study: University of Connecticut; Liquid Crystal Institute at Kent, Ohio; University of Pittsburgh.

Stanley R. Winter  Professor, Chemistry  B.A., Rice University; Ph.D., Stanford University.

Mai Ying Maxine Woo  Professor, Business and Management  A.A., El Camino College; B.S., California State University at Long Beach; M.S., University of Southern California; Ph.D., United States International University at San Diego.

Rose Ann Wood  Professor, Instrumental Music-Piano  Artist-In-Residence  A.A., Long Beach City College; B.A., California State University at Long Beach; M.M., University of Southern California; further graduate study: University of Southern California.

Frank L. “Bud” Yeargain  Instructor, Auto Body and Frame Technology  A.A., Santa Monica College; B.A., M.A., California State University at Long Beach; University of Southern California; further graduate study: California State University at Long Beach.

Kenneth D. Yglesias  President  A.A., St. Petersburg Jr. College, FL  B.A., University of South Florida, FL  M.A., Western Carolina University, NC  Ed.D., University of Southern California, CA  Post Doctoral Studies: Kellog Fellow, The League of Innovation in the Community College and the University of Texas, Austin, 1989; New Presidents Seminar, Harvard University, 1997

Linda K. York  Professor, Career Counselor, Project Director, Re-Entry/Cal WORKs  A.A., Orange Coast College; B.A., M.S., National University; M.A., Chapman University.
Professor Emeritus

The Professor Emeritus designation is awarded to faculty who retire holding the rank of Professor and who have at least 15 years of service with the Coast Community College District.

Beverly C. Barck  Allen Giles  Lowell E. Karre  Jane E. Threadgold
Clarence Belinn  Mary M. Gradishar  John F. Kellogg  Maurice L. Ward
Lurene M. Brooks  Peter M. Green  Thomas F. Kosuth  Evelyn N. Weiss
William Carpenter  Bruce Hand  Max D. Lechtman  Raymond S. Werner
Harvey L. Clemans  Peggy L. Hannawell  Janet V. McDaniel  Hayden Williams
Lois Dalla-Riva  Claudine R. Hastings  Roger F. Morin  Donna E. Willoughby
Ramona T. Davis  Thomas N. Hermstad  Sharon A. Ratliffe  Linda G. Wilson
Eldon N. Durham  Ann Hostetler  Bonnie C. Robinson  Gandasari A. Win
Robert J. Egan  Ruth L. Hunter  Grayce M. Roessler  Roberta M. Vander Dussen
